MANAGEMENT INFORMATION CIRCULAR

GENERAL

This management information circular (the “**Information Circular**”) is furnished to holders (“**Shareholders**”) of common shares (“**Common Shares**”) of Fife Capital Corp. (the “**Company**”) in connection with the solicitation of proxies and voting instruction forms by the management of the Company for use at the annual general and special meeting (the “**Meeting**”) of Shareholders to be held at Suite 1703, 595 Burrard Street, Vancouver, British Columbia V7X 1J1, on Tuesday, May 30, 2023, at 9:30 a.m. (Vancouver time), and at any adjournment or postponement thereof, for the purposes set forth in the accompanying Notice of Annual General and Special Meeting (the “**Notice of Meeting**”).

The information contained herein is given as of May 3, 2023, except where otherwise indicated. Enclosed herewith is a form of proxy or voting instruction form for use at the Meeting. Each Shareholder entitled to attend at meetings of Shareholders is encouraged to participate in the Meeting and Shareholders are urged to vote on matters to be considered in person or by proxy.

Shareholders should not construe the contents of this Information Circular as legal, tax or financial advice and should consult with their own professional advisors in considering the relevant legal, tax, financial or other matters contained in this Information Circular.

If you hold Common Shares through a broker, investment dealer, bank, trust company, nominee or other intermediary (collectively, an “**Intermediary**”), you should contact your Intermediary for instructions and assistance in voting the Common Shares that you beneficially own.

Persons Making the Solicitation

This solicitation is made on behalf of the management of the Company. The costs incurred in the preparation of both the form of proxy and this Information Circular will be borne by the Company. In addition to the use of mail, proxies may be solicited by personal interviews, personal delivery, telephone or any form of electronic communication or by directors, officers and employees of the Company who will not be directly compensated therefor.

In accordance with National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), the Notice of Meeting, this Information Circular and the form of proxy have been sent by the Company to its registered Shareholders (Shareholders holding a paper share certificate or Direct Registration Statement registered in their name) and the Company has also sent such proxy-related materials directly to those unregistered (beneficial) Shareholders that have consented to the release of their addresses to the Company (“**NOBOs**”).

The Company does not intend to pay for intermediaries such as stockbrokers, securities dealers, banks, trust companies, clearing agencies, trustees and their agents and nominees (“**Intermediaries**”) to deliver proxy-related materials or Form 54-101F7 –*Request for Voting Instructions Made by Intermediary* to the beneficial

Shareholders that have refused to release their addresses to the Company (“**OBOs**”) and as such, OBOs will not receive such materials unless their Intermediary assumes the costs thereof.

The OBOs and NOBOs are herein collectively referred to as the “**Non-Registered Shareholders**”. See also “*Proxy Related Information – Advice to Non-Registered Shareholders*” in this Information Circular.

The Company will not be providing the Notice of Meeting, the Information Circular or the form of proxy to registered Shareholders or Non-Registered Shareholders through the use of notice-and-access, as such term is defined in NI 54-101.

PROXY RELATED INFORMATION

Appointment and Revocation of Proxies

Those Shareholders desiring to be represented at the Meeting by proxy must deposit their respective forms of proxy with Computershare Investor Services Inc. (“**Computershare**”), Attention: Proxy Department, 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1, not later than forty-eight (48) hours (excluding Saturdays, Sundays and statutory holidays in British Columbia) prior to the Meeting or any adjournment or postponement thereof. A proxy must be executed by the Shareholder or by his attorney authorized in writing, or if the Shareholder is a corporation, under its seal or by an officer or attorney thereof duly authorized. A proxy is valid only at the Meeting in respect of which it is given or any adjournment or postponement of the Meeting.

Registered Shareholders may also use the Internet (www.investorvote.com) to vote their Common Shares. Shareholders will be prompted to enter the control number which is located on the form of proxy when voting by the internet. Votes by the internet must be received not later than forty-eight (48) hours (excluding Saturdays, Sundays and statutory holidays in British Columbia) prior to the time of the Meeting or any adjournment or postponement thereof. The Internet may also be used to appoint a proxyholder to attend and vote at the Meeting on the Shareholder’s behalf and to convey a Shareholder’s voting instructions.

