About Propel

Propel Holdings (TSX: PRL) is the fintech company building a new world of financial opportunity for consumers, partners, and investors. Propel's operating brands — Fora Credit, CreditFresh and MoneyKey — and our Lending-as-a-Service product line facilitate access to credit for consumers underserved by traditional financial institutions. Through its groundbreaking AI-driven platform, Propel evaluates customers in a more comprehensive way than traditional credit scores can. The result is better products and an expanded credit market for consumers while creating sustainable, profitable growth for Propel. Our revolutionary fintech platform has already helped consumers access over one million loans and lines of credit and over one billion dollars in credit. At Propel, we are here to change the way customers, partners and investors succeed together. Learn more at www.propelholdings.com (www.foracredit.ca, www.creditfresh.com, www.moneykey.com)
