To Shareholders

Dear Shareholder

1. Introduction

The purpose of this letter is to provide you with an explanation of the resolutions to be proposed at the Annual General Meeting of the Company which will be held at the De Vere Grand Connaught Rooms, 61-65 Great Queen St, London WC2B 5DA at 12 noon on Friday 14 October 2022 and to seek your approval of them. The Notice of AGM is set out at the end of this document.

The first part of the AGM (resolutions 1 to 11 inclusive) will address ordinary business of the AGM. The second part of the AGM (resolutions 12 to 18 inclusive) will seek the necessary Shareholder approvals for:

- authority for the Company to make political donations of up to £60,000;
- the renewal of the Directors' authority to allot Ordinary Shares;
- the renewal of the Directors' authority to issue Ordinary Shares, or transfer Ordinary Shares from treasury, for cash on a non pre-emptive basis;
- the Authority to Make Market Purchases;
- a waiver which the Panel has agreed to grant (subject to Independent Shareholders' approval) of any obligation on Mark Coombs to make a mandatory offer under Rule 9 of the Takeover Code which might arise if the Company makes purchases of Ordinary Shares pursuant to the Authority to Make Market Purchases; and
- authority for the Company to call a general meeting, other than an annual general meeting, on not less than 14 clear days' notice.

All of the resolutions to be proposed at the AGM (including the proposals outlined above) will be taken on a poll and are explained in further detail below.

2. Ordinary business

The ordinary business of the AGM comprises resolutions 1 to 11 inclusive.

Resolution 1: Report and accounts

The Directors are required to lay the Directors' report, the audited annual accounts of the Company and the independent auditor's report before Shareholders at the Annual General Meeting. Accordingly, resolution 1 presents the accounts for the year ended 30 June 2022 and, although not a statutory requirement, proposes the accounts for adoption. A copy of the 2022 Annual Report is available on the Company's website: www.ashmoregroup.com.

Resolution 2: Final dividend

Shareholder approval is required for the payment of a final dividend for the year ended 30 June 2022 as recommended by the Board. Subject to Shareholder approval, this dividend will be paid on 9 December 2022 to Shareholders on the register of members of the Company at the close of business on 4 November 2022.

Resolutions 3 to 8: Re-election and election of Directors

The Board has fully adopted provision 18 of the UK Corporate Governance Code and all Directors (other than Shirley Garrood) will be seeking re-election at the Annual General Meeting. Shirley Garrood was appointed as a Director on 1 August 2022 and accordingly will be seeking election for the first time. Shirley Garrood is currently a Non-executive Director of Royal London Mutual Insurance Society Limited and of the BBC and sits on Deloitte LLP's Audit Governance Board. Her former roles include directorships at Henderson Group plc, Hargreaves Lansdown plc and esure Group plc.

Jennifer Bingham joined the Board on 29 June 2018 and was elected by Shareholders as a Director at the 2018 AGM. As disclosed in the Notice of the 2018 AGM, Jennifer Bingham served as an unpaid non-executive director of four companies controlled by Mark Coombs, resigning from the last of these in 2016. Between 2011 and 2014, Jennifer Bingham's company, Valley Management (UK) Limited, provided administrative and consulting services to a company owned by Mark Coombs. When considering the appointment of Jennifer Bingham in 2018, the Nominations Committee noted that the services had been provided at arm's length, and Jennifer Bingham was independent in accordance with the UK Corporate Governance Code (April 2016) and had no conflicts of interest that could affect her role as an Independent Non-executive Director. As noted below, the Board continues to consider Jennifer Bingham to be independent in accordance with the UK Corporate Governance Code.

Helen Beck joined the Board on 1 June 2021 after retiring as a partner of Deloitte LLP on 31 May 2021. Deloitte LLP was appointed as a remuneration adviser to Ashmore on 8 July 2020 and, whilst Helen Beck was initially part of the Deloitte advisory team, she did not play an active role in the provision of such advice from August 2020 onwards. When considering the appointment of Helen Beck, the Nominations Committee noted that: Helen Beck ceased performing an active role in the provision of advice to the Company following the commencement of the nomination process in August 2020; the fees paid to Deloitte LLP as remuneration advisers are not considered to be material from the point of view of both Deloitte LLP and the Company; and Helen Beck has extensive experience in providing advice to remuneration committees that will broaden the perspectives and experience that are applied to Board discussions. Having retired as a partner of Deloitte LLP, Helen Beck is not involved in the provision of any remuneration advice or any other services to the Company by Deloitte LLP.