The Company will refuse to recognize any instrument of proxy deposited in writing or by the Internet received later than forty-eight (48) hours (excluding Saturdays, Sundays and statutory holidays in British Columbia) prior to the Meeting or any adjournment or postponement thereof.

The persons named in the enclosed form of proxy are officers and directors of the Company. Each Shareholder submitting a proxy has the right to appoint a person, who need not be a Shareholder, to represent them at the Meeting other than the persons designated in the form of proxy furnished by the Company. A Shareholder may exercise this right by inserting the name of the desired representative in the blank space provided in the form of proxy or by completing another form of proxy and, in either case, depositing the proxy with Computershare, at the place and within the time specified above for the deposit of proxies.

A Shareholder who has submitted a proxy may revoke it at any time prior to the exercise thereof. If a person who has given a proxy attends personally at the Meeting at which such proxy is to be voted, such person may revoke the proxy and vote in person. In addition to revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing executed by the Shareholder or by the Shareholder’s attorney authorized in writing (or if the Shareholder is a corporation, under its seal or by an officer or attorney thereof duly authorized), deposited at Computershare Investor Services Inc. of Canada, Attention: Proxy Department, 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, at any time up to and including the last business day preceding the day of the Meeting or any adjournment or postponement thereof or with the Chairman of the Meeting on the day of the Meeting or any adjournment or postponement thereof, and upon either of such deposits, the proxy is revoked.

Exercise of Discretion

All Common Shares represented at the Meeting by properly executed proxies will be voted or withheld from voting in accordance with the instructions of the Shareholder where voting is by way of a show of hands or by ballot and, if the Shareholder specifies a choice with respect to any matter to be voted upon, the Common Shares represented by the proxy will be voted in accordance with such instructions. **In the absence of any such instructions, the persons whose names appear on the enclosed form of proxy will vote in favour of the matters set forth in the Notice of Meeting and in this Information Circular.**

The enclosed form of proxy confers discretionary authority on the persons named therein with respect to any amendments or variations of those matters specified in the form of proxy and Notice of Meeting and with respect to any other matters which may be properly brought before the Meeting or any adjournment or postponement thereof. If any such amendment, variation or other matter should come before the Meeting, it is the intention of the persons named in the enclosed form of proxy to vote such proxies in accordance with their best judgment, unless the Shareholder has specified to the contrary or that Common Shares are to be withheld from voting. At the time of printing this Information Circular, management of the Company knows of no such amendment, variation or other matter.

Advice to Non-Registered Shareholders

The information in this section is of significant importance to Non-Registered Shareholders, as most Shareholders do not hold their Common Shares in their own name. Non-Registered Shareholders are advised that only proxies from Shareholders of record can be recognized and voted upon at the Meeting. If Common Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Common Shares will not be registered in the Shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the name of the Shareholder's broker or an agent of that broker. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms).

Voting by Non-Registered Shareholders

Common Shares held by brokers or their nominees can only be voted (for or against resolutions) upon the instructions of the Non-Registered Shareholder. Without specific instructions, brokers and their nominees are prohibited from voting Common Shares for their clients. The directors and officers of the Company do not know for whose benefit the Common Shares registered in the name of CDS & Co. are held, and directors and officers of the Company do not necessarily know for whose benefit the Common Shares registered in the name of any Intermediary are held.

Applicable regulatory policy requires brokers and other Intermediaries to seek voting instructions from Non-Registered Shareholders in advance of Shareholders' meetings. Every broker and other Intermediary has its own mailing procedure, and provides its own return instructions, which should be carefully followed. The form of proxy supplied by brokers and other Intermediaries to Non-Registered Shareholders may be very similar and in some cases identical to that provided to registered Shareholders. However, its purpose is limited to instructing the registered Shareholder how to vote on behalf of the Non-Registered Shareholder.

In Canada, the vast majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**"). Broadridge typically prepares a machine-readable voting instruction form, mails those forms to Non-Registered Shareholders and asks Non-Registered Shareholders to return the forms to Broadridge, or otherwise communicate voting instructions to Broadridge (by way of the Internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. **A Non-Registered Shareholder who receives a Broadridge voting instruction form cannot use that form to vote Common Shares directly at the Meeting. The voting instruction forms must be returned to Broadridge (or instructions respecting the voting of Common Shares must otherwise be communicated to Broadridge)**

well in advance of the Meeting in order to have the Common Shares voted. If you have any questions respecting the voting of Common Shares held through a broker or other Intermediary, please contact that broker or other Intermediary for assistance.

