What are the key risks that are specific to the issuers?

The following are brief descriptions of what the BVT Directors and BSVT Directors believe, at the date of publication of this document, to be the key material risks specific to the Companies.

- In order to comply with VCT legislation, the Companies invest in unquoted and AIM-traded companies. Investment in unquoted and AIM-traded companies by its nature may involve a higher degree of risk than investment in companies traded on the Main Market of the London Stock Exchange. In particular, smaller companies often have limited product lines, markets or financial resources and may be dependent for their management on a smaller number of key individuals.
- The ability of the Companies to generate returns on the unquoted investments in their Portfolios is dependent in particular, on the ability of key skilled professionals from the Investment Manager to source, evaluate and close such investments. If any of the relevant individuals cease to be employed by the Investment Manager or be involved in the management of the Portfolios, their knowledge and understanding of the investee companies may be lost and this may have an adverse effect on the performance of the Companies and the returns they are able to make to Shareholders.

Key information on the Securities

What are the main features of the securities?

The BVT Shares have a nominal value of 10 pence each. The ISIN for the BVT Shares is GB0002631934 and the SEDOL number is 0263193. The ticker code for the BVT Shares is BVT. The BSVT Shares have a nominal value of 10 pence each. The ISIN for the BSVT Shares is GB0030028103 and the SEDOL number is 3002810. The ticker code for the BSVT Shares is BMD.

As at 1 October 2019 (being the latest practicable date prior to the publication of this document) the issued share capital of BVT comprised 201,285,693 BVT Shares. BVT also holds 19,247,982 BVT Shares in treasury. As at 1 October 2019 (being the latest practicable date prior to the publication of this document) the issued share capital of BSVT comprised 227,627,173 BSVT Shares. BSVT also holds 20,393,155 BSVT Shares in treasury.

The New Shares will rank *pari passu* in all respects with the existing Shares. Subject to any special rights, restrictions or prohibitions as regards voting for the time being attached to any Shares, Shareholders have the right to receive notice of, attend and vote at general meetings of the relevant Company. Subject to the provisions of the Companies Act, the Companies may from time to time declare dividends and make other distributions on the Shares. Shareholders are entitled to participate in the net assets of the relevant Company attributable to their Shares on a winding up of the relevant Company or other return of capital.

There are no restrictions on the transferability of the BVT Shares or the BSVT Shares.

The Board of each Company will decide the annual dividends each year and the level of the dividends will depend on investment performance, the level of realised returns and available liquidity of the relevant Company. The dividend policy guidelines below are not binding and each Board retains the ability to pay higher or lower dividends relevant to prevailing circumstances. However, the Boards of each of the Companies confirm the following two guidelines that shape their dividend policies:

- the Board will, wherever possible, seek to pay two dividends to Shareholders in each calendar year, typically an interim dividend in September and a final dividend following the annual general meeting in February or March; and
- the Board will use, as a guide, when setting the dividends for a financial year, a sum representing 7 per cent. of the opening NAV of the relevant Company in that financial year.

Historically both Companies have paid a dividend yield of more than 7 per cent. per annum and the intention is for both Companies to continue to exceed this target if investment performance allows.

Where will the securities be traded?

Applications will be made to the FCA and the London Stock Exchange for the New Shares to be admitted to the premium listing segment of the Official List and to trading on the London Stock Exchange's Main Market. It is expected that such admissions will become effective in relation to the New Shares issued under the Offers, and dealings for normal settlement in such New Shares will commence, on 22 November 2019 in relation to First Allotment, 13 January 2020 in relation to the Second Allotment and 2 March 2020 in relation to the Final Allotment.

What are the key risks that are specific to the securities?

The following are brief descriptions of what the BVT Directors and the BSVT Directors believe, at the date of publication of this document, to be the key material risks specific to the Ordinary Shares of each Company:

- Any change to governmental, economic, fiscal, monetary or political policy may limit the number of Qualifying Investment opportunities, reduce the value and level of returns which would otherwise have been achievable or result in the Companies not being able to achieve or maintain VCT status.
- The tax rules or their interpretation in relation to an investment in the Companies and/or the rates of tax, or other statutory provisions to which the Companies are subject, may change during the life of the Companies and such changes could be retrospective.
- As a result of the tax status of VCTs, investments by VCTs in underlying portfolio companies are regarded as State aided investments. Where the European Commission believes that State aid has been provided which is unlawful, in particular if it is not in accordance with the Risk Finance Guidelines, they may require that the UK government recovers that State aid. Such recovery may be from the underlying portfolio company, the VCT or the VCT's investors.

- At any given point in time, the sale price for a Share which a Shareholder could achieve on the stock market may be significantly less than the Net Asset Value per Share or the price paid by the Shareholder to acquire that Share.
- The Companies are closed-ended investment companies. Shareholders will have no right to have their Shares redeemed or repurchased by the relevant Company at any time. Shareholders wishing to realise their investment will be required to dispose of their Shares on the stock market. Accordingly, the ability of Shareholders to realise any value in respect of their Shares is dependent on the existence of a liquid market in the Shares and the prevailing market price of such Shares. There is a limited secondary market for shares in VCTs (primarily because initial VCT income tax relief is only available to individuals who subscribe for newly issued shares rather than upon the purchase of existing issued shares) and investors may find it difficult to realise their investments.

Key information on the Offer

Under which conditions and timetable can I invest in these securities?

The number of New Shares to be allotted under the Offers to a Subscriber will be determined by dividing their Subscription amount by an Offer Price calculated on the basis of the following Pricing Formula.

Latest published Net Asset Value of an existing Ordinary Share in the relevant Company at the time of allotment divided by 0.9725 (to contribute towards the costs of the relevant Offer of 2.75 per cent. of the total amount raised under the relevant Offer) rounded up to the nearest 0.1 pence.

The number of New Shares to be issued under the Offers will be rounded down to the nearest whole number (fractions of New Shares will not be allotted). Subscribers must subscribe a minimum of £3,000 in each elected Offer and thereafter in multiples of £1,000 in each elected Offer. The costs of the Offer will be deducted from the amount subscribed by each subscriber. All Subscriptions will be processed by the Receiving Agent on a “first come, first served” basis.

It is expected that the First Allotment of New Shares under the Offers will take place on 21 November 2019, a Second Allotment will take place on 10 January 2020 and a Final Allotment will take place on 28 February 2020. Subscription Forms must be received by the Receiving Agent by no later than 12 noon on 15 November 2019 to be included in the First Allotment, by no later than 12 noon on 3 January 2020 to be included in the Second Allotment and by no later than 12 noon on 21 February 2020 to be included in the Final Allotment.

Electronic Subscription Forms must be submitted by no later than 12 noon on 15 November 2019 to be included in the First Allotment, by no later than 12 noon on 3 January 2020 to be included in the Second Allotment and by no later than 12 noon on 21 February 2020 to be included in the Final Allotment. The Offers will close at 12 noon on 1 April 2020, unless either or both Boards decide to extend the Offer in relation to the relevant Company or the Offers are fully subscribed before this time.

Why is this prospectus being produced?

The Companies are seeking to raise further funds to allow them to take advantage of attractive investment opportunities over the short to medium term, in accordance with their investment policies.

Under the Offers, both Companies are proposing to raise up to £20 million (before costs). Each Board will also have the option to utilise an over-allotment facility to raise up to a further £5 million (before costs). Subscribers can elect to invest in either or both of the Offers. Subscribers must subscribe a minimum of £3,000 per elected Offer and thereafter in multiples of £1,000 per elected Offer.

Risk Factors

The risk factors set out below are those which the BVT Directors and BSVT Directors consider to be material but are not the only risks relating to the Companies or the Shares. There may be additional risks that the Directors do not currently consider to be material, or which are not presently known to the Directors. Before investing in the New Shares, potential investors should consult their stockbroker, bank manager, solicitor, accountant or other suitably qualified and independent financial adviser authorised under the FSMA if they are in the United Kingdom or, in the case of a potential investor who is located outside the United Kingdom, another appropriately authorised financial adviser.

An investment in either of the Companies should not be regarded as short-term in nature and involves risks that could lead to the loss of all or part of that investment. An investment in either of the Companies is only suitable for investors who are capable of evaluating the merits and risks of such an investment and who have sufficient resources to bear any loss which might result from such an investment. Prospective investors should consider carefully all of the information set out in this document, including the risks described below, as well as their own personal circumstances, before deciding to invest in either of the Companies.

The Directors believe that the risks described below are the material risks relating to an investment in the Shares at the date of this document. If any of the adverse events described below occur, the financial condition, performance and prospects of the Companies and the market price of the Shares could be materially adversely affected and Shareholders may lose all or part of their investment. Additional risks which were not known to the Directors at the date of this document, or that the Directors considered to be immaterial at the date of this document, may also have an adverse effect on the financial condition, performance and prospects of the Companies and the market price of the Shares.

Potential investors should carefully consider all the information in this document, including the following material risk factors in relation to the Companies and the Shares, before deciding to invest in either of the Companies.

Risks relating to Venture Capital Trusts

Changes to governmental, economic, fiscal, monetary or political policy

Any change to governmental, economic, fiscal, monetary or political policy, in particular any changes to taxation, tax reliefs, tax status and other rules or regulations associated with VCTs, could materially affect, directly or indirectly, the operation and/or the performance of the Companies (and the portfolio companies in which they invest), the value of and returns from the Shares and/or the ability for the Companies to achieve or maintain VCT status.

Loss of tax reliefs

The information, including references to tax rules, contained in this document is based on existing legislation. The tax rules or their interpretation in relation to an investment in the Companies and/or the rates of tax, or other statutory provisions to which the Companies are subject, may change during the life of the Companies and such changes could be retrospective. While it is the intention of the Directors that the Companies will be managed so as to continue to qualify as VCTs, there can be no guarantee that this status will be maintained. A failure to meet the qualifying requirements could result in the loss of tax reliefs previously obtained, resulting in adverse tax consequences for investors, including a requirement to repay the income tax relief obtained, and could also cause the relevant Company to lose its exemption from corporation tax on capital gains.

State aid

As a result of the tax status of VCTs, investments by VCTs in underlying portfolio companies are regarded as State aided investments. Where the European Commission believes that State aid has been provided which is unlawful, in particular if it is not in accordance with the Risk Finance Guidelines, they may require that the UK government recovers that State aid. Such recovery may be from the underlying portfolio company, the VCT or the VCT's investors.

Discount

At any given point in time, the sale price for a Share which a Shareholder could achieve on the stock market may be significantly less than the Net Asset Value per Share or the price paid by the Shareholder to acquire that Share. The Shares may trade at a discount to their Net Asset Value per Share for a variety of reasons, including as a consequence of general market conditions, concerns regarding the general liquidity or marketability of the Shares or the actual or expected performance of the Companies.

Liquidity

The Companies are closed-ended investment companies. Shareholders will have no right to have their Shares redeemed or repurchased by the relevant Company at any time. Shareholders wishing to realise their investment will be required to dispose of their Shares on the stock market. Accordingly, the ability of Shareholders to realise any value in respect of their Shares is dependent on the existence of a liquid market in the Shares and the prevailing market price of such Shares.

Although the existing Ordinary Shares issued by the Companies have been (and it is anticipated that the New Shares will be) admitted to the premium segment of the Official List of the FCA and traded on the Main Market, there may not be a liquid market for the Ordinary Shares as there is a limited secondary market for shares in VCTs (primarily because initial VCT income tax relief is only available to individuals who subscribe for newly issued shares rather than upon the purchase of existing issued shares) and investors may find it difficult to realise their investments.

Investment Manager

Each of the Companies has a board of non-executive Directors and no employees and therefore each is dependent on the skills of the Investment Manager to manage their investments. If the Investment Manager ceases to act as investment manager or if key personnel cease to be employed by the Investment Manager or be involved in the management of the Portfolios, there can be no assurance that suitable replacements will be found. If any of these events occur there may be an adverse effect on the performance of the Companies and the value of the Shares.

Specific risks relating to the Companies

Reliance on key individuals

The ability of the Companies to generate returns on the unquoted investments in their Portfolios is dependent in particular on the ability of key skilled professionals from the Investment Manager to source, evaluate and close such investments. During this process these individuals at the Investment Manager will develop a close working relationship with the management team at the relevant investee company and in-depth knowledge and understanding of the investee company's business. If the relevant individual ceases to be employed by the Investment Manager or be involved in the management of the Portfolios, this knowledge and understanding may be lost and this may have an adverse effect on the performance of the Companies and the returns they are able to make to Shareholders.

The Portfolios

In order to comply with VCT legislation, the Companies invest in unquoted and AIM-traded companies. Investment in unquoted and AIM-traded companies by its nature may involve a higher degree of risk than investment in companies traded on the Main Market of the London Stock Exchange. In particular, smaller companies often have limited product lines, markets or financial resources and may be dependent for their management on a smaller number of key individuals.

In the short to medium term returns to Shareholders will largely be determined by the performance of the existing Portfolios of the Companies, which largely consist of investments made prior to the VCT rules being amended by the Finance Act 2018 which took effect on 15 March 2018. The consequence of these amendments is that VCTs are now required to invest in earlier stage companies. Over time, as the Portfolios are brought into line with the amended VCT rules, Shareholder returns and dividends payable by the Companies may take longer to generate and the levels of those returns may be more volatile and may be less than the level of returns historically experienced by the Companies due to the nature of investing in earlier stage companies.

Unquoted investments

It is unlikely that there will be a liquid market for the shares and other securities that the Companies hold in unquoted investee companies and, therefore, it may be difficult for the Companies to sell such shares and other securities. The value of unquoted stock is often more volatile and more difficult to predict than the value of stock in quoted companies. In addition, as unquoted companies tend to have less mature businesses, less depth of management and a higher risk profile, the risk of insolvency in unquoted companies is higher than in quoted stocks. If these risks or similar risks were to materialise across a range of the unquoted investments held by the Companies it may have a material adverse effect on their business prospects, financial position and returns to Shareholders.

AIM-traded companies

The fact that a share is traded on AIM does not guarantee its liquidity. The spread between the buying and selling price of such shares may be wide and thus the price used for valuation may be limited and may not be achievable. The valuation of the Portfolios and opportunities for realisation of AIM-traded investments within the Portfolios may also depend on stock market conditions.

Valuations of unquoted investments

The unquoted investments within the Portfolios will be valued by the relevant Directors based on recommendations from the Investment Manager. Such valuations may be unaudited and may be subject to limited verification or other due diligence. If the realisable value of any unquoted investments or other assets held by the Companies is less than their valuations this may have a material adverse effect on future Shareholder returns.

Realisation of investments

Investments in unquoted and AIM-traded companies are more likely to be illiquid than investments in companies traded on the Main Market of the London Stock Exchange. Investments may not be able to be realised within a reasonable timeframe or at all. Such illiquidity may affect the ability of the Companies to vary their portfolios or dispose of investments in a timely fashion and at satisfactory prices in response to changes in economic or other conditions. This could have an adverse effect on the financial condition and results of operations of the Companies as it could reduce the profits and proceeds realised from such investments by the Companies.

Brexit

The UK Government has made it clear that it intends that the UK will leave the European Union on 31 October 2019. This increases the chances of the UK leaving the European Union without a withdrawal agreement having been put in place. Exiting the European Union without a withdrawal agreement being in place or the anticipation of such an exit could create uncertainty in the UK markets, which may have a material effect on the Net Asset Value and the ability of the Companies to realise their investments.

Important Information

General

No person has been authorised to give any information or make any representations in connection with the Offers other than the information contained in, or incorporated by reference into, this document and, if given or made, such information or representations must not be relied on as having been authorised by or on behalf of the Companies, the Investment Manager, the Sponsor or any of their respective affiliates, officers, directors, members, employees or agents.

Without prejudice to the obligations of the Companies under applicable law and regulations, neither the delivery of this document nor any subscription for or purchase of New Shares made pursuant to the Offers shall, under any circumstances, create any implication that there has been no change in the business or affairs of the Companies since the date of this document or that the information contained in this document, including any forward looking statements, is correct as at any time subsequent to the date of this document.

Prospective investors should be aware that although the Companies have similar investment objectives and policies, the same Investment Manager and similar portfolios they are two separate companies with independent Boards, separate dividend policies and their own management fee arrangements. Prospective investors should consider all of these factors before subscribing for New Shares in either or both of the Companies.

The value of an investment in either of the Companies and any income derived from it, if any, may go down as well as up. An investment in the Shares is suitable only for investors who are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses which might result from such an investment (which may be equal to the whole amount invested). There can be no guarantee that any appreciation in the value of the investments held by the Companies will occur and investors may not get back the full value of their investment. There can be no guarantee that the investment objectives of the Companies will be achieved or provide the returns sought by the Companies. No assurance can be given that any sale of the investments held by the Companies would realise proceeds which would be sufficient to repay any borrowings or provide funds for any capital repayment to Shareholders. Shareholders will bear the rewards and risks of the success or otherwise of the investments made by the Companies. Although the Ordinary Shares are, and the New Shares will be, listed on the premium segment of the Official List and admitted to trading on the Main Market, it is possible that there may not be a liquid market in the Ordinary Shares and Shareholders may have difficulty selling them.

Prospective investors should carefully consider all of the information contained in, or incorporated by reference into, this document before making any application for New Shares and should rely only on that information when considering an investment in the Companies. However, prospective investors should not treat the contents of this document or any subsequent communication from the Companies, the Investment Manager, the Sponsor or any of their respective affiliates, officers, directors, members, employees or agents as advice relating to legal, financial, taxation, accounting, regulatory, investment or any other related matters. Prospective investors should inform themselves as to:

- the legal requirements within their own countries for the purchase, holding, transfer or other disposal of New Shares;
- any foreign exchange restrictions applicable to the purchase, holding, transfer or other disposal of New Shares which they might encounter; and
- the income and other tax consequences that may apply in their own countries as a result of the purchase, holding, transfer or other disposal of New Shares.

