Calgary, Alberta – November 27, 2024 – Logan Energy Corp. (TSXV: LGN) ("Logan" or the "Company") is pleased to announce that, as a result of excess demand, it has agreed with the syndicate of underwriters led by National Bank Financial Inc. and Eight Capital as joint bookrunners and co-lead underwriters to increase the size of its previously announced bought-deal private placement financing (the "**Equity Offering**"). Logan will now issue 61,644,000 common shares ("**Common Shares**") at a price of \$0.73 per Common Share to raise aggregate gross proceeds of approximately \$45.0 million pursuant to the Equity Offering. It is anticipated that certain directors, officers and employees of the Company will subscribe for approximately \$2.8 million of the Equity Offering. In all other respects, the terms of the Equity Offering will remain as previously disclosed in the November 26, 2024 press release.

In connection with the Equity Offering, the Company also announced yesterday that it had reached a definitive agreement to acquire an operated 50% working interest in certain assets located in the Company's core area at Simonette, Alberta and a 100% interest in certain Simonette gross overriding royalties, for a cash purchase price of \$52.0 million, before closing adjustments (the "**Acquisition**").

Closing of the Equity Offering will be conditional on the completion of the Acquisition and other customary closing conditions, including the receipt of all necessary regulatory approvals, including the approval of the TSX Venture Exchange ("**TSXV**"). Closing of the Acquisition and Equity Offering is expected to occur on or around December 17, 2024.