Although a Non-Registered Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his broker or other Intermediary, a Non-Registered Shareholder may attend the Meeting as proxyholder for the registered Shareholder that holds the Non-Registered Shareholder's Common Shares and vote those Common Shares in that capacity. **Non-Registered Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the registered Shareholder, should enter their own names in the blank space on the form of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker or agent.**

Non-Registered Shareholders should contact their broker or other Intermediary through which they hold Common Shares if they have any questions regarding the voting of such Common Shares.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

Voting Rights

The authorized share capital of the Company consists of an unlimited number of voting Common Shares and an unlimited number of non-voting preferred shares ("**Preferred Shares**") without nominal or par value and issuable in series. As at the date of this Information Circular, there are 3,530,000 Common Shares currently issued and outstanding and no Preferred Shares issued and outstanding. Shareholders of the Record Date are entitled to receive notice of and attend and vote at the Meeting.

Each Shareholder will be entitled to one vote at the Meeting for each Common Share held by them on the Record Date.

Record Date

The record date for the determination of Shareholders entitled to receive notice of and to vote at the Meeting or any adjournment or postponement thereof is April 25, 2023 (the "**Record Date**").

The Company will prepare or cause to be prepared a list of the Shareholders recorded as holders of Common Shares on its register of Shareholders as of the close of business on the Record Date, each of whom shall be entitled to vote the Common Shares shown opposite their name on the list at the Meeting or any adjournment or postponement thereof.

In addition, persons who are Non-Registered Shareholders as of the Record Date will be entitled to exercise their voting rights in accordance with the procedures established under NI 54-101. See "*Proxy Related Information – Advice to Non-Registered Shareholders*".

Principal Holders of Common Shares

To the best of the knowledge of the directors and executive officers of the Company, no person or company, other than those listed below, beneficially owns, or controls or directs, directly or indirectly, 10% or more of the voting rights attached to all the issued and outstanding Common Shares as at the date of this Information Circular.

Name of Shareholder	Number and Percentage of Common Shares Beneficially Owned, or Controlled or Directed, Directly or Indirectly ⁽¹⁾
A. Murray Sinclair	460,000 Common Shares (13.03 %) ⁽²⁾
Robert M. Buchan	460,000 Common Shares (13.03 %) ⁽²⁾
Ted Hirst	460,000 Common Shares (13.03 %) ⁽²⁾

Notes:

- (1) Percentage of Common Shares beneficially owned is calculated based on an aggregate of 3,530,000 Common Shares issued and outstanding as of the Record Date.
- (2) On a fully diluted basis, assuming the exercise of all outstanding warrants and options, such holder will be the registered holder of 560,000 Common Shares (14.25%) after giving effect to the Offering.

Quorum

Under the articles of the Company (the “**Articles**”), a quorum of Shareholders is present at a meeting if at least two (2) individuals are present in person, each of whom is entitled to vote at a meeting, and who hold or represent by proxy in the aggregate not less than 10% percent of the total number of shares entitled to be voted at a meeting. If any share entitled to be voted at a meeting of Shareholders is held by two (2) or more persons jointly, the persons or those of them who attend a meeting of Shareholders constitute only one (1) Shareholder for the purpose of determining whether a quorum of Shareholders is present.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

No person who has been a director or executive officer of the Company at any time since the beginning of the last financial year, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of any of the foregoing, has any material interest, directly or indirectly, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon other than the election of directors or the appointment of auditors of the Company.

Certain directors and officers of the Company hold Options (as defined herein). At the Meeting, Shareholders will be asked to approve and adopt an ordinary resolution relating to the approval of the Option Plan (as defined herein). See “*Matters to be Considered at the Meeting – Approval of the Stock Option Plan*”.

MATTERS TO BE CONSIDERED AT THE MEETING

To the knowledge of the board of directors of the Company (the “**Board**”), the only matters to be brought before the Meeting are those matters set forth in the Notice of Meeting.