Prospective investors must rely on their own advisers as to legal, financial, taxation, accounting, regulatory, investment or any other related matters concerning the Companies and an investment in the New Shares.

Apart from the responsibilities and liabilities, if any, which may be imposed on the Sponsor under FSMA or the regulatory regime established thereunder, the Sponsor makes no representation, express or

implied, or accepts any responsibility whatsoever for the contents of this document or for any statement made or purported to be made by it or on its behalf in connection with the Companies, the Investment Manager, the Ordinary Shares or the Offers. Accordingly, the Sponsor, to the fullest extent permitted by law, disclaims all and any responsibility and liability whether arising in tort, contract or otherwise (save as referred to above) which it might otherwise have in respect of this document or any such statement.

All Shareholders are entitled to the benefit of, and are bound by and are deemed to have notice of, the provisions of the Memorandum of Association and the Articles of the relevant Company which prospective investors should review. A summary of the Articles of each Company is contained in paragraph 3 of Part 7 of this document.

Information on the website of the Companies (www.baronsmeadvcts.co.uk) does not form part of this prospectus unless such information has been incorporated by reference.

Regulatory information

Investors should be aware that the PRIIPs Regulation requires the Investment Manager, as PRIIP manufacturer, to prepare a key information document (“**KID**”) in respect of each of the Companies. This KID must be made available by the Investment Manager to retail investors prior to them making any investment decision and will be available on the Investment Manager's website and the relevant Company's website. The Companies are not responsible for the information contained in the KID and investors should note that the procedures for calculating the risks, costs and potential returns referred to in the KID are prescribed by the law. The figures in the KID may not reflect the expected returns for the relevant Company and anticipated performance returns cannot be guaranteed.

Data protection

The information that an investor provides to the relevant Company or its agents in relation to a subscription for or purchase of New Shares or subsequently, by whatever means, which relates to the investor (if the investor is an individual) or a third party individual (“**personal data**”) will be held and processed by the relevant Company (and any third party, functionary or agent in the United Kingdom to whom the relevant Company may delegate certain administrative or other functions in relation to the Company, including the Registrar) in compliance with the relevant data protection legislation and regulatory requirements of the United Kingdom.

Each prospective investor acknowledges that personal data provided to any of the Companies by prospective investors will be held and processed in compliance with the relevant Company's privacy policy. Please refer to the relevant Company's website for a copy of the privacy policy. Investors will be notified if an updated privacy policy has been published on the relevant Company's website via a RIS announcement.

Investors and/or other applicants are responsible for informing and obtaining any required consent of any third party individual to whom the personal data relates to the disclosure and use of such data in accordance with these provisions.

Forward looking statements

This document includes forward looking statements concerning the Companies that are based on the current expectations of the relevant Board and are naturally subject to uncertainty and changes in circumstances. Forward looking statements include, without limitation, statements containing the words “believes”, “intends”, “expects”, “anticipates”, “targets”, “estimates” or their negative or other similar expressions.

Such forward looking statements involve risks, uncertainties and other factors which may cause the actual results, financial condition, performance or achievement of the Companies, or industry results, to be materially different from future results, financial condition, performance or achievements expressed or implied by such forward looking statements. Given these risks and uncertainties, prospective investors should not place undue reliance on such forward looking statements as a prediction of actual results.

Such forward looking statements speak only as at the date of this document. Subject to its legal and regulatory obligations, each Company expressly disclaims any obligation to update or revise any forward looking statement contained in this document to reflect any change in expectations with regard thereto

or any change in events, conditions or circumstances on which any such statement is based. Information in this document will be updated as required under the Prospectus Regulation Rules, the Listing Rules and/or the Disclosure Guidance and Transparency Rules.

Nothing in the preceding three paragraphs seeks to limit or qualify in any way the working capital statement in relation to each of the Companies in Part 5 of this document.

Selling restrictions

The distribution of this document and the offering of New Shares in jurisdictions other than the United Kingdom may be restricted by law or regulation and accordingly persons into whose possession this document comes are required to inform themselves about and observe any such restrictions. No action has been taken to permit the distribution of this document and the offering of New Shares in any jurisdiction outside the United Kingdom where such action is required to be taken.

This document does not constitute, and may not be used for the purposes of, an offer to sell, or the solicitation of an offer to acquire or subscribe for, New Shares in any jurisdiction in which such offer or solicitation is unlawful or would impose any unfulfilled registration, qualification, publication or approval requirements on the relevant Company, the Sponsor, or the Investment Manager or to any person to whom it is unlawful to make such offer or solicitation. If you receive a copy of this document in any territory other than the United Kingdom, you may not treat it as constituting an invitation or offer to you. It is your responsibility, if you are outside the United Kingdom, to satisfy yourself that you have fully observed the laws of any relevant territory in connection with your receipt of this document and/or New Shares, including obtaining any requisite governmental or other consents, observing any other formalities requiring to be observed in such territory and paying any issue, transfer or other taxes required to be paid in such territory.

Without limiting the above, the New Shares have not been, and will not be, registered under the US Securities Act or under any of the relevant securities laws of, or with any securities regulatory authority of, any state of the United States or of Canada, Australia, Japan or the Republic of South Africa. Accordingly, unless an exemption under such act or laws is applicable, the New Shares may not be offered, sold or delivered, directly or indirectly, in or into the United States, Canada, Australia, Japan or the Republic of South Africa or to, or for the account or benefit of, any resident of the United States, Canada, Australia, Japan or the Republic of South Africa. The Companies have not been and will not be registered under the US Investment Company Act and recipients of this document and investors will not be entitled to the benefits of that Act.

Part 1 – Letter from the Chairmen of the Companies

3 October 2019

Dear Investors

Introduction

As the Boards of the two Companies continue to collaborate, the Directors are delighted to, again, be offering Existing Shareholders and new investors an opportunity to invest in both Baronsmead Venture Trust plc and Baronsmead Second Venture Trust plc.

The Companies published a prospectus on 8 January 2019, under which the Companies raised approximately £24 million in aggregate (after costs). Following this fundraising the cash reserves of each of the Companies were approximately 18 per cent. of total Net Asset Value. The Companies have invested approximately £29.2 million in new and follow-on investments since 30 September 2018. The Companies are now seeking to raise further funds to allow them to take advantage of attractive investment opportunities over the short to medium term, in accordance with their investment policies.

The Boards are confident that the Investment Manager will continue to identify attractive new investment opportunities which comply with the VCT rules and fit within the investment policies of the Companies. The Investment Manager has recently expanded the VCT investment team with the appointment of four new team members, all of whom will be directly involved in making and monitoring investments.

Offers for subscription

Under the Offers both Companies are proposing to raise up to £20 million (before costs), being an aggregate of up to £40 million (before costs). Each Board will also have the option to utilise an over-allotment facility to raise up to a further £5 million (before costs). The Investment Manager will, in respect of services provided pursuant to the Offers, receive a fee of 2.75 per cent. of the gross proceeds of each Offer. Out of this fee, the Investment Manager will pay all costs associated with the Offers, on behalf of the Companies. The Investment Manager will be responsible for any costs associated with the Offers in excess of this fee. The costs of the Offer will be deducted from the amount subscribed by each Subscriber.

All Subscriptions will be processed on a “first come, first served” basis by the Receiving Agent and there will be no exclusive period for Existing Shareholders. Investors can subscribe for New Shares by completing the Subscription Form at the end of this document or online by logging on to www.baronsmeadvctoffer.co.uk and completing an Electronic Subscription Form.

The number of New Shares to be allotted under the Offers to a Subscriber will be determined by dividing their Subscription amount by an Offer Price calculated on the basis of the following Pricing Formula.

Latest published Net Asset Value of an existing Ordinary Share in the relevant Company at the time of allotment divided by 0.9725 (to contribute towards the costs of the relevant Offer of 2.75 per cent. of the total amount raised under the relevant Offer) rounded up to the nearest 0.1 pence.

The number of New Shares to be issued under the Offers will be rounded down to the nearest whole number (fractions of New Shares will not be allotted).

The expected timetable for the Offers is set out on page 15 of this document. It is intended that the Companies will allot New Shares on:

- 21 November 2019;
- 10 January 2020; and
- 28 February 2020.

The Boards may close their respective Offer earlier than 28 February 2020 if their Offer is fully subscribed or may extend each Offer to a date no later than 1 April 2020.

The Directors and their connected persons have committed to invest £458,000 in aggregate in the Offers.

Subscribers can elect to invest in either or both of the Offers. The minimum subscription under each of the Offers is £3,000 and thereafter in multiples of £1,000 per Offer. There is no maximum investment. However, potential investors should be aware that tax relief is only available on a maximum subscription in VCTs of £200,000 in each tax year. Potential investors should consult their professional advisers before deciding whether and, if so, how much they should invest under any of the Offers.

Further details of the Offers are set out in Part 4 of this document.

Performance track records

A summary of the performance track records of the Companies since launch is set out below:

Company	Launch date	NAV* £m	Average annual dividends paid per Share since launch* (p)	Average annual dividends paid per Share over the past 5 years* (p)
BVT	April 1998	153.0	7.4	9.3
BSVT	January 2001	177.3	7.4	10.3

* As at 31 August 2019 includes interim dividend paid on 27 September 2019.

The NAV total return over recent years for the Companies and since launch is set out below:

Period to 31 August 2019	NAV total return per Share (p)				
	1 year	3 years	5 years	10 years	Since launch
BVT	91.5	105.2	122.3	212.1	387.4
BSVT	93.0	102.9	120.4	195.4	307.6

The past performance of the Companies is not a guide to their future performance. The data in the tables above relates partly to periods prior to November 2015 when the UK Government amended the VCT rules to restrict the types of investments that VCTs can make.

Investment objectives and policies

Both Companies invest primarily in a diverse portfolio of UK growth businesses, whether unquoted or traded on AIM. Investments are made selectively across a range of sectors in companies that have the potential to grow and enhance their value. Full details of the investment policies are set out in Part 2 of this document and details of the existing Portfolios are contained in Part 5.

Dividend policies

The Board of each Company will decide the annual dividends each year and the level of the dividends will depend on investment performance, the level of realised returns and available liquidity of the relevant Company. The dividend policy guidelines below are not binding and each Board retains the ability to pay higher or lower dividends relevant to prevailing circumstances. However, the Boards of each of the Companies confirm the following two guidelines that shape their dividend policies:

- the Board will, wherever possible, seek to pay two dividends to Shareholders in each calendar year, typically an interim dividend in September and a final dividend following the annual general meeting in February or March;
- the Board will use, as a guide, when setting the dividends for a financial year, a sum representing 7 per cent. of the opening NAV of the relevant Company in that financial year.

Historically both Companies have paid a dividend yield of more than 7 per cent. per annum and the intention is for both Companies to continue to exceed this target if investment performance allows.

Further details of the historic dividends paid by each of the Companies is set out in Part 2.

Action to be taken

Further details of the Offers are set out in Part 4 of this document. Should you wish to participate in either or both of the Offers and subscribe for New Shares in either Company you should read Part 4, together with the full Terms and Conditions of the Offers set out in Part 8 of this document. The Subscription Form which accompanies this document should be completed and returned as soon as possible to the Receiving Agent, Computershare Investor Services PLC at Corporate Action 3, Bridgwater Road, Bristol BS99 6AR or by hand (during business hours only) to Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS13 8AE.

Investors can also subscribe for New Shares online by logging on to www.baronsmeadvctoffer.co.uk and completing an Electronic Subscription Form.

We would like to thank Existing Shareholders for their continued support of the Companies, and very much look forward to welcoming participation from Existing Shareholders and new investors in the Companies.

Yours faithfully

**Peter Lawrence (Chairman of Baronsmead Venture Trust) &
John Davies (Chairman of Baronsmead Second Venture Trust)**

Part 2 – Information on the Companies

Investment objectives and policies

Baronsmead Venture Trust

BVT is a tax efficient listed company which aims to achieve long-term investment returns for private investors, including tax-free dividends.

BVT's investment policy is to invest primarily in a diverse portfolio of UK growth businesses, whether unquoted or traded on AIM, which are substantially based in the UK, although many of these investees may have some trade overseas.

Investments are made selectively across a range of sectors in companies that have the potential to grow and enhance their value and which will diversify the portfolio.

BVT will make investments in accordance with the prevailing VCT legislation which places restrictions, *inter alia*, on the type and age of investee companies as well as the maximum amount of State aid investment that such investee companies may receive.

Investment securities

BVT invests in a range of securities including, but not limited to, ordinary and preference shares, loan stocks, convertible securities, and permitted non-qualifying investments as well as cash. Unquoted investments are usually structured as a combination of ordinary shares and loan stocks or preference shares, while AIM-traded investments are primarily held in ordinary shares. No single investment may represent more than 15 per cent. (by VCT Value) of BVT's total investments.

Liquidity

Pending investment in VCT Qualifying Investments, BVT's cash and liquid funds are held in permitted non-qualifying investments.

Investment style

Investments are selected in the expectation that the application of private equity disciplines including active management of the investments will enhance value and enable profits to be realised on the sale of investments.

Co-investment

BVT typically invests alongside BSVT in companies sourced by the Investment Manager.

The Investment Manager's staff invest in unquoted investments alongside BVT. This arrangement scheme is in line with current practice of private equity houses and its objective is to attract, recruit, retain and incentivise the Investment Manager's team and is made on terms which align the interests of shareholders and the Investment Manager.

Borrowing powers

BVT's policy is to use borrowing for short term liquidity purposes only up to a maximum of 25 per cent. of BVT's gross assets, as permitted by BVT's Articles of Association.

Any material change in the investment policy will require the approval of BVT Shareholders at a general meeting. In the event of a breach of BVT's investment policy, the BVT Directors will announce through a Regulatory Information Service the actions which will be taken to rectify the breach.

Baronsmead Second Venture Trust

BSVT is a tax efficient listed company which aims to achieve long-term investment returns for private investors.

BSVT's investment policy is to invest primarily in a diverse portfolio of UK growth businesses, whether unquoted or traded on AIM, which are substantially based in the UK, although many of these investees may have some trade overseas.

Investments are made selectively across a range of sectors in companies that have the potential to grow and enhance their value and which will diversify the portfolio.

BSVT will make investments in accordance with the prevailing VCT legislation which places restrictions, *inter alia*, on the type and age of investee companies as well as the maximum amount of State aid investment that such investee companies may receive.

Investment securities

BSVT invests in a range of securities including, but not limited to, ordinary and preference shares, loan stocks, convertible securities, and permitted non-qualifying investments as well as cash. Unquoted investments are usually structured as a combination of ordinary shares and loan stocks or preference shares, while AIM-traded investments are primarily held in ordinary shares. No single investment may represent more than 15 per cent. (by VCT Value) of BSVT's total investments.

Liquidity

Pending investment in VCT Qualifying Investments, BSVT's cash and liquid funds are held in permitted non-qualifying investments.

Investment style

Investments are selected in the expectation that the application of private equity disciplines including active management of the investments will enhance value and enable profits to be realised on the sale of investments.

Co-investment

BSVT typically invests alongside BVT in companies sourced by the Investment Manager.

The Investment Manager's staff invest in unquoted investments alongside BSVT. This arrangement is in line with current practice of private equity houses and its objective is to attract, recruit, retain and incentivise the Investment Manager's team and is made on terms which align the interests of shareholders and the Investment Manager.

Borrowing powers

Should it be required BSVT's policy is to use borrowing for short term liquidity purposes only up to a maximum of 25 per cent. of BSVT's gross assets, as permitted by BSVT's Articles of Association.

Any material change in the investment policy will require the approval of BSVT Shareholders at a general meeting. In the event of a breach of BSVT's investment policy, the BSVT Directors will announce through a Regulatory Information Service the actions which will be taken to rectify the breach.

Gearing

Although the investment policies of the Companies allow each Company to borrow up to a maximum of 25 per cent. of its gross assets, neither of the Companies currently has any external loan finance in place.

Investment outlook

Market conditions continue to be volatile, driven by the uncertainty surrounding the UK's exit from the European Union and declining consumer confidence. This is impacting the market prices of the investments across the Portfolios. However, the majority of investee companies are performing to expectations and have attractive long-term growth prospects. The team at the Investment Manager have successfully transitioned its deal origination process, following the recent changes to the VCT rules, and are seeing strong levels of new investment opportunities which comply with the amended rules.

Under the amended VCT rules the Companies are required to invest in earlier stage companies. Due to the nature of investments in such investee companies Shareholder returns may take longer to generate and the level of those returns may be less predictable in the future.

Dividends

Both Boards have sought to maintain a regular flow of dividends to Shareholders over time, as illustrated in the table below. They have done so through the retention of some of the profits realised from the sale of investments for the payment of future dividends, where it has been possible and appropriate to do so. The Boards intend to continue this strategy in the future where appropriate, and at the sole discretion of each Board, should it consider it to be in the best interests of the relevant Company's Shareholders and subject to the legal and regulatory requirements at the time. There is no certainty that any dividends will be paid in the future.

	Dividends paid in the previous five financial years (pence per Share)					Average
	2014	2015	2016	2017	2018	
BVT	12.5	6.5	18.5	6.5	7.5	10.3
BSVT	17.0	7.5	17.0	7.5	7.5	11.3

The ability of either Company to meet the objective of its dividend policy cannot be guaranteed and depends primarily on the level and timing of profitable realisations of its investments. As a result, there may be variations in the amounts and timing of dividends paid year on year. The value of the investment in, and the dividend stream from, a company can rise and fall. The data in the table above relates partly to periods prior to November 2015 when the UK Government amended the VCT rules to restrict the types of investments that VCTs can make.

Share buyback policy

From time to time the Companies may buyback their own Shares through the market. Subject to the likely impact on Shareholders in the relevant Company, the funding requirements of that Company and the market conditions at the time, each of the Companies seeks to maintain a mid share price discount of approximately 5 per cent. to Net Asset Value per share where possible. However, it should be noted that this discount may widen during periods of market volatility. Any share buyback will be subject to applicable legislation and VCT regulations and the availability of sufficient reserves and cash in the relevant Company.

