The Expiry Date for each Option shall be set by the Board at the time of issue of the Option and shall not be more than ten years after the Grant Date. Options shall not be assignable (or transferable) by the Optionee other than by will or other testamentary instrument or pursuant to the laws of succession. Both the Company and the Optionee are responsible for ensuring and confirming that the Optionee is a *bona fide* Eligible Person.

- (a) in aggregate shall not exceed 10% of the total number of issued and outstanding shares on a non-diluted basis; and

For Options to Employees, Consultants, Consultant Company or Management Company Employees, each of the Company and the Optionee is representing herein and in the applicable Option Agreement that the Optionee is a *bona fide* Employee, Consultant, Consultant Company or Management Company Employee, as the case may be, of the Company or its subsidiary. The execution of an Option Agreement shall constitute conclusive evidence that it has been completed in compliance with this Plan.

2. EXERCISE OF OPTION

2.1 When Options May be Exercised. Subject to Sections 2.3 and 2.4 hereof, an Option shall be granted as fully Vested on the Grant Date, and may be exercised to purchase any number of Shares up to the number of Unissued Option Shares at any time after the Grant Date, provided that this

Plan has been previously approved by the shareholders of the Company in accordance with Exchange policies, up to 4:00 p.m. Pacific Time on the Expiry Date and shall not be exercisable thereafter.

- 2.2 Manner of Exercise. The Option shall be exercisable by delivering to the Company a notice in a form prescribed by the Company, acting reasonably, specifying the number of Shares in respect of which the Option is exercised together with payment in full of the Option Price for each such Share. Upon notice and payment there will be a binding contract for the issue of the Shares in respect of which the Option is exercised, upon and subject to the provisions Grant Date of the Plan. Delivery of the Optionee's certified cheque or bank draft payable to the Company in the amount of the Option Price shall constitute payment of the Option Price unless the certified cheque is not honoured upon presentation for any reason, in which case the Option shall not have been validly exercised.
- 2.3 Vesting of Option Shares. An Option shall be granted hereunder as fully Vested, unless a vesting schedule is imposed by the Board as a condition of the grant on the Grant Date.
- 2.4 Termination of Employment. If an Optionee ceases to be an Eligible Person, his or her Option shall be exercisable as follows:
- (a) Death or Disability. If the Optionee ceases to be an Eligible Person, due to his or her death or Disability or, in the case of an Optionee that is a company, the death or Disability of the person who provides management or consulting services to the Company or to any entity controlled by the Company, the Option then held by the Optionee shall be exercisable to acquire Vested Unissued Option Shares at any time up to but not after the earlier of:
 - (i) 365 days after the date of death or Disability; and
 - (ii) the Expiry Date.
 - (b) Termination For Cause. If the Optionee, or in the case of a Management Company Employee or a Consultant Company, the Optionee's employer, ceases to be an Eligible Person as a result of termination for cause, as that term is interpreted by the courts of the jurisdiction in which the Optionee, or, in the case of a Management Company Employee or a Consultant Company, of the Optionee's employer, is employed or engaged; any outstanding Option held by such Optionee on the date of such termination shall be cancelled as of that date.
 - (c) Early Retirement, Voluntary Resignation or Termination Other than For Cause. If the Optionee or, in the case of a Management Company Employee or a Consultant Company, at the request of his or her employer earlier than the normal retirement date under the Company's retirement policy then in force, or due to his or her termination by the Company other than for cause, or due to his or her voluntary resignation, the Option then held by the Optionee shall be exercisable to acquire Vested Unissued Option Shares at any time up to but not after the earlier of the Expiry Date and the date which is 90 days after the Optionee or, in the case of a Management Company Employee or a Consultant Company, the Optionee's employer, ceases to be an Eligible Person.
- 2.5 Effect of a Take-Over Bid. If a *bona fide* offer (an "Offer") for Shares is made to the Optionee or to shareholders of the Company generally or to a class of shareholders which includes the Optionee, which Offer, if accepted in whole or in part, would result in the offeror becoming a control person of the Company, within the meaning of subsection 1(1) of the Securities Act, the Company shall, immediately upon receipt of notice of the Offer, notify each Optionee of full particulars of the Offer, whereupon the Option Shares subject to such Option may be exercised in whole or in part by the Optionee so as to permit the Optionee to tender the Option Shares received upon such exercise, pursuant to the Offer. However, if:

- (a) the Offer is not completed within the time specified therein; or
- (b) all of the Option Shares tendered by the Optionee pursuant to the Offer are not taken up or paid for by the offeror in respect thereof;

then the Option Shares received upon such exercise, or in the case of clause (b) above, the Option Shares that are not taken up and paid for, may be returned by the Optionee to the Company and reinstated as authorized but unissued Shares and with respect to such returned Option Shares, the Option shall be reinstated as if it had not been exercised. If any Option Shares are returned to the Company under this Section 2.5, the Company shall immediately refund the exercise price to the Optionee for such Option Shares.

