Dear Sirs/Mesdames:

RE: Aclara Resources Inc. (the "Corporation")
Feasibility Study – Consent of Qualified Person

I am a qualified person within the meaning of National Instrument 43-101 - *Standards of Disclosure for Mineral Projects* and am responsible for preparing or supervising the preparation of part of the technical report "NI 43-101 Technical Report & Feasibility Study on the Carina Project - Goiás, Brazil" dated effective March 20, 2026 (the "**Report"**) in support of a press release of the Corporation issued April 13, 2026 (the "**News Release**").

I consent to being named in the Report and to the public filing of the Report.

I consent to any extracts from, or a summary of, the Report in the News Release. I further confirm that I have read the News Release and that it fairly and accurately represents the information in the sections of the Report for which I am responsible.