Shareholder communications

The Directors are committed to a policy of regular and open communication with Shareholders and this is expressed not only in the statutory accounts but also through quarterly updates, annual general meetings and *ad hoc* Shareholder surveys.

Annual running costs

Annual running costs, including the Investment Manager's fees, Directors' fees, professional fees and the costs incurred by the Companies in the ordinary course of business (but excluding any performance fees payable to the Investment Manager and irrecoverable VAT), are capped at 3.5 per cent. of the relevant Company's net assets, any excess being met by the Investment Manager by way of reduction in future management fees. Further details of the fees paid to the Investment Manager are set out in Part 3 of this document.

Capital structure

Each of the Companies has one class of share in issue, Ordinary Shares. The Ordinary Shares are listed on the premium segment of the Official List and traded on the Main Market. As at 1 October 2019 (being the latest practicable date prior to the publication of this document) the issued share capital of BVT comprised 201,285,693 BVT Shares. BVT also holds 19,247,982 BVT Shares in treasury. As at 1 October 2019 (being the latest practicable date prior to the publication of this document) the issued share capital of BSVT comprised 227,627,173 BSVT Shares. BSVT also holds 20,393,155 BSVT Shares in treasury.

New Shares issued pursuant to the Offers will rank equally in all respects with the existing Ordinary Shares.

The ISIN for the BVT Shares is GB0002631934, the SEDOL number is 0263193 and the LEI code for BVT is 213800VQ1PQH0JXDDQ88. The ISIN for the BSVT Shares is GB0030028103, the SEDOL number is 3002810 and the LEI code for BSVT is 2138008D3WUMF6TW8C28.

Publication of NAV

The NAV per Ordinary Share is calculated by the Investment Manager in accordance with the relevant Company's accounting policies. The NAV per Ordinary Share will be calculated at least on a monthly basis and published via a Regulatory Information Service. The most recent unaudited NAV and share price of an Ordinary Share may be viewed free of charge on the website of the London Stock Exchange. The calculation of the NAV per Ordinary Share will be suspended only in circumstances where the underlying data necessary to value the investments of the relevant Company cannot readily, or without undue expenditure, be obtained. Details of any suspension in making such calculations will be announced through a Regulatory Information Service.

For the purposes of calculating the NAV, unquoted investments are valued at fair value by the Directors using methodology which is consistent with the International Private Equity and Venture Capital guidelines. AIM-traded securities are valued at either bid price or the last traded price, depending on the convention of the exchange on which the investment is traded. In respect of collective investment vehicles, which consists of investments in open ended investment companies authorised in the UK, the valuation is based on the closing price.

Advising ordinary retail investors

The Companies currently conduct their affairs so that the Shares can be recommended by financial intermediaries to ordinary retail investors in accordance with the FCA's rules in relation to non-mainstream investment products and the Companies intend to continue to do so for the foreseeable future. The FCA's restrictions which apply to non-mainstream investment products do not apply to any of the Shares because they are shares in a VCT which, for the purposes of the FCA rules relating to non-mainstream investment products, are excluded securities and may be promoted to ordinary retail investors without restriction.

VCT status

Each Board has managed and intends to continue to manage the affairs of their respective Company in order that they comply with the legislation applicable to VCTs. In this regard, the Companies have retained PricewaterhouseCoopers LLP to advise on their VCT status. The Companies have continued to conduct their affairs so as to comply with section 274 of the Tax Act for their current financial years and intend to do so for subsequent financial periods. However, there can be no guarantee that their VCT status will be maintained and investors' attention is drawn to Part 6 of this document.

Management and administration

Baronsmead Venture Trust plc

Under the BVT Investment Management Agreement, the Investment Manager receives a fee of 2.0 per cent. per annum of the net assets of BVT. The Investment Manager is responsible for providing all secretarial, administrative and accounting services to BVT. The Investment Manager has appointed Link to provide these services to BVT on its behalf. BVT is responsible for paying the fee charged by Link in relation to the performance of these services to the Investment Manager, which is currently £152,700 per annum, excluding VAT. The Investment Manager shall consult with the BVT Board in relation to any increase in the fee charged by Link, which is considered to be material.

Under the BVT Investment Management Agreement the Investment Manager is also entitled to receive a performance related fee. No performance fee is payable to the Investment Manager until the total return on shareholders' funds exceeds an annual threshold of the higher of 4.0 per cent. or base rate plus 2.0 per cent. calculated on a compound basis. To the extent that the total return exceeds the threshold over the relevant period then a performance fee of 10.0 per cent. of the excess will be paid to the Investment Manager. The amount of any performance fee which is paid in an accounting period shall be capped at 5.0 per cent. of Shareholders' funds for that period.

BVT will not pay a performance fee in relation to the 12 month period to 30 September 2019. BVT paid a performance fee of £548,000 in relation to the 12 month period to 30 September 2018.

Baronsmead Second Venture Trust plc

Under the BSVT Investment Management Agreement, the Investment Manager receives a fee of 2.5 per cent per annum of the net assets of BSVT. The Investment Manager is responsible for providing all secretarial, administrative and accounting services to BSVT. The Investment Manager has appointed Link to provide these services to BSVT on its behalf. BSVT is responsible for paying the fee charged by Link in relation to the performance of these services to the Investment Manager, which is currently £173,400 per annum, excluding VAT. The Investment Manager shall consult with the BSVT Board in relation to any increase in the fee charged by Link, which is considered to be material.

Under the BSVT Investment Management Agreement the Investment Manager is also entitled to receive a performance related fee. A performance fee is payable to the Investment Manager when the total return on net proceeds of the BSVT Shares exceeds 8.0 per cent. per annum (simple). To the extent that the total return exceeds the threshold over the relevant period then a performance fee of 10.0 per cent. of the excess will be paid to the Investment Manager. The amount of any performance fee which is paid in an accounting period shall be capped at 5.0 per cent. of Shareholders' funds for that period.

BSVT will not pay a performance fee in relation to the 12 month period to 30 September 2019 and did not pay a performance fee in relation to the 12 month period to 30 September 2018.

Annual running costs are capped at 3.5 per cent of the net assets of each Company (excluding any performance fee payable to the Investment Manager and irrecoverable VAT), any excess being refunded by the Investment Manager by way of an adjustment to its management fee.

Management incentivisation and retention

The Boards wish the Investment Manager to maintain the quality of its investment teams in the VCT and private equity market place. As a result, Livingbridge introduced an incentive scheme in November 2004 to help attract, recruit, retain and incentivise staff. The Investment Manager has agreed to continue this scheme on the same terms.

The rules that govern the incentive scheme have recently been updated to accommodate the increasing number of equity only/low geared investments being made by the Companies due to the changes to the VCT rules introduced by the Finance Act 2018. For such investments, the existing method whereby the coinvestment scheme participants acquire a 12 per cent. equity stake in each investee company would

be onerously expensive and has been replaced with an alternative approach. For investments that are all equity or predominately equity, the participants now acquire a 0.75 per cent. equity stake at the outset as well as an option over a further 12 per cent. of equity which may only be exercised when the investment is sold. The option exercise price has a built-in hurdle rate of 8 per cent. per annum to ensure that the option only has value if the Companies achieve a good return on their investment. The economic impact of this approach is equivalent to the original method, still used for the more traditional higher leverage investments, of obtaining a 12 per cent. equity stake at the outset and, therefore, there is no substantive change in the overall result for the Companies.

Other fees received by the Investment Manager

In addition to the fees described above, which are paid by the Companies, the Investment Manager receives advisory fees in connection with new investments which are paid by the relevant investee company. Where expenses have been incurred and the investment does not proceed, the Investment Manager pays any abort fees. The Investment Manager's group also receives monitoring fees from unquoted portfolio companies. Details of these fees are disclosed each year in the annual report and accounts for each Company.

Both the management and performance fees set out above (the management fee taking priority) are reduced by an amount equal to any fee received by the Investment Manager's group in respect of investments made by the Companies in the Collective Investment Vehicles.

Conflicts of interest

The Investment Manager may be involved in other financial, investment or professional activities that may on occasion give rise to conflicts of interest with the Companies. In particular, it currently does, and may continue to, provide investment management, investment advice or other services in relation to a number of other funds or accounts that may have similar investment objectives and/or policies to that of the Companies and may receive *ad valorem* and/or performance-related fees for doing so. As a result, the Investment Manager may have conflicts of interest in allocating investments among the Companies and other clients and in effecting transactions between the Companies and other clients. The Investment Manager may give advice or take action with respect to such other clients that differs from the advice given or actions taken with respect to the Companies.

The Boards have noted that the Investment Manager has other clients and have satisfied themselves that the Investment Manager has procedures in place to address potential conflicts of interest.

The Investment Manager has regard to its obligations under the BVT Investment Management Agreement and the BSVT Investment Management Agreement or otherwise to act in the best interests of each of the Companies, so far as is practicable having regard to its obligations to the other Company and its other clients, when potential conflicts of interest arise. In the event of a conflict of interest arising, the Investment Manager will ensure that it is resolved fairly and in accordance with the COB Rules. The COB Rules require the Investment Manager to ensure fair treatment of all its clients. The COB Rules also require that when an investment is made it should be allocated fairly amongst all of its clients for whom the investment is appropriate. In particular, the Investment Manager uses its reasonable efforts to ensure that each Company has the opportunity to participate in potential investments identified by the Investment Manager which fall within the investment objectives and policies of the Companies, on the best terms reasonably obtainable at the relevant time with the aim of ensuring that the principle of best execution is attained in accordance with the COB Rules.

Part 4 – The Offers

The Offers

The Companies are seeking to raise up to £40 million in aggregate (before costs) under the Offers before taking account of any further funds that may be raised under the over-allotment facilities. The net proceeds of each Company's Offer will be added to its resources available for investment so as to allow each Company to take advantage of attractive investment opportunities over the short to medium term, in accordance with their respective investment policies. The Offers are not being underwritten.

The Directors of each of the Companies believe that the profile of a typical investor in the relevant Company is a client of a financial adviser or an individual retail investor aged 18 or over who is a UK tax payer and who is willing to invest for the long term in small, illiquid unquoted and quoted companies.

All Subscriptions will be processed on a "first come, first served" basis by the Receiving Agent and there will be no exclusive subscription period for Existing Shareholders. Investors can subscribe for New Shares by completing the Subscription Form at the end of this document or, for the first time, online by logging on to www.baronsmeadvctoffer.co.uk and completing an Electronic Subscription Form.

Terms of the Offers

Under the Offers both Companies are proposing to raise up to £20 million (before costs), being an aggregate of up to £40 million (before costs). Each Board will also have the option to utilise an over-allotment facility to raise up to a further £5 million (before costs). Subscribers can elect to invest in either or both of the Offers. Subscribers must subscribe a minimum of £3,000 per elected Offer and thereafter in multiples of £1,000 per elected Offer.

If the over-allotment facilities are utilised in full by each Board, the maximum amount to be raised under the Offers would be £50 million (being £25 million under the BVT Offer and £25 million under the BSVT Offer) before taking account of the costs of the Offers.

The First Allotment of New Shares under the Offers will take place on 21 November 2019, a Second Allotment will take place on 10 January 2020 and a Final Allotment on 28 February 2020. Subscription Forms and Electronic Subscription Forms must be received by the Receiving Agent by 12 noon on 15 November 2019 to be included in the First Allotment, by no later than 12 noon on 3 January 2020 to be included in the Second Allotment and by no later than 12 noon on 21 February 2020 to be included in the Final Allotment.

The Boards may close their respective Offer earlier than 28 February 2020 if their Offer is fully subscribed or may extend such Offers to a date not later than 1 April 2020. The Boards further reserve the right to accept a Subscription and to allot and arrange the listing of New Shares in respect of Subscriptions received on or prior to the closing date of the Offers as the Boards see fit, which may not be on the dates stated above.

The New Shares will rank *pari passu* with existing Shares. There is no maximum amount for which a Subscriber may subscribe under the Offers. However, a Subscriber may wish to consider the annual VCT allowance of £200,000 per Qualifying Investor, as detailed in Part 6 of this document, and the acquisition of other shares in VCTs that they may have made prior to subscribing under the Offers during the current tax year.

Pricing Formula

The number of New Shares to be allotted under the Offers to a Subscriber will be determined by dividing their Subscription amount by an Offer Price calculated on the basis of the following Pricing Formula.

Latest published Net Asset Value of an existing Ordinary Share in the relevant Company at the time of allotment divided by 0.9725 (to contribute towards the costs of the relevant Offer of 2.75 per cent. of the total amount raised under the relevant Offer) rounded up to the nearest 0.1 pence.

The number of New Shares to be issued under the Offers will be rounded down to the nearest whole number (fractions of New Shares will not be allotted). If there is a surplus of funds from an investor's Subscription amount, the balance will be returned (without interest) by cheque made payable to the Subscriber (or Nominee if applicable) sent to the address shown on the Subscription Form (or Nominee Subscription Form) (save where the amount is less than £2.00, in which case it will be retained by the relevant Company). If an Electronic Subscription Form is submitted surplus funds will be returned (without interest) to the bank account the funds were sent from. Share and tax certificates will be sent to the Subscriber (or Nominee if applicable) at the address shown on the Subscription Form (or Nominee Subscription Form).

The Net Asset Values of the Companies are expected to be announced in respect of the anticipated allotments under the Offers in accordance with the following table:

Allotment	Date of NAV	Expected Date of Announcement	Expected Date of Allotment
First Allotment	31 October 2019	6 November 2019	21 November 2019
Second Allotment	30 November 2019	5 December 2020	10 January 2020
Final Allotment	30 January 2020	6 February 2020	28 February 2020

For illustrative purposes, assuming the BVT Offer is fully subscribed, but the over-allotment facility is not utilised and the New BVT Shares are issued at the BVT Illustrative Offer Price of 78.2 pence, set out below, the number of New BVT Shares that will be issued under the BVT Offer is 25,575,447 New BVT Shares (although the actual number of New BVT Shares that will be issued will depend on the level of Subscriptions received under the BVT Offer and the BVT Offer Price which could be higher or lower than the BVT Illustrative Offer Price).

Likewise, for illustrative purposes, assuming the BSVT Offer is fully subscribed, but the over-allotment facility is not utilised and the New BSVT Shares are issued at the BSVT Illustrative Offer Price of 80.3 pence, set out below, the number of New Shares that will be issued under the BSVT Offer is 24,906,600 New BSVT Shares (although the actual number of New BSVT Shares that will be issued will depend on the level of Subscriptions received under the BSVT Offer and the BSVT Offer Price which could be higher or lower than the BSVT Illustrative Offer Price).

BVT	76.03 pence	78.2 pence

The costs of the Offer will be deducted from the amount subscribed by each Subscriber.

Assuming the BVT Offer is fully subscribed (and the over-allotment facility is not utilised) at a BVT Offer Price of 78.2 pence (being the BVT Illustrative Offer Price), the maximum number of New BVT Shares to be issued under the BVT Offer would be 25,575,448. If such maximum number of BVT Shares is issued under the BVT Offer, a BVT Shareholder who does not participate in the BVT Offer will suffer dilution of 11.3 per cent. to their existing holding in BVT.

Assuming the BSVT Offer is fully subscribed (and the over-allotment facility is not utilised) at a BSVT Offer Price of 80.3 pence (being the BSVT Illustrative Offer Price), the maximum number of New BSVT Shares to be issued under the BSVT Offer would be 24,906,600. Directors' subscriptions

The Directors and their connected persons intend to subscribe £458,000, in aggregate, for New Shares under the Offers.

Part 6 – Taxation

Tax position of investors

1. Tax reliefs

The following is only a summary of the current law concerning the tax position of individual Qualifying Investors in VCTs. Potential investors are recommended to consult a duly authorised independent financial adviser as to the taxation consequences of an investment in a VCT. The tax rules or their interpretation in relation to an investment in the Companies and/or rates of tax may change during the life of the Companies and can be retrospective.

The tax reliefs set out below are those currently available to individuals aged 18 or over who subscribe for New Shares under the Offers and will be dependent on personal circumstances. Whilst there is no specific limit on the amount of an individual's acquisition of shares in a VCT, tax reliefs will only be given to the extent that the total of an individual's subscriptions or other acquisitions of shares in VCTs in any tax year does not exceed £200,000. Qualifying Investors who intend to invest more than £200,000 in VCTs in any one tax year should consult their professional advisers.

1.1. Income tax

1.1.1. *Relief from income tax on investment*

A Qualifying Investor subscribing for New Shares will be entitled to claim income tax relief on amounts subscribed up to a maximum of £200,000 invested in VCTs in any tax year.

The relief is given at the rate of 30 per cent. on the amount subscribed regardless of whether the Qualifying Investor is a higher rate, additional rate or basic rate tax payer, provided that the relief is limited to the amount which reduces the Qualifying Investor's income tax liability to nil. Investments to be used as security for or financed by loans may not qualify for relief, depending on the circumstances.

1.1.2. *Dividend relief*

A Qualifying Investor, who acquires shares in VCTs in any tax year having a value of up to a maximum of £200,000, will not be liable to income tax on dividends paid on those shares and there is no withholding tax thereon.

1.1.3. *Purchases in the market*

A Qualifying Investor who purchases existing shares in the market will be entitled to claim dividend relief (as described in paragraph 1.1.2 above) but not relief from income tax on investment (as described in paragraph 1.1.1 above).

1.1.4. *Withdrawal of relief*

Relief from income tax on a subscription for VCT shares (including New Shares) will be withdrawn if the VCT shares are disposed of (other than between spouses or on death) within five years of issue or if the VCT loses its approval within this period as detailed below.

Dividend relief ceases to be available once the Qualifying Investor ceases to be beneficially entitled to the dividend or if the VCT loses its approval within this period as detailed below.

