

BASE PROSPECTUS

(incorporated with limited liability in England and Wales under registered number 4083914)

£6,000,000,000 Euro Medium Term Note Programme

Compass Group PLC (the "**Issuer**") has established a Euro Medium Term Note Programme (the "**Programme**") described in this Base Prospectus under which notes ("**Notes**") may be issued.

This Base Prospectus has been approved by the United Kingdom Financial Conduct Authority (the "**FCA**"), as competent authority under Regulation (EU) 2017/1129 as it forms part of domestic law in the United Kingdom ("**UK**") by virtue of the European Union (Withdrawal) Act 2018, as amended ("**EUWA**") (the "**UK Prospectus Regulation**"). The FCA only approves this Base Prospectus as meeting the standards of completeness, comprehensibility and consistency imposed by the UK Prospectus Regulation. Such approval should not be considered as an endorsement of the Issuer or as an endorsement of the quality of any Notes that are the subject of this Base Prospectus. Investors should make their own assessment as to the suitability of investing in such Notes.

Application has been made for the Notes (other than the Exempt Notes (as defined below)) to be admitted during the period of 12 months after the date hereof to listing on the Official List of the FCA and to trading within the period of 12 months from the date of this Base Prospectus on the Main Market of the London Stock Exchange plc (the "**Main Market**"). This Base Prospectus (as supplemented from time to time) is valid for a period of 12 months from the date of approval.

The requirement to publish a prospectus under the UK Prospectus Regulation only applies to Notes which are to be admitted to trading on a regulated market in the United Kingdom and/or offered to the public in the United Kingdom other than in circumstances where an exemption is available under Article 1(4) and/or 3(2) of the UK Prospectus Regulation. References in this Base Prospectus to "**Exempt Notes**" are to Notes issued under the Programme for which no prospectus is required to be published under the UK Prospectus Regulation or under the United Kingdom Financial Services and Markets Act 2000, as amended. The FCA has neither approved nor reviewed information contained in this Base Prospectus in connection with Exempt Notes. The applicable pricing supplement (the "**Pricing Supplement**") in respect of the issue of any Exempt Notes will specify whether or not such Exempt Notes will be admitted to listing or trading on any stock exchanges and/or markets, if applicable.

Investing in Notes issued under the Programme involves certain risks. The principal risk factors that may affect the abilities of the Issuer to fulfil its obligations under the Notes are discussed under "Risk Factors" below.

The Notes have not been, nor will they be, registered under the United States Securities Act of 1933, as amended (the "**Securities Act**") or with any securities regulatory authority of any state or other jurisdiction of the United States, and Notes in bearer form are subject to U.S. tax law requirements. The Notes may not be offered, sold or (in the case of Notes in bearer form) delivered within the United States or to, or for the account or benefit of, U.S. persons (as defined in Regulation S under the Securities Act ("**Regulation S**")) except in certain transactions exempt from the registration requirements of the Securities Act.

The Issuer has been assigned a rating of A by S&P Global Ratings UK Limited ("**Standard and Poor's**") and a rating of A2 by Moody's Investors Service Ltd. ("**Moody's**"). Each of Standard and Poor's and Moody's is a credit rating agency established and operating in the UK and registered under Regulation (EU) No 1060/2009 as it forms part of domestic law of the UK by virtue of the EUWA (the "**UK CRA Regulation**"). Each of Standard and Poor's and Moody's appears on the latest update of the list of registered credit rating agencies (as of 12 June 2025) on the UK FCA's Financial Services Register. The ratings each of Standard and Poor's and Moody's have given to the Issuer are endorsed by S&P Global Ratings Europe Limited and Moody's Deutschland GmbH respectively, both of which are established in the European Economic Area ("**EEA**") and registered under Regulation (EU) No 1060/2009, as amended (the "**EU CRA Regulation**"). Tranches of Notes issued under the Programme may be rated or unrated. Where a Tranche of Notes is rated, such rating(s) will not necessarily be the same as the ratings described above or the rating(s) assigned to Notes already issued. The rating(s) assigned to a particular Tranche of Notes issued under the Programme will be disclosed in the Final Terms. A rating is not a recommendation to buy, sell or hold Notes and may be subject to suspension, change or withdrawal at any time by the assigning rating agency.

Under the Programme, the Issuer may issue Notes outside the United States pursuant to Regulation S. The Issuer has, pursuant to an amended and restated dealer agreement dated 13 June 2025 (the "**Dealer Agreement**"), appointed Citigroup Global Markets Limited as a dealer for the Notes (together with any dealers for the day, the "**Dealers**"), and authorised and requested the Dealers to circulate the Base Prospectus in connection with the Programme on their behalf to purchasers or potential purchasers of the Notes.

The Issuer accepts responsibility for the information contained in this Base Prospectus and the Final Terms (as defined below) for each Tranche (as defined herein) of Notes issued under the Programme and declares that, to the best of its knowledge the information contained in this Base Prospectus and any Final Terms is, in accordance with the facts and the Base Prospectus makes no omission likely to affect its import.

Each Tranche (as defined herein) of Notes will be issued on the terms set out herein under "Terms and Conditions of the Notes" (the "**Conditions**") as completed by a document specific to such Tranche called final terms (the "**Final Terms**") or (in the case of Exempt Notes) a Pricing Supplement or in a separate prospectus specific to such Tranche (the "**Drawdown Prospectus**") as described under "*Final Terms, Pricing Supplements and Drawdown Prospectuses*" below. In the case of a Tranche of Notes which is the subject of a Pricing Supplement or a Drawdown Prospectus, each reference in this Base Prospectus to information being specified or identified in the relevant Final Terms shall be read and construed as a reference to such information being specified or identified in the relevant Pricing Supplement (in the case of Exempt Notes) or Drawdown Prospectus unless the context requires otherwise. This Base Prospectus must be read and construed together with any amendments or supplements hereto and with any information incorporated by reference herein and, in relation to any Tranche of Notes which is the subject of Final Terms, must be read and construed together with the relevant Final Terms.

The Issuer has confirmed to the Dealers named under "*Subscription and Sale*" below that this Base Prospectus contains all information which is (in the context of the Programme, the issue, offering and sale of the Notes) material; that such information is true and accurate in all material respects and is not misleading in any material respect; that any opinions, predictions or intentions expressed herein are honestly held or made and are not misleading in any material respect; that this Base Prospectus does not omit to state any material fact necessary to make such information, opinions, predictions or intentions (in the context of the Programme, the issue, offering and sale of the Notes) not misleading in any material respect; and that all proper enquiries have been made to verify the foregoing.

The Issuer confirms that any information in this Base Prospectus from third-party sources has been accurately reproduced and that, so far as it is aware and is able to ascertain from information published by such third-party source, no facts have been omitted which would render the reproduced information inaccurate or misleading.

No person has been authorised to give any information or to make any representation not contained in or not consistent with this Base Prospectus or any other document entered into in relation to the Programme or any information supplied by the Issuer, or such other information as is in the public domain and, if given or made, such information or representation should not be relied upon as having been authorised by any of the Issuer, the Trustee or any Dealer.

None of the Trustee, the Dealers nor any of their respective affiliates have authorised the whole or any part of this Base Prospectus and none of them makes any representation or warranty or accepts any responsibility as to the accuracy or completeness of the information contained in this Base Prospectus. Neither the delivery of this Base Prospectus or any Final Terms nor the offering, sale or delivery of any Note shall, in any circumstances, create any implication that the information contained in this Base Prospectus is true subsequent to the date hereof or the date upon which this Base Prospectus has been most recently amended or supplemented or that there has been no adverse change, or any event reasonably likely to involve any adverse change, in the prospects or financial performance or financial position of the Issuer since the date thereof or, if later, the date upon which this Base Prospectus has been most recently amended or supplemented or that any other information supplied in connection with the Programme is correct at any

time subsequent to the date on which it is supplied or, if different, the date indicated in the document containing the same.

The distribution of this Base Prospectus and any Final Terms and the offering, sale and delivery of the Notes in certain jurisdictions may be restricted by law. Persons into whose possession this Base Prospectus or any Final Terms comes are required by the Issuer and the Dealers to inform themselves about and to observe any such restrictions. For a description of certain restrictions on offers, sales and deliveries of Notes and on the distribution of this Base Prospectus or any Final Terms and other offering material relating to the Notes, see "*Subscription and Sale*" and "*Transfer Restrictions*".

In particular, the Notes have not been, nor will they be, registered under the Securities Act or with any securities regulatory authority of any state or other jurisdiction of the United States, and Notes in bearer form are subject to U.S. tax law requirements. The Notes may not be offered, sold or (in the case of Notes in bearer form) delivered within the United States or to, or for the account or benefit of, U.S. persons (as defined in Regulation S) except in certain transactions exempt from the registration requirements of the Securities Act.

The Notes may be offered and sold in bearer form or registered form outside the United States to non-U.S. persons in reliance on Regulation S. For a description of these and certain further restrictions on offers, sales and transfers of Notes, see "*Subscription and Sale*" and "*Transfer Restrictions*".

NEITHER THE PROGRAMME NOR THE NOTES HAVE BEEN APPROVED OR DISAPPROVED BY THE U.S. SECURITIES AND EXCHANGE COMMISSION (THE "SEC"), ANY STATE SECURITIES COMMISSION IN THE UNITED STATES OR ANY OTHER U.S. REGULATORY AUTHORITY, NOR HAS ANY OF THE FOREGOING AUTHORITIES PASSED UPON OR ENDORSED THE MERITS OF ANY OFFERING OF NOTES OR THE ACCURACY OR ADEQUACY OF THIS BASE PROSPECTUS. ANY REPRESENTATION TO THE CONTRARY IS A CRIMINAL OFFENCE IN THE UNITED STATES.

IMPORTANT – EEA RETAIL INVESTORS - If the Final Terms (as defined below) in respect of any Notes includes a legend entitled "Prohibition of Sales to EEA Retail Investors", the Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the EEA. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, "**EU MiFID II**"); or (ii) a customer within the meaning of Directive (EU) 2016/97, as amended or superseded, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of EU MiFID II. Consequently, no key information document required by Regulation (EU) No. 1286/2014 (as amended, the "**EU PRIIPs Regulation**") for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the EU PRIIPs Regulation.

IMPORTANT – UK RETAIL INVESTORS - If the Final Terms (as defined below) in respect of any Notes includes a legend entitled "Prohibition of Sales to UK Retail Investors", the Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the UK. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of domestic law in the UK by virtue of the EUWA; or (ii) a customer within the meaning of the provisions of the Financial Services and Markets Act 2000, as amended ("**FSMA**") and any rules or regulations made under the FSMA to implement Directive (EU) 2016/97, where that customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of domestic law in the UK by virtue of the EUWA. Consequently, no key information document required by Regulation (EU) No. 1286/2014 as it forms part of domestic law in the UK by virtue of the EUWA (the "**UK PRIIPs Regulation**") for offering or selling the Notes or otherwise making them available to retail investors in the UK has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the UK may be unlawful under the UK PRIIPs Regulation.

EU MiFID II PRODUCT GOVERNANCE / TARGET MARKET – The Final Terms (as defined below) in respect of any Notes may include a legend entitled "EU MiFID II Product Governance" which will outline the target market assessment in respect of the Notes and which channels for distribution of the Notes are

appropriate. Any person subsequently offering, selling or recommending the Notes (a "**distributor**") should take into consideration the target market assessment; however, a distributor subject to EU MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the target market assessment) and determining appropriate distribution channels.

A determination will be made in relation to each issue of Notes about whether, for the purpose of the MiFID Product Governance rules under EU Delegated Directive 2017/593 (the "**EU MiFID Product Governance Rules**"), any Dealer subscribing for any Notes is a manufacturer in respect of such Notes, but otherwise neither the Arranger nor the Dealers nor any of their respective affiliates will be a manufacturer for the purpose of the EU MiFID Product Governance Rules.

UK MiFIR PRODUCT GOVERNANCE / TARGET MARKET – The Final Terms (as defined below) in respect of any Notes may include a legend entitled "**UK MiFIR Product Governance**" which will outline the target market assessment in respect of the Notes and which channels for distribution of the Notes are appropriate. Any distributor should take into consideration the target market assessment; however, a distributor subject to UK MiFIR is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the target market assessment) and determining appropriate distribution channels.

A determination will be made in relation to each issue about whether, for the purpose of the UK MiFIR product governance rules set out in the FCA Handbook Product Intervention and Product Governance Sourcebook (the "**UK MiFIR Product Governance Rules**"), any Dealer subscribing for any Notes is a manufacturer in respect of such Notes, but otherwise neither the Arranger nor the Dealers nor any of their respective affiliates will be a manufacturer for the purpose of the UK MiFIR Product Governance Rules.

UK BENCHMARKS REGULATION – Interest and/or other amounts payable under the Notes may be calculated by reference to certain reference rates. Any such reference rates may constitute a benchmark for the purposes of Regulation (EU) 2016/1011 as it forms part of domestic law of the UK by virtue of the EUWA (the "**UK Benchmarks Regulation**"). If any such reference rate does constitute such a benchmark, the Final Terms will indicate whether or not the benchmark is provided by an administrator included in the register of administrators and benchmarks established and maintained by FCA pursuant to Article 36 of the UK Benchmarks Regulation. The registration status of any administrator under the UK Benchmarks Regulation is a matter of public record and, save where required by applicable law, the Issuer does not intend to update the Final Terms to reflect any change in the registration status of the administrator. Neither this Base Prospectus nor any Final Terms constitutes an offer or an invitation to subscribe for or purchase any Notes and should not be considered as a recommendation by the Issuer, the Trustee, the Dealers or any of them that any recipient of this Base Prospectus or any Final Terms should subscribe for or purchase any Notes. Each recipient of this Base Prospectus or any Final Terms shall be taken to have made its own investigation and appraisal of the condition (financial or otherwise) of the Issuer.

PRODUCT CLASSIFICATION PURSUANT TO SECTION 309B OF THE SECURITIES AND FUTURES ACT 2001 OF SINGAPORE

The Final Terms in respect of any Notes may include a legend entitled "Singapore Securities and Futures Act Product Classification" which will state the product classification of the Notes pursuant to section 309B(1) of the Securities and Futures Act 2001 of Singapore, as modified or amended from time to time (the "**SFA**"). If applicable, the Issuer will make a determination in relation to each issue about the classification of the Notes being offered for the purposes of section 309B(1)(a). Any such legend included on the relevant Final Terms will constitute notice to "relevant persons" for the purposes of section 309B(1)(c) of the SFA.

The maximum aggregate principal amount of Notes outstanding at any one time under the Programme will not exceed £6,000,000,000 (and for this purpose, any Notes denominated in another currency shall be translated into Sterling at the date of the agreement to issue such Notes (calculated in accordance with the provisions of the Dealer Agreement)). The maximum aggregate principal amount of Notes which may be outstanding at any one time under the Programme may be increased from time to time, subject to compliance with the relevant provisions of the Dealer Agreement as defined under "Subscription and Sale".

In this Base Prospectus, unless otherwise specified, references to a "**Member State**" are references to a Member State of the European Economic Area, references to "**U.S.\$**", "**U.S. dollars**" or "**dollars**" are to United States dollars, references to "**Euro**", "**euro**", "**EUR**" or "**€**" are to the currency introduced at the start

of the third stage of European economic and monetary union, and as defined in Article 2 of Council Regulation (EC) No 974/98 of 3 May 1998 on the introduction of the Euro as amended, and references to "Sterling", or "£" are to pounds sterling.

Certain figures included in this Base Prospectus have been subject to rounding adjustments; accordingly, figures shown for the same category presented in different tables may vary slightly and figures shown as totals in certain tables may not be an arithmetic aggregation of the figures which precede them.

This Base Prospectus has been prepared on the basis that any offer of Notes in the United Kingdom will be made pursuant to an exemption under the UK Prospectus Regulation from the requirement to publish a prospectus for offers of Notes. Accordingly any person making or intending to make an offer in the UK of Notes which are the subject of an offering contemplated in this Base Prospectus as completed by Final Terms, a Pricing Supplement (in the case of Exempt Notes) or a Drawdown Prospectus in relation to the offer of those Notes may only do so in circumstances in which no obligation arises for the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the UK Prospectus Regulation or supplement a prospectus pursuant to Article 23 of the UK Prospectus Regulation, in each case, in relation to such offer. Neither the Issuer nor any Dealer have authorised, nor do they authorise, the making of any offer of Notes in circumstances in which an obligation arises for the Issuer or any Dealer to publish or supplement a prospectus for such offer.

