Ridgeline Minerals Appoints Carlin Trend Expert Mac Jackson to Advisory Board

Vancouver, British Columbia--(Newsfile Corp. - May 18, 2021) - Ridgeline Minerals Corp. (TSXV: RDG) (OTCQB: RDGMF) (FSE: 0GC0) ("**Ridgeline**" or the "**Company**") is pleased to welcome Mac Jackson as a technical advisor to the Company. Mr. Jackson is an AIPG certified professional geologist who in a distinguished 25-year career brings a proven track record of discovery to the Ridgeline team. As a senior exploration geologist at Newmont Corporation and most recently Vice President, Exploration for Gold Standard Ventures Corp., Mac led exploration teams that contributed to several multi-million-ounce Carlin-Type gold discoveries in Nevada including the Leeville (Newmont), Fiberline (Newmont) and North Dark Star (Gold Standard Ventures) deposits. Mac obtained his Master of Science degree from the University of Nevada-Reno and Bachelor of Arts from Dartmouth College and has published and presented several technical papers on Carlin-Type gold deposits throughout his career.

Chad Peters, Ridgeline's President, CEO & Director, commented, *"we welcome Mac to our team at a pivotal time in the company's growth. As we head into a highly anticipated drill program at our Carlin-East project in June, we will utilize Mac's experience in the discovery of the multi-million-ounce Leeville deposit to test similar gold targets at Carlin-East, located directly on-strike of and to the north of the high-grade Leeville gold mine."*

Cautionary Note regarding Forward-Looking Statements

Statements contained in this press release that are not historical facts are "forward-looking information" or "forward-looking statements" (collectively, "Forward-Looking Information") within the meaning of applicable Canadian securities legislation and the United States Private Securities Litigation Reform Act of 1995. Forward-Looking Information includes, but is not limited to, the anticipated timing for release of additional drill results, plans to drill test prospective targets in 2021 and the potential advancement of mineral exploration, exploration drilling, development, and/or operating programs. The words "potential," "anticipate," "significant," "discovery," "forecast," "believe," "estimate," "expect," "may," "will," "project," "plan", "historical", "historic" and similar expressions are intended to be among the statements that identify Forward-Looking Information. Forward-Looking Information involves known and unknown risks, uncertainties and other factors which may cause the actual results to be materially different from any future results expressed or implied by the Forward-Looking Information. In preparing the Forward-Looking Information in this news release, Ridgeline has applied several material assumptions, including, but not limited to, assumptions that the current objectives concerning its mineral projects can be achieved and that its other corporate activities will proceed as expected; that general business and economic conditions will not change in a materially adverse manner; and that all requisite information will be available in a timely manner. Forward-Looking Information involves known and unknown risks, uncertainties and other factors which may cause the actual results, performance, or achievements of Ridgeline to be materially different from any future results, performance or achievements expressed or implied by the Forward-Looking Information. Such risks and other factors include, among others, risks related to dependence on key personnel; risks related to unforeseen delays; risk related to historical data that has not been verified by the company; as well as those factors discussed in Ridgeline's public disclosure record. Although Ridgeline has attempted to identify important factors that could affect Ridgeline and may cause actual actions, events, or results to differ materially from those described in Forward-Looking Information, there may be other factors that cause actions, events or results not to be as anticipated, estimated or intended. There can be no assurance that Forward-Looking Information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on Forward-Looking Information. Except as required by law, Ridgeline does not assume any obligation to release publicly any revisions to Forward-Looking Information contained in this news release to reflect events or circumstances after the date hereof or to reflect the occurrence of unanticipated events.
