About Propel

Propel Holdings (TSX: PRL) the fintech building a new world of financial opportunity for consumers, partners, and investors. Propel's operating brands -- Fora Credit, CreditFresh, MoneyKey and QuidMarket -- together with Propel Bank facilitate access to credit for consumers underserved by traditional financial institutions. Through its AI-powered platform, Propel evaluates customers in a more comprehensive way than traditional credit scores can. The result is better products and an expanded credit market for consumers while creating sustainable, profitable growth for Propel. The revolutionary fintech platform has already helped consumers access almost 2 million loans and lines of credit and almost 3 billion dollars in credit. At Propel, we are here to change the way customers, partners and investors succeed together.