The Notes may not be a suitable investment for all investors. *Each potential investor in the Notes must make its own assessment as to the suitability of that investment in light of its own circumstances. In particular, each potential investor should:*

- (i) have sufficient knowledge and experience to make a meaningful evaluation of the Notes, the merits and risks of investing in the Notes and the information contained or incorporated by reference in this Base Prospectus or any applicable supplement;
- (ii) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Notes and the impact the Notes will have on its overall investment portfolio;
- (iii) have sufficient financial resources and liquidity to bear all of the risks of an investment in the Notes, including Notes with principal or interest payable in one or more currencies, or where the currency for principal or interest payments is different from the potential investor's currency;
- (iv) understand thoroughly the terms of the Notes and be familiar with the behaviour of any relevant indices and financial markets; and
- (v) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Some Notes are complex financial instruments. Sophisticated institutional investors generally do not purchase complex financial instruments as stand-alone investments. They purchase complex financial instruments as a way to reduce risk or enhance yield with an understood, measured, appropriate addition of risk to their overall portfolios. A potential investor should not invest in Notes which are complex financial instruments unless it has the expertise (either alone or with a financial adviser) to evaluate how the Notes will perform under changing conditions, the resulting effects on the value of the Notes and the impact this investment will have on the potential investor's overall investment portfolio.

In connection with the issue of any Tranche of Notes, the Dealer or Dealers (if any) named as the Stabilisation Manager(s) (or persons acting on behalf of any Stabilisation Manager(s)) may over allot Notes or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail. However, stabilisation may not necessarily occur. Any stabilisation action may begin on or after the date on which adequate public disclosure of the terms of the offer of the relevant Tranche of Notes is made and, if begun, may cease at any time, but it must end no later than the earlier of 30 days after the issue date of the relevant Tranche of Notes and 60 days after the date of the allotment of the relevant Tranche of Notes. Any stabilisation action or over-allotment must be conducted by the Stabilisation Manager(s) (or persons acting on behalf of the Stabilisation Manager(s)) in accordance with all applicable laws and rules.

FORWARD-LOOKING STATEMENTS

This Base Prospectus contains certain forward-looking statements. The words "anticipate", "believe", "expect", "plan", "intend", "targets", "aims", "estimate", "project", "will", "would", "may", "could", "continue" and similar expressions are intended to identify forward-looking statements. All statements other than statements of historical fact included in this Base Prospectus, including, without limitation, those regarding the financial position, business strategy, management plans and objectives for future operations of the Issuer are forward looking statements. These forward-looking statements involve known and unknown risks, uncertainties and other factors, which may cause the Issuer's actual results, performance or achievements, or industry results, to be materially different from those expressed or implied by these forward-looking statements. These forward-looking statements are based on numerous assumptions regarding the Issuer's present and future business strategies and the environment in which it expects to operate in the future.

Any forward-looking statements made by or on behalf of the Issuer speak only as at the date they are made. The Issuer does not undertake to update forward-looking statements to reflect any changes in its expectations with regard thereto or any changes in events, conditions or circumstances on which any such statement is based.

RISK FACTORS

The Issuer believes that the following factors may affect its ability to fulfil its obligations under Notes issued under the Programme which may in turn result in investors losing the value of their investment.

In addition, factors which are material for the purpose of assessing the market risks associated with Notes issued under the Programme are also described below.

The Issuer believes that the factors described below represent the principal risks inherent in investing in Notes issued under the Programme, but the inability of the Issuer to pay interest, principal or other amounts on or in connection with any Notes may occur for other reasons and the Issuer does not represent that the statements below regarding the risks of holding any Notes are exhaustive. Prospective investors should also read the detailed information set out elsewhere in this Base Prospectus (including any documents incorporated by reference herein) and reach their own views prior to making any investment decision.

Words and expressions defined in the "Terms and Conditions of the Notes" below or elsewhere in this Base Prospectus have the same meanings in this section.

Risks Related to the Issuer

Climate Change

The impact of climate change on the environment may lead to issues around food sourcing and security, and supply chain continuity in some of the Group's markets. Issues in these areas could affect the availability of some food products, and potentially may lead to food cost inflation. Failure to address the impact of climate change or prepare for the operational impact of climate change related events could have an adverse effect on the Group's business, financial condition, operations and the results of operations.

Health and Safety

Food Safety

The Group's businesses feed millions of consumers every day. For that reason, setting the highest standards for food hygiene and safety is paramount. Safety breaches could cause serious business interruption and could result in criminal and/or civil prosecution, increased costs and potential damage to the Group's reputation and adversely affect the Group's business, financial condition, operations and the results of operations.

Occupational Safety

The Group's businesses employ hundreds of thousands of people globally. Ensuring the safety of its employees, consumers, and suppliers is the Group's top priority. Failure to comply with workplace safety standards can result in injuries to employees, clients and consumers, or other third parties, potentially causing operational disruptions and adverse financial, legal, and reputational consequences to the Group.

Pandemic

The Group's operations were significantly disrupted due to the global COVID-19 pandemic and associated containment measures. The Group recovered well and learned from the pandemic, and this risk is now diminished. However, outbreaks of another pandemic, could cause further business risk and may adversely affect the Group's business, financial condition, operations and the results of operations.

Personnel and clients

Talent

Attracting, retaining and motivating the best people with the right skills, at all levels of the organisation, is key to the long-term success of the Group. Changes to economic conditions may increase the risk of attrition at all levels of the organisation. The Group's business, financial condition, operations and the results of operations may be adversely affected if the Group's businesses are not able to attract, retain and motivate suitable personnel with the right skills, at all levels of the organisation.

Sales and Retention

The Group's growth ambitions rely on sustainably driving positive net new business through securing and retaining a diverse range of clients. The Group's businesses contract with a large number of clients. Failure to comply with the terms of these contracts, including proper delivery of services, could lead to the loss of business and/or claims. The potential loss of material client contracts and the inability to secure additional new contracts in a competitive market is a risk to the Group's businesses. The emergence of new industry participants and traditional competition using disruptive technology could adversely affect the Group's businesses. A failure to manage any one of these risks may adversely affect the Group's business, financial condition and operational results.

Economic and Political Environment

Geopolitical

The conflict in the Middle East and the ongoing Russia-Ukraine war have increased geopolitical risks, heightened national security threats in those regions, and disrupted the global energy market. These factors contribute to risks such as economic volatility including cost inflation and cybersecurity threats. A deterioration in any of these areas may have an adverse impact on the Group's business, financial condition, operations and the results of operations.

Economic Volatility

Certain sectors of the Group's businesses could be susceptible to negative shifts in the economy and employment rates. Whilst the Group has strategically exited a number of countries with high economic volatility, the recent global market instability has increased the potential risks of economic volatility in the Group's primary markets. Failure to manage economic volatility could adversely impact the Group's business, financial condition and results of operations.

Business Ethics and Integrity

Ineffective compliance management systems, lack of an embedded business integrity culture or serious violation of the Group's policies, relevant laws, or regulations (including but not limited to anti-bribery and corruption, anti-competitive behaviour, fraud, money laundering, tax evasion, trade and economic sanctions, human rights and modern slavery, and data protection), could result in civil and/or criminal proceedings leading to significant fines, sanctions, financial loss and reputational harm to the Group.

Regulatory expectations and new laws in these areas are being introduced in certain countries and regions, with a heightened focus on corporate enforcement, accountability and supply chain resilience. A failure to manage any of these risks could adversely impact the Group's business, financial condition, operations and the results of operations.

Cybersecurity and Data Privacy

The digital world creates increasing risk for global businesses including, but not limited to, technology failures, loss of confidential data, data privacy breaches and damage to brand reputation through, for example, the increased threat of cyber-attacks, and use and instantaneous nature of social media. Disruption caused by the failure of key software applications, security controls, or underlying infrastructure, or disruption caused by cyber-attacks could impact day-to-day operations and management decision-making or result in a regulatory fine or other sanction and/or third-party claims. The incidence of sophisticated phishing and malware attacks (including ransomware) on businesses is rising with an increase in the number of companies suffering operational disruption, unauthorised access to and/or loss of data, including confidential, commercial, and personal identifiable data.

A combination of geopolitical instability and accessibility of sophisticated AI enabled tools and techniques have contributed to an increase in the risk of phishing and malware attacks including ransomware across all industries. The democratisation of generative AI has given widespread access to powerful online AI services for content creation. This opportunity presents several risks including to data privacy and confidentiality.

The occurrence of any such events may have an adverse effect on the Group's reputation, business, financial condition, operations and the results of operations.

Financial Management Risks

Credit Risk

At any one point in time the Group will hold a significant level of trade receivables and is therefore exposed to the risk that it may not be able to collect the full value of its trade receivables if the creditworthiness of its individual clients was to deteriorate. The Group's overall credit risk is limited as a result of the diverse and unrelated nature of its client base. However, an economic downturn could affect the solvency of clients and adversely affect the Group's business, financial condition and the results of operations.

Currency Fluctuations

The Group's subsidiaries and associated companies operate in a number of countries and will generally buy and sell goods and services in their local currencies. However, on consolidation the local currency results and closing balance sheets will be translated into US dollars, which, from 1 October 2023, is the Issuer's reporting currency. Prior to this date the Issuer's reporting currency was Sterling. The Issuer is only partially protected from the impact of exchange rate fluctuations through the matching of cash flows to currency borrowings. The Issuer's consolidated financial statements will therefore be affected (either positively or negatively) by fluctuations in the currencies of its underlying businesses.

While the Issuer implements currency hedging policies, the US dollar value of both its net debt and operating profits may fluctuate as exchange rates vary.

Liquidity Risk

The Group raises finance in both the public markets and the US private placement market and therefore depends on access to investors in these capital markets. The Group also uses committed and uncommitted bank loans, other lines of credit and commercial paper to cover its liquidity needs. Global events have, from time to time, resulted in the closure of the debt capital markets and a reduced capacity within the bank and private placement market to provide credit lines or loans. Whilst the Group has successfully raised funds in the equity markets in the past and would expect to be able to do so again, there can be no assurance that it will be able to continue to do so.

Reduced appetite for the Group's debt instruments in such markets could limit the ability of the Group to fund operations and therefore adversely affect the Group's business and financial condition.

Interest Rate Risk

The Group's debt service costs are subject to variations in the underlying interest rates. Central banks including the Federal Reserve in the US, the Bank of England and the European Central Bank continue to take steps to manage interest rates and inflation. In order to mitigate the impact of interest rate fluctuation, the Issuer's policy is to fix the interest rates on its principal debt currencies so that, in the short term, it is not materially exposed to changes in interest rates. Sustained long-term increases in interest rates could adversely affect the financial condition and operating results of the Issuer.

Reliance upon dividend and interest income and/or loans in order to satisfy payment obligations under the Notes.

The Issuer is a non-trading investment holding company and is the parent company of the Group. As a result, the assets of the Issuer consist principally of its shareholdings in and loans to other companies in the Group. The ability of the Issuer to satisfy payment obligations under the Notes is dependent upon its receipt of dividend and interest payments from other members of the Group. In circumstances where one or more of the risks referred to herein arises and adversely affects the business, financial condition, operations or operational results of any member of the Group there may in turn be an adverse effect on the ability of that member of the Group to make dividend and/or interest payments to the Issuer, so as to enable the Issuer to satisfy its payment obligations under the Notes.

Acquisitions and Investments

The Group may acquire businesses and it makes capital investments. Difficulties in integrating acquired businesses, or realising the expected synergies or benefits of capital investment, may have an adverse effect on the Group's business, financial condition, operations and results of operations.

Factors which are Material for the Purpose of Assessing the Market Risks Associated with Notes Issued under the Programme

Notes subject to optional redemption by the Issuer

An optional redemption feature of Notes is likely to limit their market value. During any period when the Issuer may elect to redeem Notes, the market value of those Notes generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period.

The Issuer may be expected to redeem Notes when its cost of borrowing is lower than the interest rate on the Notes. At those times, an investor generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Notes being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

Notes issued at a substantial discount or premium

The market values of securities issued at a substantial discount or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining terms of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

Modification, and waivers and substitution

The Conditions contain provisions for calling meetings (including by way of conference call using an audio or video conference platform) of Noteholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Noteholders including Noteholders who did not attend and vote at the relevant meeting and Noteholders who voted in a manner contrary to the majority.

The Conditions and the Trust Deed also provide that the Trustee may, without the consent of Noteholders, agree to (i) any modification of, or to the waiver or authorisation of any breach or proposed breach of, any of the provisions of Notes or (ii) determine without the consent of the Noteholders that any Event of Default or potential Event of Default shall not be treated as such or (iii) the substitution of another company as principal debtor under any Notes in place of the Issuer, in the circumstances described in Condition 17 (*Meeting of Noteholders; Modification and Waiver; Substitution*) of the Conditions.

Change of law

The conditions of the Notes are based on English law in effect as at the date of this Base Prospectus. No assurance can be given as to the impact of any possible judicial decision or change of law or administrative practice after the date of this Base Prospectus.

Notes where denominations involve integral multiples: definitive Notes

In relation to any issue of Notes which have denominations consisting of a minimum Specified Denomination plus one or more higher integral multiples of another smaller amount, it is possible that such Notes may be traded in amounts that are not integral multiples of such minimum Specified Denomination. In such a case a holder who, as a result of trading such amounts, holds an amount which is less than the minimum Specified Denomination in his account with the relevant clearing system at the relevant time may not receive a definitive Note in respect of such holding (should definitive Notes be printed) and would need to purchase a principal amount of Notes such that its holding amounts to a Specified Denomination.

If definitive Notes are issued, holders should be aware that definitive Notes which have a denomination that is not an integral multiple of the minimum Specified Denomination may be illiquid and difficult to trade.

The value of and return on any Notes linked to a benchmark may be adversely affected by ongoing national and international regulatory reform in relation to benchmarks

The Euro Interbank Offered Rate ("**EURIBOR**") and other interest rates or other types of rates and indices which are deemed to be benchmarks have been subject to significant regulatory scrutiny and legislative intervention in recent years. This relates not only to creation and administration of benchmarks, but, also,

to the use of a benchmark rate. In the EU, for example, Regulation (EU) No. 2016/1011 (as amended, the "**EU Benchmarks Regulation**") applies to the provision of, contribution of input data to, and the use of, a benchmark within the EU, subject to certain transitional provisions. Similarly, the UK Benchmarks Regulation applies to the provision of, contribution of input data to, and the use of, a benchmark within the UK, subject to certain transitional provisions.

Legislation such as the EU Benchmarks Regulation or the UK Benchmarks Regulation, if applicable, could have a material impact on any Notes linked to EURIBOR or another benchmark rate or index – for example, if the methodology or other terms of the benchmark are changed in the future in order to comply with the terms of the EU Benchmarks Regulation or UK Benchmarks Regulation or other similar legislation, or if a critical benchmark is discontinued or is determined to be "no longer representative". Such factors could (amongst other things) have the effect of reducing or increasing the rate or level or may affect the volatility of the published rate or level of the benchmark. They may also have the effect of discouraging market participants from continuing to administer or contribute to certain "benchmarks", trigger changes in the rules or methodologies used in certain "benchmarks", or lead to the discontinuance or unavailability of quotes of certain "benchmarks".

Although EURIBOR has been reformed in order to comply with the terms of the EU Benchmarks Regulation, it remains uncertain as to how long it will continue in its current form, or whether it will be further reformed or replaced with the Euro Short Term Rate ("**€STR**") or an alternative benchmark.

The elimination of EURIBOR or any other benchmark, or changes in the manner of administration of any benchmark, could require or result in an adjustment to the interest calculation provisions of the Conditions (as further described in Condition 7(l) (*Benchmark Discontinuation*)), or result in adverse consequences to holders of any Notes linked to such benchmark (including Floating Rate Notes whose interest rates are linked to EURIBOR or any other such benchmark that is subject to reform). Furthermore, even prior to the implementation of any changes, uncertainty as to the nature of alternative reference rates and as to potential changes to such benchmark may adversely affect such benchmark during the term of the relevant Notes, the return on the relevant Notes and the trading market for securities (including the Notes) based on the same benchmark.

The Conditions provide for certain fallback arrangements in the event that a published benchmark, such as EURIBOR, (including any page on which such benchmark may be published (or any other successor service)) becomes unavailable or a Benchmark Event (as defined in the Conditions) otherwise occurs. Such an event may be deemed to have occurred prior to the issue date for a Series of Notes. Such fallback arrangements include the possibility that the rate of interest could be set by reference to a successor rate or an alternative rate and that such successor rate or alternative reference rate may be adjusted (if required) in accordance with the recommendation of a relevant governmental body or in order to reduce or eliminate, to the extent reasonably practicable in the circumstances, any economic prejudice or benefit (as applicable) to investors arising out of the replacement of the relevant benchmark, although the application of such adjustments to the Notes may not achieve this objective. Any such changes may result in the Notes performing differently (which may include payment of a lower interest rate) than if the original benchmark continued to apply. In certain circumstances the ultimate fallback of interest for a particular Interest Period may result in the rate of interest for the last preceding Interest Period being used.

