November 14, 2024

The following management discussion and analysis ("MD&A") of the results of the operations and financial position of Harmony Acquisitions Corp. (the "Company" or "Harmony") for the three-months period ended September 30, 2024, and 2023. These financial statements were prepared in accordance with International Financial Reporting Standards. The results of operations, business prospects and financial condition of the Company will be affected by certain risk factors described elsewhere in this document. All figures contained in this MD&A are presented in Canadian dollars.

Forward-Looking Statements

Certain statements contained in this MD&A may constitute forward-looking statements. These statements relate to future events or the Company's future performance. All statements, other than statements of historical fact, may be forward-looking statements.

Forward-looking statements are often, but not always, identified by the use of words such as "seek", "anticipate", "plan", "continue", "estimate", "expect", "may", "will", "project", "predict", "propose", "potential", "targeting", "intend", "could", "might", "should", "believe" and similar expressions. These statements involve known and unknown risks, uncertainties and other factors that may cause actual results or events to differ materially from those anticipated in such forward-looking statements. The Company believes that the expectations reflected in those forward-looking statements are reasonable, but no assurance can be given that these expectations will prove to be correct and such forward-looking statements included in this MD&A should not be unduly relied upon by investors as actual results may vary. These statements speak only as of the date of this MD&A and are expressly qualified, in their entirety, by this cautionary statement. The Company's actual results could differ materially from those anticipated in these forward-looking statements as a result of various risk factors.

The Company

The full corporate name of the Company is Harmony Acquisitions Corp. The Company was incorporated under the laws of the Province of British Columbia pursuant to the *Business Company's Act (British Columbia)* under a different name on May 7, 2021. The Company changed its name to Harmony Acquisitions Corp. effective June 5, 2021. The registered and head office address of the Company is located at Suite 2300, Bentall 5, 550 Burrard Street, Vancouver, British Columbia, V6C 2B5.

The Company is classified as a Capital Pool Company ("**CPC**") as defined in Policy 2.4 – *Capital Pool Company* ("**Policy 2.4**") of the TSX Venture Exchange (the "**Exchange**"). The principal business of the Company is to identify and evaluate assets or businesses with a view to potentially

acquire them or an interest therein by completing a purchase transaction, by exercising of an option or by any concomitant transaction. The purpose of such an acquisition is to satisfy the related conditions of a Qualifying Transaction as defined in Policy 2.4. If the Company does identify significant assets or a target company with which to complete its Qualifying Transaction, additional funding may be required. The ability of the Company to fund its potential future operations and commitments is dependent upon the ability of the Company to obtain additional financing.

The value attributed to these options was \$55,056.

Critical Accounting Estimates

Critical accounting estimates are those estimates that have a high degree of uncertainty and for which changes in those estimates could materially impact the Company's results. There have been no critical accounting estimates made in the preparation of the financial statements for the three-months period ended September 30, 2024 and 2023.

Financial Instruments

As at September 30, 2024, the Company's financial instruments, consisting of cash, accounts payable, and accrued liabilities, approximate fair values due to the relatively short-term maturities of the instruments. It is management's opinion that the Company is not exposed to significant interest, currency or credit risks arising from these financial instruments.

Liquidity risk is the risk that the Company will not be able to meet its obligations as they fall due. The Company manages its liquidity risk by forecasting cash flows from operations and anticipated investing and financing activities. Senior management of the Company is also actively involved in the review and approval of planned expenditures.

Risk Factors

The Company is actively trying to complete its Qualifying Transaction and currently has no source of recurring income. The Company has not commenced commercial operations, and has no significant assets other than cash, has no history of earnings and shall not generate earnings or pay dividends until at least after the completion of a Qualifying Transaction.

Until that time, the Company is not permitted to carry on any other business other than the identification and evaluation of potential Qualifying Transactions.

To a certain degree, the Company's success depends upon key members. It is expected that these individuals will be a significant factor in the Company's growth and success. The loss of the service of members of management and certain key employees could have a material adverse effect on the Company.