Part I – Letter from the Chair continued

Save as aforesaid, none of the Independent Non-executive Directors seeking election, or re-election, at the Annual General Meeting has any existing or previous relationship, transaction or arrangement with the Company, nor with any controlling shareholder of the Company or any associate of a controlling shareholder of the Company within the meaning of LR 13.8.17R(1).

In considering the Independent Non-executive Directors' independence, the Board has taken into consideration the guidance provided by the UK Corporate Governance Code. The Board considers Clive Adamson, Jennifer Bingham, Helen Beck and Shirley Garrod to be independent in accordance with the UK Corporate Governance Code and it considers Clive Adamson to have been independent on the date of his appointment as Chairman. As at the date of this letter, Jennifer Bingham is the Senior Independent Director.

Mark Coombs is classed as a "controlling shareholder" of Ashmore under the Listing Rules. As a result, LR 9.2.2ER requires that Independent Non-executive Directors be elected or re-elected by a majority of votes cast by Independent Shareholders as well as by a majority of votes cast by all Shareholders. Therefore, the resolutions for the election and re-election of the Independent Non-executive Directors (resolutions 5 to 8) will be taken on a poll and the votes cast by Independent Shareholders and all Shareholders will be calculated separately. Such resolutions will be passed only if a majority of votes cast by Independent Shareholders are in favour, in addition to a majority of votes cast by all Shareholders being in favour.

Biographies of the Directors and what they contribute to the Board are contained in Appendix I commencing on page 17 of this document as well as on pages 80 and 81 of the 2022 Annual Report. The Board believes that each Director standing for election and re-election brings considerable and wide-ranging skills and experience to the Board as a whole and will continue to make an important contribution to the deliberations of the Board and to the Company's long-term sustainable success.

The UK Corporate Governance Code recommends that the Board undertakes a formal and rigorous annual evaluation of its own performance and that of its committees, the Chair and individual Directors and that an externally facilitated evaluation should be undertaken at least once every three years. An independent externally facilitated evaluation was conducted in 2021 by Korn Ferry and a further externally facilitated evaluation will be conducted in 2024. The Chair conducted an internal review of the performance of the Board, its committees and individual Directors (other than Shirley Garrod who was appointed to the Board on 1 August 2022) in 2022. Meetings were held by the Chair with each Director in which issues and developments over the previous year were discussed and performance was considered by reference to the aims and behaviour of the Board, its committees and members. The issues raised during this process were subsequently discussed by the Board together with suggested improvements. A separate evaluation of the Chair's performance was undertaken by the Senior Independent Director. Her findings were discussed in the same meeting but in the absence of the Chair. The Board believes that, following the completion of their evaluations, its own performance and that of its Directors and committees continues to be effective and to make an important contribution to the Company's long-term sustainable success. The Company considers each of the Directors will continue to be effective. The Board therefore recommends the election or re-election of all Directors who are seeking election or re-election (as applicable).

Resolution 9: Approval of remuneration report

The resolution deals with the remuneration of the Directors and seeks approval of the remuneration paid to the Directors during the year under review.

Section 439 of the Companies Act 2006 requires that an ordinary resolution be put to Shareholders each year for their approval of the Directors' remuneration report. This is set out on pages 95 to 126 of the 2022 Annual Report. Resolution 9 is an advisory vote.

Resolutions 10 and 11: Appointment and remuneration of the auditors

The Company's auditors must offer themselves for reappointment at each general meeting at which accounts are presented. On the recommendation of the Audit and Risk Committee the Board proposes that KPMG LLP be reappointed as auditors of the Company pursuant to resolution 10. Resolution 11 authorises the Audit and Risk Committee to agree the remuneration of the Company's auditors.

3. Special business

The special business to be considered at the AGM comprises resolutions 12 to 18 inclusive.