This may result in the effective application of a fixed rate for Floating Rate Notes based on the rate which was last observed on the Relevant Screen Page. In addition, due to the uncertainty concerning the availability of successor rates and alternative reference rates and the involvement of an Independent Adviser (as defined in the Conditions) in certain circumstances, the relevant fallback provisions may not operate as intended at the relevant time.

Any such consequences could have a material adverse effect on the trading market for, liquidity of, value of and return on any such Notes. Moreover, any of the above matters or any other significant change to the setting or existence of any relevant reference rate could result in no benchmarks being published or available which could affect the ability of the Issuer to meet its obligations under the Floating Rate Notes.

Investors should consult their own independent advisers and make their own assessment about the potential risks arising from the possible cessation or reform of certain reference rates in making any investment decision with respect to any Notes linked to or referencing a benchmark.

The market continues to develop in relation to risk-free rates (including overnight rates) as reference rates for Floating Rate Notes

"Risk-free" rates, such as the Sterling Overnight Index Average ("**SONIA**"), as reference rates for Eurobonds have become more commonly used as benchmark rates for bonds in recent years. Most of the rates are backwards-looking, but the methodologies to calculate the risk-free rates are not uniform. Such different methodologies may result in slightly different interest amounts being determined in respect of otherwise similar securities.

The Issuer may in the future also issue Notes referencing SONIA or the SONIA Compounded Index that differ materially in terms of interest determination when compared with any previous Notes issued by it under this Programme. Such variations could result in reduced liquidity or increased volatility or might otherwise affect the market price of any Notes that reference a risk-free rate issued under this Programme from time to time.

In addition, investors should consider how any mismatch between applicable conventions for the use of reference rates in the bond, loan and derivatives markets may impact any hedging or other financial arrangements which they may put in place in connection with any acquisition, holding or disposal of Notes referencing such risk-free rates.

Investors should consider these matters when making their investment decision with respect to any Notes which reference SONIA.

SONIA differs from interbank offered rates in a number of material respects and has a limited history

SONIA differs from interbank offered rates in a number of material respects, including that SONIA is a backward-looking, risk-free overnight rate, whereas interbank offered rates are expressed on the basis of a forward-looking term and include a risk-element based on inter-bank lending. As such, investors should be aware that SONIA may behave materially differently to interbank offered rates as interest reference rates for the Notes.

The future performance of SONIA may be difficult to predict based on the limited historical performance. The level of SONIA during the term of the Notes may bear little or no relation to the historical level of SONIA. Prior observed patterns, if any, in the behaviour of market variables and their relation to SONIA such as correlations, may change in the future. Investors should not rely on historical performance data as an indicator of the future performance of SONIA nor should they rely on any hypothetical data.

Furthermore, the Rate of Interest (as defined in the Conditions) is only capable of being determined immediately prior to the relevant Interest Payment Date. It may be difficult for Noteholders to estimate reliably the amount of interest which will be payable on the Notes, and some investors may be unable or unwilling to trade such Notes without changes to their IT systems, both of which factors could adversely impact the liquidity of the Notes. Further, if the Notes become due and payable, or are otherwise redeemed early on a date which is not an Interest Payment Date, the final Rate of Interest payable in respect of the Notes shall be determined by reference to a shortened period ending immediately prior to the date on which the Notes become due and payable.

The administrator of SONIA may make changes that could change the value of SONIA or discontinue SONIA

Newer reference rates or any related indices and rates that fall outside the scope of the EU Benchmarks Regulation and UK Benchmarks Regulation may also be subject to changes or discontinuation. For example, the Bank of England (or their successors) as administrators of SONIA (and the SONIA Compounded Index) may make methodological or other changes that could change the value of these risk-free rates and/or indices, including changes related to the method by which such risk-free rate is calculated, eligibility criteria applicable to the transactions used to calculate SONIA or timing related to the publication of SONIA. In addition, the administrator may alter, discontinue or suspend calculation or dissemination of SONIA (in which case a fallback method of determining the interest rate on the Notes will apply). The administrator has no obligation to consider the interests of Noteholders when calculating, adjusting, converting, revising or discontinuing any such risk-free rate.

Exchange rate risks and exchange controls

The Issuer will pay principal and interest on the Notes in the Specified Currency. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the "**Investor's Currency**") other than the Specified Currency. These include the risk that exchange rates may significantly change (including changes due to devaluation of the Specified Currency or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the Specified Currency would decrease (1) the Investor's Currency-equivalent yield on the Notes, (2) the Investor's Currency equivalent value of the principal payable on the Notes and (3) the Investor's Currency equivalent market value of the Notes.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate. As a result, investors may receive less interest or principal than expected, or no interest or principal.

Interest rate risks

Investment in Fixed Rate Notes involves the risk that subsequent changes in market interest rates may adversely affect the value of the Fixed Rate Notes.

Credit ratings may not reflect all risks

One or more independent credit rating agencies may assign credit ratings to the Notes. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Notes. A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time.

In respect of any Notes issued with a specific use of proceeds, such as a Sustainable Bond, there can be no assurance that such use of proceeds will be suitable for the investment criteria of an investor

The Final Terms relating to any specific Tranche of Notes may provide that it will be the Issuer's intention to apply an amount equal to the net proceeds from an offer of those Notes specifically for projects and activities that promote green and/or social and/or sustainable purposes (either in those words or otherwise) ("**Sustainable Projects**") (such Notes, referred to herein as Sustainable Bonds (as defined in "*Use of Proceeds*")). Prospective investors should have regard to the information in the relevant Final Terms regarding such use of proceeds and must determine for themselves the relevance of such information for the purpose of any investment in such Notes together with any other investigation such investor deems necessary. In particular no assurance is given by the Issuer, the Dealers or any other person that the use of such proceeds for any Sustainable Projects will satisfy, whether in whole or in part, any present or future investor expectations or requirements as regards any investment criteria or guidelines with which such investor or its investments are required to comply, whether by any present or future applicable law or regulations or by its own by-laws or other governing rules or investment portfolio mandates (in particular with regard to any direct or indirect environmental, sustainability or social impact of any projects or uses, the subject of or related to, the relevant Sustainable Project).

No assurance is or can be given to investors by the Issuer, the Dealers or any other person that any projects or uses the subject of, or related to, any Sustainable Projects will meet any or all investor expectations regarding such "green", "social", "sustainable" or other equivalently labelled performance objectives specified or recommended by legislation or any market standards or guidance, or any requirements of such labels or market standards as they may evolve from time to time or that any adverse environmental, social and/or other impacts will not occur during the implementation of any projects or uses the subject of, or related to, any Sustainable Projects.

It is not clear if the establishment under the Regulation (EU) 2023/2631 (the "**EU Green Bond Regulation**") of the EuGB label and the optional disclosure templates for bonds marketed as "environmentally sustainable" could have an impact on investor demand for, pricing and liquidity of, green/social/sustainable use of proceeds bonds that do not comply with the EU Green Bond Regulation such as the Notes issued under this Programme.

No assurance or representation is given by the Issuer, the Dealers or any other person as to the suitability or reliability for any purpose whatsoever of any opinion, review, certification or report of any third-party (including any pre- or post-issuance reports prepared by an external reviewer) (whether or not solicited by the Issuer) which may be made available in connection with the issue of any Notes and in particular also with any Sustainable Projects to fulfil any green, environmental, sustainability, social and/or other criteria. For the avoidance of doubt, any such opinion, review, certification or report (including the Second Party Opinion (as defined in “*Use of Proceeds*” below)) is not, nor shall be deemed to be, incorporated in and/or form part of this Base Prospectus. Any such opinion, review, certification or report is not, nor should be deemed to be, a recommendation by the Issuer, the Dealers or any other person to buy, sell or hold any such Notes. Any such opinion, review, certification or report is only current as of the date that such opinion, review, certification or report was initially issued. The criteria and/or considerations that formed the basis of such opinion, review, certification or report may change at any time and such opinions, reviews, certifications or reports may be amended, updated, supplemented, replaced and/or withdrawn.

Whilst the EU Green Bond Regulation will introduce a supervisory regime of external reviewers of European Green Bonds this is not due to take full effect until 21 June 2026 and would not apply to external reviewers in respect of an issue of Notes under this Programme. Prospective investors must determine for themselves the relevance of any opinion, review, certification or report and/or the information contained therein and/or the provider of such opinion, review, certification or report for the purpose of any investment in such Notes. Currently, the providers of opinion, review, certification or report are not subject to any specific regulatory or other regime or oversight.

In the event that any such Notes are listed or admitted to trading on any dedicated "green", "social", "sustainable" or other equivalently-labelled segment of any stock exchange or securities market (whether or not regulated), no representation or assurance is given by the Issuer, the Dealers or any other person that such listing or admission satisfies, whether in whole or in part, any present or future investor expectations or requirements as regards any investment criteria or guidelines with which such investor or its investments are required to comply, whether by any present or future applicable law or regulations or by its own by-laws or other governing rules or investment portfolio mandates, in particular with regard to any direct or indirect green, environmental, sustainability or social impact of any projects or uses, the subject of or related to, any Sustainable Projects. Furthermore, it should be noted that the criteria for any such listings or admission to trading may vary from one stock exchange or securities market to another. Nor is any representation or assurance given or made by the Issuer, the Dealers or any other person that any such listing or admission to trading will be obtained in respect of any such Notes or, if obtained, that any such listing or admission to trading will be maintained during the life of the Notes.

While it is the intention of the Issuer to allocate an amount equal to the net proceeds of any Notes issued as Sustainable Bonds to Sustainable Projects in, or substantially in, the manner described in the relevant Final Terms, there is no contractual obligation to do so. There can be no assurance that the relevant intended project(s) or use(s) the subject of, or related to, any Sustainable Projects will be capable of being implemented in, or substantially in, such manner and/or in accordance with any timing schedule and that accordingly an amount equal to the net proceeds of the issue of such Sustainable Bonds will be totally disbursed for the specified Sustainable Projects. Nor can there be any assurance that such Sustainable Projects will be completed within any specified period or at all or with the results or outcome (whether or not related to the environment) as originally expected or anticipated by the Issuer.

None of a failure by the Issuer to allocate an amount equal to the net proceeds of any Notes issued as Sustainable Bonds or a failure of a third party to issue (or to withdraw) an opinion, review, certification or report in connection with an issue of Sustainable Bonds or the failure of the Notes issued as Sustainable Bonds to meet investors' expectations requirements regarding any "green", "sustainable", "social" or similar labels will constitute an Event of Default or breach of contract with respect to any of the Notes issued as Sustainable Bonds.

Any such event or failure to apply an amount equal to the net proceeds of any issue of Notes for any Sustainable Projects as aforesaid and/or withdrawal of any such opinion, review, certification or report or any such opinion, review, certification or report attesting that the Issuer is not complying in whole or in part with any matters for which such opinion, review, certification or report is commenting on and/or any such Notes no longer being listed or admitted to trading on any stock exchange or securities market as aforesaid may have a material adverse effect on the value of such Notes and also potentially the value of any other Notes which are intended to finance Sustainable Projects and/or result in adverse consequences for certain investors with portfolio mandates to invest in securities to be used for a particular purpose.

Investors should carefully consider these matters when making their investment decision with respect to any such Notes.

FINAL TERMS, PRICING SUPPLEMENT AND DRAWDOWN PROSPECTUSES

In this section the expression "necessary information" means, in relation to any Tranche of Notes, the necessary information which is material to an investor for making an informed assessment of the assets and liabilities, financial position, profits and losses and prospects of the Issuer and of the rights attaching to the Notes and the reasons for the issuance and its impact on the Issuer. In relation to the different types of Notes which may be issued under the Programme, the Issuer has endeavoured to include in this Base Prospectus all of the necessary information except for information relating to the Notes which is not known at the date of this Base Prospectus and which can only be determined at the time of an individual issue of a Tranche of Notes.

Any information relating to the Notes which is not included in this Base Prospectus, and which is required in order to complete the necessary information in relation to a Tranche of Notes will be contained either in the relevant Final Terms, Pricing Supplement or in a Drawdown Prospectus. Such information will be contained in the relevant Final Terms or Pricing Supplement unless any of such information constitutes a significant new factor relating to the information contained in this Base Prospectus in which case such information, together with all of the other necessary information in relation to the relevant series of Notes (other than Exempt Notes), may be contained in a Drawdown Prospectus.

For a Tranche of Notes which is the subject of Final Terms or a Pricing Supplement, those Final Terms or that Pricing Supplement will, for the purposes of that Tranche only, complete this Base Prospectus and must be read in conjunction with this Base Prospectus. The terms and conditions applicable to any particular Tranche of Notes which is the subject of Final Terms are the Conditions of the Notes as completed to the extent described in the relevant Final Terms and the terms and conditions applicable to any particular tranche of Notes which is the subject of a Pricing Supplement are the Conditions of the Notes as completed, modified or superseded by the relevant Pricing Supplement.

The terms and conditions applicable to any particular Tranche of Notes which is the subject of a Drawdown Prospectus will be the Conditions as supplemented, amended and/or replaced to the extent described in the relevant Pricing Supplement or Drawdown Prospectus. In the case of a Tranche of Notes which is the subject of a Pricing Supplement or Drawdown Prospectus, each reference in this Base Prospectus to information being specified or identified in the relevant Final Terms shall be read and construed as a reference to such information being specified or identified in the relevant Pricing Supplement or Drawdown Prospectus unless the context requires otherwise.

Each Drawdown Prospectus will be constituted either (1) by a single document containing the necessary information relating to the Issuer and the relevant Notes or (2) by a registration document (the "**Registration Document**") containing the necessary information relating to the Issuer, a securities note (the "**Securities Note**") containing the necessary information relating to the relevant Notes and, if necessary, a summary note. In addition, if the Drawdown Prospectus is constituted by a Registration Document and a Securities Note, any significant new factor, material mistake or material inaccuracy relating to the information included in the Registration Document which arises or is noted between the date of the Registration Document and the date of the Securities Note which is capable of affecting the assessment of the relevant Notes will be included in the Securities Note.

FORMS OF THE NOTES

Bearer Notes

Each Tranche of Notes in bearer form ("**Bearer Notes**") will initially be in the form of either a temporary global note in bearer form (the "**Temporary Global Note**"), without interest coupons, or a permanent global note in bearer form (the "**Permanent Global Note**"), without interest coupons, in each case as specified in the relevant Final Terms or, as the case may be, the relevant Pricing Supplement. Each Temporary Global Note or, as the case may be, Permanent Global Note (each a "**Global Note**") which is not intended to be issued in new global note ("**NGN**") form, as specified in the relevant Final Terms, will be deposited on or around the issue date of the relevant Tranche of the Notes with a common depository or common safekeeper for Euroclear Bank SA/NV ("**Euroclear**") and/or Clearstream Banking S.A. ("**Clearstream, Luxembourg**") and/or any other relevant clearing system and each Global Note which is intended to be issued in NGN form, as specified in the relevant Final Terms, will be deposited on or around the issue date of the relevant Tranche of the Notes with a common safekeeper for Euroclear and/or Clearstream, Luxembourg.

On 13 June 2006 the European Central Bank (the "**ECB**") announced that Notes in NGN form are in compliance with the "Standards for the use of EU securities settlement systems in ESCB credit operations" of the central banking system for the euro (the "**Eurosystem**"), provided that certain other criteria are fulfilled. At the same time the ECB also announced that arrangements for Notes in NGN form will be offered by Euroclear and Clearstream, Luxembourg as of 30 June 2006 and that debt securities in global bearer form issued through Euroclear and Clearstream, Luxembourg after 31 December 2006 will only be eligible as collateral for Eurosystem operations if the NGN form is used.

The relevant Final Terms will indicate whether such Bearer Notes are intended to be held in a manner which would allow Eurosystem eligibility. Any indication that the Bearer Notes are to be so held does not necessarily mean that the Bearer Notes of the relevant Tranche will be recognised as eligible collateral for Eurosystem monetary policy and intra-day credit operations by the Eurosystem either upon issue or at any times during their life as such recognition depends upon satisfaction of the Eurosystem eligibility criteria.

In the case of each Tranche of Bearer Notes, the relevant Final Terms or, as the case may be, the relevant Pricing Supplement will also specify whether United States Treasury Regulation §1.163-5(c)(2)(i)(C) (the "**TEFRA C Rules**") or United States Treasury Regulation §1.163-5(c)(2)(i)(D) (the "**TEFRA D Rules**") are applicable in relation to the Notes or that neither the TEFRA C Rules nor the TEFRA D Rules are applicable.

