FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking information within the meaning of applicable securities laws, which reflects Dye & Durham's current expectations regarding future events, including regarding the timing for filing the quarterly unaudited consolidated financial statements for the three and nine months ended March 31, 2026, and the other required quarterly filings. In some cases, but not necessarily in all cases, forward-looking statements can be identified by the use of forward looking terminology such as "plans", "targets", "expects" or "does not expect", "is expected", "an opportunity exists", "is positioned", "estimates", "intends", "assumes", "anticipates" or "does not anticipate" or "believes", or variations of such words and phrases or state that certain actions, events or results "may", "could", "would", "might", "will" or "will be taken", "occur" or "be achieved". In addition, any statements that refer to expectations, projections or other characterizations of future events or circumstances contain forward-looking statements. Forward-looking statements are not historical facts, nor guarantees or assurances of future performance but instead represent management's current beliefs, expectations, estimates and projections regarding future events.

Forward-looking information is based on a number of assumptions and is subject to a number of risks and uncertainties, many of which are beyond Dye & Durham's control, which could cause actual results and events to differ materially from those that are disclosed in or implied by such forward-looking information. Such risks and uncertainties include, but are not limited to, the factors discussed under "Risk Factors" in Dye & Durham's most recent annual information form and in its most recent management discussion and analysis. Dye & Durham does not undertake any obligation to update such forward-looking information, whether as a result of new information, future events or otherwise, except as expressly required by applicable law.
