

## Gold Hunter Resources Grants Stock Options

**VANCOUVER, BRITISH COLUMBIA, April 28<sup>th</sup>, 2025** – Gold Hunter Resources Inc. (CSE: HUNT | OTCQB: HNTRF | Frankfurt: 6RH) ("Gold Hunter" or the "Company") announces that it has granted an aggregate of 3,800,000 incentive stock options to directors, officers, advisors, and consultants, including investor relations consultants of the Company, pursuant to its Stock Option Plan.

Each option is exercisable to acquire one common share of the Company at a price of \$0.10 per share, representing the closing price of Gold Hunter's common shares on the Canadian Securities Exchange on April 28<sup>th</sup>, 2025. The options will expire three (3) years from this date.

The granted options will vest over a 24-month period, with 25% (1/4<sup>th</sup>) vesting immediately on the date of grant, and an additional 25% vesting every six (6) months thereafter.

This stock option grant marks the first issuance of incentive stock options since the Company's inception and reflects Gold Hunter's commitment to aligning its leadership team with the long-term success of the Company as it advances its flagship **Great Northern Project** in Newfoundland.

**Sean Kingsley, President and CEO of Gold Hunter, commented:**

*"This marks our first stock option granting since founding Gold Hunter. We are proud to incentivize our board, management, advisors, and consultants who have demonstrated their commitment to building shareholder value. These options are structured to reward both the present and future growth of Gold Hunter as we continue to advance and develop our flagship Great Northern Project. This grant reinforces our vision to create meaningful value for all stakeholders as we expand our footprint in Newfoundland's most exciting emerging gold district."*

The stock options are subject to the terms of the Company's stock option plan and the policies of the Canadian Securities Exchange.

**About Gold Hunter Resources Inc.**

Gold Hunter Resources Inc. is a Canadian mineral exploration company focused on acquiring and advancing high-potential precious and base metal projects. The Company employs data-driven exploration strategies to unlock value in Newfoundland's emerging mining districts.

Following the successful divestiture of its first consolidated district to FireFly Metals, Gold Hunter assembled the **Great Northern Project**, expanding its strike length by 64% to 40 kilometres. Positioned in one of Newfoundland's most prospective gold regions, the Company is committed to responsible exploration and maximizing shareholder value.
