# Full Circle Lithium Lists on Börse Frankfurt to Expand European Investor Access

- *Euro-denominated trading under ticker **K0Q** complementing current Canadian & U.S. listings*
- *Enhances capital market platform and access for European investors via local brokerage platforms and market hours*
- *Further expansion into the European investor base with a view to accessing strategic partnerships in the region for the **FCL-X™** product portfolio*

TORONTO, Nov. 12, 2025 /CNW/ - Full Circle Lithium Corp. ("FCL" or the "Company") (TSXV: FCLI) (OTCQB: FCLIF), a US-based lithium-ion battery fire extinguishing products manufacturer, is excited to announce is pleased to announce that its common shares have commenced trading on the Börse Frankfurt under ticker **K0Q**, WKN: A3ECHK, ISIN: CA3599171012, providing a euro-denominated access point for European investors. The Company will continue to trade on the TSX Venture Exchange ("TSXV") under FCLI and on the OTC market under FCLIF. No new shares are being issued, and the capital structure remains unchanged.

The Börse Frankfurt listing simplifies participation for European investors by offering euro-denominated trading through local brokerage platforms and during market hours. This new listing strengthens FCL's presence in the EU capital markets, enhances global visibility, and supports the Company's strategy to expand its investor base in sustainability-driven regions. In addition, FCL is actively pursuing strategic partnerships across Europe in the AI-enhanced Battery Energy Storage Systems (AI BESS), automotive, and first responder sectors. These efforts aim to incorporate FCL's lithium battery fire suppression ***FCL-X*™** technologies into next-generation BESS units, emergency response solutions, used in energy storage facilities, electric vehicle infrastructure, and battery logistics operations.

"Our listing on Börse Frankfurt marks a pivotal milestone in Full Circle Lithium's growth trajectory," said Carlos Vicens, CEO of Full Circle Lithium Corp. "Europe leads the world in clean energy adoption and technology innovation. This listing enables us to engage directly with forward-thinking investors and potential partners in the heart of the global energy transition."

**Innovation and Intellectual Property Expansion in the European Union**

To further strengthen its European footprint, Full Circle Lithium plans to file new patent applications in the European Union (including Germany) in late 2025 or early 2026, covering advancements in lithium-ion battery fire containment systems, eco-friendly extinguishing compounds, and AI-integrated safety monitoring technologies. These filings will complement FCL's existing North American, South Korean, and Japanese intellectual property portfolio and reinforce its position as a global leader in lithium battery safety innovation.