Resolution 12: Authority to make political donations

Section 366 of the Companies Act 2006 requires the Company to seek shareholder approval for the making of political donations and the incurring of political expenditure by the Company. Although the Company does not make and does not intend to make donations to political parties within the normal meaning of that expression, the definition in the Companies Act 2006 is wide. It can extend to bodies such as those concerned with policy review, law reform and the representation of the business community and special interest groups such as those concerned with the environment, which the Company and its subsidiaries might wish to support. Accordingly, the Directors have decided to seek Shareholders' authority for political donations and political expenditure in case any of its activities in the ordinary course of its business are caught by the legislation.

Resolution 13: Authority to allot shares

At the annual general meeting held on 15 October 2021, members gave authority to the Directors to allot Ordinary Shares up to an aggregate nominal amount equal to £23,758.03 (representing 237,580,268 Ordinary Shares of 0.01 pence each) representing one-third of the issued ordinary share capital (excluding treasury shares) of the Company and, in connection with a rights issue in favour of Shareholders up to an aggregate nominal amount equal to £47,516.05 (representing 475,160,536 Ordinary Shares) representing two-thirds of the issued ordinary share capital (excluding treasury shares). Resolution 13 replaces the authority granted in 2021 which expires at the conclusion of this year's AGM.

Paragraph (a) of resolution 13 would give the Directors the authority to allot Ordinary Shares or grant rights to subscribe for or convert any securities into Ordinary Shares up to an aggregate nominal amount equal to £23,758.03 (representing 237,580,268 Ordinary Shares of 0.01 pence each). This amount represents one-third of the issued ordinary share capital (excluding treasury shares) of the Company as at 6 September 2022, the latest practicable date prior to publication of this document.

Consistent with the guidance issued by the Investment Association, paragraph (b) of resolution 13 would give the Directors authority to allot Ordinary Shares or grant rights to subscribe for or convert any securities into Ordinary Shares in connection with a rights issue in favour of Shareholders up to an aggregate nominal amount equal to £47,516.05 (representing 475,160,536 Ordinary Shares), as reduced by the nominal amount of any shares issued under paragraph (a) of this resolution. This amount (before any reduction) represents two-thirds of the issued ordinary share capital (excluding treasury shares) of the Company as at 6 September 2022, the latest practicable date prior to publication of this document.

The authority sought under this resolution will expire at the earlier of 31 December 2023 and the conclusion of the next annual general meeting of the Company.

The Directors will continue to seek to renew these authorities at each annual general meeting, in accordance with best practice. The Directors have no present intention to allot new Ordinary Shares, save as necessary under paragraph (a) to satisfy obligations of the EBT under the Company's Share Schemes.

As at 6 September 2022, the latest practicable date prior to publication of this document, no Ordinary Shares were held by the Company in treasury.

Resolutions 14 and 15: Authority to issue shares on a non pre-emptive basis

Each of resolutions 14 and 15 will be proposed as a special resolution, which requires a 75% majority of the votes to be cast in favour.

The purpose of resolution 14 is to authorise the Directors to allot Ordinary Shares (or sell any Ordinary Shares which the Company elects to hold in treasury) for cash without first offering them to existing Shareholders in proportion to their existing shareholdings, without restrictions as to the use of proceeds of those allotments. This authority would be limited to allotments or sales in connection with pre-emptive offers and offers to holders of other equity securities if required by the rights of those securities or as the Directors otherwise consider necessary, or otherwise up to an aggregate nominal amount of £3,563.70 (representing 35,637,040 Ordinary Shares). This aggregate nominal amount represents approximately 5% of the issued ordinary share capital (excluding and including treasury shares) of the Company as at 6 September 2022, the latest practicable date prior to publication of this document.

The purpose of resolution 15 is to authorise the Directors to allot Ordinary Shares (or sell any Ordinary Shares which the Company elects to hold in treasury) for cash up to a further nominal amount of £3,563.70 (representing 35,637,040 Ordinary Shares), equivalent to approximately 5% of the total issued ordinary share capital (excluding and including treasury shares) of the Company, only in connection with an acquisition or specified capital investment which is announced contemporaneously with the allotment, or which has taken place in the preceding six-month period and is disclosed in the announcement of the issue. If the authority given in resolution 15 is used, the Company will publish details of the placing in its next annual report.

