

Aleen Inc. Personal Account: Streamlined Navigation for Wellness Information

Toronto, Ontario--(Newsfile Corp. - January 26, 2026) - Aleen Inc. (CSE: ALEN.U), a digital wellness company, announces the rollout of **enhanced navigation features within the Personal Account**, its user-facing service for managing wellness information.

The improvements focus on simplifying how users **browse, locate, and interact** with their wellness documents. By offering more intuitive menus, faster access paths, and clearer categorization, the updates aim to make personal wellness information easier to explore and understand.

Looking ahead, Aleen Inc. plans to continue refining the Personal Account experience throughout 2026, with additional enhancements to interactivity and data visualization, helping users engage with their wellness insights more effectively.

About Aleen Inc.

Aleen Inc. operates as a digital wellness and well-being insights company. Its platform transforms personal wellness information into simple, personalized insights that promote greater self-awareness and balance in daily life. Aleen's mission is to empower individuals with knowledge and clarity through responsible use of technology and data.