1.1.5. *Linked sales*

If an investor subscribes for shares in a VCT within 6 months before or after selling any shares in that same VCT, or if there is a contractual link between the subscription and the disposal, the tax reliefs in relation to that subscription will apply only to the amount invested less the amount for which the shares are sold.

1.2. Capital gains tax

1.2.1. Relief from capital gains tax on disposal of VCT shares

Provided certain conditions are met, a disposal by a Qualifying Investor of VCT shares will give rise to neither a chargeable gain nor an allowable loss for the purposes of UK capital gains tax. The relief is limited to the disposal of VCT shares acquired within the limit of £200,000 for any tax year.

1.2.2. Purchases in the market

An individual purchaser of existing shares in the market will be entitled to claim relief from capital gains tax on disposal (as described in paragraph 1.2.1 above).

1.3. Loss of VCT approval

For a company to be fully approved as a VCT it must meet the various requirements for full approval as set out below.

If a company which has been granted approval as a VCT subsequently fails to comply with the conditions for approval, approval as a VCT may be withdrawn. In these circumstances, relief from income tax on the initial investment is repayable unless loss of approval occurs more than five years after the issue of the relevant VCT shares. In addition, relief ceases to be available on any dividend paid in respect of profits or gains in any accounting period ending when VCT status has been lost and any gains on the VCT shares up to the date from which loss of VCT status is treated as taking effect will be exempt, but gains thereafter will be taxable.

2. Illustration of effect of tax relief for Qualifying Investors

The table below has been prepared for illustrative purposes only and does not form part of the summary of the tax reliefs contained in this section. The table shows how the initial tax reliefs available can reduce the effective cost of an investment of £10,000 in a VCT by a Qualifying Investor subscribing for VCT shares to only £7,000:

	Effective cost	Tax relief
Investors unable to claim any tax reliefs	£10,000	Nil
Qualifying Investor able to claim full 30% income tax relief	£7,000	£3,000

Income tax relief is only available if the shares are held for the minimum holding period of five years. The limit for obtaining income tax relief on investments in VCTs is £200,000 in each tax year.

3. Obtaining tax reliefs

The Companies will provide to each Qualifying Investor a certificate which the Qualifying Investor may use to claim income tax relief, either by obtaining from HMRC an adjustment to his tax coding under the PAYE system or by waiting until the end of the tax year and using his tax return to claim relief.

Tax position of the Companies

The Companies have to satisfy a number of tests to qualify as VCTs. A summary of these tests is set out below.

1. Qualification as a VCT

To qualify as a VCT, a company must be approved as such by HMRC. To obtain such approval it must:

- (a) not be a close company;
- (b) have each class of its ordinary share capital listed on a regulated market;
- (c) derive its income wholly or mainly from shares or securities;
- (d) have at least 70 per cent. by VCT Value of its investments in shares or securities in Qualifying Investments (increasing to 80 per cent. for accounting periods beginning on or after 6 April 2019), of which 70 per cent. must be in eligible shares for investments made after 5 April 2011 or investments made after 5 April 2018 from funds raised by the VCT before 6 April 2011;

- (e) have at least 10 per cent. by VCT Value of each Qualifying Investment in eligible shares;
- (f) not have more than 15 per cent. by VCT Value of its investments in a single company or group (other than a VCT or a company which would, if its shares were listed, qualify as a VCT);
- (g) not retain more than 15 per cent. of its income derived from shares and securities in any accounting period;
- (h) not make an investment in a company which causes that company to receive more than £5 million (£10 million in the case of a “knowledge intensive company”) of Risk Finance State Aid investment (including from VCTs) in the 12 months ending on the date of this investment;
- (i) not make an investment in a company which causes that company to receive more than £12 million (£20 million in the case of a “knowledge intensive company”) of Risk Finance State Aid investment (including from VCTs) in its lifetime;
- (j) not make an investment in a company whose first commercial sale was more than 7 years prior to the VCT investment (10 years in the case of a “knowledge intensive” company”), unless the company had obtained Risk Finance State Aid investment before that point in time and is still carrying on exactly the same trade; and
- (k) the VCT must not make a non-Qualifying Investment other than those specified in section 274 of the Tax Act.

In addition to condition (d) above, a new requirement has been introduced for funds raised in accounting periods commencing on or after 6 April 2018 meaning that a VCT must invest 30 per cent. of the funds raised in Qualifying Investments within 12 months of the end of the accounting period in which the funds were raised.

The approved status of a VCT may also be affected where an investee company uses any of the VCT’s investment to acquire another company or trade in the 5 years after the VCT’s investment.

The term “eligible shares” means shares which carry no preferential rights to assets on a winding up, no rights to be redeemed and carry no preferential rights to dividends..

2. Qualifying Investments

A Qualifying Investment consists of shares or securities first issued to the VCT (and held by it ever since) by a company satisfying the conditions set out in Chapter 4 of Part 6 of the Tax Act.

The conditions are detailed, but include the following:

- (a) the investee company must be a Qualifying Company, have gross assets not exceeding £15 million immediately before and £16 million immediately after the investment;
- (b) investee companies receiving VCT investments have to have fewer than 250 full-time (or full-time equivalent) employees (500 in the case of a “knowledge intensive” company);
- (c) apply the money raised for the purposes of a qualifying trade within a certain time period;
- (d) the investee company cannot be controlled by another company and at the time of investment does not obtain more than £5 million of Risk Finance State Aid investment (£10 million in the case of a “knowledge intensive company”) in the 12 month period ending on the date of the investment by the VCT;
- (e) at the time of investment the investee company has not obtained more than £12 million (£20 million in the case of a “knowledge intensive company”) of Risk Finance State Aid investment in its lifetime;
- (f) the first commercial sale of the company was not more than seven years (ten years in the case of a “knowledge intensive company”) prior to the first VCT or EIS investment unless the company had obtained Risk Finance State Aid investment before that point in time and still carrying on exactly the same trade;

- (g) the money raised from the VCT investments must be for the company's organic growth and development or, where the company is a parent, the group's; and
- (h) for investments made after 15 March 2018 the investment must comply with the Risk to Capital condition which is a principles based rule. There are two parts to the condition which must be met as follows:
 - the company in which the investment is made must have objectives to grow and develop over the long term; and
 - the investment must carry a significant risk that the investor will lose more capital than they gain as a return (including any tax relief).

The investee company's status as a qualifying investment may also be affected where it uses any of the investment from a VCT to acquire another company or trade in the 5 years after the VCT's investment.

3. Qualifying Companies

A Qualifying Company must be unquoted (for VCT purposes this includes companies whose shares are traded on AIM) and must carry on a qualifying trade. For this purpose certain activities are excluded (such as dealing in land or shares or providing financial services). The qualifying trade must either be carried on by, or be intended to be carried on by, the Qualifying Company or by a qualifying 90 per cent. subsidiary at the time of the issue of shares or securities to the VCT (and at all times thereafter).

A Qualifying Company must have a permanent establishment in the UK, but a Qualifying Company need not be UK resident. A company intending to carry on a qualifying trade must begin to trade within two years of the issue of shares or securities to the VCT and continue it thereafter.

A Qualifying Company cannot be controlled by another company and may have no subsidiaries other than qualifying subsidiaries which must, in most cases, be at least 51 per cent. owned.

From 6 April 2012 there is a 'disqualifying purpose' test under which an investment will not be a Qualifying Investment if the investee company has been set up for the purpose of accessing tax reliefs or is in substance a financing business, although the Board currently anticipates that these measures are unlikely to affect the Companies.

4. Approval as a VCT

A VCT must be approved at all times by HMRC. Approval has effect from the time specified in the approval letter issued by HMRC.

A VCT cannot be approved unless the tests detailed above are met throughout the most recent complete accounting period of the VCT and HMRC is satisfied that they will be met in relation to the accounting period of the VCT which is current when the application is made. However, where a VCT raises further funds, VCTs are given grace periods to invest those funds before such further funds become subject to the tests.

The Companies have each received approval as a VCT from HMRC.

5. Withdrawal of approval

Approval of a VCT may be withdrawn by HMRC if the various tests set out above are not satisfied. The exemption from corporation tax on capital gains will not apply to any gain realised after the point at which VCT status is lost.

The Finance Act 2014 restricts the ability of a VCT to return capital to its investors. If a VCT makes a payment to its shareholders in relation to shares issued on or after 6 April 2014, which amounts to a repayment of share capital (including the payment of a dividend or a distribution), other than for the purpose of redeeming or repurchasing such shares, before the end of the third accounting period following the accounting period in which the shares were issued, the VCT status will be withdrawn.

Withdrawal of approval generally has effect from the time when notice is given to the VCT but, in relation to capital gains of the VCT only, can be backdated to not earlier than the first day of the

accounting period commencing immediately after the last accounting period of the VCT in which all of the tests were satisfied.

6. State Aid

As a result of the tax status of VCTs, investments by VCTs in underlying portfolio companies are regarded as State aid. Where the European Commission believe that State aid has been provided which is unlawful, in particular if it is not in accordance with the Risk Finance Guidelines, they may require that the UK government recovers that State aid, such recovery may be from the investee company, the VCT or the VCT's investors.

The VCT regime as it currently stands has been approved as consistent with State aid rules by the European Commission. However, from 1 January to 18 November 2015 there was no State aid approval in place for the VCT regime. There is therefore a risk that VCT relief may be withdrawn for investments made between those dates.

The Companies have updated their investment policy to ensure it is consistent with current legislation and HMRC guidance, which has received EU State aid approval. The Board and the Investment Manager will continue to monitor the situation in relation to investments made in the relevant period and will update Shareholders if required.

- 2.8. At the annual general meeting of the BSVT held on 28 February 2019, *inter alia*;
- 2.8.1. the BSVT Directors were, in substitution for all subsisting authorities to the extent unused, generally and unconditionally authorised in accordance with section 551 of the Companies Act to allot shares in BSVT up to an aggregate nominal amount of £10,824,648.75 (such authority to expire on the fifth anniversary following the passing of the resolution);
 - 2.8.2. the BSVT Directors were, in substitution for all subsisting authorities to the extent unused, generally and unconditionally empowered pursuant to sections 570 and 573 of the Companies Act to allot equity securities (as defined in section 560 of the Companies Act) for cash, pursuant (save in relation to a transfer of equity shares out of treasury) to the authority referred to in paragraph 2.7.1 above, as if section 561 of the Companies Act did not apply to any such allotment (such authority to expire on the expiry of fifteen months following the passing of the resolution or, if earlier, the conclusion of BSVT's next annual general meeting); and
 - 2.8.3. BSVT was authorised, generally and unconditionally, in accordance with section 701 of the Companies Act to make market purchases (within the meaning of section 693(4) of the Companies Act) of no more than 34,895,399 Ordinary Shares in aggregate or, if lower, up to 14.99 per cent. of the issued Ordinary Shares (such authority to expire on the expiry of fifteen months following the passing of the resolution or, if earlier, the conclusion of BSVT's next annual general meeting).
- 2.9. The disapplication of statutory pre-emption rights in the terms provided under the special resolutions noted at paragraphs 2.6.2 and 2.7.2 of this Part 7 has given the Companies the flexibility to resell Ordinary Shares which they may purchase and hold in treasury for cash without first being required to offer such Ordinary Shares to BVT Shareholders or BSVT Shareholders respectively in proportion to their existing holdings.
- 2.10. The provisions of section 561 of the Companies Act, which confer on Shareholders certain rights of pre-emption in respect of the allotment of equity securities which are to be paid up in cash, apply except as referred to in paragraphs 2.6.1, 2.6.2, 2.7.1 and 2.7.2 of this Part 7.
- 2.11. It is intended that the authorities set out in paragraphs 2.6 and 2.7 will be renewed at the annual general meetings of BVT and BSVT to be held on 26 February 2020 and 27 February 2020 respectively.
- 2.12. Panmure Gordon & Co acts as market maker in respect of the BVT Shares and the BSVT Shares.

3. Summary of the Articles of the Companies

The Articles of BVT were adopted on 14 December 2009 and the Articles of BSVT were adopted on 18 May 2010 by way of special resolution and both contain, *inter alia*, provisions as summarised below.

For the purposes of paragraph 3 of this Part 7, "Company" shall be read to mean BVT or BSVT respectively.

3.1. **Voting rights**

Subject to the provisions of the Companies Act or any special terms as to voting on which any shares may have been issued, or may for the time being be held, and to any suspension or abrogation of voting rights pursuant to the Articles, on a show of hands every member who is present in person or by proxy at any general meeting of the Company shall have one vote and on a poll every member who is present in person or who (being a corporation) is present by a representative or by proxy shall have one vote for every share of which he is the holder.

3.2. **Offer of Shares**

Subject to the provisions of the Companies Act and the Articles and to any relevant authority of the Company in general meeting required by the Companies Act, unissued shares shall be at the disposal of the Board and they may allot, grant options over, offer or otherwise deal with or dispose of them or rights to subscribe for or convert any security into shares to such persons at such time and on such terms as the Board may decide, provided that no share may be issued at a discount to its nominal value. The Board may also issue redeemable shares on such terms as provided in the Articles.

3.3. **Transfer of shares**

Subject to such of the restrictions of the Articles and Companies Act as may be applicable, any member may transfer all or any of his shares by an instrument of transfer in the usual form or in any other form that the Board may approve. Such instrument shall be signed for or on behalf of the transferor and (in the case of a partly paid share) the transferee.

The Board may, in its absolute discretion, refuse to register any transfer of a share unless (i) it is in respect of a share which is fully paid up, (ii) it is in respect of only one class of shares, (iii) it is in favour of a single transferee or not more than four joint transferees, (iv) it is duly stamped (if so required) and (v) it is delivered for registration to the registered office of the Company or such other place as the Board may reasonably require to prove the title of the transferor and the due execution of the transfer by him or, if the transfer is executed by some other person on his behalf, the authority of that person to do so.

3.4. **Variation of rights**

Where the Company's share capital is divided into different classes of shares, the rights attached to any shares or class of shares may be varied or abrogated in such manner (if any) as may be provided by such rights or, in the absence of any such provision, either with the written consent of the holders of not less than three-quarters in nominal value of the issued shares of that class, or with the sanction of an extraordinary resolution passed at a separate general meeting of the holders of shares of that class of shares. The quorum for such a class meeting is two persons holding or representing by proxy at least one third of the nominal amount of the issued shares of that class.

3.5. **Alteration of capital**

The Company may from time to time in general meeting, by ordinary resolution, increase its share capital by such sums to be divided into shares of such amount as the resolution prescribes, consolidate and divide all or any of its share capital into shares of larger nominal amounts than its existing shares, cancel any shares which at the date of the passing of the resolution have not been taken or agreed to be taken by any person and diminish the amount of its share capital by the amount of the shares so cancelled, and sub-divide its shares, or any of them into shares of a smaller amount and may by such resolution determine that, as between the shares resulting from such sub-division, one or more of the shares may, as compared with the others, have any such preferred or deferred or other special rights or be subject to any such restrictions as the Company has power to attach to unissued or new shares.

3.6. **Dividends and distributions**

The Company may, subject to the provisions of the Companies Act and the Articles, by ordinary resolution from time to time declare dividends to be paid to members not exceeding the amount recommended by the Board. Subject to the provisions of the Companies Act, in so far as, in the Board's opinion, the Company's profits justify such payments, the Board may pay interim

dividends on any class of shares including those carrying a fixed dividend. The Board may, if authorised by an ordinary resolution of the Company, offer shareholders in respect of any dividend the right to receive shares instead of cash. The Board may withhold dividends payable (with no obligation to pay interest thereon) on shares after there has been a failure to provide the Company with information concerning interests in those shares required to be provided under the Articles or the Companies Act until such failure has been remedied. Any dividend unclaimed after a period of 12 years from the date such dividend is payable shall, if the Board resolves, be forfeited and shall revert to the Company.

3.7. **Distribution of realised capital profits**

At any time when the Company has given notice in the prescribed form (which has not been revoked) to the Registrar of Companies of its intention to carry on business as an investment company (a “**Relevant Period**”), distribution of the Company’s capital profits (within the meaning of section 833(2)(c) of the Companies Act) shall be prohibited except to the extent that the requirements for investment company status under section 833 of the Companies Act do not require a company to prohibit the distribution of its capital profits in its memorandum or articles of association. The Board shall establish a reserve to be called the capital reserve. During a Relevant Period, all surpluses arising from the realisation or revaluation of investments and all other monies realised on or derived from the realisation, repayment of or other dealing with any capital asset in excess of the book value thereof and all other monies which are considered by the Board to be in the nature of accretion to capital shall be credited to the capital reserve. Subject to the Companies Act, the Board may determine whether any amount received by the Company is to be dealt with as income or capital or partly one way and partly the other. During a Relevant Period, any loss realised on the realisation or repayment of or other dealing with any investments or other capital assets and, subject to the Companies Act, any expense or liability (or provision thereof) which the Board considers to relate to a capital item or which the Board otherwise considers appropriate to be debited to the capital reserve shall be carried to the debit of the capital reserve. During a Relevant Period, all sums carried and standing to the credit of the capital reserve may be applied for any of the purposes to which the sums standing to any revenue reserve are applicable except and provided that, notwithstanding any other provision of the Articles, no part of the capital reserve or any other money in the nature of accretion to capital shall be transferred to the revenue reserves of the Company or be regarded or treated as profits of the Company available for distribution (as defined by section 829 of the Companies Act), except to the extent that the requirements for investment company status under section 833 of the Companies Act do not require a company to prohibit the distribution of its capital profits in its memorandum or articles of association, or be applied in paying dividends on any shares in the Company. In periods other than a Relevant Period, any amount standing to the credit of the capital reserve may be transferred to the revenue reserves of the Company or be regarded or treated as profits of the Company available for distribution (as defined by section 829 of the Companies Act) or applied in paying dividends on any shares in the Company.