- 2.6 Acceleration of Expiry Date. If at any time when an Option granted under the Plan remains unexercised with respect to any Unissued Option Shares, an Offer is made by an offeror, the Board may, upon notifying each Optionee of full particulars of the Offer, declare that all Option Shares issuable upon the exercise of Options granted under the Plan are Vested, and declare that the Expiry Date for the exercise of all unexercised Options granted under the Plan is accelerated so that all Options will either be exercised or will expire prior to the date upon which Shares must be tendered pursuant to the Offer. The Board shall give each Optionee as much notice as possible of the acceleration of the Options under this Section 2.6, except that not less than 5 business days' and not more than 35 days' notice is required.
- 2.7 Effect of a Change of Control. If a Change of Control occurs, all Option Shares subject to each outstanding Option may be exercised in whole or in part by the Optionee.
- 2.8 Exclusion From Severance Allowance, Retirement Allowance or Termination Settlement. If the Optionee, or, in the case of a Management Company Employee or a Consultant Company, the Optionee's employer, retires, resigns or is terminated from employment or engagement with the Company or any subsidiary of the Company, the loss or limitation, if any, by the cancellation of the right to purchase Option Shares under the Option Agreement shall not give rise to any right to damages and shall not be included in the calculation of nor form any part of any severance allowance, retiring allowance or termination settlement of any kind whatsoever in respect of such Optionee.
- 2.9 Shares Not Acquired or Exercised. Any Unissued Option Shares not acquired by an Optionee under an Option which has expired, and any Option Shares acquired by an Optionee under an Option when exercised, may be made the subject of a further Option granted pursuant to the provisions of the Plan.
- 2.10 Extension of Term During Trading Black Out. In the event the Expiry Date of an Option falls on a date during a trading black out period that has been self-imposed by the Company, the Expiry Date of the Option will be extended to the 10th business day following the date that the self-imposed trading black out period is lifted by the Company. For greater certainty, the Expiry Date of an Option will not be extended in the event a cease trade order is issued by a securities regulatory authority against the Company or an Optionee.

3. ADJUSTMENT OF OPTION PRICE AND NUMBER OF OPTION SHARES

- 3.1 Share Reorganization. Whenever the Company issues Shares to all or substantially all holders of Shares by way of a stock dividend or other distribution, or subdivides all outstanding Shares into a greater number of Shares, or combines or consolidates all outstanding Shares into a lesser number of Shares (each of such events being herein called a "**Share Reorganization**") then effective immediately after the record date for such dividend or other distribution or the effective date of such subdivision, combination or consolidation, for each Option:

- (a) the Option Price will be adjusted to a price per Share which is the product of:
 - (i) the Option Price in effect immediately before that effective date or record date; and
 - (ii) a fraction, the numerator of which is the total number of Shares outstanding on that effective date or record date before giving effect to the Share Reorganization, and the denominator of which is the total number of Shares that are or would be outstanding immediately after such effective date or record date after giving effect to the Share Reorganization; and
- (b) the number of Unissued Option Shares will be adjusted by multiplying (i) the number of Unissued Option Shares immediately before such effective date or record date by (ii) a fraction which is the reciprocal of the fraction described in subparagraph (a)(ii) above.

3.2 Special Distribution. Subject to the prior approval of the Exchange, whenever the Company issues by way of a dividend or otherwise distributes to all or substantially all holders of Shares:

- (a) shares of the Company, other than the Shares;
- (b) evidences of indebtedness;
- (c) any cash or other assets, excluding cash dividends (other than cash dividends which the Board has determined to be outside the normal course); or
- (d) rights, options or warrants;

then to the extent that such dividend or distribution does not constitute a Share Reorganization (any of such non-excluded events being herein called a “**Special Distribution**”), and effective immediately after the record date at which holders of Shares are determined for purposes of the Special Distribution, for each Option the Option Price will be reduced, and the number of Unissued Option Shares will be correspondingly increased, by such amount, if any, as is determined by the Board in its sole and unfettered discretion to be appropriate in order to properly reflect any diminution in value of the Option Shares as a result of such Special Distribution.

3.3 Corporate Organization. Whenever there is:

- (a) a reclassification of outstanding Shares, a change of Shares into other shares or securities, or any other capital reorganization of the Company, other than as described in Sections 3.1 or 3.2 hereof;
- (b) a consolidation, merger or amalgamation of the Company with or into another corporation resulting in a reclassification of outstanding Shares into other shares or securities or a change of Shares into other shares or securities; or
- (c) a transaction whereby all or substantially all of the Company’s undertaking and assets become the property of another corporation;

(any such event being herein called a “**Corporate Reorganization**”) the Optionee will have an option to purchase (at the times, for the consideration, and subject to the terms and conditions set out in the Plan) and will accept on the exercise of such option, in lieu of the Unissued Option Shares which he or she would otherwise have been entitled to purchase, the kind and amount of shares or other securities or property that he or she would have been entitled to receive as a result of the Corporate Reorganization if, on the effective date thereof, he or she had been the holder of all Unissued Option Shares or if appropriate, as otherwise determined by the Board.