Temporary Global Note exchangeable for Permanent Global Note

If the relevant Final Terms or, as the case may be, the relevant Pricing Supplement specifies the form of Notes as being "Temporary Global Note exchangeable for a Permanent Global Note", then the Notes will initially be in the form of a Temporary Global Note which will be exchangeable, in whole or in part, for interests in a Permanent Global Note, without interest coupons, not earlier than 40 days after the issue date of the relevant Tranche of the Notes upon certification as to non-U.S. beneficial ownership. No payments will be made under the Temporary Global Note unless exchange for interests in the Permanent Global Note is improperly withheld or refused. In addition, interest payments in respect of the Notes cannot be collected without such certification of non-U.S. beneficial ownership.

Whenever any interest in the Temporary Global Note is to be exchanged for an interest in a Permanent Global Note, the Issuer shall procure (in the case of first exchange) the prompt delivery (free of charge to the bearer) of such Permanent Global Note, duly authenticated and, in the case of an NGN, effectuated, to the bearer of the Temporary Global Note or (in the case of any subsequent exchange) an increase in the principal amount of the Permanent Global Note in accordance with its terms against:

- (i) presentation and (in the case of final exchange) surrender of the Temporary Global Note to or to the order of the Principal Paying Agent; and
- (ii) receipt by the Principal Paying Agent of a certificate or certificates of non-U.S. beneficial ownership,

within 7 days of the bearer requesting such exchange.

Temporary Global Note exchangeable for Definitive Notes

If the relevant Final Terms or, as the case may be, the relevant Pricing Supplement specifies the form of Notes as being "Temporary Global Note exchangeable for Definitive Notes" and also specifies that the TEFRA C Rules are applicable or that neither the TEFRA C Rules nor the TEFRA D Rules are applicable, then the Notes will initially be in the form of a Temporary Global Note which will be exchangeable, in whole but not in part, for Bearer Notes in definitive form ("**Definitive Notes**") not earlier than 40 days after the issue date of the relevant Tranche of the Notes.

If the relevant Final Terms or, as the case may be, the relevant Pricing Supplement specifies the form of Notes as being "Temporary Global Note exchangeable for Definitive Notes" and also specifies that the TEFRA D Rules are applicable, then the Notes will initially be in the form of a Temporary Global Note which will be exchangeable, in whole or in part, for Definitive Notes not earlier than 40 days after the issue date of the relevant Tranche of the Notes upon certification as to non-U.S. beneficial ownership. Interest payments in respect of the Notes cannot be collected without such certification of non-U.S. beneficial ownership.

Whenever the Temporary Global Note is to be exchanged for Definitive Notes, the Issuer shall procure the prompt delivery (free of charge to the bearer) of such Definitive Notes, duly authenticated and with Coupons and Talons attached (if so specified in the relevant Final Terms or, as the case may be, the relevant Pricing Supplement), in an aggregate principal amount equal to the principal amount of the Temporary Global Note to the bearer of the Temporary Global Note against the surrender of the Temporary Global Note to or to the order of the Principal Paying Agent within 30 days of the bearer requesting such exchange.

Permanent Global Note exchangeable for Definitive Notes

If the relevant Final Terms or, as the case may be, the relevant Pricing Supplement specifies the form of Notes as being "Permanent Global Note exchangeable for Definitive Notes", then the Notes will initially be in the form of a Permanent Global Note which will only be exchangeable in whole, but not in part, for Definitive Notes:

- (i) on the expiry of such period of notice as may be specified in the relevant Final Terms or, as the case may be, the relevant Pricing Supplement; or
- (ii) if the relevant Final Terms or, as the case may be, the relevant Pricing Supplement specifies "in the limited circumstances described in the Permanent Global Note", then only if one of the following events occurs:
 - (a) Euroclear or Clearstream, Luxembourg or any other relevant clearing system permanently ceases its business without appointing a successor entity; or
 - (b) the Issuer requests an exchange following a change in tax law that would be adverse to the Issuer but for the issuance of Definitive Notes; or
 - (c) any of the circumstances described in Condition 13 (*Events of Default*) and is continuing.

Whenever the Permanent Global Note is to be exchanged for Definitive Notes, the Issuer shall procure the prompt delivery (free of charge to the bearer) of such Definitive Notes, duly authenticated and with Coupons and Talons attached (if so specified in the relevant Final Terms or, as the case may be, the relevant Pricing Supplement), in an aggregate principal amount equal to the principal amount of the Permanent Global Note to or to the order of the bearer of the Permanent Global Note against the surrender of the Permanent Global Note to or to the order of the Principal Paying Agent within 45 days of the bearer requesting such exchange.

Terms and Conditions applicable to the Notes

The terms and conditions applicable to any Definitive Note will be endorsed on that Note and will consist of the terms and conditions set out under "*Terms and Conditions of the Notes*" below and the provisions of the relevant Final Terms or, as the case may be, the relevant Pricing Supplement which supplement, amend and/or replace those terms and conditions.

The terms and conditions applicable to any Note in global form will differ from those terms and conditions which would apply to the Note were it in definitive form to the extent described under "Summary of Provisions Relating to the Notes while in Global Form" below.

Legend concerning United States persons

In the case of any Tranche of Notes considered to be in bearer form for U.S. federal income tax purposes, the Notes in global form, the Notes in definitive form and any Coupons and Talons appertaining thereto will bear a legend to the following effect:

"Any United States person (as defined in the Internal Revenue Code of the United States) who holds this obligation, directly or indirectly, will be subject to limitations under the United States income tax laws, including the limitations provided in Sections 165(j) and 1287(a) of the Internal Revenue Code."

Registered Notes

Each Tranche of Notes in registered form ("**Registered Notes**") will be represented by either:

- (i) individual Note Certificates in registered form ("**Individual Note Certificates**"); or
- (ii) one or more global note certificates ("**Global Note Certificate(s)**"),

in each case as specified in the relevant Final Terms or, as the case may be, the relevant Pricing Supplement.

If the relevant Final Terms or, as the case may be, the relevant Pricing Supplement specifies the form of Notes as being "Individual Note Certificates", then the Notes will at all times be represented by Individual Note Certificates issued to each Noteholder in respect of their respective holdings. Each Global Note Certificate will be deposited on or around the issue date of the relevant Tranche of the Notes with a common depositary or common safekeeper for Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system and registered in the name of the common depositary (or its nominee) for Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system.

Global Note Certificate exchangeable for Individual Note Certificates

If the relevant Final Terms or, as the case may be, the relevant Pricing Supplement specifies the form of Notes as being "Global Note Certificate exchangeable for Individual Note Certificates", then the Notes will initially be represented by one or more Global Note Certificates each of which will be exchangeable in whole, but not in part, for Individual Note Certificates:

- (i) on the expiry of such period of notice as may be specified in the relevant Final Terms or, as the case may be, the relevant Pricing Supplement; or
- (ii) if the relevant Final Terms or, as the case may be, the relevant Pricing Supplement specifies "in the limited circumstances described in the Global Note Certificate", then if either of the following events occurs:
 - (a) Euroclear, Clearstream, Luxembourg or any other relevant clearing system is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention permanently to cease business or has in fact done so and no alternative clearing system satisfactory to the Trustee is available; or
 - (b) any of the circumstances described in Condition 13 (*Events of Default*) and is continuing.

Whenever a Global Note Certificate is to be exchanged for Individual Note Certificates, each person having an interest in a Global Note Certificate must provide the Registrar (through the relevant clearing system) with such information as the Issuer and the Registrar may require to complete and deliver Individual Note Certificates (including the name and address of each person in which the Notes represented by the Individual Note Certificates are to be registered and the principal amount of each such person's holding).

Whenever a Global Note Certificate is to be exchanged for Individual Note Certificates, the Issuer shall procure that Individual Note Certificates will be issued in an aggregate principal amount equal to the principal amount of the Global Note Certificate within five business days of the delivery, by or on behalf

of the registered holder of the Global Note Certificate to the Registrar of such information as is required to complete and deliver such Individual Note Certificates against the surrender of the Global Note Certificate at the specified office of the Registrar.

Such exchange will be effected in accordance with the provisions of the Trust Deed and the Agency Agreement and the regulations concerning the transfer and registration of Notes scheduled to the Agency Agreement and, in particular, shall be effected without charge to any holder, but against such indemnity as the Registrar may require in respect of any tax or other duty of whatsoever nature which may be levied or imposed in connection with such exchange.

Terms and Conditions applicable to the Notes

The terms and conditions applicable to any Individual Note Certificate will be endorsed on that Individual Note Certificate and will consist of the terms and conditions set out under "Terms and Conditions of the Notes" below and the provisions of the relevant Final Terms or, as the case may be, the relevant Pricing Supplement which supplement, amend and/or replace those terms and conditions.

The terms and conditions applicable to any Global Note or Global Note Certificate will differ from those terms and conditions which would apply to the Note were it in definitive form to the extent described under "Summary of Provisions Relating to the Notes while in Global Form" below.

Summary of Provisions relating to the Notes while in Global Form

Clearing System Accountholders

In relation to any Tranche of Notes represented by a Global Note, references in the Conditions to "Noteholder" are references to the bearer of the relevant Global Note which, for so long as the Global Note is held by a common depositary or common safekeeper or, in the case of an NGN, a common safekeeper, for Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system, will be that common depositary or common safekeeper.

In relation to any Tranche of Notes represented by one or more Global Note Certificates, references in the Conditions to "Noteholder" are references to the person in whose name the relevant Global Note Certificate is for the time being registered in the Register which is held by or on behalf of a common depositary or common safekeeper for Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system, will be that common depositary or common safekeeper or a nominee for that common depositary or common safekeeper.

Each of the persons shown in the records of Euroclear, Clearstream, Luxembourg and/or any other relevant clearing system as being entitled to an interest in a Global Note or a Global Note Certificate (each an "**Accountholder**") must look solely to Euroclear, Clearstream, Luxembourg and/or such other relevant clearing system (as the case may be) for such Accountholder's share of each payment made by the Issuer to the holder of such Global Note or Global Note Certificate and in relation to all other rights arising under such Global Note or Global Note Certificate. The extent to which, and the manner in which, Accountholders may exercise any rights arising under a Global Note or Global Note Certificate will be determined by the respective rules and procedures of Euroclear and Clearstream, Luxembourg and any other relevant clearing system from time to time. For so long as the relevant Notes are represented by a Global Note or Global Note Certificate, Accountholders shall have no claim directly against the Issuer in respect of payments due under the Notes and such obligations of the Issuer will be discharged by payment to the holder of such Global Note or Global Note Certificate.

Transfers of Interests in Global Notes and Global Note Certificates

Transfers of interests in Global Notes and Global Note Certificates within Euroclear and Clearstream, Luxembourg or any other relevant clearing system will be in accordance with their respective rules and operating procedures. None of the Issuer, the Trustee, the Registrar, the Dealers or the Agents will have any responsibility or liability for any aspect of the records of Euroclear and Clearstream, Luxembourg or any other relevant clearing system or any of their respective participants relating to payments made on account of beneficial ownership interests in a Global Note or Global Note Certificate or for maintaining, supervising or reviewing any of the records of Euroclear and Clearstream, Luxembourg or any other relevant clearing system or the records of their respective participants relating to such beneficial ownership interests.

The laws of some states of the United States require that certain persons receive individual certificates in respect of their holdings of Notes. Consequently, the ability to transfer interests in a Global Note Certificate to such persons will be limited. Because clearing systems only act on behalf of participants, who in turn act on behalf of indirect participants, the ability of a person having an interest in a Global Note Certificate to pledge such interest to persons or entities which do not participate in the relevant clearing systems, or otherwise take actions in respect of such interest, may be affected by the lack of an Individual Note Certificate representing such interest.

Subject to compliance with the transfer restrictions applicable to the Registered Notes described under "Transfer Restrictions", transfers Euroclear or Clearstream, Luxembourg accountholders will be effected by the relevant clearing systems in accordance with their respective rules and through action taken by the Registrar and the Principal Paying Agent.

For a further description of restrictions on the transfer of Notes, see "*Subscription and Sale*" and "*Transfer Restrictions*".

While a Global Note Certificate is lodged with Euroclear, Clearstream, Luxembourg or any relevant clearing system, Individual Note Certificates for the relevant Series of Notes will not be eligible for clearing and settlement through such clearing systems.

Conditions applicable to Global Notes and Global Note Certificates

Each Global Note and Global Note Certificate will contain provisions which modify the Conditions as they apply to the Global Note or Global Note Certificate. The following is a summary of certain of those provisions:

Payments: All payments in respect of the Global Note or Global Note Certificate which, according to the Conditions, require presentation and/or surrender of a Note, Note Certificate or Coupon will be made against presentation and (in the case of payment of principal in full with all interest accrued thereon) surrender of the Global Note or Global Note Certificate to or to the order of any Paying Agent and will be effective to satisfy and discharge the corresponding liabilities of the Issuer in respect of the Notes. On each occasion on which a payment of principal or interest is made in respect of the Global Note, the Issuer shall procure that payment is noted in a schedule thereto or, in respect of an NGN, the payment is entered pro rata in the records of Euroclear and Clearstream, Luxembourg.

Exercise of put option: In order to exercise the option contained in Condition 9(e) (*Redemption at the option of Noteholders*) the bearer of a Permanent Global Note or the holder of a Global Note Certificate must, within the period specified in the Conditions for the deposit of the relevant Note and put notice, give written notice of such exercise to the Principal Paying Agent specifying the principal amount of Notes in respect of which such option is being exercised. Any such notice will be irrevocable and may not be withdrawn.

Partial exercise of call option: In connection with an exercise of the option contained in Condition 9(c) (*Redemption at the option of the Issuer*) in relation to some only of the Notes, the Permanent Global Note or Global Note Certificate may be redeemed in part in the principal amount specified by the Issuer in accordance with the Conditions and the Notes to be redeemed will not be selected as provided in the Conditions but in accordance with the rules and procedures of Euroclear and/or Clearstream, Luxembourg (to be reflected in the records of Euroclear and/or Clearstream, Luxembourg as either a pool factor or a reduction in principal amount, at their discretion).

Notices: Notwithstanding Condition 20 (*Notices*), while all the Notes are represented by a Permanent Global Note (or by a Permanent Global Note and/or a Temporary Global Note) or a Global Note Certificate and the Permanent Global Note is (or the Permanent Global Note and/or the Temporary Global Note are), or the Global Note Certificate is deposited with a common depositary or common safekeeper for Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system, notices to Noteholders may be given by delivery of the relevant notice to Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system and, in any case, such notices shall be deemed to have been given to the Noteholders in accordance with Condition 20 (*Notices*) on the date of delivery to Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system.

Record Date: Each payment in respect of a Global Note Certificate will be made to the person shown as the Holder in the Register at the close of business (in the relevant clearing system) on the Clearing System

Business Day before the due date for such payment (the "**Record Date**") where "**Clearing System Business Day**" means a day on which each clearing system for which the Global Note Certificate is being held is open for business.

Payment Business Day: Notwithstanding the definition of "Payment Business Day" in Condition 2(a) (*Definitions*), while all the Notes are represented by a Permanent Global Note (or by a Permanent Global Note and/or a Temporary Global Note) or a Global Note Certificate and the Permanent Global Note is (or the Permanent Global Note and/or the Temporary Global Note are), or the Global Note Certificate is deposited with a common depositary or common safekeeper for Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system, "**Payment Business Day**" means:

- (a) if the currency of payment is euro, any day which is a TARGET Settlement Day and a day on which dealings in foreign currencies may be carried on in each (if any) Additional Financial Centre; or
- (b) if the currency of payment is not euro, any day which is a day on which dealings in foreign currencies may be carried on in the Principal Financial Centre of the currency of payment and in each (if any) Additional Financial Centre.

Eurosystem Eligibility

Where the Global Notes or the Global Certificates issued in respect of any Tranche are in NGN form, Euroclear and Clearstream, Luxembourg will be notified as to whether or not such Global Notes or Global Certificates are intended to be held in a manner which would allow Eurosystem eligibility. Any indication that the Global Notes or Global Certificates are to be so held does not necessarily mean that the Notes of the relevant Tranche will be recognised as eligible collateral for Eurosystem monetary policy and intra-day credit operations by the Eurosystem either upon issue or at any times during their life as such recognition depends upon satisfaction of the Eurosystem eligibility criteria. The Common Safekeeper for NGNs will either be Euroclear or Clearstream, Luxembourg or another entity approved by Euroclear and Clearstream, Luxembourg, as indicated in the applicable Final Terms.