3.8. **Duration and winding up**

The Board shall procure that, at the annual general meeting of the Company falling after the fifth anniversary of the then latest allotment of shares and every third annual general meeting thereafter, an ordinary resolution will be proposed to the effect that the Company shall continue in being as a VCT. If, at any such meeting, such resolution is not passed the Board shall, within nine months of such meeting, convene an extraordinary general meeting to propose a special resolution for the re-organisation or re-construction of the Company and (if such resolution is not passed) a special resolution to wind up the Company voluntarily. In the case of the special resolution relating to voluntary winding up only, any member may demand a poll and each holder of shares present in person or by proxy and who votes in favour of the special resolution shall have such number of votes in respect of each share held by him (including fractions of a vote) that the aggregate number of votes cast in favour of the resolution is four times the aggregate number of shares in respect of which votes are cast against the resolution and each holder of shares who votes against the resolution shall have one vote for each share held by him.

If the Company shall be wound up, the liquidator may, with the authority of an extraordinary resolution and subject to any sanction, divide among the members in specie or in kind the whole or Part of the assets of the Company and may determine how such a division shall be carried out

as between the members or different classes of members. The liquidator may, with the like authority, vest the whole or any Part of the assets in trustees upon such trusts for the benefit of members as the liquidator with the like authority shall think fit and the liquidation of the Company may be closed and the Company dissolved, but no member shall be compelled to accept any assets in respect of which there is a liability.

3.9. Directors

- 3.9.1. Unless otherwise determined by ordinary resolution of the Company, the Directors (disregarding alternate directors) shall not be less than two and not more than ten in number.
- 3.9.2. The Company may by ordinary resolution appoint a person who is willing to be a Director. The Board may appoint any person who is willing to act as a Director. The Board may appoint one or more of its body to hold any employment or executive office and may revoke or terminate such appointment, without prejudice to any claim for damages for breach of contract between the Director and the Company.
- 3.9.3. A Director shall not be required to hold any shares in the Company.
- 3.9.4. The Company may by ordinary resolution remove any Director before the expiration of his period of office.
- 3.9.5. The business and affairs of the Company shall be managed by the Board, which may exercise all such powers of the Company, subject nevertheless to the provisions of the Companies Act and the Articles and to any directions given by the Company in general meeting by special resolution.
- 3.9.6. Subject to the provisions of the Articles, at every annual general meeting one third of the Directors who are subject to retirement by rotation or, if their number is not a multiple of three, then the number nearest to but not exceeding one third, shall retire from office. If there are fewer than three Directors who are subject to retirement by rotation, one Director will retire.

3.10. Authorisation of interests of Directors

- 3.10.1. Subject to the provisions of the Companies Act and of the Articles, a Director, notwithstanding his office:
 - (a) may enter into or otherwise be interested in any contract, arrangement, transaction or proposal with the Company or in which the Company is otherwise interested, either in regard to his tenure of any office or place of profit or as vendor, purchaser or otherwise;
 - (b) may hold any other office or place of profit under the Company (except that of auditor or of auditor of a subsidiary of the Company) in conjunction with the office of director and may act by himself or through his firm in a professional capacity for the Company, and in any such case on such terms as to remuneration and otherwise as the Board may arrange, either in addition to or in lieu of any remuneration provided for by any other Article;
 - (c) may be a Director or other officer, or employed by, or a party to any transaction or arrangement with, or otherwise interested in, any company promoted by the Company or in which the Company is otherwise interested or as regards which the Company has any powers of appointment; and
 - (d) shall not be liable to account to the Company for any profit, remuneration or other benefit realised by any such office, employment, contract, arrangement, transaction or proposal and no such contract, arrangement, transaction or proposal shall be avoided on the grounds of any such interest or benefit.
- 3.10.2. A Director who, to his knowledge, is in any way (directly or indirectly) interested in any contract, arrangement, transaction or proposal with the Company, shall declare the nature

of his interest at the meeting of the Board at which the question of entering into the contract, arrangement, transaction or proposal is first considered, if he knows his interest then exists or, in any other case, at the first meeting of the Board after he knows that he is or has become so interested.

3.10.3. Save as provided in the Articles, a Director shall not vote on, or be counted in the quorum in relation to, any resolution of the Board or of a committee of the Board concerning any contract, arrangement, transaction or any proposal whatsoever to which the Company is or is to be a party and in which he is, to his knowledge, alone or together with any person connected with him, materially interested, unless the resolution concerns any of the following matters:

- (a) the giving to him of any guarantee, security or indemnity in respect of money lent or obligations incurred by him or by any other person at the request of or for the benefit of the Company or any of its subsidiaries;
- (b) a debt or obligation of the Company or any of its subsidiaries for which he himself has assumed responsibility in whole or in part, either alone or jointly with others, under a guarantee or indemnity or by the giving of security;
- (c) any proposal concerning an offer of shares, debentures or other securities of the Company or any of its subsidiaries in which offer he is or may be entitled to participate as a holder of securities or in the underwriting or sub-underwriting of which he is to participate;
- (d) any contract, arrangement, transaction or proposal to which the Company is or is to be a party concerning any other body corporate (a “**relevant company**”) in which he (together with persons connected with him), directly or indirectly (and whether as an officer or shareholder, creditor or otherwise), does not hold or have a beneficial interest in 1.0 per cent. or more of either a relevant company or an intermediate company (as defined in the Articles) (any such interest being deemed for the purposes of this Article to be a material interest in all circumstances);
- (e) any contract, arrangement, transaction or proposal relating to an arrangement for the benefit of the employees of the Company or its subsidiaries which does not award him any privilege or benefit not generally awarded to the employees to which such arrangement relates, and concerning the adoption, modification or operation of a pension, superannuation or similar scheme or retirement, death or disability benefits scheme or employees’ share scheme under which he may benefit and which either has been approved by or is subject to and conditional on approval by, HMRC for taxation purposes or relates to both employees and Directors of the Company (or any of its subsidiaries) and does not accord to any Director as such any privilege or advantage not accorded to the employees to which such scheme or fund relates; or
- (f) any contract, arrangement, transaction or proposal concerning the purchase and/or maintenance of any insurance policy for the benefit of Directors or for the benefit of persons including Directors pursuant to the Articles.

3.10.4. A Director shall not vote or be counted in the quorum on any resolution of the Board or committee of the Board concerning his own appointment (including fixing or varying the terms of his appointment or its termination) as the holder of any office or place of profit with the Company or any company in which the Company is interested. Where proposals are under consideration concerning the appointment (including fixing or varying the terms of appointment or its termination) of two or more Directors to offices or places of profit with the Company or any company in which the Company is interested, such proposals may be divided and a separate resolution considered in relation to each Director. In such case each of the Directors concerned (if not otherwise debarred from voting under these Articles) shall be entitled to vote (and be counted in the quorum) in respect of each resolution except that concerning his own appointment.

3.10.5. Subject to the provisions of the Companies Act and the Articles:

- (a) the Board shall have the power to purchase and maintain insurance at the expense of the Company for, or for the benefit of any persons who are or were at any time Directors, officers or employees of the Company, including insurance against any liability incurred by such persons in relation to or in connection with their duties, powers or offices in relation to the Company; and
- (b) every Director, alternate director, secretary and other officer of the Company shall be entitled to be indemnified by the Company against all costs, charges, losses, damages and liabilities incurred by him in connection with his duties or the exercise of his powers.

3.11. **Borrowing powers**

The Board may exercise all powers of the Company to borrow money and to mortgage or charge all or any Part of its undertaking, property and assets (present and future) and uncalled capital and, subject to the provisions of the Companies Act, to create and issue debentures, other loan stock and other securities, whether outright or as collateral security for any debt, liability or obligation of the Company or of any third party. Such powers are however limited so that the aggregate principal amount outstanding in respect of monies borrowed by the Company shall not, without the previous sanction of an ordinary resolution of the Company, exceed an amount equal to 25 per cent. of the value of its gross assets.

3.12. **General meetings**

Annual general meetings shall be called by not less than 21 clear days notice in writing. Any other general meeting shall be called by not less than 14 clear days notice in writing.

3.13. **Uncertificated Shares**

Uncertificated Shares may be transferred by means of a relevant system. The Board may refuse to register a transfer of uncertificated Shares in such circumstances as may be permitted or required by the regulations relating thereto and the relevant system.

5. Corporate governance

Baronsmead Venture Trust plc

The BVT Board consists solely of non-executive Directors of whom Peter Lawrence is Chairman. All of the BVT Directors are considered by the BVT Board to be independent of the Investment Manager and the BVT Board does not consider that a Director's tenure reduces his ability to act independently.

By reporting against the AIC Code and by following the AIC Corporate Governance Guide, as at the date of this document BVT complies with its obligations under the UK Corporate Governance Code.

In view of the requirement in the Articles that all BVT Directors retire by rotation, the BVT Board considers that it is not appropriate for the BVT Directors to be appointed for a specified term as recommended by principle 3 of the AIC Code and provision B.2.3 of the UK Corporate Governance Code. However, the BVT Board has agreed that each BVT Director will retire and, if appropriate, seek annual re-election.

The BVT Board has delegated certain responsibilities and functions to the audit committee, the management engagement and remuneration committee and the nomination committee.

The audit committee, chaired by Les Gabb, operates within clearly defined terms of reference and comprises all the BVT Directors. The duties of the audit committee include reviewing the annual and interim accounts, the system of internal controls, the terms of appointment of the auditors together with their remuneration, and ensuring that auditor objectivity and independence is safeguarded in the provision of non-audit services by the auditors. It also provides a forum through which the auditors may report to the BVT Board and meets at least twice yearly.

The management engagement and remuneration committee, chaired by Susannah Nicklin, comprises all of the BVT Directors and reviews the appropriateness of the Investment Manager's appointment together with the terms and conditions thereof on a regular basis.

The nomination committee, chaired by Valerie Marshall, comprises all of the BVT Directors and is convened for the purpose of considering the appointment of additional directors as and when considered appropriate. In considering appointments to the BVT Board, the nomination committee takes into account the ongoing requirements of BVT and the need to have a balance of skills, experience and knowledge within its Board, together with diversity of experience and approach.

Baronsmead Second Venture Trust plc

The BSVT Board consists solely of non-executive Directors of whom John Davies is Chairman. All of the BSVT Directors are considered by the BSVT Board to be independent of the Investment Manager and the BSVT Board does not consider that a Director's tenure reduces his ability to act independently.

By reporting against the AIC Code and by following the AIC Corporate Governance Guide, as at the date of this document BSVT complies with its obligations under the UK Corporate Governance Code.

In view of the requirement in the Articles that all BSVT Directors retire by rotation, the BSVT Board considers that it is not appropriate for the BSVT Directors to be appointed for a specified term as recommended by principle 3 of the AIC Code and provision B.2.3 of the UK Corporate Governance Code. However, the BSVT Board has agreed that each BSVT Director will retire and, if appropriate, seek annual re-election.

The BSVT Board has delegated certain responsibilities and functions to the audit committee, the management engagement and remuneration committee and the nomination committee.

The audit committee, chaired by Malcolm Groat, operates within clearly defined terms of reference and comprises all the BSVT Directors. The duties of the audit committee include reviewing the annual and interim accounts, the system of internal controls, the terms of appointment of the auditors together with their remuneration, and ensuring that auditor objectivity and independence is safeguarded in the provision of non-audit services by the auditors. It also provides a forum through which the auditors may report to the BSVT Board and meets at least twice yearly.

The management engagement and remuneration committee, chaired by John Davies, comprises all of the BSVT Directors and reviews the appropriateness of the Investment Manager's appointment together with the terms and conditions thereof on a regular basis.

The nomination committee, chaired by John Davies, comprises all of the BSVT Directors and is convened for the purpose of considering the appointment of additional directors as and when considered appropriate. In considering appointments to the BSVT Board, the nomination committee takes into account the ongoing requirements of BSVT and the need to have a balance of skills, experience and knowledge within its Board, together with diversity of experience and approach.

In accordance with Chapter 15 of the Listing Rules, each of the Companies must, at all times, invest and manage its assets in a way which is consistent with its object of spreading investment risk and in accordance with its published investment policy. 9. General

- 9.1. 10. Mandatory bids, squeeze-out and sell-out rules

10.1. Mandatory bids

As companies incorporated in England and Wales with shares to be admitted to trading on the London Stock Exchange, the Companies will be subject to the provisions of the Takeover Code. The Takeover Code is issued and administered by the Panel on Takeovers and Mergers. The Panel has been designated as the supervisory authority to carry out certain regulatory functions in relation to takeovers pursuant to the Takeovers Directive. Following the implementation of the Takeovers Directive, the rules set out in the Takeover Code which are derived from the Takeovers Directive now have a statutory basis in the United Kingdom.

Under Rule 9 of the Takeover Code, any person or group of persons acting in concert with each other which, taken together with shares already held by that person or group of persons, acquires 30 per cent. or more of the voting rights of a public company which is subject to the Takeover Code or holds not less than 30 per cent. but not more than 50 per cent. of the voting rights exercisable at a general meeting and acquires additional shares which increase the percentage of their voting rights, would normally be required to make a general offer in cash at the highest price paid within the preceding 12 months for all the remaining equity share capital of the Companies.

Under Rule 37 of the Takeover Code, when a company purchases its own voting shares, a resulting increase in the percentage of voting rights carried by the shareholdings of any person or group of persons acting in concert will be treated as an acquisition for the purposes of Rule 9. A shareholder who is neither a director nor acting in concert with a director will not normally incur an obligation to make an offer under Rule 9. However, under note 2 to Rule 37, where a shareholder has acquired shares at a time when he/she had reason to believe that a purchase by the company of

its own voting shares may take place, an obligation to make a mandatory bid under Rule 9 may arise in certain circumstances. The buyback by the Companies of Ordinary Shares could, therefore, have implications for Shareholders with significant shareholdings.

10.2. Squeeze-out and sell-out rules

Other than as provided by the Companies Act, there are no rules or provisions relating to squeeze-out and sell-out rules in relation to the Shares. Under sections 974 to 991 of the Companies Act, if an offeror acquires or contracts to acquire (pursuant to a takeover offer) not less than 90 per cent. of the Shares of either of the Companies (in value and by voting rights) to which such offer relates it may then compulsorily acquire the outstanding Shares not assented to the offer. It would do so by sending a notice to the other holders of Shares telling them that it will compulsorily acquire their Shares and then, six weeks later, it would execute a transfer of the outstanding Shares in its favour and pay the consideration to the relevant Company, which would hold the consideration on trust for the holders of those Shares subject to the transfer. The consideration offered to the holders whose Shares are compulsorily acquired under the Companies Act must, in general, be the same as the consideration that was available under the takeover offer.

In addition, pursuant to section 983 of the Companies Act, if an offeror acquires or agrees to acquire not less than 90 per cent. of the Shares (in value and by voting rights, pursuant to a takeover offer that relates to all the Shares in the relevant Company) to which the offer relates, any holder of Shares to which the offer relates who has not accepted the offer may require the offeror to acquire his Shares on the same terms as the takeover offer.

The offeror would be required to give any holder of Shares notice of his right to be bought out within one month of that right arising. Such sell out rights cannot be exercised after the end of the period of three months from the last date on which the offer can be accepted or, if later, three months from the date on which the notice is served on the holder of Shares notifying them of their sell out rights. If a holder of Shares exercises their rights, the offeror is bound to acquire those Shares on the terms of the offer or on such other terms as may be agreed.

11. Restrictions on transfer

11.1. General

The distribution of this document and offer of New Shares in certain jurisdictions may be restricted by law and therefore persons into whose possession this document comes should inform themselves about and observe any such restrictions. Any failure to comply with these restrictions may constitute a violation of the securities laws of any such jurisdiction.

11.2. European Economic Area

11.2.1. In relation to each of the EEA States (other than the United Kingdom) which has implemented the Prospectus Directive (each, a “**relevant member state**”), with effect from and including the date on which the Prospectus Directive was implemented in that relevant member state (the “**relevant implementation date**”) no New Shares have been offered or will be offered pursuant to an offer to the public in that relevant member state, except that with effect from and including the relevant implementation date, offers of New Shares may be made to the public in that relevant member state at any time:

- (a) to legal entities which are authorised or regulated to operate in the financial markets or, if not so authorised or regulated, whose corporate purpose is solely to invest in securities;
- (b) to any legal entity which has two or more of (i) an average of at least 250 employees during the last financial year; (ii) a total balance sheet of more than €43 million; and (iii) an annual net turnover of more than €50 million as shown in its last annual or consolidated accounts; or
- (c) in any other circumstances which do not require the publication by the Companies of a prospectus pursuant to Article 3 of the Prospectus Directive, provided that no such offer of New Shares shall result in a requirement for the publication of a prospectus pursuant to Article 3 of the Prospectus Directive or any measure

implementing the Prospectus Directive in a relevant member state and each person who initially acquires any New Shares or to whom any offer is made will be deemed to have represented, acknowledged and agreed that it is a “qualified investor” within the meaning of Article 2(1)(e) of the Prospectus Directive.

- 11.2.2. For the purpose of the expression an “offer of any New Shares to the public” in relation to any New Shares in any relevant member state means the communication in any form and by any means of sufficient information on the terms of the issue of any New Shares, so as to enable a potential investor to decide to purchase or subscribe for the New Shares, as the same may be varied in that relevant member state by any measure implementing the Prospectus Directive in that relevant member state.

12. Disclosure requirements and notification of interest in shares

Under Chapter 5 of the Disclosure Guidance and Transparency Rules, subject to certain limited exceptions, a person must notify the Companies (and, at the same time, the FCA) of the percentage of voting rights he or she holds (within two trading days) if he or she acquires or disposes of shares in the company to which voting rights are attached and if, as a result of the acquisition or disposal, the percentage of voting rights which he or she holds as a shareholder (or, in certain cases, which he or she holds indirectly) or through his or her direct or indirect holding of certain types of financial instruments (or a combination of such holdings):

- 12.1. reaches, exceeds or falls below 3.0 per cent. and each 1.0 per cent. threshold thereafter; or
- 12.2. reaches, exceeds or falls below an applicable threshold in paragraph 12.1 of this Part 7 above as a result of events changing the breakdown of voting rights and on the basis of the total voting rights notified to the market by the Companies.

