ABOUT STEADRIGHT CRITICAL MINERALS INC.

Steadright Critical Minerals Inc. is a mineral exploration company established in 2019. Steadright has been focused in 2025 on finding exploration projects that can be brought into production within the critical mineral space focused in Morocco. Steadright currently has mineral exploration claims known as the RAM project near Port Cartier, Quebec within the Côte-Nord Region, which is accessible by route 138. The RAM project is comprised of over 11,000 acres and is located on an Anorthositic complex that is in a highly prospective geological unit and historically been under-explored for Ni, Cu, Co and precious metals.
