Treatment Announces Share Consolidation

Vancouver, B.C. June 30, 2023 — Treatment.com International Inc. ("Treatment or the "Company") (CSE: TRUE; OTC: TREIF; FFA: 939) announces that the Board of Directors has approved a consolidation of all of the Company's issued and outstanding common shares on the basis of ten (10) pre-consolidated shares for every one (1) post-consolidated share (the "Consolidation").

After giving effect to the Consolidation, the Company will have 6,629,299 common shares issued and outstanding. The Company's name and stock symbol shall remain the same.

The Consolidation remains subject to the approval of Canadian Securities Exchange. The Company will issue a further news release announcing the effective date in which the Company will commence trading on a consolidated basis.

Forward Looking Statement

This news release contains forward-looking statements relating to the future operations of Treatment.com, International, Inc. (Treatment) and other statements that are not historical facts. Forward-looking statements are often identified by terms such as "will", "may", "should", "anticipate", "expects" and similar expressions. All statements other than statements of historical fact, included in this release, including, without limitation, statements regarding the future plans and objectives of Treatment, are forward-looking statements that involve risks and uncertainties. There can be no assurance that such statements will prove to be accurate and actual results and future events could differ materially from those anticipated in such statements. Important factors that could cause actual results to differ materially from Treatment's expectations include other risks detailed from time to time in the filings made by Treatment with securities regulators.

The reader is cautioned that assumptions used in the preparation of any forward-looking information may prove to be incorrect. Events or circumstances may cause actual results to differ materially from those predicted, as a result of numerous known and unknown risks, uncertainties, and other factors, many of which are beyond the control of Treatment. The reader is cautioned not to place undue reliance on any forward-looking information. Such information, although considered reasonable by management at the time of preparation, may prove to be incorrect and actual results may differ materially from those anticipated. Forward-looking statements contained in this news release are expressly qualified by this cautionary statement. The forward-looking statements contained in this news release are made as of the date of this news release and Treatment will only update or revise publicly the included forward-looking statements as expressly required by Canadian securities law.