Such notification must be made using the prescribed form TR1 available from the FCA’s website at www.fca.org.uk. Under the Disclosure and Transparency Rules, the relevant Company must announce the notification to the public as soon as possible and in any event by not later than the end of the trading day following receipt of a notification in relation to voting rights.

The FCA may take enforcement action against a person holding voting rights who has not complied with Chapter 5 of the Disclosure and Transparency Rules.

Verification of the investor's identity may be provided by means of a "Letter of Introduction" from an intermediary or other regulated person (such as a solicitor or accountant) who is a member of a regulatory authority and is required to comply with the Money Laundering, Terrorist Financing and Transfer of Funds (Information on the Payer) Regulations 2017 or a UK or EC financial institution (such as a bank). If an investor chooses to opt out they must enclose a copy of their passport or driving licence certified by a bank or solicitor stating that it is a "true copy of the original and a true likeness of the client" followed by your name; and a recent (no more than three

 - (xvii) declare that a loan has not been made to you or any associate which would not have been made, or would not have been made on the same terms, but for you offering to subscribe for, or acquiring, New Shares and that the New Shares are being acquired for *bona fide* commercial purposes and not as part of a scheme of arrangement the main purpose of which, or one of the main purposes of which, is the avoidance of tax;
 - (xviii) confirm and warrant that the information provided in the Subscription Form is true and accurate;
 - (xix) warrant that, if you sign the Subscription Form on behalf of somebody else, you have due authority to do so on behalf of that other person, and such person will also be bound accordingly and will be deemed also to have given the confirmations, warranties, undertakings and authority contained herein and undertake to enclose your power of attorney or a copy thereof duly certified by a solicitor or bank with the Subscription Form; and
 - (xx) consent to the information provided on the Subscription Form being provided to the Receiving Agent and the Registrar to process shareholding details and send notifications to you.
- (g) Where a Subscription is made by a Nominee on behalf of a Beneficial Owner, the Nominee:
- (i) warrants that there is in force a valid and binding agreement between the Nominee and the Beneficial Owner, pursuant to which:
 - (a) the Nominee is authorised and entitled to make the Subscription on behalf of the Beneficial Owner; and
 - (b) the beneficial ownership of the Shares issued in respect of that Subscription will be vested in the Beneficial Owner immediately upon the issue of the Shares;
 - (ii) warrants that the Nominee has made the Beneficial Owner aware of these terms and conditions, and that the Beneficial Owner has assented to them;
 - (iii) warrants that if the Subscription is for more than £12,000 the Nominee has carried out the necessary enquiries to verify the identity of the Beneficial Owner to ensure compliance with the Money Laundering, Terrorist Financing and Transfer of Funds (Information on the Payer) Regulations 2017; and
 - (iv) undertakes, at no expense to the Companies, to do all such acts and to procure that the Beneficial Owner does all such acts as the Companies may from time to time reasonably require to ensure the full compliance by the Beneficial Owner with these terms and conditions, as though the Beneficial Owner were the Subscriber.
- (h) The Companies reserve the right to publish revised Subscription Forms from time to time. Subscribers and their intermediaries should, therefore, check when completing a Subscription Form that no subsequent version has been published or made available by the relevant Company which will be downloadable from the relevant Company's website.

Part 9 – Terms and Conditions of the Dividend Reinvestment Plan of the Companies

Baronsmead Venture Trust

1 What Service are Computershare providing?

We agree to allow you to participate in the Baronsmead Venture Trust plc dividend reinvestment plan with the opportunity to use your cash dividend to buy Shares through a special dealing arrangement (“Plan”) arranged by Computershare or a Broker, on an execution only basis. The Plan is administered in the UK by Computershare Investor Services PLC (“Service”) and not by the Company. We are authorised and regulated by the Financial Conduct Authority.

As a participant of the Plan you are bound by these legally binding terms and conditions. Please read them and keep them safe so you can refer to them in the future. We may change these terms and conditions, if they do so, Computershare will let you know beforehand.

The price of Shares can go down as well as up and the income from Shares is not guaranteed. You may suffer a loss and receive back less than you originally invested. The price may even change from when you send Computershare an instruction to trade Shares to when Computershare receive it and are able to conclude the transaction. Remember that past performance is no guide to future performance. Please note that your order may be combined with other orders which may result in a more or less favourable price than if your instruction had been carried out separately. See the At what price will the Shares be bought and how many Shares will you receive section for further details.

2 How much will it cost you to use the Service?

We do not charge you any fees for joining the Plan but each time Computershare buy Shares for you Computershare will charge you a dealing fee of 0.75 per cent. of the total price of the Shares purchased, subject to a minimum fee of £2.50. Purchases will be subject to stamp duty reserve tax of 0.50 per cent..

For example if Computershare use £1000 of your cash dividend to reinvest in Shares valued at £1 each, Computershare will charge you a dealing fee of £7.50. In addition, £5.00 of stamp duty reserve tax will be deducted. Charges would therefore reduce the number of Shares purchased from 1000 to 987. However if Computershare use £300.00 or less of your cash dividend to reinvest in Shares then Computershare will still charge you their minimum fee which would be £2.50 in addition to stamp duty reserve tax.

We will deduct these amounts from your cash dividends before buying the Shares. You may request an itemised breakdown of total costs and charges. We will not pay the Broker a fee for providing its service to us. Please see the What are their Costs section for further information on their charges.

3 Are Computershare providing you with any advice?

We will not provide you with any investment, taxation or legal advice, or advice on whether or not the transaction is right for you. We will not assess the suitability or appropriateness of any product, service or transaction and Computershare will not recommend or invite you to sell, buy, transfer or hold Shares. You will not benefit from the protection of the FCA Rules on assessing appropriateness.

It is your responsibility to make sure the Service is right for you and you may wish to seek independent professional advice before using it.

Where Computershare make a payment to you, for example if there is a cash surplus when you leave the Plan, Computershare will either:

It is your responsibility to keep your login details secure. You must tell Computershare if you change your contact details or your bank account. You can log in to your online account and update your personal details at any time.

6 What happens if something goes wrong?

Computershare will always aim to provide the Service with reasonable care and skill. If you are not happy with any aspect of the Service, please contact us. The Complaints and Compensation section has further information. Please note that Computershare limit their liability to you under these terms and conditions. Further information is contained in the Limits on Computershare's Liability section.

7 How does joining the Plan affect my tax position?

Individuals who acquire ordinary VCT shares may qualify for exemption from income tax on dividends and may be exempt from capital gains tax in respect of shares acquired in any tax year, subject to meeting the qualifying conditions.

However the specific tax analysis will depend upon your personal circumstances. If you are in any doubt about your tax position, including when you are deciding whether to join the Plan or are selling any of your shares, Computershare recommend that you consult with an independent financial advisor.

8 How the Plan will operate

Who may participate in the Plan?

- 8.1 If Computershare find out that you are subject to laws, procedures or regulations of a country outside the UK which does not allow you to participate in the Plan, you may not be permitted to benefit from the Service and Computershare may cancel your participation in the Plan.

How do you join the Plan?

- 8.2 If you would like to join the Plan, please complete the online form at www.investorcentre.co.uk or, complete, sign and return the election form to us. If you do not have an election form please contact us. If you are a CREST member or sponsored by a CREST member and you wish to participate in the Plan you must submit your election using the CREST system. Further details are contained in the CREST Procedures section.
- 8.3 If you have more than one shareholding in BVT that you want included in the Plan then you should complete a separate form for each shareholding. If you would like to combine your shareholdings in BVT please contact us. If your Shares are held jointly with others and you are joining the plan online, you must confirm that you have obtained the consent of all other joint shareholders to use the Plan before you are able to join. If you are using an election form, it must be signed by all joint shareholders. Computershare must receive your application at least 15 Business Days before the dividend payment date. Any applications Computershare receive after that date will apply to the next dividend payment, if there is one.
- 8.4 If you have not completed the application properly, Computershare may request further information from you or ask you to complete the form correctly. Computershare will not accept any forms sent by fax, email or telephone instruction or a photocopied form.
- 8.5 If Computershare decide not to accept a particular instruction, Computershare will notify you in writing as soon as Computershare reasonably can.
- 8.6 By joining the Plan, you instruct Computershare to reinvest all future dividends from your Shares until you notify Computershare of your intention to withdraw from the Plan or Computershare suspend or terminate the Plan. However, if you hold your Shares in uncertificated form in CREST the CREST Procedures section of these terms and conditions will apply.

Can you join the Plan with just some of your Shares?

- 8.7 If you choose to participate in the Plan all the Shares you hold in BVT falling under a single shareholder reference number will be included within the Plan.
- 8.8 Where you are a corporate shareholder or you are acting on behalf of more than one beneficial owner, (e.g. a nominee arrangement) Computershare may allow part of your shareholding to apply to the Plan. A cash dividend will be paid on the balance of the Shares not included in the Plan. This instruction will not be applied to future dividends.

How does the Plan work?

- 8.9 Computershare will use the cash dividend paid to you by BVT to buy Shares in the Company. Computershare will buy as many whole Shares as possible from the proceeds of each cash dividend. Purchases are made on or as soon as reasonably practicable after each dividend payment date. The Plan may not be available for a particular dividend and where the Plan is not available, cash dividends will be paid.
- 8.10 Computershare must receive your election form at least 15 Business Days before the dividend payment date.
- 8.11 When Computershare execute your instruction Computershare are irrevocably and unconditionally appointed to act as your agent. Computershare will then carry out your instructions as your agent, which means that Computershare will have your authority to sign, complete and deliver any transfer form or other document, or do anything else which Computershare think is necessary to carry out your instructions.
- 8.12 Where Computershare hold a cash-balance for you at the end of a quarter Computershare will send you a statement which may be included with an advice note. Computershare will continue to send you a statement on a quarterly basis (i.e. at regular intervals not less than four times a year) for as long as Computershare hold a cash-balance for you. You may request statements more frequently, but Computershare may charge you for providing these.

What are Computershare's Costs?

Refer to the Key Information section for further details

- 8.13 Our Costs are set out in the Key Information section.
- 8.14 Where the Key Information Section states that Computershare will pay the Broker a fee for providing its service to us, such fee will be taken from the fee Computershare charge you. If you would like further information on this arrangement please contact Computershare using the details in the Contacting Each Other section.
- 8.15 Where the Key Information section states that purchases are subject to stamp duty reserve tax, it will be deducted it at the time your Shares are purchased.
- 8.16 All applicable UK Value Added Tax ("VAT") on Computershare's fees, commissions and charges is payable by you to us. All their fees, commissions and charges are inclusive of any applicable VAT unless specifically stated otherwise. Our dealing fees are exclusive of VAT, but currently no VAT is applicable to these fees. If that situation changes in the future Computershare will charge you VAT without notifying you beforehand.
- 8.17 If Computershare provide you with any information, ancillary services or other services not mentioned in these terms and conditions, Computershare may write and ask you to pay for that service or information.
- 8.18 Where Computershare are required to make a change to the Service due to a change in applicable law or regulations, Computershare may amend the Plan without giving you any notice, and will inform you in writing of the change as soon as Computershare can. In all other cases, Computershare will notify you in writing at least 20 Business Days in advance of any proposed new charge or before Computershare increase their charges.

- 8.19 Computershare may increase their charges for any reason, which may include:
- (a) increases in inflation;
 - (b) changes in interest rates;
 - (c) increases in their running costs of the Plan;
 - (d) increases in their running costs of the Service;
 - (e) additional charges imposed by parties Computershare work with in connection with the provision of the Plan;
 - (f) alterations in the provision of the Service being provided; and/or
 - (g) tax or legal changes.

What happens if you buy or sell Shares?

- 8.20 If you buy more or sell some (but not all) of your Shares, the Plan will continue to apply to the Shares from your increased or decreased shareholding. If you sell all of your Shares, there will be no dividend entitlement and your participation in the Plan will end unless you are a CREST participant in which case the CREST Procedures section of these terms and conditions will apply. Any cash surplus will be returned to you, please see the Cash Surplus on leaving the Plan section for more information.
- 8.21 If you sell your Shares on or after a specific date (known as the ex-dividend date) it will be you, rather than any buyer of your Shares who will remain entitled to that dividend.

At what price will the Shares be bought and how many Shares will you receive?

- 8.22 On payment of a dividend by BVT, Computershare will pool your cash dividends with the cash dividends of all other Plan participants. Computershare will follow the instructions you give them on our website and your election form, or via the CREST system. Computershare will instruct the Broker to buy as many whole Shares from the pooled cash dividends after the Broker deducts their dealing fee and any applicable stamp duty reserve tax. The pooled monies will be used to pay for the completed trades when payment becomes due.
- 8.23 When you instruct Computershare to deal with your Shares they will take reasonable care in appointing a Broker to carry out your instructions from their panel of approved Brokers, listed in their Order Handling Policy. Computershare and the Broker will then take reasonable steps to obtain the best possible results for you. Through the appointed Broker, Computershare will execute your orders through the execution venues as listed in their Order Handling Policy which you can access on their website or by writing to Computershare at The Pavilions, Bridgwater Road, Bristol BS13 8AE, United Kingdom. In deciding which execution venue to use Computershare and the Broker will focus on a number of factors, primarily price, but also the likelihood of concluding the transaction, size of your order, nature of stock, speed of settlement, market volume, market impact and transaction venue. Information on their top five execution venues from the previous year is available on their website. The Broker will normally carry out your instructions in regulated markets, organised trading facilities or multi-lateral trading facilities. However to obtain the best result for you the Broker may decide to carry out your instructions outside of these regulated markets, for example where the Broker carries out your instructions with a Market Maker or matches your instructions with instructions received from another client.
- 8.24 By using the Service you expressly agree that the Broker may use a venue that is not a regulated market, an organised trading facility or a multilateral trading facility.
- 8.25 Computershare may combine your order with orders received from other clients using the Service. The Broker may combine your order with orders received from their other clients. This may result in a more or less favourable price than if your instruction had been carried out separately. Where the Broker executes a number of instructions for Computershare then it may average the price obtained for all the orders if different instructions were dealt at different prices.

- 8.26 Where the overall transaction is above a certain size then Computershare may need two UK Business Days (or more) to process it.
- 8.27 When you instruct Computershare to deal for you, there may be occasions when Computershare are unable to complete a transaction. When this happens you agree that Computershare may carry out further trades to complete the transaction you originally instructed. Computershare will act in compliance with their Order Handling Policy in order to correct any errors.
- 8.28 Computershare and the Broker have to get you the best price reasonably available when Computershare buy your Shares. Computershare or the Broker may therefore sometimes delay a purchase of Shares for several Business Days if Computershare think that is in your best interests.
- 8.29 You agree that you can only use the Service in accordance with BVT's share dealing Policy, available upon request from BVT.
- 8.30 Where trading in BVT's Shares is halted or suspended Computershare will not be able to process any outstanding instructions you have given them until trading resumes. In the meantime Computershare will treat your money in the same way as described in the What happens when money is left over after Shares have been bought section. Computershare accept no responsibility for the impact that any such suspension may have on the price Computershare may then have to buy the Shares for.
- 8.31 Computershare and the Broker check that the correct number of Shares have been purchased. Computershare will only treat the purchase of Shares as complete and properly executed when Computershare have:
- (a) determined the total number of Shares purchased;
 - (b) received and allocated the Shares;
 - (c) carried out the necessary internal audit procedures; and
 - (d) received the printed confirmation note from the Broker.
- 8.32 Depending on the nature of the trade, this process can take up to 14 Business Days. The prices at which the Shares are purchased may vary between transactions, but Computershare will calculate the average price across all Shares of BVT which have been purchased as part of this trade to ensure that all Plan participants receive the same share price. This may operate to your advantage or disadvantage.
- 8.33 When Computershare are satisfied that the purchase of Shares are complete and properly executed Computershare will send an advice note to the address of the first named shareholder setting out the number of Shares purchased, the Costs that have been charged and any other commission or charges.
- 8.34 Computershare will send you the advice note by post within one Business Day of the Broker confirming the purchase to us. If you are a CREST member you may also be notified via the CREST system.
- 8.35 The Broker Computershare use to execute your instructions is chosen in accordance with their Broker Selection Policy. Computershare will only select Brokers whose stated Policy is to obtain the best possible result for you. Our Order Handling Policy identifies factors affecting the carrying out of client instructions by the Broker. You agree that you are legally bound by their Order Handling Policy. Both Policies are available on their website, alternatively please contact Computershare if you would like copies. If you would like additional information on how Computershare review their Order Handling policy and arrangements with the brokers on their approved panel, please contact them.

What happens when money is left over after Shares have been bought?

- 8.36 Only whole Shares can be bought under the Plan so there will usually be a cash surplus left (insufficient to buy another whole Share). This cash surplus will be carried forward and held in a client money account under the FCA Rules. The cash surplus will be added to future cash

dividends for reinvestment in BVT's Shares. All advice notes Computershare send to you will include a statement of any cash surplus.

What if there is a cash Surplus when you leave the Plan?

8.37 If you leave the Plan, you will be paid any cash surplus that Computershare have collected for you. Computershare will treat you as leaving the Plan if:

- (a) you cancel or withdraw from the Plan;
- (b) you sell or transfer all of your Shares and do not purchase more Shares under the same Shareholder Reference Number prior to the next dividend record date;
- (c) you request that Computershare pay to you any cash surplus that would otherwise be carried forward for reinvestment;
- (d) Computershare receive proper notice of your bankruptcy, mental incapacity or death;
- (e) you are a shareholder which is a corporate entity and Computershare receive proper notice that you have become insolvent, been placed in administration or are the subject of similar proceedings and as a result Computershare determine it is appropriate for you to cease to be a Plan participant;
- (f) BVT has become insolvent, been placed in administration or is the subject of similar proceedings and Computershare determine it is appropriate for you to cease to be a Plan participant as a result;
- (g) the Plan is terminated, suspended or withdrawn for any reason; or
- (h) you cease to be a Plan participant for any other reason.

