Dear Shareholder**ANNUAL GENERAL MEETING 2017**

I am pleased to send you details of our 2017 annual general meeting ('AGM'), which will be held at DLA Piper UK LLP, Victoria Square House, Victoria Square, Birmingham, West Midlands B2 4DL on 8 June 2017 at 11.00 a.m. Shareholder registration will be available from 10.30 a.m. I hope that you will be able to attend.

The formal notice of the AGM, which is set out on pages 6 to 12 of this document ('Notice'), sets out the business to be considered at the AGM. The purpose of this letter is to provide you with further details about those items of business.

This year, shareholders will be asked to approve 20 resolutions. Resolutions 1 to 16 are proposed as ordinary resolutions. This means that, for each of those resolutions to be passed, more than 50 per cent of the votes cast must be in favour of the resolution. Resolutions 17 to 20 are proposed as special resolutions. This means that, for each of those resolutions to be passed, at least 75 per cent of the votes cast must be in favour of the resolution.

Resolution 1: Annual report and accounts

The Directors must present the Company's annual accounts, strategic report and directors' and auditors' reports to shareholders at a general meeting. Those to be presented at the AGM are in respect of the 53 week period ended 30 December 2016, and are called the Annual Report 2016 ('Annual Report').

The Annual Report is available on the Company's website (www.dignityfuneralsplc.co.uk). If you have elected to receive correspondence in hard copy, a copy of the Annual Report will accompany this document.

Resolution 2: Directors' remuneration report

The Company is seeking shareholder approval for the part of its Directors' remuneration report which describes how the Company's Directors' remuneration policy has been implemented during the previous financial year.

The relevant part of the Directors' remuneration report is set out on pages 56 to 63 of the Annual Report.

This vote is advisory only, therefore it does not affect the historical remuneration paid to any individual Director.

Resolutions 3 to 11: Election and re-election of Directors

All Directors are standing for election or re-election in accordance with the provisions of the UK Corporate Governance Code.

Martin Pexton resigned from the Board with effect from 3 February 2017. The Board would like to express its gratitude for Martin's valuable contributions to the Board during his years of service. The Board also welcomes Mary McNamara who joined the Board on 1 March 2017.

Resolutions 3 to 10 therefore propose the re-election of the relevant Directors, and resolution 11 proposes the election of Mary McNamara who joined the Board on 1 March 2017.

Biographies of each of the Directors are set out on pages 40 and 41 of the Annual Report. The Directors have served the Company with skill and diligence since their appointment and, following a formal evaluation, the Board considers that they continue to perform effectively and that the Directors have appropriate qualifications and experience to be elected or re-elected as Directors of the Company.

Resolutions 12 and 13: Reappointment and remuneration of auditors

The Company is required to appoint auditors at each general meeting at which its annual accounts and reports are presented to shareholders. Therefore, resolution 12 proposes the reappointment of Ernst & Young LLP as auditors (to hold office until the next such meeting), and, in accordance with normal practice, resolution 13 authorises the Directors to determine the auditors' remuneration.

Resolution 14: Final dividend

The Directors are recommending a final dividend for the period ended 30 December 2016 of 15.74 pence per Ordinary Share. If approved, the final dividend will be paid on 30 June 2017 to shareholders whose names appear on the register at the close of business on 19 May 2017.

Resolution 15: Authority to allot shares

Generally, the Directors may only allot shares in the Company (or grant rights to subscribe for, or to convert any security into, shares in the Company) if they have been authorised to do so by shareholders.

Resolution 15 renews a similar authority given at last year's AGM and is in two parts.

In line with guidance issued by the Investment Association (previously known as the Investment Management Association), if passed, part (a) of resolution 15 will authorise the Directors to allot Ordinary Shares in the Company (and to grant rights to subscribe for, or to convert any security into, Ordinary Shares in the Company) in connection with a rights issue only up to an aggregate nominal amount of £4,105,764 (as reduced by the aggregate nominal amount of any shares allotted or rights granted under part (b) of resolution 15). This amount (before any reduction) represents approximately two thirds of the issued ordinary share capital of the Company as at 27 March 2017, being the last practicable date before the publication of this document.