- (c) *Screen Rate Determination (other than Floating Rate Notes which reference SONIA):* If Screen Rate Determination is specified in the relevant Final Terms as the manner in which the Rate(s) of Interest is/are to be determined, the Rate of Interest applicable to the Notes for each Interest Period will be (other than in respect of Notes for which SONIA is specified as the Reference Rate in the relevant Final Terms) determined by the Calculation Agent on the following basis:
- (i) if the Reference Rate is a composite quotation or customarily supplied by one entity, the Calculation Agent will determine the Reference Rate which appears on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date;
 - (ii) in any other case, the Calculation Agent will determine the arithmetic mean of the Reference Rates which appear on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date;
 - (iii) if, in the case of (i) above, such rate does not appear on that page or, in the case of (ii) above, fewer than two such rates appear on that page or if, in either case, the Relevant Screen Page is unavailable, the Calculation Agent will:
 - (A) request the principal Relevant Financial Centre office of each of the Reference Banks to provide a quotation of the Reference Rate at approximately the Relevant Time on the Interest Determination Date to prime banks in the Relevant Financial Centre interbank market in an amount that is representative for a single transaction in that market at that time; and
 - (B) determine the arithmetic mean of such quotations; and
 - (iv) if fewer than two such quotations are provided as requested, the Calculation Agent will determine the arithmetic mean of the rates (being the nearest to the Reference Rate, as determined by the Calculation Agent) quoted by major banks in the Principal Financial Centre of the Specified Currency, selected by the Calculation Agent, at approximately 11.00 a.m. (local time in the Principal Financial Centre of the Specified Currency) on the first day of the relevant Interest Period for loans in the Specified Currency to leading European banks for a period equal to the relevant Interest Period and in an amount that is representative for a single transaction in that market at that time,
- and the Rate of Interest for such Interest Period shall be the sum of the Margin and the rate or (as the case may be) the arithmetic mean so determined; **provided, however, that** if the Calculation Agent is unable to determine a rate or (as the case may be) an arithmetic mean in accordance with the above provisions in relation to any Interest Period, the Rate of Interest applicable to the Notes during such Interest Period will be the sum of the Margin and the rate or (as the case may be) the arithmetic mean last determined in relation to the Notes in respect of a preceding Interest Period.
- (d) *ISDA Determination:* If ISDA Determination is specified in the relevant Final Terms as the manner in which the Rate(s) of Interest is/are to be determined, the Rate of Interest applicable to the Notes for each Interest Period will be the sum of the Margin and the relevant ISDA Rate where "ISDA Rate" in relation to any Interest Period means a rate equal to the Floating Rate (as defined in the

ISDA Definitions) that would be determined by the Calculation Agent under an interest rate swap transaction if the Calculation Agent were acting as Calculation Agent for that interest rate swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (i) the Floating Rate Option (as defined in the ISDA Definitions) is as specified in the relevant Final Terms;
 - (ii) the Designated Maturity (as defined in the ISDA Definitions) is a period specified in the relevant Final Terms;
 - (iii) the relevant Reset Date has the meaning given to it in the ISDA Definitions; and
 - (iv) if the specified Floating Rate Option is EUR-EURIBOR or EUR-EURIBOR Reuters and an Index Cessation Event occurs the Applicable Fallback Rate will be determined as if the Fallback Observation Day in respect of a Reset Date and the relevant Interest Period was five Business Days preceding the related Interest Payment Date.
 - (v) references in the ISDA Definitions to:
 - (A) **"Confirmation"** shall be references to the relevant Final Terms;
 - (B) **"Calculation Period"** shall be references to the relevant Interest Period;
 - (C) **"Termination Date"** shall be references to the Maturity Date;
 - (D) **"Effective Date"** shall be references to the Interest Commencement Date; and
 - (vi) if the Final Terms specify "2021 ISDA Definitions" as being applicable:
 - (A) **"Administrator/Benchmark Event"** shall be disapplied; and
 - (B) if the Temporary Non-Publication Fallback in respect of any specified Floating Rate Option is specified to be "Temporary Non-Publication Fallback – Alternative Rate" in the Floating Rate Matrix of the 2021 ISDA Definitions the reference to "Calculation Agent Alternative Rate Determination" in the definition of "Temporary Non-Publication Fallback – Alternative Rate" shall be replaced by "Temporary Non-Publication Fallback – Previous Day's Rate".
- (e) *Interest – Floating Rate Notes referencing Compounded Daily SONIA (Screen Rate Determination)*
- (i) This Condition 7(e) is applicable to the Notes only if the Floating Rate Note Provisions are specified in the relevant Final Terms as being applicable, Screen Rate Determination is specified in the relevant Final Terms as the manner in which the Rate(s) of Interest is/are to be determined, the "Reference Rate" is specified in the relevant Final Terms as being "SONIA" and the Calculation Method is specified in the relevant Final Terms as being "Compounded Daily".
 - (ii) When this Condition 7(e) is applicable, the Rate of Interest for each Interest Period will, subject as provided below, be Compounded Daily SONIA plus or minus (as specified in the relevant Final Terms) the Margin, all as determined by the Calculation Agent.
 - (iii) For the purposes of this Condition 7(e):

"Compounded Daily SONIA", with respect to an Interest Period, will be calculated by the Calculation Agent on each Interest Determination Date in accordance with the following formula, and the resulting percentage will be rounded, if necessary, to the fourth decimal place, with 0.00005 being rounded upwards:

$$\left[\prod_{i=1}^{d_o} \left(1 + \frac{SONIA_i \times n_i}{D} \right) - 1 \right] \times \frac{D}{d}$$

"d" means the number of calendar days in:

- (i) where "Lag" is specified as the Observation Method in the relevant Final Terms, the relevant Interest Period; or
- (ii) where "Observation Shift" is specified as the Observation Method in the relevant Final Terms, the relevant Observation Period;

"D" is the number specified in the relevant Final Terms (or, if no such number is specified, 365);

"d₀" means the number of London Banking Days in:

- (i) where "Lag" is specified as the Observation Method in the relevant Final Terms, the relevant Interest Period; or
- (ii) where "Observation Shift" is specified as the Observation Method in the relevant Final Terms, the relevant Observation Period;

"i" means a series of whole numbers from one to d₀, each representing the relevant London Banking Day in chronological order from, and including, the first London Banking Day in:

- (i) where "Lag" is specified as the Observation Method in the relevant Final Terms, the relevant Interest Period; or
- (ii) where "Observation Shift" is specified as the Observation Method in the relevant Final Terms, the relevant Observation Period;

to, and including, the last London Banking Day in such period;

"Interest Determination Date" means, in respect of any Interest Period, the date falling "p" London Banking Days prior to the Interest Payment Date for such Interest Period (or the date falling p London Banking Days prior to such earlier date, if any, on which the Notes are due and payable).

"London Banking Day" or "LBD" means any day on which commercial banks are open for general business (including dealing in foreign exchange and foreign currency deposits) in London;

"n_i" for any London Banking Day "i", in the relevant Interest Period or Observation Period (as applicable) is the number of calendar days from, and including, such London Banking Day "i" up to, but excluding, the following London Banking Day;

"Observation Period" means, in respect of an Interest Period, the period from, and including, the date falling "p" London Banking Days prior to the first day of such Interest Period (and the first Interest Period shall begin on and include the Interest Commencement Date) and ending on, but excluding, the date which is "p" London Banking Days prior to the Interest Payment Date for such Interest Period (or the date falling "p" London Banking Days prior to such earlier date, if any, on which the Notes become due and payable);

"p" for any Interest Period or Observation Period (as applicable), means the number of London Banking Days specified as the "Lag Period" or the "Observation Shift Period" (as applicable) in the relevant Final Terms or if no such period is specified, five London Banking Days;

"SONIA Reference Rate" means, in respect of any London Banking Day, a reference rate equal to the daily Sterling Overnight Index Average ("**SONIA**") rate for such London Banking Day as provided by the administrator of SONIA to authorised distributors and as then published on the Relevant Screen Page (or if the Relevant Screen Page is unavailable, as otherwise is published by such authorised distributors) on the London Banking Day immediately following such London Banking Day; and

"**SONIA_i**" means the SONIA Reference Rate for:

- (i) where "Lag" is specified as the Observation Method in the relevant Final Terms, the London Banking Day falling "p" London Banking Days prior to the relevant London Banking Day "i"; or
- (ii) where "Observation Shift" is specified as the Observation Method in the relevant Final Terms, the relevant London Banking Day "i";

For the avoidance of doubt, the formula for the calculation of Compounded Daily SONIA only compounds the SONIA Reference Rate in respect of any London Banking Day. The SONIA Reference Rate applied to a day that is a non-London Banking Day will be taken by applying the SONIA Reference Rate for the previous London Banking Day but without compounding.

- (iv) If, in respect of any London Banking Day in the relevant Interest Period or Observation Period (as applicable), the Calculation Agent determines that the SONIA Reference Rate is not available on the Relevant Screen Page and has not otherwise been published by the relevant authorised distributors, such SONIA Reference Rate shall, subject to Condition 7(l) (*Benchmark Discontinuation*), be:
 - (A) the sum of (a) the Bank of England's Bank Rate (the "**Bank Rate**") prevailing at close of business on the relevant London Banking Day; and (b) the mean of the spread of the SONIA Reference Rate to the Bank Rate over the previous five London Banking Days on which a SONIA Reference Rate has been published, excluding the highest spread (or, if there is more than one highest spread, one only of those highest spreads) and lowest spread (or, if there is more than one lowest spread, one only of those lowest spreads) to the Bank Rate; or
 - (B) if the Bank Rate is not published by the Bank of England at close of business on the relevant London Banking Day, (a) the SONIA Reference Rate published on the Relevant Screen Page (or otherwise published by the relevant authorised distributors) for the first preceding London Banking Day on which the SONIA Reference Rate was published on the Relevant Screen Page (or otherwise published by the relevant authorised distributors) or (b) if this is more recent, the latest determined rate under (A).
- (v) Subject to Condition 7(l) (*Benchmark Discontinuation*), if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this Condition 7(e), the Rate of Interest shall be (A) that determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period, in place of the Margin relating to that last preceding Interest Period) or (B) if there is no such preceding Interest Determination Date, the initial Rate of Interest which would have been applicable to the Notes for the first Interest Period had the Notes been in issue for a period equal in duration to the scheduled first Interest Period but ending on (and excluding) the Interest Commencement Date (but applying the Margin applicable to the first Interest Period).

(f) *Interest – Floating Rate Notes referencing SONIA Compounded Index (Screen Rate Determination)*

This Condition 7(f) is applicable to the Notes only if the Floating Rate Note Provisions are specified in the relevant Final Terms as being applicable, Screen Rate Determination is specified in the relevant Final Terms as the manner in which the Rate(s) of Interest is/are to be determined, the "Reference Rate" is specified in the relevant Final Terms as being "SONIA" and the Calculation Method specified in the relevant Final Terms is "Index Determination".

Where this Condition 7(f) applies, the Rate of Interest for each Interest Period will be the compounded daily reference rate for the relevant Interest Period, calculated in accordance with the following formula:

$$\frac{(\text{Compounded Index End}}{\text{Compounded Index Start}} - 1) \times \frac{\text{Numerator}}{d}$$

and rounded to the Relevant Decimal Place, plus or minus the Margin (if any), all as determined and calculated by the Calculation Agent, where:

"**d**" is the number of calendar days from (and including) the day on which the SONIA Compounded Index Start is determined to (but excluding) the day on which the SONIA Compounded Index End is determined;

"**End**" means the SONIA Compounded Index value on the day falling the Relevant Number of Index Days prior to the Interest Payment Date for such Interest Period, or such other date on which the relevant payment of interest falls due (but which by its definition or the operation of the relevant provisions is excluded from such Interest Period);

"**Index Days**" means, in the case of the SONIA Compounded Index, London Banking Days;

"**Numerator**" means, in the case of the SONIA Compounded Index, 365;

"**Relevant Decimal Place**" shall, unless otherwise specified in the Final Terms, be the fifth decimal place, rounded up or down, if necessary (with 0.000005 being rounded upwards); and

"**Relevant Number**" is as specified in the applicable Final Terms, but, unless otherwise specified shall be five.

"**SONIA Compounded Index**" means the Compounded Daily SONIA rate as published at 10:00 (London time) by the Bank of England (or a successor administrator of SONIA) on the Bank of England's Interactive Statistical Database, or any successor source;

"**Start**" means the SONIA Compounded Index value on the day falling the Relevant Number of Index Days prior to the first day of the relevant Interest Period.

Provided that a Benchmark Event has not occurred in respect of the SONIA Compounded Index, if, with respect to any Interest Period, the relevant rate is not published for the SONIA Compounded Index either on the relevant Start or End date, then the Calculation Agent shall calculate the rate of interest for that Interest Period as if Index Determination was not specified in the applicable Final Terms and as if Compounded SONIA (as defined in Condition 7(e)) had been specified instead in the Final Terms, and in each case "Observation Shift" had been specified as the Observation Method in the relevant Final Terms, and where the Observation Period for the purposes of that definition in Condition 7(e) shall be deemed to be the same as the Relevant Number specified in the Final Terms and where, in the case of Compounded Daily SONIA, the Relevant Screen Page will be determined by the Issuer. For the avoidance of doubt, if a Benchmark Event has occurred in respect of the SONIA Compounded Index, the provisions of Condition 7(l) (*Benchmark Discontinuation (Independent Adviser)*) shall apply.

- (g) *Maximum or Minimum Rate of Interest:* If any Maximum Rate of Interest or Minimum Rate of Interest is specified in the relevant Final Terms, then the Rate of Interest shall in no event be greater than the maximum or be less than the minimum so specified.
- (h) *Calculation of Interest Amount:* The Calculation Agent will, as soon as practicable after the time at which the Rate of Interest is to be determined in relation to each Interest Period, calculate the Interest Amount payable in respect of each Note for such Interest Period. The Interest Amount will be calculated by applying the Rate of Interest for such Interest Period to the Calculation Amount, multiplying the product by the relevant Day Count Fraction, rounding the resulting figure to the nearest sub-unit of the Specified Currency (half a sub-unit being rounded upwards) and multiplying such rounded figure by a fraction equal to the Specified Denomination of the relevant Note divided by the Calculation Amount. For this purpose, a "**sub-unit**" means, in the case of any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, in the case of euro, means one cent.
- (i) *Calculation of other amounts:* If the relevant Final Terms specifies that any other amount is to be calculated by the Calculation Agent, the Calculation Agent will, as soon as practicable after the

time or times at which any such amount is to be determined, calculate the relevant amount. The relevant amount will be calculated by the Calculation Agent in the manner specified in the relevant Final Terms.

- (j) *Publication:* The Calculation Agent will cause each Rate of Interest and Interest Amount determined by it, together with the relevant Interest Payment Date, and any other amount(s) required to be determined by it together with any relevant payment date(s) to be notified to the Paying Agents and each competent authority, stock exchange and/or quotation system (if any) by which the Notes have then been admitted to listing, trading and/or quotation as soon as practicable after such determination but (in the case of each Rate of Interest, Interest Amount and Interest Payment Date) in any event not later than the first day of the relevant Interest Period. Notice thereof shall also promptly be given to the Noteholders. The Calculation Agent will be entitled to recalculate any Interest Amount (on the basis of the foregoing provisions) without notice in the event of an extension or shortening of the relevant Interest Period. If the Calculation Amount is less than the minimum Specified Denomination the Calculation Agent shall not be obliged to publish each Interest Amount but instead may publish only the Calculation Amount and the Interest Amount in respect of a Note having the minimum Specified Denomination.
- (k) *Notifications etc:* All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of this Condition by the Calculation Agent will (in the absence of manifest error) be binding on the Issuer, the Paying Agents, the Noteholders and the Couponholders and (subject as aforesaid) no liability to the Issuer, the Paying Agents, the Noteholders and the Couponholders will attach to the Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions for such purposes.
- (l) *Benchmark Discontinuation:*

- (i) If a Benchmark Event occurs in relation to the Reference Rate when the Rate of Interest (or any component part thereof) for any Interest Period remains to be determined by reference to such Reference Rate, then the Issuer shall use its reasonable endeavours to appoint an Independent Adviser, as soon as reasonably practicable, to determine a Successor Rate, failing which an Alternative Rate (in accordance with Condition 7(i)(ii)) and, in either case, an Adjustment Spread, if any (in accordance with Condition 7(i)(iii)) and any Benchmark Amendments (in accordance with Condition 7(i)(iv)).

In the absence of bad faith or fraud, the Independent Adviser shall have no liability whatsoever to the Issuer, the Principal Paying Agent, Trustee or the Noteholders for any determination made by it pursuant to this Condition 7(i).