The Board intends to follow the provisions of the Pre-Emption Group's Statement of Principles, as updated in March 2015, and not to allot shares for cash on a non pre-emptive basis pursuant to the authority in resolution 14 in excess of an amount equal to 7.5% of the total issued ordinary share capital of the Company (excluding treasury shares) within a rolling three-year period, other than:

- (i) with prior consultation with the Shareholders; or
- (ii) in connection with an acquisition or specified capital investment which is announced contemporaneously with the allotment or which has taken place in the preceding six-month period and is disclosed in the announcement of the allotment.

The Directors will continue to seek to renew the authorities in resolutions 14 and 15 at each annual general meeting, in accordance with current best practice.

If the resolutions are passed, the authority will expire at the earlier of 31 December 2023 and the conclusion of the next annual general meeting of the Company.

Resolution 16: Authority to Make Market Purchases of Ordinary Shares

This resolution, which is conditional on the passing of the Waiver Resolution (resolution 17), will be proposed as a special resolution, which requires a 75% majority of the votes to be cast in favour and seeks authority for the Company to buy back its own Ordinary Shares as permitted by the Companies Act 2006. The authority, if granted, limits the number of Ordinary Shares that could be purchased to a maximum of 35,637,040 Ordinary Shares, representing approximately 5% of the Company's issued share capital (excluding treasury shares) as at 6 September 2022, the latest practicable date prior to publication of this document, and sets the minimum and maximum prices that can be paid. As explained below in relation to resolution 17, the maximum number of Ordinary Shares that may be purchased pursuant to the Authority to Make Market Purchases is 5% of the Company's issued share capital. The Company may either retain any of its own Ordinary Shares which it has purchased as treasury shares with a possible re-issue at a future date, or cancel them.

The Company would consider holding any of its Ordinary Shares that it purchased pursuant to the authority conferred by this resolution as treasury shares. This would give the Company the ability to re-issue treasury shares quickly and cost-effectively, and would provide the Company with additional flexibility in the management of its capital base.

Any market purchases would only be made from the Company's distributable reserves not required for other purposes. No provider of finance will be required and therefore no payment of interest or repayment of, or security for, any liability will be required to be dependent upon the business of the Company. During the financial year ended 30 June 2022, the Company did not utilise the authority to make market purchases conferred at the 2021 AGM. The authority being sought under this resolution would only be exercised if the Directors believed that to do so would result in an increase in earnings per share and would be in the interests of Shareholders generally.

A purchase of Ordinary Shares by the Company pursuant to the Authority to Make Market Purchases could increase the percentage of voting rights held by Mark Coombs, Ashmore's Chief Executive Officer. In certain circumstances (described below) such an increase could trigger an obligation on Mark Coombs to make a mandatory offer for the whole of the issued share capital of the Company pursuant to the Takeover Code.

Independent Shareholders will be asked, under the Waiver Resolution (resolution 17), to renew their approval of the waiver by the Panel of the mandatory offer provisions such that the purchases of Ordinary Shares by the Company pursuant to the Authority to Make Market Purchases will not trigger a requirement for Mark Coombs to make a mandatory offer for the entire issued share capital of the Company. Further details of this waiver are set out below.

As at 6 September 2022, the latest practicable date prior to the publication of this document, there were no outstanding warrants or outstanding options or awards granted under the Share Schemes that may be settled by the issue of new shares.

Part I – Letter from the Chairman continued

Resolution 17: Waiver of mandatory offer provisions set out in Rule 9 of the Takeover Code

The Waiver Resolution seeks Independent Shareholders' approval of a waiver of the obligation that could arise on Mark Coombs to make a general offer for the entire issued share capital of the Company under Rule 9 of the Takeover Code as a result of purchases by the Company of Ordinary Shares pursuant to the Authority to Make Market Purchases. The voting on the Waiver Resolution will be by means of a poll of Independent Shareholders.

In common with many other asset managers, the Company has capital in excess of its regulatory requirements and generates appreciable free cash flow. It remains the Board's intention to return any surplus capital to Shareholders when appropriate. To date, capital has been returned to Shareholders primarily by way of dividends on Ordinary Shares. However, the full suite of options for returning capital to Shareholders also includes the Company making purchases of Ordinary Shares, as it did in 2009. If the Waiver Resolution is not passed, the Company will be unable to make purchases of Ordinary Shares and its flexibility to manage its capital resources will accordingly be limited. The Independent Directors continue to believe that retaining the option for the Company to make purchases of Ordinary Shares is in the best interests of Shareholders generally.

