To the ordinary shareholders of Robert Walters plc

INTRODUCTION

I am writing to you to explain the resolutions which will be proposed at the Company's 2013 Annual General Meeting. Notice of the Annual General Meeting convened for Friday, 24 May 2013 is attached at the end of this document.

The Board is of the view that, in order to encourage a more efficient dialogue with shareholders at the Annual General Meeting, shareholders should be able to let the Directors know in advance of any questions they would like to raise so as to permit the Directors to give shareholders more considered and useful answers. Accordingly, this letter also explains the method by which questions can be asked in advance of the meeting.

The Board believes that it continues to be in the best interests of the Company and its shareholders that the Company be in a position to return surplus funds to shareholders should they decide to do so. Having reviewed the alternative methods of returning value to shareholders, the Directors believe that the buying back by the Company of its ordinary shares in the market continues to be an effective way. Accordingly, the Directors are to seek the approval of shareholders to renew the authority for the Company to purchase up to 7,668,891 of its own ordinary shares in the market, equivalent to 10 per cent of the Company's ordinary share capital (excluding treasury shares).

ANNUAL REPORT AND ACCOUNTS

The Company announced its results for the year ended 31 December 2012 on 26 February 2013. The Annual Report and Accounts which you will also have received contains a statement from myself, a statement from the Chief Executive, Robert Walters and an operating and financial review from the Chief Financial Officer, Alan Bannatyne. The Annual Report and Accounts also contain the Group's financial statements for the year ended 31 December 2012 and reports from the Directors and the Auditor.

Shareholder approval is now required to be sought for the Remuneration Report of the Directors for the year ended 31 December 2012 at the forthcoming Annual General Meeting. This Report is contained at pages 24 to 31 (inclusive) of the Annual Report and Accounts.

As referred to in the Annual Report and Accounts, the Directors propose to recommend the payment of a final dividend of 3.68p per ordinary share to be paid on Friday, 14 June 2013 to the ordinary shareholders on the register on Friday, 24 May 2013.

AUTHORITY TO MAKE MARKET PURCHASES OF ORDINARY SHARES

It is proposed, subject to shareholder approval, that the existing authority for the Company to make market purchases of its own ordinary shares, using the current distributable reserves of £25,300,000 be renewed.

The authority sought from shareholders will be limited to 7,668,891 ordinary shares being the number of ordinary shares which represents 10 per cent of the issued ordinary share capital of the Company (excluding treasury shares). Renewal of this authority has been sought at recent Annual General Meetings of the Company and it continues to be envisaged that such renewal will be sought at subsequent Annual General Meetings. The minimum price per share to be paid on any purchase would not be less than 20p, being the nominal value of each ordinary share, and the maximum price would be no more than the higher of (a) 105 per cent of the average of the middle market quotation for an ordinary share (as derived from the Daily Official List of the London Stock Exchange) for the five business days immediately preceding the day on which the ordinary shares are contracted to be purchased and (b) the higher of the price of the last independent trade and the highest current independent bid for an ordinary share on the trading venue where the purchase is carried out, in both cases exclusive of expenses payable by the Company.

Unless subsequently renewed, varied or revoked, the authority will expire at the conclusion of the Annual General Meeting of the Company to be held in 2014 or 30 June 2014, whichever shall occur first, provided that the Company may acquire ordinary shares after such expiry where the Company has contracted to acquire them before such expiry.

The Directors will only use the authority to make market purchases of ordinary shares if they consider such purchases to be in the interests of shareholders generally. Moreover, the Company cannot by law exercise the power to make market purchases of ordinary shares other than out of distributable reserves or a fresh issue of shares made for the purpose of the purchase. The consideration for any purchases of ordinary shares would be paid in cash.

The Companies Act 2006 (the "2006 Act") allows shares purchased by the Company to be held as treasury shares, which may then be cancelled, sold for cash or used to meet the Company's obligations under its share option schemes. The authority sought to make market purchases of its own shares is intended to apply equally to shares to be held by the Company as treasury shares in accordance with the 2006 Act.

ANNUAL GENERAL MEETING

At the end of this letter is the notice convening the Annual General Meeting. The meeting, which is to be held at 9am on Friday, 24 May 2013 at 11 Slingsby Place, St. Martin's Courtyard, London WC2E 9AB will comprise both ordinary and special business.

Robert is also a member of the Nominations Committee. His biography is on page 14 of the Annual Report and Accounts and appears on the Company's website at www.robertwalters.com.

Having considered the performance of and contribution made by each of the Directors standing for re-election the Board remains satisfied that the performance of each of the relevant Directors continues to be effective and to demonstrate commitment to the role and as such recommends their re-election.