A. ORDINARY BUSINESS

1. Financial Statements

At the Meeting, the audited financial statements of the Company for the year ended July 31, 2022, together with the notes thereto and the independent auditor’s report thereon (the “**Financial Statements**”) will be presented. No vote by the Shareholders with respect to the Financial Statements is required or proposed to be taken.

In accordance with applicable laws, the Financial Statements have been delivered to Non-Registered Shareholders who have requested copies of the Company’s annual financial statements and to registered Shareholders who have not informed the Company in writing that they do not wish to receive copies of annual financial statements of the Company. The Financial Statements are available on the System for Electronic Document Analysis and Retrieval (“**SEDAR**”) at www.sedar.com under the Company’s profile.

2. Fixing Number of Directors

At the Meeting, it will be proposed that three (3) directors be elected to hold office for the next ensuing year, subject to the provisions of the Articles relating to subsequent appointments by the Board. Management therefore intends to place before the Meeting, for approval, with or without modification, a resolution setting the number of directors to be elected until the next annual meeting of Shareholders, subject to the Articles of the Company relating to subsequent appointments by the Board, at three (3) members.

The text of the ordinary resolution which management intends to place before the Meeting for the approval of the fixing of the number of directors is as follows:

“BE IT HEREBY RESOLVED as an ordinary resolution of the Shareholders of Fife Capital Corp. (the **“Company”**) that:

1. the number of directors to be elected at the Meeting for the ensuing year or otherwise as authorized by the Shareholders of the Company be and is hereby set at three (3); and
2. any one director or officer of the Company is authorized and directed, on behalf of the Company, to take all necessary steps and proceedings and to execute, deliver and file any and all declarations, documents and other instruments and do all such other acts and things (whether under corporate seal of the Company or otherwise) that may be necessary or desirable to give effect to this ordinary resolution.”

The foregoing ordinary resolution must be approved by a simple majority of the votes cast at the Meeting by the Shareholders voting in person or by proxy. **The Board believes the passing of the above resolution is in the best interests of the Company and recommends that the Shareholders vote IN FAVOUR of the resolution. Unless otherwise directed to the contrary, it is the intention of the persons named in the enclosed form of proxy or voting instruction form to vote in favour of the ordinary resolution setting the number of directors to be elected at the Meeting at three (3).**

3. Election of Directors

The Company currently has three (3) directors, all of whom are being nominated for re-election. It is proposed to set the number of directors for the following year at the same number. This requires the approval of the Shareholders by an ordinary resolution, which approval will be sought at the Meeting.

The directors of the Company are elected annually. At the Meeting, Shareholders will be asked to elect the three (3) nominees set forth in the table below as directors of the Company. Each of the nominees elected as a director of the Company will hold office until the next annual general meeting of Shareholders or until a successor is duly elected or appointed or their office is vacated earlier in accordance with the Articles and the provisions of the *Business Corporations Act* (British Columbia).

Each director nominee will be elected on an individual basis and not as a member of a slate. Management does not contemplate that any of such nominees will be unable to serve as directors.

The following is a brief description of the nominees, including the name and province or state and country of residence of each of the nominees, the date each first became a director of the Company, their principal occupation and the number of Common Shares beneficially owned, or controlled or directed, directly or indirectly, by each of the foregoing as of the date of this Information Circular.

The Board believes the election of the below named nominees as directors of the Company is in the best interests of the Company, and recommends that the Shareholders vote IN FAVOUR of electing the nominees. Unless otherwise directed to the contrary, it is the intention of the persons named in the enclosed form of proxy or voting instruction form to vote in favour of the election of the nominees set forth in the table above as directors of the Company.

To the knowledge of the Company, no proposed director of the Company (nor any personal holding company of any of such persons) is or has been within ten (10) years before the date of this Information Circular, a director, chief executive officer or chief financial officer of any corporation (including the Company), that: (i) was subject to a cease trade order (including a voluntary or involuntary cease trade order applying to some or all of the management of a corporation), an order similar to a cease trade order or an order that denied the relevant company access to any exemption under securities legislation, in each case that was in effect for a period of more than thirty (30) consecutive days (collectively, an “**Order**”), that was issued while the proposed director was acting in the capacity as director, chief executive officer or chief financial officer; or (ii) was subject to an Order that was issued after the proposed director ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer.