Ashmore acknowledges that voting guidelines issued by certain institutional investor bodies do not recommend normally supporting resolutions of this type, due to a concern regarding the risk of progressive acquisition of control by major shareholders (or "creeping control"). In recognition of such concerns, and following engagement with shareholders in 2014, Ashmore reduced the buyback authority from 10% to 5% and proposes this year to continue to limit the maximum number of Ordinary Shares that may be purchased pursuant to the Authority to Make Market Purchases (resolution 16) to 5% of the Company's issued share capital. Mark Coombs' shareholding has reduced steadily over time, principally through gifts of shares to charity. Further, on 14 February 2019, the Company announced that Mark Coombs had agreed with the Board an approach to managing his shareholding down to a more appropriate level over the medium term by selling up to 4% of Ashmore stock each year into the market. Even if Mark Coombs' shareholding were to remain constant in future years and the authority of 5% to buy back shares in the market were utilised in full annually, it would take more than nine years before Mark Coombs' share interest reached 50% of the issued share capital thereby providing shareholders with an "early warning" indicator of creeping control. Although Mark Coombs did not sell any shares during the financial year ended 30 June 2022, Mark Coombs has confirmed that his intention to manage his shareholding down over the medium term remains unchanged.

Under Rule 9 of the Takeover Code, when (i) any person acquires, whether by a series of transactions over a period of time or not, an interest in shares which, taken together with shares in which he and persons acting in concert with him are interested, carry 30% or more of the voting rights of a company subject to the Takeover Code, or (ii) any person who, together with persons acting in concert with him, is interested in shares which in aggregate carry not less than 30% of the voting rights of a company, but does not hold shares carrying more than 50% of such voting rights and such person, or any person acting in concert with him, acquires an interest in any other shares which increases the percentage of the shares carrying voting rights in which he is interested, then, in either case, that person is normally required to make a general offer in cash for all the remaining equity share capital of the Company at the highest price paid by him, or any persons acting in concert with him, for shares in the Company within the 12 months prior to announcement of the offer.

Under Rule 37 of the Takeover Code, when a company purchases its own voting shares, any resulting increase in the percentage of shares carrying voting rights in which a person or group of persons acting in concert is interested will be treated as an acquisition for the purpose of Rule 9 (although a shareholder who is neither a director nor acting in concert with a director will not normally incur an obligation to make a Rule 9 offer).

At 6 September 2022, the latest practicable date prior to publication of this document, Mark Coombs was interested in an aggregate of 224,025,935 Ordinary Shares (including equity settled share awards held in the EBT and the 5,000,000 shares of Rebecca Coombs) representing 31.43% (2021: 31.38%) of the issued share capital of the Company (excluding treasury shares). If the Company were to repurchase from persons other than Mark Coombs and Rebecca Coombs all the Ordinary Shares for which it is seeking authority under the Authority to Make Market Purchases, the interests of Mark Coombs in Ordinary Shares would (assuming no other allotments of Ordinary Shares and no further disposals of Ordinary Shares by Mark Coombs or Rebecca Coombs after 6 September 2022, being the latest practicable date prior to publication of this document) increase to 33.09% (2021: 33.04%) of the issued share capital of the Company (excluding treasury shares), by virtue of such a repurchase. Accordingly, an increase in the percentage of the shares carrying voting rights in which Mark Coombs is interested, as a result of any exercise of the Authority to Make Market Purchases, would ordinarily have the effect of triggering Rule 9 of the Takeover Code and result in Mark Coombs being under an obligation to make a general offer to all Shareholders.

The Company applied to the Panel for a waiver of Rule 9 of the Takeover Code in order to permit the Authority to Make Market Purchases proposed under resolution 16 to be exercised by the Board (if such authority is approved by Shareholders) without triggering an obligation on the part of Mark Coombs to make a general offer to Shareholders. The Panel has agreed, subject to Independent Shareholders' approval of the Waiver Resolution on a poll, to waive the requirement for Mark Coombs to make a general offer to all Shareholders where such an obligation would arise as a result of purchases by the Company of up to 35,637,040 Ordinary Shares. In the event that the Waiver Resolution is approved by Independent Shareholders, Mark Coombs will not be restricted from making a general offer for the Company.

