

Argo Appoints Industry Veteran Wilbert Landry to Board of Directors

Vancouver, British Columbia--(Newsfile Corp. - July 16, 2025) - Argo Graphene Solutions Corp. (CSE: ARGO) (OTCQB: ARLSF) (FSE: 94Y) ("Argo" or the "Company") a leader in innovative graphene-based technologies, is pleased to announce the appointment of Wilbert J. Landry, Jr. to its Board of Directors, effective immediately.

Mr. Landry brings over four decades of distinguished experience in the construction and real estate industries, making him a valuable addition to the Company's leadership. As the Founder and President of Landry Construction Inc., based in Kenner, Louisiana, since 1989, Mr. Landry has overseen a diverse portfolio of projects, including commercial developments for major brands such as ExxonMobil and Shell, multi-unit apartment complexes, and post office renovations across the United States Gulf South region. His expertise in managing complex projects and delivering operational excellence aligns with Argo's commitment to innovation and quality.

A Vietnam War veteran, Mr. Landry served in the United States Air Force from 1969 to 1973, achieving the rank of E-4. He holds a B.S. in Accounting from the University of New Orleans, which has informed his strategic approach to finance and operations. In addition to his construction leadership, Mr. Landry is the co-owner and manager of Plaza Park Management, where he oversees more than 80 apartment units and multiple properties in New Orleans, managing all aspects of strategic planning, vendor negotiations, compliance, and operations.

"We are thrilled to welcome Mr. Landry to our Board of Directors," said Scott Smale, CEO of Argo. "His extensive experience in construction, real estate, and operational management, combined with his proven leadership and strategic insight, will be instrumental as we continue to advance our mission of delivering cutting-edge graphene additives to the concrete, cement and asphalt industry."

Mr. Landry expressed enthusiasm for his new role, stating, "I am honored to join the Board of Argo and contribute to the Company's vision. I look forward to working with the team to support the Company's growth and success."

Mr. Landry's appointment strengthens the Company's corporate governance as it continues to expand its footprint in the rapidly evolving graphene industry.

Forward-Looking Statements

Certain information contained herein constitutes "forward-looking information" under Canadian securities legislation. Forward-looking information includes, but is not limited to, the Company developing its technology and the Company creating a brand of organic and/or environmentally friendly products. Generally, forward-looking information can be identified by the use of forward-looking terminology such as "will", "plans", or variations of such words and phrases or statements that certain actions, events or results "will" occur. Forward-looking statements are based on the opinions and estimates of management as of the date such statements are made and they are from those expressed or implied by such forward-looking statements or forward-looking information subject to known and unknown risks, uncertainties and other factors that may cause the actual results to be materially different, including receipt of all necessary regulatory approvals. Although management of the Company have attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements or forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements and forward-looking information. The Company will not update any forward-looking statements or forward-looking information that are incorporated by reference herein, except as required by applicable securities laws.
