ASTRA EXPLORATION INC. (TSX-V: ASTR, OTCQB: ATEPF, FSE: S3I)

NEWS RELEASE

Astra Exploration to Host Investor Webinar with Presentation and Audience Q&A.

Vancouver, British Columbia – June 16, 2025 – Astra Exploration Inc. (TSX-V: ASTR, OTCQB: ATEPF, FSE: S3I) ("Astra Exploration" or the "Company") is pleased to invite investors and other interested parties to attend the Company's upcoming live webinar presentation, audience Q&A and interview with Radius Research.

CEO Brian Miller discusses the Company's projects, including the recent results from drilling at La Manchuria Project, Santa Cruz, Argentina, with 1.4m Grading 35.3g/t Gold and 8,356 g/t Silver.

The webinar will be a live, interactive online event where attendees can ask the presenters questions in real time. A recording will be available for those who cannot join the live event.

Event: Radius Research Pitch, Deep Dive, and Q&A with Astra Exploration Inc.

Presentation Date & Time: Wednesday, June 18th @ 3 PM ET / 12 PM PT

Webcast Registration Link:

This news release may contain certain "Forward-Looking Statements" within the meaning of the United States Private Securities Litigation Reform Act of 1995 and applicable Canadian securities laws. When or if used in this news release, the words "anticipate", "believe", "estimate", "expect", "target, "plan", "forecast", "may", "schedule" and similar words or expressions identify forward-looking statements or information. These forward-looking statements or information may relate *to the Company's business activities; exploration on the Company's properties including drilling at the La Manchuria project. Such statements represent the Company's current views with respect to future events and are necessarily based upon a number of assumptions and estimates that, while considered reasonable by the Company, are inherently subject to significant business, economic, competitive, political and social risks, contingencies and uncertainties. Many factors, both known and unknown, could cause results, performance or achievements to be materially different from the results, performance or achievements that are or may be expressed or implied by such forward-looking statements. Such factors include, without limitation: development of the industry in which the Company operates; risks associated with the conduct of the Company's business activities; risks relating to reliance on the Company's management team and outside contractors; currency fluctuations; risks regarding the failure to generate sufficient cash flow from operations; laws and regulations governing the industry in which the Company operates; the ability of the communities in which the Company operates to manage and cope with the implications of COVID-19; the economic and financial implications of COVID-19 to the Company; operating or technical difficulties; employee relations, labour unrest or unavailability; stock market volatility; conflicts of interest among certain directors and officers; lack of liquidity for shareholders of the Company; litigation risk; and other risk factors disclosed in the Company's public disclosure documents available on the Company's profile at www.sedar.com. Readers are cautioned against attributing undue certainty to forward-looking statements or forward-looking information. Although the Company has attempted to identify important factors that could cause actual results to differ materially, there may be other factors that cause results not to be anticipated, estimated or intended. The Company does not intend, and does not assume any obligation, to update these forward-looking statements or information to reflect changes in assumptions or changes in circumstances or any other events affecting such statements and information other than as required by applicable laws, rules and regulations.*