If passed, part (b) of resolution 15 will authorise the Directors to allot shares in the Company (and to grant rights to subscribe for, or to convert any security into, shares in the Company) up to an aggregate nominal amount of £2,052,882 (as reduced by the aggregate nominal value of any shares allotted or rights granted under part (a) of resolution 15 in excess of £2,052,882). This amount (before any reduction) represents approximately one third of the issued ordinary share capital of the Company as at 27 March 2017, being the last practicable date before the publication of this document.

If given, these authorities will expire at the conclusion of the Company's next AGM or on 8 September 2018 (whichever is the earlier). It is the Directors' intention to renew the allotment authority each year.

As at the date of this document, no Ordinary Shares are held by the Company in treasury.

The Directors have no current intention to exercise either of the authorities sought under resolution 15. However, the Directors consider that it is in the best interests of the Company to have the authorities available so that they have the maximum flexibility permitted by institutional shareholder guidelines to allot shares or grant rights without the need for a general meeting should they determine that it is appropriate to do so to respond to market developments or to take advantage of business opportunities as they arise.

Resolution 16: Political donations and political expenditure

It is not the Company's policy to make donations to political parties, or to make other political donations within the normal meaning of that expression, and the Directors have no intention of changing that policy.

However, as a result of the wide definitions of political expenditure, political donations and political organisations in the Companies Act 2006 ('Act'), normal business activities and expenditure which might not be thought to be political expenditure or a political donation to a political organisation in the usual sense may fall within the restrictions of the Act. For example, sponsorship of industry forums, funding of seminars and other functions to which politicians are invited, matching employees' donations to certain charities, expenditure on organisations concerned with matters of public policy, law reform and representation of the business community, and communicating with the Government and political parties at local, national and European level might be construed as political expenditure or as a political donation to a political organisation.

Letter from the Chairman of Dignity plc continued

Resolution 16 does not purport to authorise any particular donation or expenditure, but is expressed in general terms, as required by the Act, and is intended to authorise normal donations and expenditure while avoiding inadvertent infringement of the Act. If passed, resolution 16 would allow the Company and its subsidiaries to make political donations to political parties, other political organisations and independent election candidates and to incur political expenditure up to an aggregate limit of £100,000 in the period beginning with the date on which resolution 16 is passed and ending at the conclusion of the next AGM of the Company. The authority will not be used to make political donations within the normal meaning of that expression.

If the Company uses the authority given under resolution 16, then separate authorisation will be sought at the next AGM of the Company. It is the Directors' intention to renew this authority each year.

Resolutions 17 and 18: Disapplication of pre-emption rights

Generally, if the Directors wish to allot new shares or other equity securities (within the meaning of section 560 of the Act) for cash, then under the Act they must first offer such shares or securities to ordinary shareholders in proportion to their existing holdings. These statutory pre-emption rights may be disapplied by shareholders.

Resolutions 17 and 18, which will be proposed as special resolutions, renew a similar power given at last year's AGM and, if passed, will enable the Directors to allot equity securities for cash up to a maximum aggregate nominal amount of £4,105,764 without having to comply with statutory pre-emption rights.

The powers proposed under resolution 17 will be limited to allotments:

- (a) up to an aggregate nominal amount of (i) £4,105,764 in connection with a rights issue or (ii) £2,052,882 in connection with an open offer or other pre-emptive offer, in each case to ordinary shareholders and to holders of other equity securities (if required by the rights of those securities or the Directors otherwise consider necessary), but (in accordance with normal practice) subject to such exclusions or other arrangements, such as for fractional entitlements and overseas shareholders, as the Directors consider necessary; and
- (b) in any other case, up to an aggregate nominal amount of £307,932 (which represents approximately five per cent of the issued ordinary share capital of the Company as at 27 March 2017, being the last practicable date before the publication of this document).

The powers proposed under resolution 18 will be limited to allotments:

- (a) up to an aggregate nominal amount of £307,932 (which represents approximately five per cent of the issued ordinary share capital of the Company as at 27 March 2017, being the last practicable date before the publication of this document); and
- (b) used only for the purposes of financing (or refinancing, if such refinancing occurs within six months of the original transaction) a transaction which the directors determine to be an acquisition or other capital investment of a kind contemplated by the Statement of Principles on Disapplying Pre-emption Rights most recently published by the Pre-emption Group prior to the date of this notice.