8.38 If Computershare treat you as having left the Plan, Computershare will return any money to you:

- (a) on the First Dividend Payment Date if you leave before BVT's Record Date; or
- (b) on the Second Dividend Payment Date if you leave on or after BVT's Record Date.

Our right to end the Plan

8.39 Computershare and BVT reserve the right to suspend or terminate the Plan at any time. When exercising this right, Computershare will try to ensure you are provided with notice before such suspension or termination takes place.

Your right to cancel or withdraw from the Plan.

8.40 **Cancellation rights** – if you want to cancel your participation in the Plan, you should notify Computershare within 14 Business days from the date Computershare receive your election form (the Cancellation Period). You will lose the right to cancel the Plan, if during the Cancellation Period, you make a request for Computershare to reinvest your cash dividend. Computershare need to know the number of participants in the Plan at least 15 Business Days before a dividend payment date. Computershare refer to the first day of this 15 Business Day period as the Cut-Off Date. If you choose to submit your election form to Computershare at a time which would result in your Cancellation Period expiring on or after the Cut-Off Date, Computershare will treat you as having instructed them to reinvest your cash dividend during the Cancellation Period. If Computershare do not receive a notice of cancellation from you prior to the Cut-Off Date, you will lose your cancellation rights.

8.41 **Withdrawal** – If you decide to withdraw from the Plan, you must let Computershare know in writing. You can withdraw at any time provided that your notice to withdraw from the Plan is received before the Cut-Off Date (if you do not want that dividend reinvested in Shares).

8.42 If you make an online request for your cash surplus to be returned, this will be treated as a notice that you wish to withdraw from the Plan.

- 8.43 If Computershare receive notice of your death, bankruptcy or mental incapacity (or, in the case of a corporate shareholder, your insolvency, administration or similar proceedings) your participation in the Plan will stop unless the Shares are held jointly with others in line with their Policies and procedures. For further information please contact us.

CREST Procedures

Please read this section if you are a CREST Member

- 8.44 If you hold your Shares in uncertificated form in CREST and you wish to receive the Services you must comply with the CREST procedures. If you elect via CREST you confirm that you agree to receive the Service in line with these terms and conditions, and you appoint Computershare as your agent to arrange the purchase of Shares.
- 8.45 If Computershare buy Shares for you, these will be credited to your CREST member account unless Computershare or BVT decides that the Shares should be issued by certificate.
- 8.46 You may only remove an election which has been made via CREST by following the CREST procedure set out in the CREST Manual, unless Computershare or BVT agrees another form of removal (which Computershare notify to you in writing). If your holding is reduced to zero, any future Shares you acquire will be subject to the previous election, unless you change it.

Computershare recommend that you input any messages to delete an election at least 24 hours in advance of the deadline to give Computershare and BVT sufficient time to accept the deletion. There is no facility to amend an election which has been made by Dividend Election Input Message. If you wish to change your election details you must first delete the existing election and then input a Dividend Election Input Message with the required new details.

 - (d) delivered by email or via their website, immediately.
- 9.12 Computershare provide these terms and conditions in English and Computershare will only communicate with you in English when providing the Service. If Computershare translate these terms and conditions into another language they should be treated as being informative only.

Computershare will only be bound by the English version of these terms and conditions which govern the Service.

General

- 9.13 In performing the Service Computershare may on occasion employ agents to carry out certain activities. Before doing so Computershare will satisfy themselves that they are able to do the job Computershare are asking them to do.
- 9.14 Computershare will not do anything which Computershare think would or might break any relevant laws, rules, regulations or codes, or risk exposing Computershare to criticism for behaving improperly or not acting in accordance with good market practice.
- 9.15 When Computershare provide you with the Service you agree that Computershare can hold your money in a UK bank chosen by us. Under the law that will apply, Computershare will not be responsible for anything a UK bank does or fails to do with your money. The money will be held in a separate pooled client money bank account together with other clients' monies but separate from their money. You will still have the same rights to your money. The account will be governed by the FCA Rules on client money. All money belonging to clients will be held on trust for the sole benefit of clients. Computershare will not pay interest on monies Computershare hold for you. If the bank becomes insolvent Computershare will try to recoup your money on your behalf. If there is a shortfall in the money held in the client money account, all clients will share any shortfall proportionately. In this situation you may not recover all your money. You may then be able to make a claim under the Financial Services Compensation Scheme (FSCS). Sometimes, in exceptional circumstances, it may be necessary for Computershare to hold your money in a bank based outside of the UK, (for example, to facilitate payments to you if you are based outside the UK). If so, Computershare will take all reasonable steps to protect your money in line with local laws, which may be different from the laws in the UK. Your rights if the bank becomes insolvent may be reduced in this instance.
- 9.16 If Computershare hold your money and there has been no movement in your balance for at least six years, other than for charges Computershare may have levied, Computershare may remove this money from the client money bank account and donate it to a registered charity of their choice. You may later claim this sum of money back from us, but you will not be entitled to claim any interest on it. Computershare will let you know at least 28 days before Computershare do this by writing to you at the last email or postal address Computershare have for you. Where the amount is no more than £25 (or equivalent) and you fail to claim it before the 28 day notice period expires Computershare will donate the money without attempting to contact you again. If the amount is more than £25 (or equivalent) after the 28 day notice period expires, Computershare will make at least one further attempt to contact you using other means, before donating the money to charity.
- 9.17 If Computershare move all or part of their business to another provider, after the move is complete Computershare will no longer hold your money in the client money bank account. Computershare will exercise due skill, care and diligence in assessing whether the provider that Computershare are transferring your client money to will follow the requirements of the FCA Rules or apply adequate equivalent measures to protect your client money.
- 9.18 Where Computershare owe you money Computershare will round down the monies payable to the nearest penny. Where you owe Computershare money Computershare will round it up to the nearest penny. In each case we will keep the difference for their own benefit.
- 9.19 These terms and conditions and the Service are governed by the laws of England. You agree that any action must be brought in an English Court.
- 9.20 You lose your entitlement to any benefit associated with your Shares, such as a dividend payment, on the day your Shares are sold which will be before the Shares are registered with the new owners. If you receive such a benefit after your Shares are sold you may have to transfer it to the new owners of the Shares. If Computershare become aware of such a claim when Computershare have received the money from selling your Shares then Computershare will account for it to the new owner of the Shares and may deduct the same amount from the proceeds of the sale.

- 9.21 Computershare may withdraw the Service from you immediately due to a change in law or because we find out that you are not entitled to participate in the Service under local laws. Computershare will settle any outstanding instructions from you before Computershare do this, in so far as Computershare are permitted to do so by law.
- 9.22 In offering the Service Computershare will treat you as a “retail client”. As a retail client you are protected by the FCA Rules and you may be eligible for compensation under the FSCS, as described further in the Complaints and Compensation section.
- 9.23 Conflicts of interest which may be detrimental to you, may arise between us, their agents, their other corporate clients, their employees and those who use this service. Computershare will make every effort to identify and prevent such conflicts. Where this is not possible, Computershare will manage and mitigate the conflicts. Where Computershare cannot prevent, manage or mitigate such conflicts Computershare will disclose details to you. You may obtain a copy of their Conflicts of Interest Policy, which Computershare update regularly, on their website or you may request a copy by writing to them at Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS13 8AE, United Kingdom.
- 9.24 Only you or Computershare have any right to enforce these terms and no third party has any right to enforce any of the terms by virtue of the Contracts (Rights of Third Parties) Act 1999.
- 9.25 If you owe Computershare money they may deduct the amount that you owe to them from any amounts that Computershare owe to you. If you owe Computershare money they may sell enough of your Shares to recover their own costs, even if this means Computershare sell your Shares at a loss and/or you suffer any tax liability as a result. Computershare may also offset any monies due to you against any monies you owe us. If Computershare plan to sell your Shares Computershare will let you know one month before Computershare do so. However even if Computershare do or they offset any sums of money you may owe them, they still reserve the right to go to court to recover any outstanding monies you may owe them.
- 9.26 If any of these terms and conditions is found to be unfair Computershare will not be able to rely upon it. However, that will not have any impact on the other terms and conditions which will remain in force.
- 9.27 You may not use this Service in a country where it would either be illegal to do so or would require Computershare to observe regulatory procedures or legal formalities in addition to those required in England and Wales.
- 9.28 Computershare will notify you when they change these terms and conditions and if they make any changes that are to your material disadvantage, they will give you not less than twenty Business Days’ notice before such change becomes effective, and you will be able to withdraw from the Service.
- 9.29 We may change these terms and conditions without telling you beforehand if Computershare need to change them because the law or regulation changes.

Data Protection

- 9.30 In order to provide the Service to you Computershare need to use your personal information. We may also transfer your personal information to other countries which have different data protection laws. We will only do this if Computershare are satisfied that there are adequate safeguards in place to protect your personal information.
- 9.31 For full details about how Computershare use and share your personal information please see their Privacy Policy, which is available on their website or you may request a copy by writing to them at Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS13 8AE, United Kingdom. The Privacy Policy also explains your rights in relation to your personal information and how you can exercise them.

Complaints and Compensation

- 9.32 If you are dissatisfied with the Service Computershare have provided you or wish to receive a copy of their complaints procedure please write to Computershare or find a copy of their

complaints procedure on their website. If Computershare cannot resolve your complaint, you may refer it to the Financial Ombudsman Service, Telephone: +44 (0)800 023 4567 (free from UK landlines) or 0300 123 9123 (from UK mobiles) or at www.financial-ombudsman.org.uk.

- 9.33 Under the FSCS you may be entitled to compensation if Computershare cannot meet their financial obligations. You may be covered for up to 100% of the first £50,000 of your investments (i.e. a maximum of £50,000 per person). Where Computershare hold your money in a client bank account and the relevant UK approved bank becomes insolvent, you may be covered under the FSCS for up to £85,000 of the money on deposit with that bank. Details about their external banking partners are available on request. These amounts may be subject to change. Where Computershare are required to hold your client money in a jurisdiction outside the UK, your rights in the event of insolvency may be reduced. Further details of your rights under the FSCS can be found here: www.fscs.org.uk.

Baronsmead Second Venture Trust

1 What Service are Computershare providing?

We agree to allow you to participate in the Baronsmead Second Venture Trust plc dividend reinvestment plan with the opportunity to use your cash dividend to buy Shares through a special dealing arrangement ("**Plan**") arranged by Computershare or a Broker, on an execution only basis. The Plan is administered in the UK by Computershare Investor Services PLC ("**Service**") and not by the Company. We are authorised and regulated by the Financial Conduct Authority.

As a participant of the Plan you are bound by these legally binding terms and conditions. Please read them and keep them safe so you can refer to them in the future. We may change these terms and conditions, if they do so, Computershare will let you know beforehand.

The price of Shares can go down as well as up and the income from Shares is not guaranteed. You may suffer a loss and receive back less than you originally invested. The price may even change from when you send Computershare an instruction to trade Shares to when Computershare receive it and are able to conclude the transaction. Remember that past performance is no guide to future performance. Please note that your order may be combined with other orders which may result in a more or less favourable price than if your instruction had been carried out separately. See the At what price will the Shares be bought and how many Shares will you receive section for further details.

2 How much will it cost you to use the Service?

We do not charge you any fees for joining the Plan but each time Computershare buy Shares for you Computershare will charge you a dealing fee of 0.75% of the total price of the Shares purchased, subject to a minimum fee of £2.50. Purchases will be subject to stamp duty reserve tax of 0.50%.

For example if Computershare use £1000 of your cash dividend to reinvest in Shares valued at £1 each, Computershare will charge you a dealing fee of £7.50. In addition, £5.00 of stamp duty reserve tax will be deducted. Charges would therefore reduce the number of Shares purchased from 1000 to 987. However if Computershare use £300.00 or less of your cash dividend to reinvest in Shares then Computershare will still charge you their minimum fee which would be £2.50 in addition to stamp duty reserve tax.

We will deduct these amounts from your cash dividends before buying the Shares. You may request an itemised breakdown of total costs and charges. We will not pay the Broker a fee for providing its service to us. Please see the What are their Costs section for further information on their charges.

3 Are Computershare providing you with any advice?

We will not provide you with any investment, taxation or legal advice, or advice on whether or not the transaction is right for you. We will not assess the suitability or appropriateness of any product, service or transaction and Computershare will not recommend or invite you to sell, buy, transfer or hold Shares. You will not benefit from the protection of the FCA Rules on assessing appropriateness.

It is your responsibility to make sure the Service is right for you and you may wish to seek independent professional advice before using it.

It is your responsibility to keep your login details secure. You must tell Computershare if you change your contact details or your bank account. You can log in to your online account and update your personal details at any time.

6 What happens if something goes wrong?

Computershare will always aim to provide the Service with reasonable care and skill. If you are not happy with any aspect of the Service, please contact us. The Complaints and Compensation section has further information. Please note that Computershare limit their liability to you under these terms and conditions. Further information is contained in the Limits on Computershare's Liability section.

7 How does joining the Plan affect my tax position?

Individuals who acquire ordinary VCT shares may qualify for exemption from income tax on dividends and may be exempt from capital gains tax in respect of shares acquired in any tax year, subject to meeting the qualifying conditions.

However the specific tax analysis will depend upon your personal circumstances. If you are in any doubt about your tax position, including when you are deciding whether to join the Plan or are selling any of your shares, Computershare recommend that you consult with an independent financial advisor.

8 How the Plan will operate

Who may participate in the Plan?

- 8.1 If Computershare find out that you are subject to laws, procedures or regulations of a country outside the UK which does not allow you to participate in the Plan, you may not be permitted to benefit from the Service and Computershare may cancel your participation in the Plan.

How do you join the Plan?

- 8.2 If you would like to join the Plan, please complete the online form at www.investorcentre.co.uk or, complete, sign and return the election form to us. If you do not have an election form please contact us. Further details are contained in the CREST Procedures section.
- 8.3 If you have more than one shareholding in BSVT that you want included in the Plan then you should complete a separate form for each shareholding. If you would like to combine your shareholdings in BSVT please contact us. - 8.8 Where you are a corporate shareholder or you are acting on behalf of more than one beneficial owner, (e.g. a nominee arrangement) Computershare may allow part of your shareholding to apply to the Plan. A cash dividend will be paid on the balance of the Shares not included in the Plan. This instruction will not be applied to future dividends.

How does the Plan work?

- 8.9 Computershare will use the cash dividend paid to you by BSVT to buy Shares in the Company. Computershare will buy as many whole Shares as possible from the proceeds of each cash dividend. Purchases are made on or as soon as reasonably practicable after each dividend payment date. The Plan may not be available for a particular dividend and where the Plan is not available, cash dividends will be paid.
- 8.10 Computershare must receive your election form at least 15 Business Days before the dividend payment date.
- 8.11 When Computershare execute your instruction Computershare are irrevocably and unconditionally appointed to act as your agent. Computershare will then carry out your instructions as your agent, which means that Computershare will have your authority to sign, complete and deliver any transfer form or other document, or do anything else which Computershare think is necessary to carry out your instructions.
- 8.12 Where Computershare hold a cash-balance for you at the end of a quarter Computershare will send you a statement which may be included with an advice note. Computershare will continue to send you a statement on a quarterly basis (i.e. at regular intervals not less than four times a year) for as long as Computershare hold a cash-balance for you. You may request statements more frequently, but Computershare may charge you for providing these.

What are Computershare's Costs?

Refer to the Key Information section for further details

- 8.13 Our Costs are set out in the Key Information section.
- 8.14 Where the Key Information Section states that Computershare will pay the Broker a fee for providing its service to us, such fee will be taken from the fee Computershare charge you. If you would like further information on this arrangement please contact Computershare using the details in the Contacting Each Other section.
- 8.15 Where the Key Information section states that purchases are subject to stamp duty reserve tax, it will be deducted it at the time your Shares are purchased.
- 8.16 All applicable UK Value Added Tax ("VAT") on Computershare's fees, commissions and charges is payable by you to us. All their fees, commissions and charges are inclusive of any applicable VAT unless specifically stated otherwise. Our dealing fees are exclusive of VAT, but currently no

VAT is applicable to these fees. If that situation changes in the future Computershare will charge you VAT without notifying you beforehand.

- 8.17 If Computershare provide you with any information, ancillary services or other services not mentioned in these terms and conditions, Computershare may write and ask you to pay for that service or information.
- 8.18 Where Computershare are required to make a change to the Service due to a change in applicable law or regulations, Computershare may amend the Plan without giving you any notice, and will inform you in writing of the change as soon as Computershare can. In all other cases, Computershare will notify you in writing at least 20 Business Days in advance of any proposed new charge or before Computershare increase their charges.
- 8.19 Computershare may increase their charges for any reason, which may include:
- (a) increases in inflation;
 - (b) changes in interest rates;
 - (c) increases in their running costs of the Plan;
 - (d) increases in their running costs of the Service;
 - (e) additional charges imposed by parties Computershare work with in connection with the provision of the Plan;
 - (f) alterations in the provision of the Service being provided; and/or
 - (g) tax or legal changes.

What happens if you buy or sell Shares?

- 8.20 If you buy more or sell some (but not all) of your Shares, the Plan will continue to apply to the Shares from your increased or decreased shareholding. If you sell all of your Shares, there will be no dividend entitlement and your participation in the Plan will end unless you are a CREST participant in which case the CREST Procedures section of these terms and conditions will apply. Any cash surplus will be returned to you, please see the Cash Surplus on leaving the Plan section for more information.
- 8.21 If you sell your Shares on or after a specific date (known as the ex-dividend date) it will be you, rather than any buyer of your Shares who will remain entitled to that dividend.