The waiver granted by the Panel relates only to any increase in the percentage of Ordinary Shares in which Mark Coombs is interested as a result of purchases by the Company of Ordinary Shares pursuant to the Authority to Make Market Purchases sought from the Shareholders at the AGM and is conditional on the passing of the Waiver Resolution by Independent Shareholders of the Company on a poll. As Mark Coombs is interested in the outcome of the Waiver Resolution and as required by the Takeover Code, he will not vote on that resolution.

Following exercise of the Authority to Make Market Purchases (either in whole or in part), Mark Coombs will continue to be interested in shares which carry more than 30% but will not hold more than 50% of the Company's voting share capital, and any further increase in the number of shares in which he is interested (other than as a result of a further exercise of the Authority to Make Market Purchases) would ordinarily have the effect of triggering Rule 9 of the Takeover Code and result in Mark Coombs being under an obligation to make a general offer to all Shareholders.

Mark Coombs and his intentions

Mark Coombs is not proposing any changes to the Board and his intention, following any increase in his shareholding as a result of any repurchase of Ordinary Shares, is that the business of the Company, including any research and development functions, should continue to be run in substantially the same manner as at present. Mark Coombs has also confirmed that he is not proposing, as a result of any increase in his shareholding following any repurchase of Ordinary Shares by the Company, to seek any change in: (i) the locations of the Company's business, headquarters or headquarter functions; (ii) the continued employment of employees and management of the Company and its subsidiaries, including any material change in conditions of employment or balance of skills and functions; and/or (iii) contributions into the Company's pension scheme (including with regard to current arrangements for the funding of any scheme deficit (noting that Ashmore does not operate a defined benefit pension scheme)), the accrual of benefits for existing members and admission of new members, nor will there be any re-deployment of the fixed assets of the Company nor any change to the Company's listing on the London Stock Exchange.

The Independent Directors have noted for the purposes of their recommendation Mark Coombs' intentions with respect to the future operations of the business and the fact that no changes are proposed.

As described on page 128 of the 2022 Annual Report, Mark Coombs entered into the Relationship Agreement with the Company effective 1 July 2014 in accordance with Listing Rule 9.2.2AD(1), which is intended to ensure that Mark Coombs, as a controlling shareholder, complies with the independence provisions set out in Listing Rule 6.5.4R.

Mark Coombs was appointed as Chief Executive Officer and as a Director on the incorporation of the Company in December 1998. He held a number of positions at Australia and New Zealand Banking Group ("ANZ") and led Ashmore's buyout from ANZ in early 1999. He is Co-Chair of EMTA, the trade association for emerging markets, having been on the board since 1993. Mark has an MA in Law from Cambridge University.

The Waiver Resolution will expire at the earlier of 31 December 2023 and the conclusion of the next annual general meeting of the Company.

Resolution 18: Notice of general meetings

Under the Companies Act 2006, the minimum notice period required for general meetings of the Company is 21 days, unless Shareholders approve a shorter notice period, which cannot be less than 14 clear days. Annual general meetings will in any event be held on at least 21 clear days' notice.

In order to maintain flexibility for the Company, resolution 18 seeks approval for the Company to call general meetings on not less than 14 clear days' notice. Resolution 18 will be proposed as a special resolution. The approval will be effective until the Company's next annual general meeting, when it is intended that a similar resolution will be proposed. The shorter notice period would not be used as a matter of routine for such meetings, but only where the flexibility is merited by the business of the meeting and is thought to be to the advantage of Shareholders as a whole.

4. Action to be taken

You will find set out at the end of this document a Notice of AGM convening the AGM of the Company to be held at the De Vere Grand Connaught Rooms, 61-65 Great Queen St, London WC2B 5DA at 12 noon on Friday 14 October 2022, at which the resolutions referred to above will be proposed.

You are requested to complete the Form of Proxy accompanying this document in accordance with the instructions printed thereon, whether or not you intend to be present at the AGM, and return it to the Company's registrar, Equiniti Registrars, Aspect House, Spencer Road, Lancing, Worthing, West Sussex BN99 6DA, as soon as possible and in any event so that it is received not later than 12 noon on Wednesday 12 October 2022. Completion and return of the Form of Proxy will not prevent you from attending the AGM and voting in person if you so wish.