- **Re-appointment of Deloitte LLP as Auditor for the ensuing year and authorisation of the Directors to fix the Auditor's remuneration (resolution 12)**

The second part of the meeting will be held to consider the following special business, which will be proposed as to resolution 13 as an ordinary resolution and, as to resolutions 14 to 16, as special resolutions;

- **Authority to allot relevant securities in the Company (resolution 13)**

On 24 May 2012, the Directors were given authority, under section 551 of the 2006 Act, to allot up to 31,873,967 ordinary shares representing 41.59 per cent of the ordinary shares then in issue until the earlier of the conclusion of the 2013 Annual General Meeting and 30 June 2013. The Directors recommend, by resolution 13, that a new authority under section 551 of the Companies Act 2006 be granted which will expire on the earlier of the conclusion of the 2014 Annual General Meeting and 30 June 2014.

If resolution 13 is approved by shareholders, the Directors will have authority to allot up to 25,562,970 ordinary shares representing one third of the ordinary shares currently in issue (excluding treasury shares). The Company currently has 8,922,900 treasury shares in issue which represents 11.64 per cent of the total share capital in issue (excluding treasury shares) as at 15 April 2013, being the last practicable date prior to the publication of this document.

The Directors have no present intention of exercising the authority and intend to renew this authority annually.

- **Dis-application of statutory pre-emption rights (resolution 14)**

On 24 May 2012, the Directors were also given authority, under section 561 of the 2006 Act, until the earlier of the conclusion of the 2013 Annual General Meeting and 30 June 2013, to allot equity securities for cash, other than to existing shareholders in proportion to their holdings, up to an aggregate nominal amount of £855,681 (4,278,406 ordinary shares) being equal to 5 per cent of the then current issued ordinary share capital. The Directors recommend, by resolution 14, that a new authority under section 561 of the 2006 Act be granted which will expire on the earlier of the conclusion of the 2014 Annual General Meeting and 30 June 2014.

If resolution 14 is approved by shareholders, the Directors will be authorised to allot equity securities for cash, other than to existing shareholders in proportion to their holdings, up to an aggregate nominal amount of £856,118 (4,280,591 ordinary shares) being equal to approximately 5 per cent of the current issued ordinary share capital (including treasury shares) until the earlier of the conclusion of the 2014 Annual General Meeting and 30 June 2014. The Directors intend to renew this authority annually.

The requirements to allot equity securities for cash to existing shareholders in proportion to their holdings will also apply to the sale by the Company of any shares it holds as treasury shares. These requirements may be similarly disapplied by shareholders. The authority sought, and limits set, by resolution 14 will also apply to a sale of treasury shares.

- **Authority to make market purchases of ordinary shares (resolution 15)**

As referred to on page 2 of this letter, the Directors recommend, by resolution 15, that the Company be authorised, for the purposes of section 701 of the 2006 Act and in substitution for any existing authority for the Company, to make market purchases of ordinary shares. The existing authority is due to expire at the conclusion of the Annual General Meeting and it is proposed that the Company be authorised to continue to make market purchases up to an aggregate of approximately 10 per cent of the Company's issued ordinary share capital (excluding treasury shares) as further described below. The Directors will continue to exercise this power only when, in the light of market conditions prevailing at the time, they believe that the effect of such purchases will be to increase earnings per share and will be likely to promote the success of the Company for the benefit of its members as a whole. Other investment opportunities, appropriate gearing levels and the overall position of the Company will be taken into account when exercising this authority. Save to the extent purchased pursuant to the 2006 Act, any shares purchased in this way will be cancelled and the number of shares in issue will be reduced accordingly. The Company may hold in treasury any of its own shares that it purchases pursuant to the 2006 Act and the authority conferred by this resolution. This gives the Company the ability to reissue treasury shares quickly and cost-effectively and provides the Company with greater flexibility in the management of its capital base. It also gives the Company the opportunity to satisfy employee share scheme awards with treasury shares. The proposed authority would be limited to purchases of up to 7,668,891 ordinary shares which is equal to approximately 10 per cent of the Company's

issued ordinary share capital (excluding treasury shares) as at 15 April 2013 (being the latest practicable date prior to publication of this notice). The resolution specifies the maximum and minimum prices at which the Company's shares may be bought. Resolution 15 will be proposed as a special resolution to provide the Company with the necessary authority. If given, this authority will expire on the earlier of the conclusion of the 2014 Annual General Meeting and 30 June 2014.

