Forward-Looking Information

Certain information presented in this news release may constitute "forward-looking information" within the meaning of applicable securities laws regarding MINDCURE and its business. Forward-looking information generally can be identified by the use of terms and phrases such as "anticipate", "believe", "could", "estimate", "expect", "feel", "intend", "may", "plan", "predict", "project", "subject to", "will", "would", and similar terms and phrases.

Forward-looking information is based on a number of key expectations and assumptions made by management of MINDCURE, including, without limitation: the COVID-19 pandemic impact on the Canadian economy and MINDCURE's business, and the extent and duration of such impact; no change to laws or regulations that negatively affect MINDCURE's business; there will be a demand for MINDCURE's products in the future; no unanticipated expenses or costs arise; MINDCURE will be able to continue to identify products that make them ideal candidates for providing solutions for treating mental health; and that MINDCURE will advance wellness worldwide.

Forward-looking information is provided for the purpose of presenting information about management's current expectations and plans relating to the future and readers are cautioned that such statements may not be appropriate for other purposes. Forward-looking information inherently entails known and unknown risks and uncertainties about the future and actual results, and involves significant risks and uncertainties and should not be read as a guarantee of future performance or results as actual results may differ materially from those expressed or implied in such forward-looking information. Although MINDCURE has attempted to identify important factors that could cause actual results, performance or achievements to differ materially from those described in forward-looking information presented, there may be other factors that cause results, performance or achievements to differ from those anticipated, estimated or intended. Accordingly, readers should not place undue reliance on any forward-looking statements as no forward-looking information can be guaranteed.

Except as required by applicable securities laws, forward-looking statements speak only as of the date on which they are made and MINDCURE does not undertake any obligation to publicly update or revise any forward-looking information, whether as a result of new information, future events, or otherwise.