If (i) the Issuer is unable to appoint an Independent Adviser or (ii) the Independent Adviser appointed by it fails to determine a Successor Rate or, failing which, an Alternative Rate in accordance with this Condition 7(i) prior to the relevant Interest Determination Date, the Reference Rate applicable to the immediate following Interest Period shall be the Reference Rate applicable as at the last preceding Interest Determination Date. If there has not been a first Interest Payment Date, the Reference Rate shall be the Reference Rate applicable to the first Floating Rate Interest Period. For the avoidance of doubt, any adjustment pursuant to this final paragraph of Condition 7(i) shall apply to the immediately following Interest Period only. Any subsequent Interest Period may be subject to the subsequent operation of this Condition 7(i).

- (ii) If the Independent Adviser determines in its discretion that:
 - (A) there is a Successor Rate, then such Successor Rate shall (subject to adjustment as provided in Condition 7(i)(iii)) subsequently be used in place of the Reference Rate to determine the Rate of Interest for the relevant Interest Period and all following Interest Periods, subject to the subsequent operation of this Condition 7(i); or
 - (B) there is no Successor Rate but that there is an Alternative Rate, then such Alternative Rate shall (subject to adjustment as provided in Condition 7(i)(iii))

subsequently be used in place of the Reference Rate to determine the rate of Interest for the relevant Interest Period and all following Interest Periods, subject to the subsequent operation of this Condition 7(i).

- (iii) If the Independent Adviser determines in its discretion (A) that an Adjustment Spread is required to be applied to the Successor Rate or the Alternative Rate (as the case may be) and (B) the quantum of, or a formula or methodology for determining, such Adjustment Spread, then such Adjustment Spread shall apply to the Successor Rate or the Alternative Rate (as the case may be).
- (iv) If any relevant Successor Rate, Alternative Rate or Adjustment Spread is determined in accordance with this Condition 7(i) and the Independent Adviser determines in its discretion (i) that amendments to these Conditions are necessary to ensure the proper operation of such Successor Rate, Alternative Rate and/or Adjustment Spread (such amendments, the "**Benchmark Amendments**") and (ii) the terms of the Benchmark Amendments, then the Issuer shall, following consultation with the person specified in the applicable Final Terms as the party responsible for calculating the rate of interest and the Interest Amount(s), subject to giving notice thereof in accordance with Condition 7(i)(v), without any requirement for the consent or approval of relevant Noteholders, vary these Conditions to give effect to such Benchmark Amendments with effect from the date specified in such notice (and for the avoidance of doubt, the Principal Paying Agent shall, at the direction and, in accordance with Clause 11.1 (*Commissions and Expenses*) of the Agency Agreement, expense of the Issuer, consent to and effect such consequential amendments to the Agency Agreement and these Conditions as may be required in order to give effect to this Condition 7(i)). In addition, but subject to receipt by the Trustee of a certificate signed by an Authorised Signatory of the Issuer pursuant to Condition 7(i)(vi), the Trustee shall (at the expense of the Issuer in accordance with Clause 12.1.5 (*Expenses*) of the Trust Deed), without the requirement for the consent or approval of the Noteholders or Couponholders, be obliged to concur with the Issuer in effecting any Benchmark Amendments (including, *inter alia*, by the execution of a deed supplemental to or amending the Trust Deed) and the Trustee shall not be liable to any party for any consequences thereof, provided that the Trustee shall not be obliged so to concur if in the sole opinion of the Trustee (acting reasonably) doing so would have the effect of imposing more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities over and above those which it has in these Conditions or the Trust Deed (including, for the avoidance of doubt, any Supplemental Trust Deed) or reduce or amend rights and/or the protective provisions afforded to the Trustee in these Conditions or the Trust Deed (including, for the avoidance of doubt, any Supplemental Trust Deed) in any way.
- (v) Any Successor Rate, Alternative Rate, Adjustment Spread and the specific terms of any Benchmark Amendments, determined under this Condition 7(i) will be notified promptly by the Issuer to the Principal Paying Agent, the Trustee, the Calculation Agent and, in accordance with Condition 14, the Noteholders. Such notice shall be irrevocable and shall specify the effective date of the Benchmark Amendments, if any.
- (vi) No later than notifying the Principal Paying Agent and the Trustee of the same, the Issuer shall deliver to the Principal Paying Agent and the Trustee a certificate signed by an Authorised Signatory of the Issuer:
 - (A) confirming (x) that a Benchmark Event has occurred, (y) the relevant Successor Rate, or, as the case may be, the relevant Alternative Rate and, (z) where applicable, any relevant Adjustment Spread and/or the specific terms of any relevant Benchmark Amendments, in each case as determined in accordance with the provisions of this Condition 7(i); and
 - (B) certifying that the relevant Benchmark Amendments are necessary to ensure the proper operation of such relevant Successor Rate, Alternative Rate and/or Adjustment Spread.

The Trustee and the Agents shall be entitled to rely on such certificate (without inquiry and without liability to any person) as sufficient evidence thereof. The Successor Rate or Alternative Rate and the Adjustment Spread (if any) and the Benchmark Amendments (if any) specified in such certificate will (in the absence of manifest error in the determination of such Successor Rate or Alternative Rate and such Adjustment Spread (if any) and such Benchmark Amendments (if any) and without prejudice to the Trustee's ability to rely on such certificate as aforesaid) be binding on the Issuer, the Principal Paying Agent, the Trustee, the Calculation Agent, the Paying Agents and the Noteholders as of their effective date.

(vii) Without prejudice to the obligations of the Issuer under Condition 7(i)(i), (ii), (iii) and (iv), the Reference Rate and the fallback provisions provided for in the definition of the term "Reference Rate" will continue to apply unless and until a Benchmark Event has occurred.

(viii) As used in this Condition 7(i):

"Adjustment Spread" means either a spread (which may be positive or negative), or the formula or methodology for calculating a spread, in either case, which the Independent Adviser determines is required to be applied to the relevant Successor Rate or the relevant Alternative Rate (as the case may be) to reduce or eliminate, to the extent reasonably practicable in the circumstances, any economic prejudice or benefit (as the case may be) to Noteholders as a result of the replacement of the Reference Rate with the Successor Rate or the Alternative Rate (as the case may be) and is the spread, formula or methodology which:

- (A) in the case of a Successor Rate, is formally recommended in relation to the replacement of the Reference Rate with the Successor Rate by any Relevant Nominating Body; or
- (B) (if no such recommendation has been made, or in the case of an Alternative Rate) the Independent Adviser determines, is recognised or acknowledged as being the industry standard for over-the-counter derivative transactions which reference the Reference Rate, where such rate has been replaced by the Successor Rate or the Alternative Rate (as the case may be); or
- (C) (if the Independent Adviser determines that no such industry standard is recognised or acknowledged) the Independent Adviser determines to be appropriate.

"Alternative Rate" means an alternative benchmark or screen rate which the Independent Adviser determines in accordance with Condition 7(i)(ii) is customary in market usage in the international debt capital markets for the purposes of determining floating rates of interest (or the relevant component part thereof) in the Specified Currency.

"Authorised Signatories" has the meaning given in the Trust Deed.

"Benchmark Amendments" has the meaning given to it in Condition 7(i)(iv).

"Benchmark Event" means:

- (A) the Reference Rate ceasing to be published for a period of at least five (5) Business Days or ceasing to exist; or
- (B) a public statement by the administrator of the Reference Rate that it will cease publishing the Reference Rate permanently or indefinitely (in circumstances where no successor administrator has been appointed that will continue publication of the Reference Rate); or
- (C) a public statement by the supervisor of the administrator of the Reference Rate, that the Reference Rate has been or will permanently or indefinitely discontinued; or

- (D) a public statement by the supervisor of the administrator of the Reference Rate as a consequence of which the Reference Rate will be prohibited from being used either generally, or in respect of the relevant Floating Rate Notes;
- (E) a public statement by the supervisor of the administrator of the Reference Rate that, in the view of such supervisor, such Reference Rate is no longer representative of any underlying market; or
- (F) it has become unlawful for any Paying Agent, the Calculation Agent, the Issuer or any other party to calculate any rate of interest using the Reference Rate.

"Independent Adviser" means an independent financial institution of international repute or other independent financial adviser experienced in the international capital markets, in each case appointed by the Issuer at its own expense under Condition 7(i)(i).

"Relevant Nominating Body" means, in respect of a benchmark or screen rate (as applicable):

- (A) the central bank for the currency to which the benchmark or screen rate (as applicable) relates, or any central bank or other supervisory authority which is responsible for supervising the administrator of the benchmark or screen rate (as applicable); or
- (B) any working group or committee sponsored by, chaired or co-chaired by or constituted at the request of (a) the central bank for the currency to which the benchmark or screen rate (as applicable) relates, (b) any central bank or other supervisory authority which is responsible for supervising the administrator of the benchmark or screen rate (as applicable), (c) a group of the aforementioned central banks or other supervisory authorities or (d) the Financial Stability Board or any part thereof.

"Successor Rate" means a successor to or replacement of the Reference Rate which is formally published, endorsed, approved, recommended or recognised by any Relevant Nominating Body.

8. **Zero Coupon Note Provisions**

- (a) *Application:* This Condition 8 (*Zero Coupon Note Provisions*) is applicable to the Notes only if the Zero Coupon Note Provisions are specified in the relevant Final Terms as being applicable.
- (b) *Late payment on Zero Coupon Notes:* If the Redemption Amount payable in respect of any Zero Coupon Note is improperly withheld or refused, the Redemption Amount shall thereafter be an amount equal to the sum of:
 - (i) the Reference Price; and
 - (ii) the product of the Accrual Yield (compounded annually) being applied to the Reference Price on the basis of the relevant Day Count Fraction from (and including) the Issue Date to (but excluding) whichever is the earlier of (i) the day on which all sums due in respect of such Note up to that day are received by or on behalf of the relevant Noteholder and (ii) the day which is seven days after the Principal Paying Agent has notified the Noteholders that it has received all sums due in respect of the Notes up to such seventh day (except to the extent that there is any subsequent default in payment).

9. **Redemption and Purchase**

- (a) *Scheduled redemption:* Unless previously redeemed, or purchased and cancelled, the Notes will be redeemed at their Final Redemption Amount on the Maturity Date, subject as provided in Condition 10 (*Payments - Bearer Notes*) and Condition 11 (*Payments - Registered Notes*).

(b) *Redemption for tax reasons:* The Notes may be redeemed at the option of the Issuer in whole, but not in part:

- (i) at any time (if the Floating Rate Note Provisions are not specified in the relevant Final Terms as being applicable); or
- (ii) on any Interest Payment Date (if the Floating Rate Note Provisions are specified in the relevant Final Terms as being applicable),

on giving not less than 30 nor more than 60 days' notice (or such other period as shall be specified in the relevant Final Terms) to the Trustee and the Agent and, in accordance with Condition 21 (*Notices*), to the Noteholders (which notice shall be irrevocable), at their Early Redemption Amount (Tax), together with interest accrued (if any) to the date fixed for redemption, if, immediately before giving such notice, the Issuer satisfies the Trustee that:

- (A) the Issuer has or will become obliged to pay additional amounts as provided or referred to in Condition 12 (*Taxation*) as a result of any change in, or amendment to, the laws or regulations of the UK or any political subdivision or any authority thereof or therein having power to tax, or any change in the application or official interpretation of such laws or regulations (including a holding by a court of competent jurisdiction), which change or amendment becomes effective on or after the date of issue of the first Tranche of the Notes; and
- (B) such obligation cannot be avoided by the Issuer taking reasonable measures available to it,

provided, however, that no such notice of redemption shall be given earlier than:

- (1) where the Notes may be redeemed at any time, 90 days prior to the earliest date on which the Issuer would be obliged to pay such additional amounts if a payment in respect of the Notes were then due; or
- (2) where the Notes may be redeemed only on an Interest Payment Date, 60 days prior to the Interest Payment Date occurring immediately before the earliest date on which the Issuer would be obliged to pay such additional amounts if a payment in respect of the Notes were then due.

Prior to the publication of any notice of redemption pursuant to this paragraph, the Issuer shall deliver or procure that there is delivered to the Trustee (A) a certificate signed by an authorised signatory of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred and (B) an opinion of independent legal advisers of recognised standing to the effect that the Issuer has or will become obliged to pay such additional amounts as a result of such change or amendment.

The Trustee shall be entitled to accept such certificate and opinion as sufficient evidence of the satisfaction of the circumstances set out above, in which event they shall be conclusive and binding on the Noteholders.

Upon the expiry of any such notice as is referred to in this Condition 9(b), the Issuer shall be bound to redeem the Notes in accordance with this Condition 9(b).

(c) *Redemption at the option of the Issuer:* If the Call Option is specified in the relevant Final Terms as being applicable, the Notes may be redeemed at the option of the Issuer in whole or, if so specified in the relevant Final Terms, in part on any Optional Redemption Date (Call) at the relevant Optional Redemption Amount (Call) on the Issuer giving not less than 15 nor more than 30 days' notice (or such other period as shall be specified in the relevant Final Terms) to the Noteholders and not less than 15 days before the giving of the notice to the Noteholders notice to the Trustee and the Agent (which notices shall be irrevocable and shall oblige the Issuer to redeem the Notes or, as the case may be, the Notes specified in such notice on the relevant Optional Redemption Date (Call) at the Optional Redemption Amount (Call) plus accrued interest (if any)

to such date). If any Maximum Redemption Amount or Minimum Redemption Amount is specified in the relevant Final Terms, then the Optional Redemption Amount (Call) shall in no event be greater than the maximum or be less than the minimum so specified. The Optional Redemption Amount (Call) will be either, as specified in the applicable Final Terms, (i) if Make-Whole Redemption Amount is specified as being applicable in the applicable Final Terms, the relevant Make-Whole Redemption Amount or (ii) the specified percentage of the nominal amount of the Notes stated in the applicable Final Terms.

The Make-Whole Redemption Amount will be an amount equal to the higher of:

- (i) if "**Spens Amount**" is specified as being applicable in the applicable Final Terms, (i) 100 per cent. of the nominal amount outstanding of the Notes to be redeemed or (ii) the nominal amount outstanding of the Notes to be redeemed multiplied by the price, as reported to the Issuer and the Trustee by the Determination Agent, at which the Gross Redemption Yield on such Notes on the Reference Date is equal to the Gross Redemption Yield (determined by reference to the middle market price) at the Quotation Time on the Reference Date of the Reference Bond, plus the Redemption Margin; or

(ii) *Redemption (Restructuring Put Event or a Cross Put Event):*

If either:

Bearer Notes) or Condition 11 (in the case of Registered Notes). A Put Option Notice once given shall be irrevocable. (or such other amount as is specified in the relevant Final Terms) or less of the aggregate principal amount of the Notes originally issued (and, for these purposes, any further Notes issued pursuant to Condition 19 (*Further Issues*) and consolidated with the Notes as part of the same Series shall be deemed to have been originally issued) (the "**Clean-up Call Threshold**"), the Issuer may redeem all (but not some only) of the remaining outstanding Notes on any date (or, if the Floating Rate Note Provisions are specified in the relevant Final Terms as being applicable, on any Interest Payment Date) upon giving not less than 15 nor more than 30 days' notice to the Noteholders (or such other notice period as may be specified in the applicable Final Terms) (which notice shall specify the date for redemption and shall be irrevocable), at the Optional Redemption Amount (Clean-up Call) together with any accrued and unpaid interest up to (but excluding) the date of redemption.  - (ii) if the aggregate amount of the missing Coupons is greater than the amount of principal due for payment:
 - (A) so many of such missing Coupons shall become void (in inverse order of maturity) as will result in the aggregate amount of the remainder of such missing Coupons (the "**Relevant Coupons**") being equal to the amount of principal due for payment; **provided, however, that** where this sub-paragraph would otherwise require a fraction of a missing Coupon to become void, such missing Coupon shall become void in its entirety; and
 - (B) a sum equal to the aggregate amount of the Relevant Coupons (or, if less, the amount of principal due for payment) will be deducted from the amount of principal due for payment; **provided, however, that**, if the gross amount available for payment is less than the amount of principal due for payment, the

sum deducted will be that proportion of the aggregate amount of the Relevant Coupons (or, as the case may be, the amount of principal due for payment) which the gross amount actually available for payment bears to the amount of principal due for payment.

Each sum of principal so deducted shall be paid in the manner provided in paragraph (a) above against presentation and (**provided that** payment is made in full) surrender of the relevant missing Coupons.

