

# Argo Arranges Private Placement Offering

Vancouver, British Columbia--(Newsfile Corp. - April 22, 2026) - Argo Graphene Solutions Corp. (CSE: ARGO) (OTCQB: ARLSF) (FSE: 94Y) ("Argo" or the "Company"), a leader in innovative graphene-based technologies, is pleased to announce a non-brokered private placement offering of up to 909,091 Units at a price of CDN\$0.55 cents per unit, for aggregate gross proceeds of CDN\$500,000 (the "Offering"). The Offering will have an over-allotment option for up to an additional 136,364 Units for additional gross proceeds of up to \$75,000.

Each unit will comprise one common share in the capital of the Company and one transferable share purchase warrant. Each warrant will entitle the holder to purchase one additional common share in the capital of the Company at \$0.70 per share for a period of 24 months following the closing of the Offering. In connection with the Offering, the Company may pay finders' fees subject to regulatory and exchange approval.

The Company plans to use the proceeds of the Offering for general working capital purposes and to continue its research and development of its graphene products.

All securities to be issued under the Offering will be subject to a four-month and one-day hold period in accordance with applicable Canadian securities laws.