Bankruptcies

To the knowledge of the Company, other than as disclosed herein, no proposed director of the Company (nor any personal holding company of any of such persons): (i) is, as at the date of this Information Circular, or has been within ten (10) years before the date of this Information Circular, a director or executive officer of any corporation (including the Company) that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets; or (ii) has, within the ten (10) years before the date of this Information Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or

compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed director.

Robert Buchan was a director of Allied Nevada Gold Corp. (“**Allied Nevada**”) from May 2007 to July 2015. On March 10, 2015, Allied Nevada filed in the United States Bankruptcy Court for the District of Delaware voluntary petitions for relief under Chapter 11 of title 11 of the United States Code (Bankruptcy Code). A. Murray Sinclair was also a director of Allied Nevada from October 2012 to October 2015.

Penalties and Sanctions

To the knowledge of the Company, no proposed director of the Company (nor any personal holding company of any of such persons) has been subject to: (i) any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority; or (ii) any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable investor in deciding whether to vote for a proposed director.

4. Appointment of Auditors

Management of the Company intends to nominate Davidson & Company LLP (“**Davidson**”), Chartered Professional Accountants, of Vancouver, British Columbia, for re-appointment as the auditors of the Company, to hold office for the ensuing year until the close of the next annual general meeting of Shareholders or until Davidson is removed from office or resigns, at a remuneration to be fixed by the Board. Davidson have been the auditors of the Company since November 18, 2020.

The Board believes the re-appointment of Davidson as auditors of the Company is in the best interests of the Company, and recommends that the Shareholders vote IN FAVOUR of re-appointing Davidson as auditors. Unless otherwise directed to the contrary, it is the intention of the persons named in the enclosed form of proxy or voting instruction form to vote in favour of the election of Davidson as auditors of the Company.

5. Approval of Stock Option Plan

The Company has adopted an incentive stock option plan (the “**Option Plan**”), substantially in the form attached as Schedule “A” to this Information Circular, which provides that the Board may from time to time, in its discretion, and in accordance with TSX Venture Exchange (“**TSXV**”) requirements, grant to directors, officers, employees and consultants to the Company, non-transferable options (“**Options**”) to purchase Common Shares, provided that the number of Common Shares reserved for issuance will not exceed ten per cent (10%) of the issued and outstanding Common Shares of the Company. Such Options will be exercisable for a period of up to ten (10) years from the date of grant. In connection with the foregoing, the number of Common Shares reserved for issuance to: (i) any individual will not exceed five per cent (5%) of the issued and outstanding Common Shares; and (ii) all consultants will not exceed two per cent (2%) of the issued and outstanding Common Shares. In addition, the Option Plan provides that: (i) no more than five per cent (5%) of the issued shares of the Company will be granted to any individual in any twelve (12) month period; (ii) no more than two per cent (2%) of the issued shares of the Company will be granted to any one consultant in any twelve (12) month period; and (iii) no more than an aggregate of two per cent (2%) of the issued shares of the Company will be granted to an employee conducting investor relations activities in any twelve (12) month period.

Options must be exercised within ninety (90) days following cessation of the optionee’s position with the Company unless the optionee was engaged in investor relations activities, in which case such exercise must occur within thirty (30) days after the cessation of the optionee’s services to the Company, provided that if the cessation of office, employment, directorship, or consulting arrangement was by reason of death, the option may be exercised within a maximum period of one (1) year after such death, subject to the expiry date of such option.

The exercise price of the Options shall be determined by the Board at the time any Option is granted. In no event shall such exercise price be lower than the exercise price permitted by the TSXV. Subject to any vesting restrictions imposed by the TSXV, the Board may, in its sole discretion, determine the time during which Options shall vest and the method of vesting, or that no vesting restriction shall exist.

Pursuant to the policies of the TSXV, stock option plans which reserve for issuance up to ten per cent (10%) of a listed company's shares must be approved annually by shareholders of the listed corporation. This approval is being sought at the Meeting.

