SMITHE RESOURCES CORP.
Management Discussion and Analysis
Three and six months ended October 31, 2024
(Expressed in Canadian Dollars)

This Management Discussion and Analysis (the "MD&A") provides relevant information on the operations and financial condition of Smithe Resources Corp. (the "Company") for the three and six months ended October 31, 2024. The MD&A has been prepared with an effective date and current information as of December 23, 2024.

All monetary amounts in this MD&A and in the unaudited condensed interim financial statements are expressed in Canadian dollars, unless otherwise stated. Financial results are being reported in accordance with IFRS Accounting Standards ("IFRS") as issued by the International Accounting Standards Board ("IASB").

The Company's certifying officers, based on their knowledge, having exercised reasonable diligence, are also responsible to ensure that these filings do not contain any untrue statement of material fact or omit to state a material fact required to be stated or that is necessary to make a statement not misleading in light of the circumstances under which it was made, with respect to the period covered by these filings, and the unaudited condensed interim financial statements together with other financial information included in these filings. The Board of Directors approves the unaudited condensed interim financial statements and MD&A and ensures that management has discharged its financial responsibilities.

The MD&A should be read in conjunction with the Company's unaudited condensed interim financial statements and notes thereto for the three and six months ended October 31, 2024 and audited financial statements for the year ended April 30, 2024.

The Company is registered in the province of British Columbia. The head office and registered office of the Company is located at 1500 – 1055 West Georgia Street, Vancouver, British Columbia, Canada, V6E 4N7.

NATURE OF BUSINESS

The Company was incorporated pursuant to the provisions of the *Business Corporations Act* (British Columbia) on February 17, 2021. The Company is a Capital Pool Company (a "CPC") as defined in Policy 2.4 of the TSX Venture Exchange (the "Exchange"). The Company has not commenced commercial operations and proposes to identify and evaluate potential acquisitions of businesses, and once identified and evaluated, to negotiate an acquisition or participation subject to receipt of regulatory approval.

On October 21, 2021, the Company completed its initial public offering (the "IPO") of 5,000,000 common shares at the price of \$0.10 per common share. The common shares of the Company commenced trading on the Exchange on October 25, 2021 under the trading symbol "SMTH.P".

Until completion of a Qualifying Transaction (as defined in Exchange Policy 2.4), the Company will not carry on any business other than the identification and evaluation of businesses or assets with a view to completing a potential Qualifying Transaction. With the consent of the Exchange, this may include the raising of additional funds in order to finance an acquisition. Except as described in the Company's Final Prospectus, the funds raised pursuant to the Company's initial public offering and any subsequent financing will be utilized only for the identification and evaluation of potential Qualifying Transactions and not for any deposit, loan or direct investment in a potential acquisition.

There is no assurance that the Company will identify an appropriate business or asset for acquisition or investment and even if so identified and warranted, it may not be able to finance such acquisition or investment. Additional funds may be required to enable the Company to pursue such an initiative and the Company may be unable to obtain such financing on terms which are satisfactory to it. Furthermore, there is no assurance that the business or asset acquired will be profitable.

(Expressed in Canadian Dollars)

The unaudited condensed interim financial statements have been prepared on a going concern basis, meaning the Company will be able to realize its assets and discharge its liabilities in the normal course of operations. The continuing operations of the Company are dependent upon its ability to identify, evaluate, negotiate and complete a Qualifying Transaction.

PROPOSED TRANSACTIONS

On December 15, 2023, the Company entered into a letter of intent with MeetAmi Innovations Inc. ("MeetAmi"), in respect of a proposed business combination which would result in MeetAmi becoming a wholly-owned subsidiary of the Company (the "Proposed Transaction"). It was anticipated that the proposed transaction will constitute the Company's Qualifying Transaction in accordance with Policy 2.4 – *Capital Pool Companies of the Exchange*. In accordance with the terms of the letter of intent, the Company advanced a non-interest bearing deposit in the amount of \$25,000 to MeetAmi. On March 11, 2024 the Company terminated the letter of intent and determined not to proceed with the transaction as a result of market conditions. The parties have no further obligations under the letter of intent, except that the \$25,000 deposit remains owing by MeetAmi to the Company. During the year ended April 30, 2024, the Company wrote off the deposit based on the assessment of its collectability.

DISCUSSION OF OPERATIONS

As at the date of the MD&A, the Company has not completed its Qualifying Transaction and all business activity was directed towards the identification of a Qualifying Transaction.

