About SalesCloser

SalesCloser.ai is a Vancouver-based AI software company focused on automating and scaling revenue generation through conversational AI. The Company's platform enables businesses to deploy AI-powered virtual sales agents that engage prospects and customers across the sales lifecycle. SalesCloser's agents conduct real-time, personalized interactions across voice, video, and digital channels, including lead qualification, product demonstrations, follow-ups, and meeting scheduling. By augmenting core sales functions, the platform helps organizations increase capacity, accelerate pipeline velocity, and improve conversion rates without a corresponding increase in headcount. The platform integrates with existing CRM and business systems, supports multilingual deployment, and delivers consistent, high-quality customer interactions across industries. SalesCloser operates under a subscription-based SaaS model, generating recurring revenue with strong visibility and high gross margins while continuously enhancing its AI capabilities. The Company's technology is supported by a growing portfolio of patent applications focused on improving the performance of AI-driven conversational workflows. SalesCloser.ai is listed on the TSX Venture Exchange under the ticker "SCAI". For more information, visit the SalesCloser investor site at: <https://investors.salescloser.ai>
