**Golden Goose Resources Closes Oversubscribed Private Placement**

Vancouver, B.C., November 17th, 2025: Golden Goose Resources Corp. ("**Golden Goose Resources**" or the "**Company**") - (CSE: GGR) is pleased to announce the closing of its previously announced non-brokered private placement (the "**Offering**") (see news release on October 28, 2025) for aggregate gross proceeds of C\$855,625. The Company issued 4,805,000 hard dollar units ("**HD Units**") of the Company, at a purchase price of \$0.125 per HD Unit and 1,700,000 flow through units ("**FT Units**") of the Company, at a purchase price of \$0.15 per FT Unit. Each HD unit is comprised of one common share in the capital of the Company and one share purchase warrant ("**HD Warrant**") exercisable into one common share at an exercise price of \$0.25 per share for 24 months from closing, subject to accelerated expiry under certain conditions. Each FT Unit is comprised of one common share issued on a flow-through basis pursuant to the *Income Tax Act* (Canada) and one-half of one common share purchase warrant ("**FT Warrant**"). Each whole FT Warrant is exercisable to acquire one common share at an exercise price of \$0.25 for a period of 12 months from closing. All securities issued and issuable under the Offering are subject to a statutory hold period of four months and one day from the date of issuance. The Company paid a finder's fee to Ventum Financial Corp consisting of \$29,050 in cash and 232,400 non-transferable broker warrants otherwise on the same terms as the HD Warrants. The Company paid a finder's fee to Eskar Capital consisting of \$20,400 in cash and 136,000 non-transferable broker warrants otherwise on the same terms as the HD Warrants. The Company paid a finder's fee to Research Capital consisting of \$2,600 in cash and 20,800 non-transferable broker warrants otherwise on the same terms as the HD Warrants.

The net proceeds from the HD Units will be used to fund approximately \$260,000 of additional exploration on the Company's project in Argentina and for general working capital purposes. The gross proceeds from the FT Units will be used to incur Canadian eligible resource exploration expenses that will qualify as "Canadian exploration expenses" as defined in the *Income Tax Act* (Canada) on the Company's mineral interests in Quebec, Canada.

*The securities issued pursuant to the Offering have not been, nor will they be, registered under the United States Securities Act of 1933, as amended, and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons in the absence of U.S. registration or an applicable exemption from the U.S. registration requirements. This news release shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of the securities in the United States or in any other jurisdiction in which such offer, solicitation or sale would be unlawful.*