The Company's expenditures will include costs to maintain a public company in good standing and expenses to identify and evaluate acquisitions of companies, businesses, assets or properties. Public company costs include professional fees for audit and legal, transfer agent fees, Exchange listing and filing fees and costs of preparing, printing and filing continuous disclosure documents.

SMITHE RESOURCES CORP.
Management Discussion and Analysis
Three and six months ended October 31, 2024
(Expressed in Canadian Dollars)

For the period ended October 31, 2024, cash used in operating activities was \$24,196, compared to \$22,623 in the same period last year. The increase in cash used in operating activities in the current period relates timing differences in the payment of accounts payable.

The Company utilizes existing cash and the issuance of common shares to provide liquidity to the Company. The Company's primary objective with respect to its capital management is to ensure that it has sufficient cash resources to fund the identification and evaluation of potential acquisitions. To secure the additional capital necessary to pursue the plans of identifying and completing a Qualifying Transaction, the Company may attempt to raise additional funds through the issuance of equity or by securing strategic partners.

The Company has no long-term debt obligations.

TRANSACTION WITH RELATED PARTIES

Key management personnel include those persons having the authority and responsibility of planning, directing and executing the activities of the Company. The Company has determined that its key management personnel consist of its Executive Officers and Directors. Other related parties to the Company include companies in which key management have control or significant influence. Key management personnel receive no salaries, non-cash benefits (other than incentive stock options), or other remuneration directly from the Company.

OFF-BALANCE SHEET ARRANGEMENTS

As at October 31, 2024, and up to the date of this MD&A, the Company does not have any off-balance sheet arrangements.

CRITICAL ACCOUNTING ESTIMATES

The preparation of unaudited condensed interim financial statements in conformity with IFRS requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the balance sheet date and the reported amounts of revenues and expenses during the period. It is management's opinion that there are no significant estimates that affected the reported amounts as at or for the period ended October 31, 2024.

CHANGES IN ACCOUNTING POLICIES INCLUDING INITIAL ADOPTION

There were no changes in the Company's material accounting policies during the period ended October 31, 2024 that had a material effect on its unaudited condensed interim financial statements. The Company's material accounting policies are disclosed in the unaudited condensed interim financial statements for the period ended October 31, 2024.

RISK MANAGEMENT AND FINANCIAL INSTRUMENTS

The Company's risk exposure and the impact on the Company's financial instruments are summarized below.

(a) Credit risk

Credit risk is the risk that one party to a financial instrument will fail to discharge an obligation and cause the other party to incur a financial loss. Concentration of credit risk exists with respect to the Company's cash, as all amounts are held at a single major Canadian financial institution. The Company's maximum exposure to credit risk, as at year-end, is the carrying value of its financial assets.

Credit risk is minimized by ensuring that these financial assets are placed with a major Canadian financial institution with a strong investment-grade rating by a primary ratings agency.

(b) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in satisfying financial obligations as they become due. The Company manages its liquidity risk by forecasting cash flows from operations and anticipated investing and financing activities. The Company's objective in managing liquidity risk is to maintain sufficient readily available reserves in order to meet its liquidity requirements. All of the Company's financial liabilities are classified as current and are anticipated to mature within the next fiscal year.

(c) Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate due to changes in market prices. Market risk comprises three types of risk: interest rate risk, foreign currency risk and other price risk. The Company is not exposed to significant market risk.

CAPITAL MANAGEMENT

The Company is a CPC and considers items included in shareholders' equity as capital. The Company has no long-term debt.

The Company's primary objective with respect to its capital management is to ensure that it has enough cash resources to fund the identification and evaluation of potential acquisitions. To secure the additional capital necessary to pursue the plans of identifying and completing a Qualifying Transaction, the Company may attempt to raise additional funds through the issuance of equity or by securing strategic partners.

The Company is not subject to any externally imposed capital requirements and does not presently utilize any quantitative measures to monitor its capital. There has been no change to the Company's capital management practices since incorporation.

FORWARD LOOKING STATEMENTS

Certain statements contained in this MD&A, including statements or information that contain terminology such as "anticipate", "believe", "intend", "expect", "estimate", "may", "could", "will", and similar expressions constitute "forward-looking statements" within the meaning of applicable Canadian securities legislation. All statements, other than statements of historical fact, that address activities, events, or developments that we or a third party expect or anticipate will or may occur in the future, including our future growth, results of operations, performance and business prospects and opportunities are forward-looking statements.

SMITHE RESOURCES CORP.
Management Discussion and Analysis
Three and six months ended October 31, 2024
(Expressed in Canadian Dollars)

These forward-looking statements reflect our current beliefs and are based on information currently available to us. These statements require us to make assumptions we believe are reasonable and are subject to inherent risks and uncertainties. Actual results and developments may differ materially from the results and developments discussed in the forward-looking statements as certain of these risks and uncertainties are beyond our control.