- (f) *Unmatured Coupons void:* If the relevant Final Terms specifies that this Condition 10(f) is applicable or that the Floating Rate Note Provisions are applicable, on the due date for final redemption of any Note or early redemption in whole of such Note pursuant to Condition 9(b) (*Redemption for tax reasons*), Condition 9(e) (*Redemption at the option of Noteholders (Investor Put)*), Condition 9(c) (*Redemption at the option of the Issuer*) or Condition 13 (*Events of Default*), all unmatured Coupons relating thereto (whether or not still attached) shall become void and no payment will be made in respect thereof.
- (g) *Payments on business days:* If the due date for payment of any amount in respect of any Bearer Note or Coupon is not a Payment Business Day in the place of presentation, the Holder shall not be entitled to payment in such place of the amount due until the next succeeding Payment Business Day in such place and shall not be entitled to any further interest or other payment in respect of any such delay.

- (e) if the Issuer or any Material Subsidiary stops or threatens to stop payment generally or ceases or threatens to cease to carry on its business or substantially the whole of its business (except (i) a cessation or threatened cessation for the purpose of a reconstruction or amalgamation, the terms of which have previously been approved in writing by the Trustee or by an Extraordinary Resolution of the Noteholders, or (ii) in connection with the transfer of all or the major part of the business, undertaking and assets of any Material Subsidiary either to the Issuer or another Material Subsidiary or any Subsidiary of the Issuer which thereby becomes a Material Subsidiary, or (iii) by reason of a Permitted Disposal); or

In acting under the Agency Agreement and in connection with the Notes and the Coupons, the Agents act solely as agents of the Issuer and (to the extent provided therein) the Trustee and do not assume any obligations towards or relationship of agency or trust for or with any of the Noteholders or Couponholders.

The initial Agents and their initial Specified Offices are listed below. The initial Calculation Agent (if any) is specified in the relevant Final Terms. The Issuer reserves the right (with the prior approval of the Trustee) at any time to vary or terminate the appointment of any Agent and to appoint a successor paying agent or registrar or Calculation Agent and additional or successor paying agents; **provided, however, that:**

- (i) the Issuer shall at all times maintain a paying agent and a registrar; and
- (ii) if a Calculation Agent is specified in the relevant Final Terms, the Issuer shall at all times maintain a Calculation Agent; and
- (iii) if and for so long as the Notes are admitted to listing, trading and/or quotation by any competent authority, stock exchange and/or quotation system which requires the appointment of a Paying Agent and/or a Transfer Agent in any particular place, the Issuer shall maintain a Paying Agent and/or a Transfer Agent having its Specified Office in the place required by such competent authority, stock exchange and/or quotation system.

Notice of any change in any of the Agents or in their Specified Offices shall promptly be given to the Noteholders.

17. **Meetings of Noteholders; Modification and Waiver; Substitution**

- (a) *Meetings of Noteholders:* The Trust Deed contains provisions for convening meetings (including by way of conference call using an audio or video conference platform) of Noteholders to consider matters relating to the Notes, including the modification of any provision of these Conditions. Any such modification may be made if sanctioned by an Extraordinary Resolution. Such a meeting may be convened by the Issuer or by the Trustee and shall be convened by the Trustee upon the request in writing of Noteholders holding not less than five per cent. of the aggregate principal amount of the outstanding Notes. The quorum at any meeting convened to vote on an Extraordinary Resolution will be one or more Persons holding or representing not less than a clear majority of the aggregate principal amount of the outstanding Notes or, at any adjourned meeting, one or more Persons being or representing Noteholders whatever the principal amount of the Notes held or represented; **provided, however, that** Reserved Matters may only be sanctioned by an Extraordinary Resolution passed at a meeting of Noteholders at which one or more Persons holding or representing not less than two-thirds or, at any adjourned meeting, one-third of the aggregate principal amount of the outstanding Notes form a quorum. Any Extraordinary Resolution duly passed at any such meeting shall be binding on all the Noteholders and Couponholders, whether present or not.

Any such meeting of the Noteholders may be convened at a physical location, or such other method (which may include, without limitation, a conference call or video conference) as the Trustee may determine in accordance with the provisions of the Trust Deed.

In addition, a resolution in writing signed by or on behalf of all Noteholders who for the time being are entitled to receive notice of a meeting of Noteholders under the Trust Deed will take effect as if it were an Extraordinary Resolution. Such a resolution in writing may be contained in one document or several documents in the same form, each signed by or on behalf of one or more Noteholders.

- (b) *Modification and waiver:* The Trustee may, without the consent of the Noteholders, agree to any modification of these Conditions or the Trust Deed (other than in respect of a Reserved Matter) which is, in the opinion of the Trustee, proper to make if, in the opinion of the Trustee, such modification will not be materially prejudicial to the interests of Noteholders and to any

modification of the Notes or the Trust Deed which is of a formal, minor or technical nature or is to correct a manifest error.

In addition, the Trustee may, without the consent of the Noteholders, authorise or waive any proposed breach or breach of the Notes or the Trust Deed (other than a proposed breach or breach relating to the subject of a Reserved Matter) if, in the opinion of the Trustee, the interests of the Noteholders will not be materially prejudiced thereby.

Unless the Trustee agrees otherwise, any such authorisation, waiver or modification shall be notified to the Noteholders in accordance with Condition 20 (*Notices*) as soon as practicable thereafter.

- (c) *Substitution:* The Trustee may, without the consent of the Noteholders, agree with the Issuer, to the substitution in place of the Issuer (or of any previous substitute under this Condition 17 (*Meeting of Noteholders; Modification and Waiver; Substitution*)) as the principal debtor under the Notes, the Coupons and the Trust Deed of a Subsidiary of the Issuer, subject to (a) the Notes being unconditionally and irrevocably guaranteed by the Issuer, (b) the Trustee being satisfied that the interests of the Noteholders will not be materially prejudiced by the substitution and (c) certain other conditions set out in the Trust Deed being complied with.

18. **Enforcement**

The Trustee may at any time, at its discretion and without notice, institute such proceedings as it thinks fit to enforce its rights under the Trust Deed in respect of the Notes, but it shall not be bound to do so unless:

- (i) it has been so requested in writing by the Holders of at least one-fifth of the aggregate principal amount of the outstanding Notes or has been so directed by an Extraordinary Resolution; and
- (ii) it has been indemnified or provided with security to its satisfaction.

No Noteholder may proceed directly against the Issuer unless the Trustee, having become bound to do so, fails to do so within a reasonable time and such failure is continuing.

19. **Further Issues**

The Issuer may from time to time, without the consent of the Noteholders and in accordance with the Trust Deed, create and issue further notes having the same terms and conditions as the Notes in all respects (or in all respects except for the first payment of interest) so as to form a single series with the Notes. The Issuer may from time to time, with the consent of the Trustee, create and issue other series of notes having the benefit of the Trust Deed.

20. **Notices**

- (a) *Bearer Notes:* Notices to the Holders of Bearer Notes shall be valid if published in a leading English language daily newspaper published in London (which is expected to be the *Financial Times*) or, if such publication is not practicable, in a leading English language daily newspaper having general circulation in Europe. Any such notice shall be deemed to have been given on the date of first publication (or if required to be published in more than one newspaper, on the first date on which publication shall have been made in all the required newspapers). Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the Holders of Bearer Notes.
- (b) *Registered Notes:* Notices to the Holders of Registered Notes shall be sent to them by first class mail (or its equivalent) or (if posted to an overseas address) by airmail at their respective addresses on the Register or, if such publication is not practicable, in a leading English language daily newspaper having general circulation in Europe. Any such notice shall be deemed to have been given on the fourth day after the date of mailing.

21. **Currency Indemnity**

The Issuer shall indemnify the Trustee, the Agents, every Appointee, the Noteholders and the Couponholders and keep them indemnified against:

- (a) any Liability incurred by any of them arising from the non-payment by the Issuer of any amount due to the Trustee, the Agents or the holders of the Notes and the relative Couponholders under the Trust Deed by reason of any variation in the rates of exchange between those used for the purposes of calculating the amount due under a judgment or order in respect thereof and those prevailing at the date of actual payment by the Issuer; and
- (b) any deficiency arising or resulting from any variation in rates of exchange between (i) the date as of which the local currency equivalent of the amounts due or contingently due under the Trust Deed is calculated for the purposes of any bankruptcy, insolvency or liquidation of the Issuer, and (ii) the final date for ascertaining the amount of claims in such bankruptcy, insolvency or liquidation. The amount of such deficiency shall be deemed not to be reduced by any variation in rates of exchange occurring between the said final date and the date of any distribution of assets in connection with any such bankruptcy, insolvency or liquidation.

22. **Rounding**

For the purposes of any calculations referred to in these Conditions (unless otherwise specified in these Conditions or the relevant Final Terms), (a) all percentages resulting from such calculations will be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with 0.000005 per cent. being rounded up to 0.00001 per cent.), (b) all United States dollar amounts used in or resulting from such calculations will be rounded to the nearest cent (with one half cent being rounded up), (c) all Japanese Yen amounts used in or resulting from such calculations will be rounded downwards to the next lower whole Japanese Yen amount, and (d) all amounts denominated in any other currency used in or resulting from such calculations will be rounded to the nearest two decimal places in such currency, with 0.005 being rounded upwards.

23. **Governing Law and Jurisdiction**

- (a) *Governing law:* The Notes and the Trust Deed and all non-contractual obligations arising out of or in connection with the Notes and the Trust Deed are governed by English law.
- (b) *Jurisdiction:* The Issuer has in the Trust Deed (i) agreed that the courts of England shall have exclusive jurisdiction to settle any dispute (a "**Dispute**") arising out of or in connection with the Notes or the Trust Deed (including a dispute relating to any non-contractual obligation arising out of or in connection with the Notes or the Trust Deed) and (ii) agreed that those courts are the most appropriate and convenient courts to settle any Dispute and, accordingly, that it will not argue that any other courts are more appropriate or convenient. The Trust Deed also states that nothing contained in the Trust Deed prevents the Trustee or any of the Noteholders from taking proceedings relating to a Dispute ("**Proceedings**") in any other courts with jurisdiction and that, to the extent allowed by law, the Trustee or any of the Noteholders may take concurrent Proceedings in any number of jurisdictions.

PART A – CONTRACTUAL TERMS

The Prospectus referred to below (as completed by these Final Terms) has been prepared on the basis that any offer of Notes in the UK will be made pursuant to an exemption under the UK Prospectus Regulation from the requirement to publish a prospectus for offers of the Notes. Accordingly, any person making or intending to make an offer in the UK of the Notes may only do so in circumstances in which no obligation arises for the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the UK Prospectus Regulation or supplement a prospectus pursuant to Article 23 of the UK Prospectus Regulation, in each case, in relation to such offer. Neither the Issuer nor any Dealer have authorised, nor do they authorise, the making of any offer of Notes in circumstances in which an obligation arises for the Issuer or any Dealer to publish or supplement a prospectus for such offer.

This document must be read in conjunction with the Base Prospectus dated 13 June 2025 [and the supplement(s) to it dated [•]] (the "**Base Prospectus**"). Copies of the Base Prospectus [and the supplemental Base Prospectus(es)] may be obtained during normal business hours from the registered office of the Issuer and from the specified office of the Principal Paying Agent in London.

(The following alternative language applies if the first tranche of an issue which is being increased was issued under a base prospectus with an earlier date and either (1) the Notes which are the subject of the Final Terms are not being (a) offered to the public in the UK (other than pursuant to one or more of the exemptions set out in Article 1.4 of the UK Prospectus Regulation) or (b) admitted to trading on a regulated market in the UK or (c) admitted to listing or (2) the Conditions (as defined in the next paragraph) do not contain, by comparison with the Base Prospectus, any "significant new factor" within the meaning of Article 23.1 of the UK Prospectus Regulation. If neither (1) nor (2) applies the Issuer will need to consider effecting the issue by means of a supplement to the Base Prospectus or a standalone prospectus rather than by Final Terms.)

Terms used herein shall be deemed to be defined as such for the purposes of the Conditions (the "**Conditions**") set forth in the Base Prospectus [dated [original date] which are incorporated by reference in the Base Prospectus].

(The following alternative language applies if the first tranche of an issue which is being increased was issued under a base prospectus with an earlier date and the relevant terms and conditions from that base prospectus with an earlier date were incorporated by reference in this Base Prospectus.)

USE OF PROCEEDS

The Issuer will use the net proceeds from Notes issued by it for its general corporate purposes, or as may otherwise be disclosed in the applicable Final Terms. In particular, if so specified in the applicable Final Terms, the Issuer will apply the net proceeds from an offer of Notes specifically for Sustainable Projects. Such Notes may also be referred to as "**Sustainable Bonds**".

On 8 July 2022, the Issuer published its sustainable financing framework (the "**Sustainable Financing Framework**"). The Sustainable Financing Framework is available at <https://www.compass-group.com/en/investors/debt-investors/sustainable-financing.html>.

The Issuer appointed Carbon Trust Assurance Limited to assess the sustainability of the Sustainable Financing Framework by providing the opinion dated 7 July 2022 (the "**Second Party Opinion**"). Carbon Trust Assurance Limited has reviewed the content of the Sustainable Financing Framework and its alignment with the International Capital Market Association's ("**ICMA**") ICMA Sustainability Bond Guidelines (June 2021), with reference to the ICMA 'Green Bond Principles, Voluntary Process Guidelines for Issuing Green Bonds' (June 2021) and ICMA 'Social Bond Principles, Voluntary Process Guidelines for Issuing Social Bonds' (June 2021), APLMA/LMA/LSTA Green Loan Principles (February 2021) and APLMA/LMA/LSTA Social Loan Principles (April 2021). The Second Party Opinion is available at <https://www.compass-group.com/en/investors/debt-investors/sustainable-financing.html>.

Any information on, or accessible through, the Issuer's website and the information in such opinions or reports (including allocation, impact and/or verification reports) or any past, current, future or amended Sustainable Financing Framework or Second Party Opinion does not form part of the Base Prospectus and should not be relied upon in connection with making any investment decision with respect to any Notes to be issued under the Programme. In addition, no assurance or representation is given by the Issuer, the Arranger, the Dealers, the Trustee and/or the Second Party Opinion provider or any other person as to the suitability or reliability for any purpose whatsoever of the Second Party Opinion or any opinion, report or certification of any third-party in connection with the Sustainable Bonds or the offering of any such bonds under the Programme whether now or in the future.

The Second Party Opinion provides an opinion on certain environmental and related considerations and is a statement of opinion, not a statement of fact. The Second Party Opinion and any other such opinion or certification is not intended to address any credit, market or other aspects of any investment in any Notes, including without limitation market price, marketability, investor preference or suitability of any security or any other factors that may affect the value of the Notes. The Second Party Opinion or any other opinion or certification is not a recommendation by the Issuer, the Arranger, the Dealers or any other person to buy, sell or hold any such Notes and is current only as of the date it was issued.

Prospective investors must determine for themselves the relevance of any such opinion or certification and/or the information contained therein. Any such opinion, report or certification and any other document related thereto is not, nor shall it be deemed to be, incorporated in and/or form part of this Base Prospectus.

None of the Dealers have reviewed the Second Party Opinion, the Sustainable Financing Framework or any other green, social or sustainability framework prepared by the Group. Both the Second Party Opinion and the Sustainable Financing Framework may also be subject to review and change and may be amended, updated, supplemented, replaced and/or withdrawn from time to time and any subsequent version(s) may differ from any description given in this Base Prospectus. Additionally, none of the Dealers or the Arranger are responsible for the use or allocation of the proceeds for any Notes issued as Sustainable Bonds, nor the impact, verification or monitoring of such use of proceeds.

Business Overview

The Group's core focus is the provision of outsourced food services and targeted support services to five key market sectors. The Group aims to create bespoke, innovative and cost effective solutions through its unique sectorised approach to the market. By understanding what is important to its clients, the Group seeks to address their unique needs and create long-lasting partnerships. The Group operates on a decentralised basis, enabling an entrepreneurial approach by local country management teams.

Management believes that the Group has a strong financial foundation with a low level of leverage which means the Group can invest in growth, enabling its businesses to innovate their offer, and evolve their operating model. Management consider that the Group's financial strength also attracts new clients seeking stability and long-term outsourcing solutions and that the Group's scale enables its businesses to pass on purchasing benefits to clients and consumers by offering quality products at more attractive prices. Management also consider that purchasing from local and diverse suppliers and social enterprises enables greater reinvestment into local communities. The Group has targeted climate net zero greenhouse gas emissions by 2050 alongside validated science-based targets to reduce emissions by 2030 (from a 2019 base year) in line with the Paris Agreement and has made reducing food waste a Group priority.

The Group prioritises investment in capital expenditure to support organic growth in both new business wins and retention of existing contracts, and bolt-on M&A opportunities that strengthen its capabilities and broaden its exposure.

