About Propel

Propel (TSX: PRL) is an innovative financial technology (“fintech”) company, committed to credit inclusion by facilitating fair, fast and transparent access to credit through its proprietary, industry-leading online lending platform. Understanding the challenge faced by millions of people without adequate access to credit, Propel, through its operating brands, is dedicated to bringing appropriate credit solutions to consumers in Canada and the United States. For more than a decade, Propel has leveraged its expertise in consumer lending, its robust capabilities in artificial intelligence and underwriting, and its steadfast dedication to a superior customer experience to facilitate approximately one million loans and lines of credit to consumers in need.
