

CONSENT OF QUALIFIED PERSON

TO: Element 29 Resources Inc.
British Columbia Securities Commission
Alberta Securities Commission
Ontario Securities Commission
TSX Venture Exchange

Dear Sirs/Mesdames:

RE: Element 29 Resources Inc. (the "Company")
Consent Letter for Preliminary Long Form Prospectus

I, Derrick Strickland, P.Geo, do hereby:

- (a) consent to the public filing of the technical report with an effective date of February 15, 2020, titled "NI 43-101 Technical Report on the Elida Property Peru" prepared for the Company in accordance with National Instrument 43-101 (the "**Elida Technical Report**");
- (b) consent to being named in the Company's preliminary long form prospectus dated September 10, 2020 (the "**Preliminary Prospectus**"), to be filed with the applicable securities regulatory authorities and is available to the public under the Company's profile on the System for Electronic Analysis and Retrieval (SEDAR);
- (c) consent to any extracts from, or a summary of, the Elida Technical Report in the Preliminary Prospectus; and
- (d) certify that I have read the Preliminary Prospectus being filed by the Company and that it fairly and accurately represents the information in the Elida Technical Report.

[Remainder of page intentionally left blank]

DATED this 10th day of September, 2020.

(signed) "Derrick Strickland" _____

Derrick Strickland, P.Geol.