The Directors intend to adhere to the Statement of Principles issued by The Pre-emption Group, as updated in March 2015, and not allot shares on a non-pre-emptive basis pursuant to the authorities in resolutions 17 and 18:

- in excess of an amount equal to 5 per cent of the total issued ordinary share capital of the Company (excluding treasury shares); or
- in excess of an amount equal to 7.5 per cent of the total issued ordinary share capital of the Company (excluding treasury shares) within a rolling three year period, without prior consultation with shareholders,

in each case other than in connection with an acquisition or specified capital investment which is announced contemporaneously with the allotment or which has taken place in the preceding six month period and is disclosed in the announcement of the allotment.

Resolution 19: Purchase by the Company of its own shares

Resolution 19, which will be proposed as a special resolution, renews a similar authority given at last year's AGM. If passed, it will allow the Company to purchase up to 4,992,553 Ordinary Shares in the market (which represents approximately 10 per cent of the issued ordinary share capital of the Company as at 27 March 2017, being the last practicable date before the publication of this document). The minimum and maximum prices for such a purchase are set out in the resolution. If given, this authority will expire at the conclusion of the Company's next AGM or on 8 September 2018 (whichever is the earlier). It is the Directors' intention to renew this authority each year.

The Directors have no current intention to exercise the authority sought under resolution 19 to make market purchases, but consider the authority desirable to provide maximum flexibility in the management of the Company's capital base. If passed, the Directors will only exercise this authority if they believe that to do so would result in an increase in earnings per share and would be in the best interests of the Company and of its shareholders generally.

The Company is permitted to hold shares it has purchased in treasury, as an alternative to cancelling them. Shares held in treasury may subsequently be cancelled, sold for cash or used to satisfy options exercised under the Company's share schemes. While held in treasury, the shares are not entitled to receive any dividend or dividend equivalent (apart from any issue of bonus shares) and have no voting rights. The Directors believe that it is appropriate for the Company to have the option to hold its own shares in treasury if, at a future date, the Directors exercise this authority, in order to provide the Company with additional flexibility in the management of its capital base. However, the Directors currently intend to cancel any shares purchased under this authority. The Directors will have regard to institutional shareholder guidelines which may be in force at the time of any such purchase, holding or re-sale of shares held in treasury.

As at 27 March 2017 (being the last practicable date before the publication of this document), there were warrants and options outstanding over 568,448 Ordinary Shares in the Company (which represent 1.14 per cent of the issued ordinary share capital of the Company at that date. If the authority to purchase the Company's Ordinary Shares was exercised in full and those shares were subsequently cancelled, these warrants and options would represent 1.27 per cent of the issued ordinary share capital of the Company.

Resolution 20: Notice period for general meetings

Resolution 20 will be proposed as a special resolution to allow the Company to call general meetings (other than an AGM) on 14 clear days' notice.

The Act provides that the minimum notice period required for general meetings of the Company is 21 days unless shareholders approve a shorter notice period, which cannot however be less than 14 clear days. AGMs will continue to be held on at least 21 clear days' notice.

If the resolution is passed, the shorter notice period would only be used where it is merited by the business of the meeting and is considered to be in the interests of shareholders as a whole. Note that in order to be able to call a general meeting on less than 21 clear days' notice, the Company must make a means of electronic voting available to all shareholders for that meeting.

If passed, the resolution will be effective until the Company's next AGM, when it is intended that a similar resolution will be proposed.

Recommendation

The Directors consider that all the resolutions set out in the Notice are in the best interests of the Company and its shareholders as a whole. The Directors will be voting in favour of all of the resolutions, and unanimously recommend that you do so as well.

15. That the Directors be and are hereby generally and unconditionally authorised pursuant to section 551 of the Companies Act 2006 ('the Act'), to exercise all powers of the Company to allot Relevant Securities:
 - (a) comprising equity securities (as defined in section 560(1) of the Act) up to an aggregate nominal amount of £4,105,764 (such amount to be reduced by the aggregate nominal amount of Relevant Securities allotted pursuant to paragraph (b) of this resolution) in connection with a rights issue:
 - (i) to holders of Ordinary Shares in the capital of the Company in proportion (as nearly as practicable) to the respective numbers of Ordinary Shares held by them; and
 - (ii) to holders of other equity securities in the capital of the Company, as required by the rights of those securities or, subject to such rights, as the Directors otherwise consider necessary,
 but subject to such exclusions or other arrangements as the Directors may deem necessary or expedient in relation to treasury shares, fractional entitlements, record dates or any legal or practical problems under the laws of any territory or the requirements of any regulatory body or stock exchange; and
 - (b) otherwise than pursuant to paragraph (a) of this resolution, up to an aggregate nominal amount of £2,052,882 (such amount to be reduced by the aggregate nominal amount of Relevant Securities allotted pursuant to paragraph (a) of this resolution in excess of £2,052,882),

