About NextGen Digital Platforms Inc.

NextGen Digital Platforms Inc. (CSE: NXT) is a publicly listed digital asset company focused on bridging traditional finance with decentralized Web3 technologies. The Company operates a hardware-as-a-service business supporting the artificial intelligence sector and, subject to the receipt of all necessary regulatory approvals, intends to develop a diversified portfolio of digital assets, blockchain infrastructure, and Web3-native strategies. Through its in-house platforms

and regulated structure, NextGen seeks to democratize access to the digital economy and deliver long-term shareholder value. The Company also evaluates opportunities to acquire or develop complementary technology platforms in alignment with its core mission.

This press release includes certain "forward-looking information" within the meaning of applicable Canadian securities legislation. All statements herein, other than statements of historical fact, constitute forward-looking information. Forward-looking information is frequently, but not always, identified by words such as "expects", "anticipates", "believes", "intends", "estimates", "potential", "possible", and similar expressions, or statements that events, conditions, or results "will", "may", "could", or "should" occur or be achieved. Forward-looking statements in this release include, but are not limited to, statements regarding the Company's planned integration with the Bittensor (TAO) ecosystem; the Company's receipt of all necessary regulatory approvals; the Company's participation in the OTCQB Venture Virtual Investor Conference; the availability of one-on-one meetings; the Company's ability to communicate its business plans, strategy, and recent developments to investors; and the Company's broader AI infrastructure strategy and positioning.

Although the Company believes the assumptions underlying these statements are reasonable, there can be no assurance that such forward-looking information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such information. Accordingly, readers should not place undue reliance on forward-looking information. The Company undertakes no obligation to update forward-looking statements herein except as required by applicable securities laws. Investors are cautioned against attributing undue certainty to forward-looking statements herein.

About Virtual Investor Conferences®

Virtual Investor Conferences (VIC) is the leading proprietary investor conference series that provides an interactive forum for publicly traded companies to seamlessly present directly to investors.

Providing a real-time investor engagement solution, VIC is specifically designed to offer companies more efficient investor access. Replicating the components of an on-site investor conference, VIC offers companies enhanced capabilities to connect with investors, schedule targeted one-on-one meetings and enhance their presentations with dynamic video content. Accelerating the next level of investor engagement, Virtual Investor Conferences delivers leading investor communications to a global network of retail and institutional investors.