Examples of such forward-looking statements in this MD&A include, but are not limited to, our ability to complete a Qualifying Transaction at all, or if completed, on terms that are ultimately beneficial to shareholders. These forward-looking statements are based on a number of assumptions that may prove to be incorrect, which include, but are not limited to:

- our ability to obtain necessary financing to complete a Qualifying Transaction;
- our ability to satisfy conditions under any acquisition agreement for a Qualifying Transaction; and
- meeting the conditions of the Exchange with respect to the Qualifying Transaction.

Consequently, all of the forward-looking statements made in this MD&A are qualified by these cautionary statements and other cautionary statements or factors contained herein, and there can be no assurance that the actual results or developments will be realized or, even if substantially realized, that they will have the expected consequences to, or effects on, the Company. These forward-looking statements are made as of the date of this MD&A. Except as required by applicable securities legislation, we assume no obligation to update publicly or revise any forward-looking statements to reflect subsequent information, events, or circumstances.

RISKS AND UNCERTAINTIES

Investing in the common shares of the Company involves risk. Prospective investors should carefully consider the risks described below, together with all the other information included in this MD&A before making an investment decision. If any of the following risks occurs, the business, financial condition or results of operations of the Company could be harmed. In such an event, the trading price of the common shares could decline, and prospective investors may lose part or all their investment.

No Operating History

The Company was incorporated on February 17, 2021 and has not commenced commercial operations. The Company has neither a history of earnings nor has it paid any dividends and it is unlikely to produce earnings or pay dividends in the immediate or foreseeable future. The Company has only limited funds with which to identify and evaluate potential acquisitions of a material asset or a business (Qualifying Transaction) and there can be no assurance that the Company will be able to do so. Even if a Qualifying Transaction is identified, there can be no assurance that the Company will be able to successfully complete the transaction.

Possible Trading Suspension or Delisting

Suspension from trading of the common shares may, and delisting of the common shares will result in the regulatory securities authorities issuing an interim cease trade order against the Company. In addition, delisting of the common shares will result in the cancellation of all of the currently issued and outstanding common shares of the Company held by Insiders. Trading in the common shares of the Company may be halted at other times for other reasons, including for failure by the Company to submit documents to the Exchange in the time periods required.

Halt of Trading

Upon public announcement of a potential Qualifying Transaction, trading in the common shares of the Company will be halted and will remain halted until Completion of the Qualifying Transaction, or sooner pursuant to Policy 2.4. Neither the Exchange nor any securities regulatory authority passes upon the merits of the potential Qualifying Transaction.

Exchange May Not Approve a Qualifying Transaction

Completion of a Qualifying Transaction is subject to a number of conditions including acceptance by the Exchange and in the case of a Non-Arm's Length Qualifying Transaction, Majority of the Minority Approval as such terms are defined in Policy 2.4.

Notwithstanding that a transaction may meet the definition of a Qualifying Transaction, the Exchange may not approve a proposed transaction:

- a) if the Company fails to meet the initial listing requirements prescribed by Policy 2.1 – Initial Listing Requirements of the Exchange upon Completion of the proposed Qualifying Transaction;
- b) if, following Completion of the proposed Qualifying Transaction, the Company will be a finance company, or a mutual fund as defined under applicable securities laws;
- c) the consideration proposed to be paid by the Company in connection with the proposed Qualifying Transaction is not acceptable to the Exchange; or
- d) for any other reason at the sole discretion of the Exchange.

Approval by the Majority of the Minority

Where Majority of the Minority Approval is required, unless the shareholder has the right to dissent and be paid fair value in accordance with the applicable corporate or other law, a shareholder who votes against a proposed Non-Arm's Length Qualifying Transaction for which Majority of the Minority Approval by shareholders has been given, will have no rights of dissent and no entitlement to payment by the Company of fair value for the common shares.

Dilution

If the Company issues treasury shares to finance acquisition or participation opportunities, control of the Company may change, and subscribers may suffer dilution of their investment.

Reliance on Directors and Officers

The directors and officers of the Company will not be devoting all of their time to the affairs of the Company but will be devoting such time as required to effectively manage the Company. The Company is relying solely on the past business success of its directors and officers to identify a Qualifying Transaction of merit. The success of the Company is dependent upon the efforts and abilities of its directors and officers. The loss of any of its directors or officers could have a material adverse effect upon the business and prospects of the Company.