• **Authority to hold general meetings (other than Annual General Meetings on 14 clear days' notice) (resolution 16)**

On 24 May 2012, the Company was given the ability to call general meetings (other than an Annual General Meeting) on 14 clear days' notice until the 2013 Annual General Meeting. This resolution was required to reflect the changes made to the 2006 Act by the Companies (Shareholders' Rights) Regulations 2009 (the "Shareholders' Rights Regulations"). The Shareholders' Rights Regulations increased the notice period for general meetings of the Company to 21 days unless shareholders approve a shorter period, which cannot however be less than 14 clear days.

If resolution 16 is approved by shareholders, the Company will be able to call general meetings (other than an Annual General Meeting) on 14 clear days' notice. The Company undertakes to meet the requirements for electronic voting under the Shareholders' Rights Regulations before calling a general meeting on 14 clear days' notice. If given, the approval will be effective until the Company's next Annual General Meeting, when it is intended that a similar resolution will be proposed. The Directors intend that this short notice period would not be used as a matter of routine for such meetings but only where the flexibility is merited by the business of the meeting and is thought to be to the advantage of shareholders as a whole.

QUESTIONS IN ADVANCE

The Board wishes to offer shareholders the opportunity to submit questions in advance of the Annual General Meeting. If you wish to put a question at the Annual General Meeting, you can send your questions in writing to Alan Bannatyne at Robert Walters plc, 11 Slingsby Place, St. Martin's Courtyard, London WC2E 9AB. At the Annual General Meeting, I will address the issues which, on the basis of the questions submitted, appear to be of most interest to shareholders generally. **I wish to stress, however, that submitting a question now will not preclude you, if you attend the meeting, from asking that question, or any other question.**

ACTION TO BE TAKEN

Shareholders will find enclosed with this letter a proxy form for their use in respect of all resolutions to be proposed at the Annual General Meeting. Whether or not you intend to attend the meeting, you are asked to complete and return the proxy form as soon as possible and in any event to be received no later than 48 hours before the Annual General Meeting. Completion and return of a proxy form will not prevent you from attending the meeting and voting in person if you so wish.

RECOMMENDATION

The Board believes that all the resolutions at the Annual General Meeting are in the best interests of the Company and shareholders. Accordingly, your Directors recommend that you vote in favour of all resolutions. The Directors intend to vote in favour of all the resolutions in respect of their own shareholdings, amounting to 4,544,623 ordinary shares representing approximately 5.93 per cent of the issued ordinary share capital (excluding treasury shares).

Yours sincerely

Leslie Van de Walle
Chairman

NOTES

THIS DOCUMENT IS IMPORTANT AND REQUIRES YOUR IMMEDIATE ATTENTION

1. A shareholder entitled to attend and vote at the Annual General Meeting may appoint a proxy to attend, speak and vote instead of that shareholder. A proxy need not be a shareholder of the Company. A shareholder may appoint more than one proxy in relation to the meeting provided that each proxy is appointed to exercise the rights attached to a different share held by the appointing shareholder.
2. To be effective, the relevant proxy form must be completed and lodged with the Company's registrar no later than 48 hours before the meeting together with the original of any power of attorney or other authority under which the form of proxy is signed. In the case of a corporation, the form of proxy must be executed under its common seal or under the hand of any officer or attorney duly authorised. You can only appoint a proxy using the procedures set out in these notes and the notes to the form of proxy. Completion and return of the relevant proxy form enclosed herewith will not prevent a shareholder from attending and voting in person. If you have appointed a proxy and attend the meeting in person, your proxy appointment will automatically be terminated.
3. A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution. If no voting indication is given, your proxy will vote or abstain from voting at his/her discretion. Your proxy will vote (or abstain from voting) as he/she thinks fit in relation to any other matter which is put before the meeting.
4. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Annual General Meeting and any adjournment(s) of the meeting by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the Company's agent (ID RA10) no later than 48 hours before the meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the Company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service provider(s) should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service provider(s) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

5. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).

6. The Company, pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001, specifies that, in order to attend and vote at the Annual General Meeting (and for the purposes of calculating how many votes a person entitled to vote may cast), a person must be entered on the register of shareholders by 9am on 22 May 2013. Changes to the register after this time will be disregarded in determining the rights of any person to attend or vote at the meeting.
7. A person to whom this notice is sent who is a person nominated under section 146 of the Companies Act 2006 to enjoy information rights ("a nominated person") may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the Annual General Meeting. If a nominated person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.

The statements of the rights of members in relation to the appointment of proxies in this notice do not apply to a nominated person. The rights of members in relation to the appointment of proxies can only be exercised by registered members of the Company.
