

DR. PHONE FIX TO HOLD INVESTOR WEBINAR ON DECEMBER 16, 2025

EDMONTON, AB, Dec. 10, 2025 /CNW/ - **Dr. Phone Fix Canada Corporation (TSXV: DPF)** ("**Dr. Phone Fix**" or the "**Company**"), one of Canada's fastest-growing consumer electronics repair and resale platforms, today announced that the Company will host an investor webinar on Tuesday, December 16, 2025 at 1:00 PM ET (GMT -5) / 10:00 AM PT.

The webinar will feature Founder and CEO Piyush Sawhney, who will provide an update on the Company's operational performance, recent strategic developments, and growth initiatives as Dr. Phone Fix continues to expand its national footprint and roll-up strategy across Canada. The presentation will also discuss the Company's focus on organic growth, strategic acquisitions, and its position within the Canadian device repair and resale market heading into 2026.

To register for the investor webinar, please visit:

The Company will conduct a question-and-answer session following the presentation. Investors who wish to submit questions in advance may do so by emailing invest@docphonefix.com.

About Dr. Phone Fix

Dr. Phone Fix is an award-winning, eco-friendly, and customer-centric leader in Canada's cell phone and electronics repair and certified pre-owned device industry. Founded in 2019, the Company now operates 41 corporately owned retail locations nationwide, delivering fast, reliable, and environmentally conscious repair services alongside a curated selection of certified pre-owned devices and premium accessories. Dr. Phone Fix maintains strong partnerships with OEMs and certified suppliers, ensuring consistently high-quality standards across its national footprint. With a mission rooted in sustainability, transparency, and exceptional customer service, Dr. Phone Fix continues to set the benchmark for device care and resale in Canada.

Forward-Looking Information

This news release contains "forward-looking information" within the meaning of applicable securities laws. Forward-looking information can be identified by words such as: "intend", "believe", "estimate", "expect", "may", "will" and similar references to future periods. Forward looking information includes but is not limited to the Company's successful growth and acceleration into Atlantic Canada and the successful execution of the Company's M&A growth strategy. Although the Company believes that, in light of the experience of its officers and directors, current conditions and expected future developments and other factors that have been considered appropriate, the expectations reflected in this forward-looking information are reasonable, undue reliance should not be placed on them because the Company can give no assurance that they will

prove to be correct. Readers are cautioned to not place undue reliance on forward-looking information. Actual results and developments may differ materially from those contemplated by these statements depending on, among other things, the risk that the future plans of the Company may differ from those that currently are contemplated. The forward-looking statements contained in this news release are made as of the date hereof, and the Company undertakes no obligation to update publicly or revise any forward-looking statements or information, except as required by law.
