

CERTIFICATE OF QUALIFIED PERSON

CERTIFICATE Stuart Hutchin

I, Stuart Hutchin, MAIG, do hereby certify that:

1. I am the Principal Geologist of Mining One Consultants Pty Ltd registered at:

Mining One Consultants Pty Ltd
Level 9, 50 Market St
Melbourne
Victoria, Australia, 3000.

This Certificate is made in relation to a technical report entitled "NI43-101 Report for Fosterville South Exploration Ltd on the Central Victorian Gold properties, State of Victoria, Australia" and dated 22nd December 2019.

1. I graduated with a Bachelor of Applied Science in Applied Geology from the University of South Australia, Adelaide, South Australia in 1997.
2. I am a Member of the Australian Institute of Geoscientists (#5285) of which I have been a member since 2012.
3. I have worked as a geologist for a total of 23 years since graduation in the gold, base metals, iron ore, diamonds, emeralds, bauxite and rare earth minerals. I have worked in a range of technical roles from managing exploration stage projects through to managing open pit and underground mine geology teams. I have worked on projects both within Australia and internationally. I have been the Principal Geologist at Mining One Consultants for 7.5 years.
4. I have read National Instrument 43-101 and Form 43-101 F1, and the Technical Report has been prepared in compliance with that instrument and form.
5. I have read the definition of Qualified Person set out in National Instrument 43-101 (NI43-101) and certify that by reason of my education, affiliation with a professional association (as defined in NI 43-101) and past relevant work experience, I fulfil the requirements to be a Qualified Person for the purposes of NI 43-101.
6. For the purposes of the Technical Report entitled: "NI43-101 Report for Fosterville South Exploration Ltd on the Central Victorian Gold properties, State of Victoria, Australia", I contributed to writing this report and made the proposals for work contained therein.
7. I visited the property and its field offices on the 16th and 28th October 2019. During the site visit I reviewed the geological maps, drill logs, drill core and all other pertinent data from the archives. I also visited the key prospect sites including the Lauriston and other sites.
8. At the effective date of the technical report, to the best of the author's knowledge, information, and belief, the technical report contains all scientific and technical information that is required to be disclosed to make the technical report not misleading.
9. I am not aware of any material fact or material change with respect to the subject matter of the Technical Report that is not reflected in the Technical Report, the omission to disclose which makes the Technical Report misleading.
10. I am independent of the issuer applying all of the tests in Section 1.5 of NI 43-101.

11. I consent to the filing of the Technical Report with any stock exchange and other regulatory authority and any publication by them for regulatory purposes, including electronic publication in the public company files on their websites accessible by the public, of the Technical Report.
12. I have no direct or indirect interest in the property that is the subject of this report.
13. I do not hold shares in Fosterville South Exploration Ltd or its associated companies.
14. I will receive only normal consulting fees for the preparation of this report.