People, Performance and Purpose

The Group endeavours to manage its business with a disciplined focus on People, Performance and Purpose as its main strategic priorities. The People pillar is focused on ensuring the Group creates opportunities for its employees and positively impacts and represents the communities in which it operates. The Performance pillar is focused on delivering long-term valued relationships. The Group drives operational efficiency via the Management and Performance ("**MAP**") framework (see further below), while continuing to focus on delivering innovative, healthy and exciting food service solutions for clients and consumers. The Purpose pillar addresses the Group's social and environmental responsibilities. The Group continually aims to seek ways to be more socially and environmentally responsible.

Market sectors

The Group segments its markets into the following five sectors: Business & Industry; Education; Healthcare & Senior Living; Sports & Leisure; and Defence, Offshore & Remote. The Group considers that its sector and sub-sector portfolio enables the operating businesses to focus on the different requirements of and to create bespoke solutions for its clients:

Business & Industry

In this sector the Group works with a diverse range of clients including in the financial, legal, technology and manufacturing sectors. The Group's scale, flexible operating models and digital capabilities help it to tailor its dining solutions to each client.

In addition, the Group can deliver a range of hospitality-led services.

Sector brands include: Eurest, Restaurant Associates, Bon Appétit, Flik, Canteen and ESFM.

Healthcare & Senior Living

In this sector the Group works directly with healthcare providers and aims to prepare food that improves patient and senior living experiences – from restaurant-style cafés to in-room patient dining and specialist feeding. The Group also provides a range of bespoke support services such as patient transportation and laundry and linen services.

Sector brands include: Medirest, Crothall, Morrison and Unidine.

Education

Within the Education sector the Group provides healthy, balanced meals right through the learning journey, from nurseries to universities. The Group's catering solutions come in multiple formats, from traditional onsite dining to vending and delivery or takeaway options.

The Group can also provide tailored support service packages along with the dining solutions such as cleaning and waste management.

Sector brands include: Chartwells, Bon Appétit, SSC and Flik.

Sports & Leisure

The Group aims to enhance customer experiences, providing food, beverages and hospitality across large stadiums, conference venues, museums and galleries.

Sector brands include: Levy and Restaurant Associates.

Defence, Offshore & Remote

In the remote and offshore sector, the Group provides food and support services to many major oil, gas, mining and construction companies. The Group aims to provide uninterrupted support, however challenging the operating conditions.

In the defence sector, the Group targets operations outside of areas of conflict.

Sector brand: ESS Support Services Worldwide.

Consumer brands

The Group maintains and develops its portfolio of consumer-facing brands which have been acquired and scaled over time. To complement the Group's in-house brands in certain markets and countries, the Group leverages its scale to operate major "high-street" consumer brands from its clients' premises. These are normally operated on a franchise basis, which enables the Group to combine its market expertise and service skills with the consumer awareness of such brands.

Clients

As noted above, the Group has a diverse sector portfolio, and a wide ranging client base.

Contracts with clients are principally based on a cost-plus, profit and loss or fixed price model. Input cost increases are mitigated wherever possible with some pricing passed on to clients under the various contract structures. The cost-plus model is the easiest to pass through price followed by the profit and loss model which enables the Group to change consumer prices subject to competitive pressure. Cost

increases under the fixed price contracts are typically linked to contractual indexation clauses which are reviewed at various intervals as specified in the client terms.

Geographical Diversification

The Group has a geographically and culturally diverse business with operations in around 30 countries in North America, Europe and Asia Pacific.

The Group's operations are managed on a country-by-country basis. Until 30 September 2024, the Group reported performance through three regions: North America; Europe and Rest of World. Based on the twelve months ended 30 September 2024, North America accounted for 68 per cent. of underlying revenue, Europe accounted for 23 per cent. and Rest of World accounted for 9 per cent.

With effect from 1 October 2024, the Group's internal management reporting structure has been changed to combine Rest of World with Europe to form a new International region.

Management and Performance framework

The Group uses its MAP framework to drive performance across the business. MAP is a simple framework which is embedded in the Group's culture and allows it to ensure all employees are focused on the same set of performance drivers, which are:

Client Sales and Marketing (MAP 1): This is about winning new business and retaining the Group's existing clients. The Group invests in sales and retention and is increasingly sectorising and sub-sectorising its businesses around the world to allow it to get closer to clients.

Consumer Sales and Marketing (MAP 2): Like-for-like revenue consists of both volume and price, the Group is focused on attracting and satisfying its client base with strong consumer propositions.

Cost of Food (MAP 3): Food makes up around one-third of the Group's costs. In addition to the benefits of its scale in food procurement, the Group aims to manage food costs through careful menu planning and by rationalising the number of products it buys.

In-unit Costs (MAP 4): In-unit costs are made up predominantly of labour. By using labour scheduling techniques and improving productivity, the Group aims to deliver the optimum level of service in the most efficient way.

Above-unit Overheads (MAP 5): The Group has a simple organisational model with few layers of management and little bureaucracy, which enables it to keep overheads low whilst it continues to aim to grow revenue.

The MAP framework has been highly successful in delivering and improving financial performance.

Market Opportunity

Based on Management estimates, the Group believes that the addressable global food services market is worth approximately U.S.\$320 billion, of which the Group has less than a 15 per cent. market share. The Group further believes that this provides a significant runway for growth, with nearly three-quarters of the market still self-operated or in the hands of regional players.

Invesco Limited	4.95 per cent.
Massachusetts Financial Services Company	4.60 per cent.

The Issuer is not aware of any arrangement the effect of which would result in a change of control of the Issuer.

Litigation

The Group is involved in various legal proceedings incidental to the nature of its business and maintains insurance cover to reduce financial risk associated with claims related to these proceedings. Where appropriate, provisions are made to cover any potential uninsured losses.

Although it is not possible to predict the outcome or quantify the financial effect of these proceedings, or any claim against the Group related thereto, in the opinion of the directors of the Issuer, any uninsured losses resulting from the ultimate resolution of these matters will not have a material effect on the financial position of the Group. The timing of the settlement of these proceedings or claims is uncertain.

The international corporate tax environment remains complex and the sustained increase in audit activity from tax authorities means that the potential for tax uncertainties and disputes remains high. The Group is currently subject to audits and reviews in a number of countries that primarily relate to complex corporate tax issues. None of these audits is currently expected to have a material impact on the Group's financial position. The Group continues to engage with tax authorities and other regulatory bodies on payroll and sales tax reviews, and compliance with labour laws and regulations. Further information on the tax audits and reviews is included in Note 6 (Tax) and Note 30 (Contingent liabilities) to the audited consolidated financial statements of the Issuer for the financial year ended 30 September 2024 (incorporated by reference herein) as well as Note 4 (Tax) and Note 10 (Contingent Liabilities – Litigation and claims) of the condensed consolidated financial statements of the Issuer for the six months ended 31 March 2025 (incorporated by reference herein).

In the ordinary course of business, food safety incidents are identified from time to time and the Group's businesses' operations receive external reviews of their food hygiene and safety practices, both on a periodic basis and in connection with identified incidents. At any point, a number of reviews will be ongoing. Although it is not possible to predict the outcome or quantify the financial effect of the outcome of these reviews, or any claim against Group companies related thereto, in the opinion of the directors of the Issuer, any uninsured losses resulting from the ultimate resolution of these ongoing reviews are not expected to have a material effect on the financial position of the Group. The timing of the outcome of these reviews is generally uncertain.

Material Contracts

The Group has not entered into any material contracts in areas outside of its ordinary course of business which could result in any member of the Group being under an obligation or an entitlement that is material to the Issuer's ability to meet its obligations to holders of the Notes issued under the Programme.

TAXATION

The tax laws of the investor's state and of the Issuer's state of incorporation and/or tax residence might have an impact on the income received from the securities. Prospective purchasers of Notes should consult their own tax advisers as to which countries' tax laws could be relevant to acquiring, holding and disposing of Notes and receiving payments of interest, principal and/or other amounts under the Notes and the consequences of such actions under the tax laws of those countries.

United Kingdom Taxation

A Introduction

The following is a summary of the United Kingdom withholding taxation treatment at the date hereof in relation to payments of principal and interest in respect of the Notes. It is based on the current law and the published practice of His Majesty's Revenue and Customs ("**HMRC**"), which may be subject to change, sometimes with retrospective effect. The comments do not deal with other United Kingdom tax aspects of acquiring, holding or disposing of Notes. The comments relate only to the position of persons who are absolute beneficial owners of the Notes and Coupons. They assume there will be no substitution of the Issuer and do not consider the tax consequences of any such substitution.

Prospective Noteholders should be aware that the particular terms of issue of any series of Notes as specified in the relevant Final Terms may affect the tax treatment of that and other series of Notes. The following is a general guide for information purposes and should be treated with appropriate caution. It is not intended as tax advice, and it does not purport to describe all of the tax considerations that may be relevant to a prospective Noteholder. Noteholders who are in any doubt as to their tax position should consult their professional advisers. Noteholders who may be liable to taxation in jurisdictions other than the United Kingdom in respect of their acquisition, holding or disposal of the Notes are particularly advised to consult their professional advisers as to whether they are so liable (and if so under the laws of which jurisdictions), since the following comments relate only to certain United Kingdom taxation aspects of payments in respect of the Notes. In particular, Noteholders should be aware that they may be liable to taxation under the laws of other jurisdictions in relation to payments in respect of the Notes even if such payments may be made without withholding or deduction for or on account of taxation under the laws of the United Kingdom.

B United Kingdom Withholding Tax on United Kingdom Source Interest

UK Notes listed on a recognised stock exchange

Any Notes which carry a right to interest which are considered to have a United Kingdom source ("**UK Notes**") will constitute "quoted Eurobonds" (within the meaning of section 987 of the Income Tax Act 2007 (the "**Act**")) provided they are and continue to be listed on a recognised stock exchange (within the meaning of section 1005 of the Act as it applies for the purposes of section 987 of the Act) or admitted to trading on a multilateral trading facility operated by a regulated recognised stock exchange (within the meaning of section 987 of the Act). Whilst the UK Notes are and continue to be quoted Eurobonds, payments of interest on the UK Notes may be made without withholding or deduction for or on account of United Kingdom income tax.

Securities will be "listed on a recognised stock exchange" for this purpose if they are admitted to trading on an exchange designated as a recognised stock exchange by an order made by the Commissioners for HMRC and either they are included in the United Kingdom official list (within the meaning of Part 6 of the Financial Services and Markets Act 2000) or they are officially listed, in accordance with provisions corresponding to those generally applicable in European Economic Area states, in a country outside the United Kingdom in which there is a recognised stock exchange.

The London Stock Exchange is a recognised stock exchange, and accordingly the UK Notes will constitute quoted Eurobonds provided they are and continue to be included in the United Kingdom official list and admitted to trading on the Main Market of that exchange.

In all cases falling outside the exemption described above, interest on the Notes may fall to be paid under deduction of United Kingdom income tax at the basic rate (currently 20 per cent.), subject to such relief or other exemption as may be available. However, this withholding will not apply if the relevant interest is paid on Notes with a maturity date of less than one year from the date of issue and which are not issued

under arrangements the effect of which is to render such Notes part of a borrowing with a total term of a year or more.

The above description of the United Kingdom withholding tax position assumes that there will be no substitution of the Issuer pursuant to Condition 17(c) of the Notes or otherwise and does not consider the tax consequences of any such substitution.

C Other Rules Relating to United Kingdom Withholding Tax

1. Where interest has been paid under deduction of United Kingdom income tax, Noteholders who are not resident in the United Kingdom may be able to recover all or part of the tax deducted if there is an appropriate provision in any applicable double taxation treaty.
2. The references to "interest" in A, B and C above mean "interest" as understood in United Kingdom tax law and in particular any premium element of the redemption amount of any Notes redeemable at a premium may constitute a payment of interest subject to the withholding tax provisions discussed above. In certain cases, the same could be true for amounts of discount where Notes are issued at a discount.
3. The statements in A, B and C above do not take any account of any different definitions of "interest" or "principal" which may prevail under any other law, or which may be created by the terms and conditions of the Notes or any related documentation.
4. Where a payment on a Note does not constitute (or is not treated as) interest for United Kingdom tax purposes, and the payment has a United Kingdom source, it would potentially be subject to United Kingdom withholding tax if, for example, it constitutes (or is treated as) an annual payment or a manufactured payment for United Kingdom tax purposes (which will be determined by, amongst other things, the terms and conditions specified by the Final Terms of the Note). In such a case, the payment may fall to be made under deduction of United Kingdom income tax at the relevant rate, subject to such relief as may be available following a direction from HMRC pursuant to the provisions of any applicable double taxation treaty, or to any other exemption which may apply.

FATCA

Pursuant to certain provisions of the U.S. Internal Revenue Code of 1986, commonly known as FATCA, a **"foreign financial institution"** may be required to withhold on certain payments it makes (**"foreign passthru payments"**) to persons that fail to meet certain certification, reporting, or related requirements. A number of jurisdictions (including the United Kingdom) have entered into, or have agreed in substance to, intergovernmental agreements with the United States to implement FATCA (**"IGAs"**), which modify the way in which FATCA applies in their jurisdictions. Under the provisions of IGAs as currently in effect, a foreign financial institution in an IGA jurisdiction would generally not be required to withhold under FATCA or an IGA from payments that it makes. Certain aspects of the application of the FATCA provisions and IGAs to instruments such as the Notes, including whether withholding would ever be required pursuant to FATCA or an IGA with respect to payments on instruments such as the Notes, are uncertain and may be subject to change. Even if withholding would be required pursuant to FATCA or an IGA with respect to payments on instruments such as the Notes, such withholding would not apply prior to the date that is two years after the date on which final regulations defining foreign passthru payments are published in the U.S. Federal Register and Notes characterised as debt (or which are not otherwise characterised as equity and have a fixed term) for U.S. federal tax purposes that are issued on or prior to the date that is six months after the date on which final regulations defining foreign passthru payments are filed with the U.S. Federal Register would generally be "grandfathered" for purposes of FATCA withholding unless materially modified after such date (including by reason of a substitution of an Issuer). Holders should consult their own tax advisors regarding how these rules may apply to their investment in the Notes. In the event any withholding would be required pursuant to FATCA or an IGA with respect to payments on the Notes, no person will be required to pay additional amounts as a result of the withholding.

The Proposed Financial Transactions Tax ("FTT")

On 14 February 2013, the European Commission published a proposal (the **"Commission's Proposal"**) for a Directive for a common FTT in Belgium, Germany, Estonia, Greece, Spain, France, Italy, Austria,

Portugal, Slovenia and Slovakia (other than Estonia, the "**participating Member States**"). However, Estonia has since stated that it will not participate.

The Commission's Proposal has very broad scope and could, if introduced, apply to certain dealings in Notes (including secondary market transactions) in certain circumstances. Primary market transactions referred to in Article 5(c) of Regulation (EC) No 1287/2006 are expected to be exempt.

The Commission's Proposal has not yet been implemented. However, the Commission has stated that if no agreement was reached by the participating Member States by the end of 2022, the Commission would make new proposals. The Commission stated that it would endeavour to make any such proposals by June 2024, with a view to introduction on 1 January 2026. However, at the current time the status of the participating Member States' negotiations, and the scope and timing of any new proposals by the Commission, remain unclear.

Prospective holders of Notes are advised to seek their own professional advice in relation to the FTT.

SUBSCRIPTION AND SALE

Notes may be sold from time to time by the Issuer to Citigroup Global Markets Limited (as a "**Permanent Dealer**") and together with any new dealers, the "**Dealers**"). The arrangements under which Notes may from time to time be agreed to be sold by the Issuer to, and purchased by, Dealers are set out in an amended and restated Dealer Agreement dated 13 June 2025 (as further amended or supplemented from time to time, the "**Dealer Agreement**") and made between the Issuer and the Dealers. Any such agreement will, *inter alia*, make provision for the form and terms and conditions of the relevant Notes, the price at which such Notes will be purchased by the Dealers and the commissions or other agreed deductibles (if any) payable or allowable by the Issuer in respect of such purchase. The Dealer Agreement makes provision for the resignation or termination of appointment of existing Dealers and for the appointment of additional or other Dealers either generally in respect of the Programme or in relation to a particular Tranche of Notes.

The relevant Dealers will be entitled in certain circumstances to be released and discharged from their obligations in respect of a proposed issue of Notes under or pursuant to the Dealer Agreement prior to the closing of the issue of such Notes, including in the event that certain conditions precedent are not delivered or met to their satisfaction on or before the issue date of such Notes. In this situation, the issuance of such Notes may not be completed. Investors will have no rights against the Issuer or the relevant Dealers in respect of any expense incurred or loss suffered in these circumstances.