provided that (unless previously revoked, varied or renewed) these authorities shall expire at the conclusion of the next annual general meeting of the Company after the passing of this resolution or on 8 September 2018 (whichever is the earlier), save that, in each case, the Company may make an offer or agreement before the authority expires which would or might require Relevant Securities to be allotted after the authority expires and the Directors may allot Relevant Securities pursuant to any such offer or agreement as if the authority had not expired.

In this resolution, 'Relevant Securities' means shares in the Company or rights to subscribe for or to convert any security into shares in the Company; a reference to the allotment of Relevant Securities includes the grant of such a right; and a reference to the nominal amount of a Relevant Security which is a right to subscribe for or to convert any security into shares in the Company is to the nominal amount of the shares which may be allotted pursuant to that right.

These authorities are in substitution for all existing authorities under section 551 of the Act (which, to the extent unused at the date of this resolution, are revoked with immediate effect).

16. That, pursuant to section 366 of the Companies Act 2006 ('the Act'), the Company and all companies that are subsidiaries of the Company at any time during the period for which this resolution is effective be and are authorised, in aggregate:

- (b) to make political donations to political organisations other than political parties not exceeding £100,000 in total; and
- (c) to incur political expenditure not exceeding £100,000 in total,

in each case, during the period beginning with the date on which this resolution is passed and ending at the conclusion of the next annual general meeting of the Company held after such date, provided that (i) the aggregate amount of political donations made and political expenditure incurred by the Company and its subsidiaries pursuant to this authority shall not exceed £100,000; and (ii) each of the amounts referred to in this resolution may comprise one or more sums in different currencies which, for the purposes of calculating any such amount, shall be converted at such rate as the Directors may, in their absolute discretion, determine to be appropriate.

In this resolution, the terms "political donations", "political parties", "independent election candidates", "political organisations" and "political expenditure" have the meanings set out in sections 363 to 365 of the Act.

Special Resolutions

To consider and, if thought fit, to pass the following resolutions as special resolutions:

17. That, subject to the passing of resolution 15 and pursuant to section 570 of the Act, the Directors be and are generally empowered to allot equity securities (within the meaning of section 560 of the Act) for cash pursuant to the authorities granted by resolution 15 as if section 561(1) of the Act did not apply to any such allotment, provided that this power shall be limited to:

- (a) the allotment of equity securities in connection with an offer of equity securities (whether by way of a rights issue, open offer or otherwise, but, in the case of an allotment pursuant to the authority granted by paragraph (a) of resolution 15, such power shall be limited to the allotment of equity securities in connection with a rights issue):

- (i) to holders of Ordinary Shares in the capital of the Company in proportion (as nearly as practicable) to the respective numbers of Ordinary Shares held by them; and

- (ii) to holders of other equity securities in the capital of the Company, as required by the rights of those securities or, subject to such rights, as the Directors otherwise consider necessary,

but subject to such exclusions or other arrangements as the Directors may deem necessary or expedient in relation to treasury shares, fractional entitlements, record dates or any legal or practical problems under the laws of any territory or the requirements of any regulatory body or stock exchange; and

- (b) the allotment of equity securities pursuant to the authority granted by paragraph (b) of resolution 15 (otherwise than pursuant to paragraph (a) of this resolution) up to an aggregate nominal amount of £307,932,

and (unless previously revoked, varied or renewed) this power shall expire at the conclusion of the next annual general meeting of the Company after the passing of this resolution or on 8 September 2018 (whichever is the earlier), save that the Company may make an offer or agreement before this power expires which would or might require equity securities to be allotted for cash after this power expires and the Directors may allot equity securities for cash pursuant to any such offer or agreement as if this power had not expired.

This power is in substitution for all existing powers under section 570 of the Act (which, to the extent unused at the date of this resolution, are revoked with immediate effect).

