Mednow to Attend 8th Annual AlphaNorth Capital Conference

TORONTO--(BUSINESS WIRE)--March 22, 2022--Mednow Inc. ("**Mednow**" or the "**Company**") (TSXV:MNOW), Canada's on-demand virtual pharmacy, will attend the eighth annual AlphaNorth Capital Conference from March 25-27, 2022.

The AlphaNorth Capital Conference provides an opportunity for growing companies like Mednow to meet with capital finance firms through a day of scheduled one-on-one meetings and various networking events.

Mednow will be introducing its story to new potential investors and will provide corporate updates to those who are familiar with the Company. Mednow expects its digital pharmacy to have national delivery capabilities by mid-2022.

About Mednow Inc.

Mednow is a healthcare technology company offering virtual access with a high standard of care. Designed with accessibility and quality of care in mind, Mednow.ca provides virtual pharmacy and telemedicine services as well as doctor home visits through an interdisciplinary approach to healthcare that is focused on the patient experience. Mednow's services include free at-home delivery of medications, a user-friendly interface for easy upload, transfer, and refill of prescriptions, access to healthcare professionals through an intuitive chat experience, a specialized PillSmart™ system that packages prescriptions and vitamins by date and time, and doctor consultations.

Cautionary Note Regarding Forward-Looking Information

This release includes certain statements and information that may constitute forward-looking information within the meaning of applicable Canadian securities laws. All statements in this news release, other than statements of historical facts, including statements regarding future estimates, plans, objectives, timing, assumptions or expectations of future performance, including without limitation, the Company's expectation that its digital pharmacy will have national delivery capabilities by mid-2022 is a forward-looking statement and contains forward-looking information. Generally, forward-looking statements and information can be identified by the use of forward-looking terminology such as "intends" or "anticipates", or variations of such words and phrases or statements that certain actions, events or results "may", "could", "should", "would" or "occur". Forward-looking statements are based on certain material assumptions and analysis made by the Company and the opinions and estimates of management as of the date of this press release, including that the Company's digital pharmacy will have national delivery capabilities by mid-2022. These forward-looking statements are subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level *of activity, performance or achievements of the Company to be materially different from those expressed or implied by such forward-looking statements or forward-looking information. Important factors that may cause actual results to vary, include, without limitation, the Company's digital pharmacy will not have national delivery capabilities by mid-2022 or at all. Although management of the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements or forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements and forward-looking information. Readers are cautioned that reliance on such information may not be appropriate for other purposes. The Company does not undertake to update any forward-looking statement, forward-looking information or financial out-look that are incorporated by reference herein, except in accordance with applicable securities laws.*