At the Meeting, Shareholders will be asked to consider, and, if deemed advisable, to approve, with or without variation, an ordinary resolution approving the Option Plan. The text of the ordinary resolution which management intends to place before the Meeting for the approval of the Option Plan is as follows:

“BE IT HEREBY RESOLVED as an ordinary resolution that:

1. the stock option plan of the Company, substantially in the form attached as Schedule “A” to the Information Circular (the **“Option Plan”**), be and is hereby approved and adopted as the stock option plan of the Company;
2. any one director or officer may amend the form of the Option Plan in order to satisfy the requirements or requests of any regulatory authorities, including the TSXV, without requiring further approval of the shareholders of the Company; and
3. any one director or officer of the Company is authorized and directed, on behalf of the Company, to take all necessary steps and proceedings and to execute, deliver and file any and all declarations, agreements, documents and other instruments and do all such other acts and things (whether under corporate seal of the Company or otherwise) that may be necessary or desirable to give effect to this ordinary resolution.”

The foregoing ordinary resolution must be approved by a simple majority of the votes cast at the Meeting by the Shareholders voting in person or by proxy. **The Board believes the passing of the above resolution is in the best interests of the Company and recommends that the Shareholders vote IN FAVOUR of the resolution. Unless otherwise directed to the contrary, it is the intention of the persons named in the enclosed form of proxy to vote proxies in favour of the ordinary resolution approving the Option Plan for the ensuing year.**

Other Business

Management is not aware of any other matters to come before the Meeting, other than those set out in the Notice of Meeting. **If other matters come before the Meeting, it is the intention of the Management Designees, if named as proxyholders, to vote the same in accordance with their best judgment in such matters.**

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The Company is currently capital pool company (“CPC”). Pursuant to Policy 2.4 of the TSXV, and until the Company completes a Qualifying Transaction, no compensation of any kind may be provided to the Company’s directors or officers, directly or indirectly, by any means, including payment of salary, other than compensation that may be provided by way of Options pursuant to the Company’s Option Plan.

The Company chooses to issue Options to maintain a competitive position in the CPC marketplace and because it is the only permissible form of compensation that may be awarded to its directors and officers while it is a CPC.

The objective and purpose of any Option reward is to encourage the Company’s directors and officers to find a Qualifying Transaction that is in the best interest of the Shareholders. If a Qualifying Transaction is not successfully completed, or if one is completed that does not increase the value of the Common Shares during the term of the Option, the directors and officers will receive no benefit, or very little benefit, from any Options.

With respect to the grant of Options, the Chief Executive Officer of the Company recommends to the Board the individual equity incentive awards for each executive officer and director. The Board then takes these recommendations into consideration when making final decisions on compensation for those executive officers. The Board does not use formulas or benchmarks for each grant, but is restricted by the policies of the TSXV and the terms of the Option Plan in how many Options it may grant. Options under the Option Plan are awarded to executive officers by the Board based upon the level of responsibility and contribution of the individuals towards the Company’s goals and objectives. Previous grants of Options to a particular individual will be taken into account when considering future grants of Options to that particular individual.

Following the completion of a Qualifying Transaction by the Company, if any, it is anticipated that the Company will pay compensation to its directors and officers in accordance with industry standards, depending on the nature and size of the particular business that the Company acquires in connection with any Qualifying Transaction that it may complete.

Risks of Compensation Policies and Practices

The Company’s compensation program is designed to provide executive officers incentives for the achievement of near-term and long-term objectives, without motivating them to take unnecessary risk. As part of its review and discussion of executive compensation, the Board noted the following facts that discourage the Company’s executives from taking unnecessary or excessive risk: (i) the Company’s business strategy and related compensation philosophy; and (ii) the effective balance, in each case, between near-term and long-term focus, corporate and individual performance, and financial and non-financial performance.

Based on this review, the Board believes that the Company’s total executive compensation program does not encourage executive officers to take unnecessary or excessive risk.

Financial Instruments

The Company has not implemented any policies which restrict its executive officers and directors from purchasing financial instruments, including prepaid variable forward contracts, equity swaps, collars, or units of exchange funds that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the executive officer or director.

Compensation Governance

For a discussion on policies and practices by the Board to determine the compensation of the Company's directors and executive officers, see "*Executive Compensation – Compensation Discussion and Analysis*". The Company has not established a compensation committee and does not intend to do so before the completion of a Qualifying Transaction, if any.