18. That, subject to the passing of resolution 15, the Directors be and are generally empowered in addition to any authority granted under resolution 17 to allot equity securities (within the meaning of section 560 of the Act) for cash pursuant to the authority granted by resolution 15 as if section 561(1) of the Act did not apply to any such allotment, provided that this power shall be limited to the allotment of equity securities:

- (a) up to an aggregate nominal amount of £307,932; and

- (b) used only for the purposes of financing (or refinancing, if such refinancing occurs within six months of the original transaction) a transaction which the directors determine to be an acquisition or other capital investment of a kind contemplated by the Statement of Principles on Disapplying Pre Emption Rights most recently published by the Pre Emption Group prior to the date of this notice,

and (unless previously revoked, varied or renewed) this power shall expire at the conclusion of the next annual general meeting of the Company after the passing of this resolution or on 8 September 2018 (whichever is the earlier), save that the Company may make an offer or agreement before this power expires which would or might require equity securities to be allotted for cash after this power expires and the directors may allot equity securities for cash pursuant to any such offer or agreement as if this power had not expired.

 - (ii) an amount equal to the higher of the price of the last independent trade of an Ordinary Share and the highest current independent bid for an Ordinary Share on the trading venue where the purchase is carried out.

Unless previously revoked, varied or renewed the authority conferred by this resolution shall expire at the conclusion of the next annual general meeting of the Company after the passing of this resolution or on 8 September 2018 (whichever is earlier), except in relation to the purchase of shares the contract for which was entered into before the expiry of such authority and such purchase will or may be executed or completed wholly or partly after such expiry and accordingly the Company may make a purchase of Ordinary Shares pursuant to any such contract as if this authority had not expired.

Changes to entries in the register of members after that time shall be disregarded in determining the rights of any person to attend or vote (and the number of votes they may cast) at the meeting.
2. A member of the Company entitled to attend and to vote may appoint, one or more proxies to attend and vote instead. A proxy need not be a member of the Company. A proxy form is enclosed. A shareholder may appoint more than one proxy in relation to the meeting, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. Failure to specify the number of shares each proxy appointment relates to or specifying a number which when taken together with the numbers of shares set out in the other proxy appointments is in excess of the number of shares held by the shareholder may result in the proxy appointment being invalid. When appointing more than one proxy, complete a separate proxy form in relation to each appointment. Additional proxy forms may be obtained by contacting the Company's Registrar on 0371 384 2674 if calling from within the UK, or +44 (0) 121 415 7047 if calling from outside the UK or you may photocopy the proxy form. For an electronic proxy appointment to be valid, the appointment must be received by no later than 11.00 a.m. on 6 June 2017 (or if the meeting is adjourned no later than 48 hours (excluding any part of the day that is not a working day) before the time of the adjourned meeting).
10. CREST members who wish to appoint a proxy or proxies for the meeting (or any adjournment of it) through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual (available at **www.euroclear.com**). CREST personal members or other CREST sponsored members and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s) who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA 19) by no later than 11.00 a.m. on 6 June 2017 (or if the meeting is adjourned, no later than 48 hours (excluding any part of a day that is not a working day) before the time of any adjourned meeting). No such message received through the CREST network after this time will be accepted. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the registrars are able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service provider(s) should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his or her CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

The business which may be dealt with at the meeting includes a resolution circulated pursuant to this right.

15. A shareholder or shareholders who meet the qualification criteria set out in note 16 below may require the Company to publish on its website a statement setting out any matter that such shareholders propose to raise at the meeting relating to either the audit of the Company's accounts (including the auditors' report and the conduct of the audit) that are to be laid before the meeting or any circumstances connected with an auditor of the Company ceasing to hold office since the last annual general meeting of the Company in accordance with section 527 of the Act.

Any such request must:

- (a) identify the statement to which it relates, by either setting out the statement in full or, if supporting a statement requested by another shareholder, clearly identifying the statement which is being supported;
- (b) comply with the requirements set out in note 17 below; and
- (c) be received by the Company at least one week before the meeting.

Where the Company is required to publish such a statement on its website:

- (i) it may not require the shareholders making the request to pay any expenses incurred by the Company in complying with the request;
- (ii) it must forward the statement to the Company's auditors no later than the time when it makes the statement available on the website; and
- (iii) the statement may be dealt with as part of the business of the meeting.
