

Colombian Superintendent of Finance Issues Notice of a Competing Public Tender Offer for Mineros Shares, Halts Trading on Colombia Stock Exchange

MEDELLIN, Colombia--(BUSINESS WIRE)--February 24, 2025--Mineros S.A. (TSX:MSA, MINEROS:CB) (“**Mineros**” or the “**Company**”) announces that the Colombian Superintendent of Finance (“**SFC**”) has issued a public notice (the “**SFC Notice**”) announcing the submission to the SFC of an application to make a competing public tender offer in Colombia to acquire between 0.00000028% and 9% of the issued and subscribed ordinary shares of Mineros (“**Mineros Shares**”) through the facilities of the Colombia Stock Exchange (“**BVC**”) at an offering price of Colombian peso \$4,835 per share, equivalent to approximately CAD\$1.69, payable in cash in Colombian pesos or U.S. dollars (the “**Competing Offer**”).

In accordance with Colombian laws, trading in Mineros Shares on the BVC was halted upon the issuance of the SFC Notice, and will remain suspended until the day following the first publication of the offer notice. The Company does not expect trading in Mineros Shares on the TSX to be halted.

In accordance with Colombian laws regulating public tender offers, the SFC Notice was issued following the receipt by the SFC of notice of the offeror’s intention to make the Competing Offer, together with supporting documentation for review. The Offer cannot be made or accepted by shareholders until it is approved by the SFC and additional prescribed requirements are satisfied. Receipt of SFC approval will be contingent on the offeror satisfying the SFC that the Competing Offer complies with applicable regulations, and complying with certain formalities, including providing a performance guarantee covering a certain percentage of the aggregate purchase price for the Mineros Shares that are the subject of the Offer. The BVC announced that Negocios y Representaciones S.A.S. has submitted such a draft performance guarantee in connection with the Competing Offer.

The Competing Offer must go through the same authorization procedure established for public tender offers and is governed by the same conditions, in addition to those specified in Article 6.15.2.1.14 of Decree 2555 of 2010. Colombian laws require the offeror to publish notice of the Competing Offer no later than two business days before the deadline for acceptances of the preceding tender offer commenced by Sun Valley Investments A.G. Once the first notice of the Competing Offer has been published, any acceptances of the preceding offer will automatically be considered as acceptances of the Competing Offer.
