

FendX Provides Corporate Update

Vancouver, British Columbia--(Newsfile Corp. - December 31, 2025) - **FendX Technologies Inc. (CSE: FNDX) (OTCQB: FDXTF) (FSE: E8D0)** (the "**Company**" or "**FendX**"), an innovative surface protection company developing technology-based solutions to reduce the spread of harmful pathogens, announces that it has extended the term of a consulting agreement, as amended, previously announced June 11, 2025 and November 21, 2025, with a third party branding expert to provide strategic branding and marketing support to the Company. The term of this agreement was extended to May 10, 2026 on the same monthly fee terms with the branding consultant. The Company also announces it has also extended the term of a consulting agreement, as amended, with a third party consultant that was previously announced July 9, 2025 and November 21, 2025, extending the term through June 15, 2026 on the same monthly fee terms. The Company may further renew either consulting agreement for subsequent periods of one or more months at the discretion of the Company.

About FendX Technologies Inc.

FendX is a surface protection company developing innovative solutions to help reduce the spread of harmful pathogens in everyday environments. Leveraging proprietary technologies, The Company is advancing a portfolio of protective surface coatings, including REPELWRAP™ film, a liquid-based nano- coating technology and a specialized Foley catheter coating. The Company is focussed on building a robust intellectual property portfolio in the surface protection space and is committed to identifying and advancing new technologies and materials that enhance hygiene and safety across healthcare, consumer and commercial settings. Forward Looking Statements

This news release contains certain forward-looking statements within the meaning of Canadian securities legislation, including with respect to: the plans of the Company; statements regarding the consulting agreement extensions and issuance of any securities thereunder; further renewal of the consulting agreements; statements regarding expanding the Company's product and IP portfolio; and products under development and any pathogen reduction benefits related thereto. Although the Company believes that such statements are reasonable, it can give no assurance that such expectations will prove to be correct. These statements are only predictions and involve known and unknown risks which may cause actual results and the Company's plans and objectives to differ materially from those expressed in the forward-looking statements, including: adverse market

conditions; risks that the Company will not complete financings or raise sufficient funds to complete all of its planned activities; risks that the Company's products may not perform as, or have the benefits, expected; risks related to research and development activities; risks that the Company's products may not be accepted and adopted by the public; the risk that the Company will not obtain necessary approvals and/or clearances as anticipated or at all; the effects of government regulation on the Company's business; risks associated with the Company's ability to obtain and protect rights to its intellectual property; risks and uncertainties associated with the Company's ability to raise additional capital; and other factors beyond the Company's control. Although the Company believes that the expectations reflected in the forward-looking statements are reasonable, it cannot guarantee future results, levels of activity or performance. Further, any forward-looking statement speaks only as of the date on which such statement is made and, except as required by applicable law, the Company undertakes no obligation to update any forward-looking statement to reflect events or circumstances after the date on which such statement is made or to reflect the occurrence of unanticipated events. New factors emerge from time to time, and it is not possible for management to predict all of such factors and to assess in advance the impact of such factors on the Company's business or the extent to which any factor, or combination of factors, may cause actual results to differ materially from those contained in any forward-looking statement. Readers should consult all of the information set forth herein and should also refer to the risk factor disclosure outlined in the Company's filings with the British Columbia Securities Commission on SEDAR+ at www.sedarplus.ca.