5. Additional information

Your attention is drawn to the 2022 Annual Report and to Part II of this document which contain certain additional information in respect of the Company and the Directors' interests. Shareholders are advised to read the whole of this document and the 2022 Annual Report and not to rely solely on the summary information set out in this letter.

6. Recommendations

The Board believes the proposals described above regarding the resolutions to be proposed at the AGM to be in the best interests of the Company and Shareholders as a whole, save that Mark Coombs makes no recommendation with regard to the Waiver Resolution as, in accordance with the provisions of the Takeover Code, it is the potential percentage increase in his interest in Ordinary Shares which is the subject of the Waiver Resolution. Accordingly, the Board, with the exception just described, recommends that Shareholders vote in favour of each of the resolutions at the AGM, as the Directors intend to do in respect of their own beneficial holdings of Ordinary Shares, amounting to 31.067% of the issued Ordinary Shares (excluding treasury shares) as at 6 September 2022, the latest practicable date prior to publication of this document, save that, as required by the Takeover Code, Mark Coombs will vote neither his beneficial holding of Ordinary Shares capable of being voted nor that of Rebecca Coombs, which amount to 31.059% of the issued Ordinary Shares (excluding treasury shares) as at 6 September 2022, the latest practicable date prior to publication of this document, on the Waiver Resolution, in which Mark Coombs is considered to be interested.

The Independent Directors, who have been so advised by UBS Investment Bank and Morgan Stanley, consider the waiver of the obligation that could arise on Mark Coombs to make an offer under Rule 9 of the Takeover Code in relation to the Authority to Make Market Purchases to be fair and reasonable and in the best interests of the Independent Shareholders and the Company as a whole. In providing their advice to the Independent Directors, UBS Investment Bank and Morgan Stanley have taken account of the Independent Directors' commercial assessments. Accordingly, the Independent Directors unanimously recommend that Independent Shareholders vote in favour of the Waiver Resolution to be proposed at the AGM, as the Independent Directors intend to do in respect of their own beneficial holdings of Ordinary Shares, which amount to approximately 0.007% of the issued Ordinary Shares (excluding treasury shares) as at 6 September 2022, the latest practicable date prior to publication of this document.

Yours sincerely

Clive Adamson
Chair

Notes

- Benefits for both Executive Directors include membership of the Company medical scheme.
- Long-term incentives vesting relates to share awards with performance conditions where the performance period has ended in the relevant financial year plus the value of any dividend equivalents.
- The figure of £542,619 shown as the value of Mark Coombs' 2022 Long-term incentives vesting reflects £21,979 of share price appreciation over the period between grant and vest. The figure of £383,616 shown as the value of Tom Shippey's 2022 Long-term incentives vesting includes £10,990 of share price appreciation over the period between grant and vest. The figure of £1,108,587 shown as the value of Mark Coombs' 2021 Long-term incentives vesting reflects £304,251 of share price appreciation over the period between grant and vest. The figure of £365,748 shown as the value of Tom Shippey's 2021 Long-term incentives vesting includes £97,637 of share price appreciation over the period between grant and vest.
- Mark Coombs and Tom Shippey may voluntarily defer up to 50% of their cash bonus in favour of an equivalent amount of bonus share or phantom bonus share awards and an equivalent value in matching share or phantom matching share awards. All share or phantom share awards will be reported in the Directors' share and phantom share award tables in the year of grant. Both Mark Coombs and Tom Shippey chose to commute 50% of their cash bonus in 2021 for an equivalent value in bonus share awards. Bonus shares are deferred for five years with no service condition attached.
- From the year ending 30 June 2015 onward, additional performance conditions are applied to 50% of any restricted or matching share award. The amounts shown in the row labelled Mandatorily deferred share bonus represent the 50% of restricted and matching share awards that do not have additional performance conditions attached, and also include the amounts detailed in note 6 below relating to compliance with the Alternative Investment Fund Managers Directive (AIFMD). These amounts represent the cash value of shares awarded at grant, which will vest after five years subject to continued employment, and in the case of shares related to AIFMD, after a retention period.
- In order to comply with the AIFMD Mark Coombs and Tom Shippey received a proportion of their bonus, which would have otherwise been delivered in cash, as an additional award of restricted shares which will vest after a retention period. In 2022, the value of this award for Mark Coombs was £0 (FY2020/21: £13,500), and for Tom Shippey was £7,200 (FY2020/21: £7,650).
- In respect of prior year deferred share awards which have been waived to charity, any dividend equivalents associated with the amounts waived are paid directly to the nominated charities. The figures shown exclude the amounts waived.
- Dividends or dividend equivalents were paid relating to voluntarily and mandatorily deferred share or phantom share awards in the period.
- Mark Coombs receives cash in lieu of a pension contribution. Tom Shippey's pension contribution includes an employee contribution via salary sacrifice; in 2022 this was £500 (2021: £500).
- Total short-term benefits for key management personnel, including salary and fees, taxable benefits and cash bonuses, as reported in note 28 of the financial statements is £791,455 in FY2020/21. In addition, the total cost of equity-settled awards for the Executive Directors charged to the statement of comprehensive income, as reported in note 28 of the financial statements, is £223,684 in FY2020/21.
- The Committee exercised its discretion to determine the CEO and GFD's variable remuneration based on various factors. The discretion has not been exercised as a result of share price appreciation or depreciation for annual incentives and LTIPs.
- David Bennett stepped down from the Board on 20 April 2022; no payments for loss of office were made.