- 3.4 Determination of Option Price and Number of Unissued Option Shares. If any questions arise at any time with respect to the Option Price or number of Unissued Option Shares deliverable upon exercise of an Option following a Share Reorganization, Special Distribution or Corporate Reorganization, such questions shall be conclusively determined by the Company's auditor, or, if they decline to so act, any other firm of Chartered Accountants in Vancouver, British Columbia, that the Board may designate and who will have access to all appropriate records and such determination will be binding upon the Company and all Optionees.
- 3.5 Regulatory Approval. Any adjustment to the Option Price or the number of Unissued Option Shares purchasable under the Plan pursuant to the operation of any one of Sections 3.1, 3.2 or 3.3 hereof is subject to the approval of the Exchange where required pursuant to its policies, and compliance with the applicable securities rules or regulations of any other governmental authority having jurisdiction.

4. GENERAL

- 4.1 Right to Employment. Neither this Plan nor any of the provisions hereof shall confer upon any Optionee any right with respect to employment or continued employment with the Company or any subsidiary of the Company or interfere in any way with the right of the Company or any subsidiary of the Company to terminate such employment.
- 4.2 Necessary Approvals. The Plan shall be effective upon the approval of the shareholders of the Company given by way of an ordinary resolution of the disinterested shareholders in the case of a new Plan, and the written acceptance of the Plan by the Exchange where such prior approval is required by the policies of the Exchange. Any Options granted under this Plan before such approval shall only be exercised upon the receipt of such approval, where it is required by the policies of the Exchange. The obligation of the Company to sell and deliver Shares in accordance with the Plan is subject to compliance with the policies of the Exchange and applicable securities rules or regulations of any governmental authority having jurisdiction. If any Shares cannot be issued to any Optionee for any reason, including, without limitation, the failure to comply with such policies, rules or regulations, then the obligation of the Company to issue such Shares shall terminate and any Option Price paid by an Optionee to the Company shall be immediately refunded to the Optionee by the Company.
- 4.3 Administration of the Plan. The Board shall, without limitation, have full and final authority in its discretion, but subject to the express provisions of the Plan, to interpret the Plan, to prescribe, amend and rescind rules and regulations relating to the Plan and to make all other determinations deemed necessary or advisable in respect of the Plan. Except as set forth in Section 3.4, the interpretation and construction of any provision of the Plan by the Board shall be final and conclusive. Administration of the Plan shall be the responsibility of the appropriate officers of the Company and all costs in respect thereof shall be paid by the Company.
- 4.4 Income Taxes. As a condition of and prior to participation of the Plan, any Optionee shall on request authorize the Company in writing to withhold from any remuneration otherwise payable to him or her any amounts required by any taxing authority to be withheld for taxes of any kind as a consequence of his or her participation in the Plan.
- 4.5 Amendments to the Plan. The Board may from time to time, subject to applicable law and to the prior approval, if required, of the Exchange or any other regulatory body having authority over the Company or the Plan, suspend, terminate or discontinue the Plan at any time, or amend or revise the terms of the Plan or of any Option granted under the Plan and the Option Agreement relating thereto, provided that no such amendment, revision, suspension, termination or discontinuance shall in any manner adversely affect any option previously granted to an Optionee under the Plan without the consent of that Optionee. Any amendments to the Plan or the Options granted to Insiders hereunder will be subject to the approval of the shareholders, where such approval is required by the policies of the Exchange.

- 4.6 Form of Notice. A notice given to the Company shall be in writing, signed by the Optionee and delivered to the head business office of the Company.
- 4.7 No Representation or Warranty. The Company makes no representation or warranty as to the future market value of any Shares issued in accordance with the provisions of the Plan.
- 4.8 Compliance with Applicable Law. If any provision of the Plan or any Option Agreement contravenes any law or any order, policy, bylaw or regulation of any regulatory body or Exchange having authority over the Company or the Plan, then such provision shall be deemed to be amended to the extent required to bring such provision into compliance therewith.
- 4.9 No Assignment. No Optionee may assign any of his or her rights under the Plan or any Option granted thereunder.
- 4.10 Rights of Optionees. An Optionee shall have no rights whatsoever as a shareholder of the Company in respect of any of the Unissued Option Shares (including, without limitation, voting rights or any right to receive dividends, warrants or rights under any rights offering).
- 4.11 Conflict. In the event of any conflict between the provisions of this Plan and an Option Agreement, the provisions of this Plan shall govern.
- 4.12 Governing Law. The Plan and each Option Agreement issued pursuant to the Plan shall be governed by the laws of the Province of British Columbia.
- 4.13 Time of Essence. Time is of the essence of this Plan and of each Option Agreement. No extension of time will be deemed to be or to operate as a waiver of the essentiality of time.
- 4.14 Entire Agreement. This Plan and the Option Agreement sets out the entire agreement between the Company and the Optionees relative to the subject matter hereof and supersedes all prior agreements, undertakings and understandings, whether oral or written.
