Western Star Resources Inc. Approved to Trade on OTCQB Market

Vancouver, British Columbia – September 8, 2025 – *Western Star Resources Inc.* (CSE: WSR; OTCQB: WSRIF) (“Western Star” or the “Company”) is pleased to announce that its common shares have been approved for trading on the OTCQB Venture Market (the “OTCQB”), a U.S. trading platform. The Company’s shares will commence trading on the OTCQB under the ticker symbol “**WSRIF**” effective **Tuesday, September 9, 2025**.

The OTCQB is recognized as an established public market for international companies, providing U.S. investors with enhanced access, transparency, and liquidity. Trading on the OTCQB will complement Western Star’s existing listing on the Canadian Securities Exchange (CSE: WSR) as the Company continues to broaden its shareholder base and increase visibility within the U.S. capital markets.

Blake Morgan, President and CEO of Western Star, commented:

“Approval to the OTCQB is a key milestone that significantly expands our reach to U.S. investors. With this additional platform, we are positioning Western Star for improved market exposure, liquidity, and shareholder value creation as we continue to advance our portfolio of exploration assets.”

The Company’s listing on the OTCQB will not impact its primary listing on the Canadian Securities Exchange, where it will continue to trade under the symbol “WSR.”

About Western Star Resources

Western Star Resources is a mineral exploration and development company. The company’s objective is to increase shareholder value through the development of exploration properties using cost-effective exploration practices, acquiring further exploration properties and seeking partnerships by either joint venture or sale with industry leaders. The company currently owns nine non-surveyed contiguous mineral claims totaling 4,740 hectares, which are located within the Revelstoke mining division of British Columbia. The Western Star property group is located approximately 50 kilometers southeast of Revelstoke, B.C., and roughly 10 kilometers north of the abandoned community of Camborne.
