Notes to editors

SThree is a leading international STEM specialist staffing business, providing permanent and contract specialist staff to a diverse client base of over 9,000 clients. From its well-established position as a major player in the information and communications technology ('ICT') sector the Group has broadened the base of its operations to include businesses serving the Banking & Finance, Energy, Engineering and Life Sciences sectors.

Since launching its original business, Computer Futures, in 1986, the Group has adopted a multi-brand strategy, establishing new operations to address growth opportunities. STthree brands include Computer Futures, Huxley Associates, Progressive and The Real Staffing Group. The Group has circa 3,100 employees in sixteen countries.

SThree plc is quoted on the Official List of the UK Listing Authority under the ticker symbol STHR and also has a US level one ADR facility, symbol SERTY.