At what price will the Shares be bought and how many Shares will you receive?

- 8.22 On payment of a dividend by BSVT, Computershare will pool your cash dividends with the cash dividends of all other Plan participants. Computershare will follow the instructions you give them on our website and your election form, or via the CREST system. Computershare will instruct the Broker to buy as many whole Shares from the pooled cash dividends after the Broker deducts their dealing fee and any applicable stamp duty reserve tax. The pooled monies will be used to pay for the completed trades when payment becomes due.
- 8.23 When you instruct Computershare to deal with your Shares they will take reasonable care in appointing a Broker to carry out your instructions from their panel of approved Brokers, listed in their Order Handling Policy. Computershare and the Broker will then take reasonable steps to obtain the best possible results for you. Through the appointed Broker, Computershare will execute your orders through the execution venues as listed in their Order Handling Policy which you can access on their website or by writing to Computershare at The Pavilions, Bridgwater Road, Bristol BS13 8AE, United Kingdom. In deciding which execution venue to use Computershare and the Broker will focus on a number of factors, primarily price, but also the likelihood of concluding the transaction, size of your order, nature of stock, speed of settlement, market volume, market impact and transaction venue. Information on their top five execution venues from the previous year is available on their website. The Broker will normally carry out your instructions in regulated markets, organised trading facilities or multi-lateral trading

facilities. However to obtain the best result for you the Broker may decide to carry out your instructions outside of these regulated markets, for example where the Broker carries out your instructions with a Market Maker or matches your instructions with instructions received from another client.

- 8.24 By using the Service you expressly agree that the Broker may use a venue that is not a regulated market, an organised trading facility or a multilateral trading facility.
- 8.25 Computershare may combine your order with orders received from other clients using the Service. The Broker may combine your order with orders received from their other clients. This may result in a more or less favourable price than if your instruction had been carried out separately. Where the Broker executes a number of instructions for Computershare then it may average the price obtained for all the orders if different instructions were dealt at different prices.
- 8.26 Where the overall transaction is above a certain size then Computershare may need two UK Business Days (or more) to process it.
- 8.27 When you instruct Computershare to deal for you, there may be occasions when Computershare are unable to complete a transaction. When this happens you agree that Computershare may carry out further trades to complete the transaction you originally instructed. Computershare will act in compliance with their Order Handling Policy in order to correct any errors.
- 8.28 Computershare and the Broker have to get you the best price reasonably available when Computershare buy your Shares. Computershare or the Broker may therefore sometimes delay a purchase of Shares for several Business Days if Computershare think that is in your best interests.
- 8.29 You agree that you can only use the Service in accordance with BSVT's share dealing Policy, available upon request from BSVT.
- 8.30 Where trading in BSVT's Shares is halted or suspended Computershare will not be able to process any outstanding instructions you have given them until trading resumes. In the meantime Computershare will treat your money in the same way as described in the What happens when money is left over after Shares have been bought section. Computershare accept no responsibility for the impact that any such suspension may have on the price Computershare may then have to buy the Shares for.
- 8.31 Computershare and the Broker check that the correct number of Shares have been purchased. Computershare will only treat the purchase of Shares as complete and properly executed when Computershare have:
- (a) determined the total number of Shares purchased;
 - (b) received and allocated the Shares;
 - (c) carried out the necessary internal audit procedures; and
 - (d) received the printed confirmation note from the Broker.
- 8.32 Depending on the nature of the trade, this process can take up to 14 Business Days. The prices at which the Shares are purchased may vary between transactions, but Computershare will calculate the average price across all Shares of BSVT which have been purchased as part of this trade to ensure that all Plan participants receive the same share price. This may operate to your advantage or disadvantage.
- 8.33 When Computershare are satisfied that the purchase of Shares are complete and properly executed Computershare will send an advice note to the address of the first named shareholder setting out the number of Shares purchased, the Costs that have been charged and any other commission or charges.
- 8.34 Computershare will send you the advice note by post within one Business Day of the Broker confirming the purchase to us. If you are a CREST member you may also be notified via the CREST system.

- 8.35 The Broker Computershare use to execute your instructions is chosen in accordance with their Broker Selection Policy. Computershare will only select Brokers whose stated Policy is to obtain the best possible result for you. Our Order Handling Policy identifies factors affecting the carrying out of client instructions by the Broker. You agree that you are legally bound by their Order Handling Policy. Both Policies are available on their website, alternatively please contact Computershare if you would like copies. What happens when money is left over after Shares have been bought?

- 8.36 Only whole Shares can be bought under the Plan so there will usually be a cash surplus left (insufficient to buy another whole Share). This cash surplus will be carried forward and held in a client money account under the FCA Rules. The cash surplus will be added to future cash dividends for reinvestment in BSVT's Shares. All advice notes Computershare send to you will include a statement of any cash surplus.

What if there is a cash Surplus when you leave the Plan?

- 8.37 If you leave the Plan, you will be paid any cash surplus that Computershare have collected for you. Computershare will treat you as leaving the Plan if:
- (a) you cancel or withdraw from the Plan;
 - (b) you sell or transfer all of your Shares and do not purchase more Shares under the same Shareholder Reference Number prior to the next dividend record date;
 - (c) you request that Computershare pay to you any cash surplus that would otherwise be carried forward for reinvestment;
 - (d) Computershare receive proper notice of your bankruptcy, mental incapacity or death;
 - (e) you are a shareholder which is a corporate entity and Computershare receive proper notice that you have become insolvent, been placed in administration or are the subject of similar proceedings and as a result Computershare determine it is appropriate for you to cease to be a Plan participant;
 - (f) BSVT has become insolvent, been placed in administration or is the subject of similar proceedings and Computershare determine it is appropriate for you to cease to be a Plan participant as a result;
 - (g) the Plan is terminated, suspended or withdrawn for any reason; or
 - (h) you cease to be a Plan participant for any other reason.
- 8.38 If Computershare treat you as having left the Plan, Computershare will return any money to you:
- (a) on the First Dividend Payment Date if you leave before BSVT's Record Date; or
 - (b) on the Second Dividend Payment Date if you leave on or after BSVT's Record Date.

Our right to end the Plan

- 8.39 Computershare and BSVT reserve the right to suspend or terminate the Plan at any time. When exercising this right, Computershare will try to ensure you are provided with notice before such suspension or termination takes place.

Your right to cancel or withdraw from the Plan.

- 8.40 **Cancellation rights** – if you want to cancel your participation in the Plan, you should notify Computershare within 14 Business days from the date Computershare receive your election form (the Cancellation Period). You will lose the right to cancel the Plan, if during the Cancellation Period, you make a request for Computershare to reinvest your cash dividend. Computershare need to know the number of participants in the Plan at least 15 Business Days before a dividend

payment date. Computershare refer to the first day of this 15 Business Day period as the Cut-Off Date. If you choose to submit your election form to Computershare at a time which would result in your Cancellation Period expiring on or after the Cut-Off Date, Computershare will treat you as having instructed them to reinvest your cash dividend during the Cancellation Period. If Computershare do not receive a notice of cancellation from you prior to the Cut-Off Date, you will lose your cancellation rights.

- 8.41 **Withdrawal** – If you decide to withdraw from the Plan, you must let Computershare know in writing. You can withdraw at any time provided that your notice to withdraw from the Plan is received before the Cut-Off Date (if you do not want that dividend reinvested in Shares).
- 8.42 If you make an online request for your cash surplus to be returned, this will be treated as a notice that you wish to withdraw from the Plan.
- 8.43 If Computershare receive notice of your death, bankruptcy or mental incapacity (or, in the case of a corporate shareholder, your insolvency, administration or similar proceedings) your participation in the Plan will stop unless the Shares are held jointly with others in line with their Policies and procedures. For further information please contact us.

CREST Procedures

Please read this section if you are a CREST Member

- 8.44 If you hold your Shares in uncertificated form in CREST and you wish to receive the Services you must comply with the CREST procedures. If you elect via CREST you confirm that you agree to receive the Service in line with these terms and conditions, and you appoint Computershare as your agent to arrange the purchase of Shares.
- 8.45 If Computershare buy Shares for you, these will be credited to your CREST member account unless Computershare or BSVT decides that the Shares should be issued by certificate.
- 8.46 You may only remove an election which has been made via CREST by following the CREST procedure set out in the CREST Manual, unless Computershare or BSVT agrees another form of removal (which Computershare notify to you in writing). If your holding is reduced to zero, any future Shares you acquire will be subject to the previous election, unless you change it.
- 8.47 Computershare recommend that you input any messages to delete an election at least 24 hours in advance of the deadline to give Computershare and BSVT sufficient time to accept the deletion. There is no facility to amend an election which has been made by Dividend Election Input Message. If you wish to change your election details you must first delete the existing election and then input a Dividend Election Input Message with the required new details.

 - (d) delivered by email or via their website, immediately.
- 9.12 Computershare provide these terms and conditions in English and Computershare will only communicate with you in English when providing the Service. If Computershare translate these terms and conditions into another language they should be treated as being informative only. Computershare will only be bound by the English version of these terms and conditions which govern the Service.

General

- 9.13 In performing the Service Computershare may on occasion employ agents to carry out certain activities. Before doing so Computershare will satisfy themselves that they are able to do the job Computershare are asking them to do.
- 9.14 Computershare will not do anything which Computershare think would or might break any relevant laws, rules, regulations or codes, or risk exposing Computershare to criticism for behaving improperly or not acting in accordance with good market practice.
- 9.15 When Computershare provide you with the Service you agree that Computershare can hold your money in a UK bank chosen by us. Under the law that will apply, Computershare will not be responsible for anything a UK bank does or fails to do with your money. The money will be held in a separate pooled client money bank account together with other clients' monies but separate from their money. You will still have the same rights to your money. The account will be governed by the FCA Rules on client money. All money belonging to clients will be held on trust for the sole benefit of clients. Computershare will not pay interest on monies Computershare hold for you. If the bank becomes insolvent Computershare will try to recoup your money on your behalf. If there is a shortfall in the money held in the client money account, all clients will share any shortfall proportionately. In this situation you may not recover all your money. You may then be able to make a claim under the Financial Services Compensation Scheme (FSCS). Sometimes, in exceptional circumstances, it may be necessary for Computershare to hold your money in a bank based outside of the UK, (for example, to facilitate payments to you if you are based outside the UK). If so, Computershare will take all reasonable steps to protect your money in line with local laws, which may be different from the laws in the UK. Your rights if the bank becomes insolvent may be reduced in this instance.
- 9.16 If Computershare hold your money and there has been no movement in your balance for at least six years, other than for charges Computershare may have levied, Computershare may remove this money from the client money bank account and donate it to a registered charity of their choice. You may later claim this sum of money back from us, but you will not be entitled to claim any interest on it. Computershare will let you know at least 28 days before Computershare do this by writing to you at the last email or postal address Computershare have for you. Where the amount is no more than £25 (or equivalent) and you fail to claim it before the 28 day notice period expires Computershare will donate the money without attempting to contact you again. If the amount is more than £25 (or equivalent) after the 28 day notice period expires, Computershare will make at least one further attempt to contact you using other means, before donating the money to charity.
- 9.17 If Computershare move all or part of their business to another provider, after the move is complete Computershare will no longer hold your money in the client money bank account. Computershare will exercise due skill, care and diligence in assessing whether the provider that Computershare are transferring your client money to will follow the requirements of the FCA Rules or apply adequate equivalent measures to protect your client money.

- 9.18 Where Computershare owe you money Computershare will round down the monies payable to the nearest penny. Where you owe Computershare money Computershare will round it up to the nearest penny. In each case we will keep the difference for their own benefit.
- 9.19 These terms and conditions and the Service are governed by the laws of England. You agree that any action must be brought in an English Court.
- 9.20 You lose your entitlement to any benefit associated with your Shares, such as a dividend payment, on the day your Shares are sold which will be before the Shares are registered with the new owners. If you receive such a benefit after your Shares are sold you may have to transfer it to the new owners of the Shares. If Computershare become aware of such a claim when Computershare have received the money from selling your Shares then Computershare will account for it to the new owner of the Shares and may deduct the same amount from the proceeds of the sale.
- 9.21 Computershare may withdraw the Service from you immediately due to a change in law or because we find out that you are not entitled to participate in the Service under local laws. Computershare will settle any outstanding instructions from you before Computershare do this, in so far as Computershare are permitted to do so by law.
- 9.22 In offering the Service Computershare will treat you as a “retail client”. As a retail client you are protected by the FCA Rules and you may be eligible for compensation under the FSCS, as described further in the Complaints and Compensation section.
- 9.23 Conflicts of interest which may be detrimental to you, may arise between us, their agents, their other corporate clients, their employees and those who use this service. Computershare will make every effort to identify and prevent such conflicts. Where this is not possible, Computershare will manage and mitigate the conflicts. Where Computershare cannot prevent, manage or mitigate such conflicts Computershare will disclose details to you. You may obtain a copy of their Conflicts of Interest Policy, which Computershare update regularly, on their website or you may request a copy by writing to them at Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS13 8AE, United Kingdom.
- 9.24 Only you or Computershare have any right to enforce these terms and no third party has any right to enforce any of the terms by virtue of the Contracts (Rights of Third Parties) Act 1999.
- 9.25 If you owe Computershare money they may deduct the amount that you owe to them from any amounts that Computershare owe to you. If you owe Computershare money they may sell enough of your Shares to recover their own costs, even if this means Computershare sell your Shares at a loss and/or you suffer any tax liability as a result. Computershare may also offset any monies due to you against any monies you owe us. If Computershare plan to sell your Shares Computershare will let you know one month before Computershare do so. However even if Computershare do or they offset any sums of money you may owe them, they still reserve the right to go to court to recover any outstanding monies you may owe them.
- 9.26 If any of these terms and conditions is found to be unfair Computershare will not be able to rely upon it. However, that will not have any impact on the other terms and conditions which will remain in force.
- 9.27 You may not use this Service in a country where it would either be illegal to do so or would require Computershare to observe regulatory procedures or legal formalities in addition to those required in England and Wales.
- 9.28 Computershare will notify you when they change these terms and conditions and if they make any changes that are to your material disadvantage, they will give you not less than twenty Business Days’ notice before such change becomes effective, and you will be able to withdraw from the Service.
- 9.29 We may change these terms and conditions without telling you beforehand if Computershare need to change them because the law or regulation changes.

Data Protection

- 9.30 In order to provide the Service to you Computershare need to use your personal information. We may also transfer your personal information to other countries which have different data protection laws. We will only do this if Computershare are satisfied that there are adequate safeguards in place to protect your personal information.
- 9.31 For full details about how Computershare use and share your personal information please see their Privacy Policy, which is available on their website or you may request a copy by writing to them at Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS13 8AE, United Kingdom. The Privacy Policy also explains your rights in relation to your personal information and how you can exercise them.

Complaints and Compensation

- 9.32 If you are dissatisfied with the Service Computershare have provided you or wish to receive a copy of their complaints procedure please write to Computershare or find a copy of their complaints procedure on their website. If Computershare cannot resolve your complaint, you may refer it to the Financial Ombudsman Service, Telephone: +44 (0)800 023 4567 (free from UK landlines) or 0300 123 9123 (from UK mobiles) or at www.financial-ombudsman.org.uk.
- 9.33 Under the FSCS you may be entitled to compensation if Computershare cannot meet their financial obligations. You may be covered for up to 100% of the first £50,000 of your investments (i.e. a maximum of £50,000 per person). Where Computershare hold your money in a client bank account and the relevant UK approved bank becomes insolvent, you may be covered under the FSCS for up to £85,000 of the money on deposit with that bank. Details about their external banking partners are available on request. These amounts may be subject to change. Where Computershare are required to hold your client money in a jurisdiction outside the UK, your rights in the event of insolvency may be reduced. Investors should be aware that New Shares delivered in certificated form are likely to incur higher dealing costs than those in respect of New Shares held in CREST. Section 4 – Dividend Payments For New Shareholders

SECTION 4 IS ONLY TO BE COMPLETED BY INVESTORS WHO DO NOT CURRENTLY HOLD ANY BVT SHARES OR BSVT SHARES

Investors should also note that income tax relief will not be available on Shares issued in relation to the dividends that are reinvested and that the dividends that are reinvested will not count towards the £200,000 investment limit in relation to income tax relief.

Existing Shareholders must not complete section 4 as existing dividend payment arrangements can not be amended using the Subscription Form. If you are an Existing Shareholder and you wish to amend any of the existing instructions in relation to the payment of dividends you should do so separately by contacting the Registrar, Computershare Investors Services PLC, The Pavilions, Bridgwater Road, Bristol BS13 8AE, or by going to www.investorcentre.co.uk.

This section should only be completed if you have used a financial intermediary with respect to your Subscription. If you apply directly and have not used a financial intermediary with respect to your Subscription you should not complete this section.

Section 6 – Financial intermediaries’ payment

All fees charged by the Companies are outlined in the Prospectus. The Companies can also facilitate payments to your financial intermediary.

If you have invested in the Offers through a financial intermediary and have received upfront advice, including investors who are investing through intermediaries using financial platforms, the Companies can facilitate payments to your financial intermediary. The amount you wish to be paid to your financial intermediary, plus the percentage of your Subscription that this represents should be inserted in the appropriate boxes in section 6. If you complete section 6 the tax certificate that you receive in relation to your Subscription will reflect the amount you entered in box (c) in section 2. The number of New Shares that you receive will also be based on the figure in box (c).

Investors should check whether their financial intermediary would like to receive the payment by way of a bank transfer or cheque.

Section 7 – Signature and date

You must sign, state your name and date the Subscription Form in section 7.

By signing and dating the Subscription Form you agree to invest in the relevant Company in accordance with the terms and conditions of Subscription as set out on pages 73 to 76 of the prospectus.

If this section of the form is unsigned the Receiving Agent will not be able to process your Subscription and Subscription monies will be returned to you.