18. THAT a general meeting of the Company, other than an annual general meeting, may be called on not less than 14 clear days' notice.

By order of the Board

Alexandra Autrey
Company Secretary

Notes

1. Voting on each of the resolutions set out above will be taken on a poll, rather than on a show of hands. The Company believes a poll is more representative of the Shareholders' voting intentions than a show of hands because Shareholder votes are counted according to the number of shares held and all votes tendered are taken into account.
2. Copies of the Directors' service contracts (or, where appropriate, letters of appointment) are available for inspection during normal business hours at the Company's registered office on any Business Day from the date of this notice until the date of the AGM and will be available at the place of the AGM from 15 minutes prior to and during the AGM.
3. Any member attending the AGM has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, (b) the answer has already been given on the Company's website (www.ashmoregroup.com) in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.
4. Only holders of Ordinary Shares on the register of the members of the Company at 6.30pm on Wednesday 12 October 2022 (or 6.30pm on the date two days prior to any adjourned meeting excluding any part of a day that is not a working day) shall be entitled to attend and/or vote at the AGM. Such Shareholders can vote in respect of the number of shares registered in their names (subject to note 5 below) at that time, but any subsequent changes to the register shall be disregarded in determining rights to attend and vote.
5. Any member is entitled to appoint one or more proxies to exercise all or any of his/her rights to attend the AGM and to speak and act on his/her behalf. A proxy may vote on a show of hands as well as on a poll. Where a proxy has been appointed by more than one member and is voting on a show of hands, if instructed by all those members to vote for or against a resolution the proxy has one vote and if instructed by one or more of those members to vote for and by one or more of those members to vote against the resolution, the proxy has one vote for and one vote against the resolution. If a member appoints more than one proxy, each proxy must be appointed to exercise the rights attached to a different share or shares held by that member. A proxy need not be a member of the Company. To be effective, a duly completed Proxy Form, together with any power of attorney or other authority under which it is signed or a notarially certified copy of such power or authority, must reach the Company's Registrars, Equiniti Registrars, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA by 12 noon on Wednesday 12 October 2022 (or not less than 48 hours before the time fixed for any adjourned meeting, excluding any part of a day that is not a working day).
6. Unless voting instructions are indicated on the Proxy Form, a proxy may vote or withhold his vote as he thinks fit on the resolutions or on any other business (including amendments to resolutions) which may come before the meeting. A vote withheld is not a vote in law and will not be counted in the calculation of the proportion of votes for or against a resolution.
7. If you are a Shareholder and wish to attend the AGM, the return of the Proxy Form or any CREST Proxy Instruction (as described in note 8 below) will not prevent you from attending and voting in person. In the case of joint holders, any one holder may vote. If more than one holder is present at the meeting, only the vote of the senior will be accepted, seniority being determined by the order in which names appear on the register.
8. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual (available via www.euroclear.com). CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
9. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA19) by 12 noon on Wednesday 12 October 2022 (or not less than 48 hours before the time fixed for any adjourned meeting, excluding any part of a day that is not a working day). For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
10. CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST Personal Member, or sponsored member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
11. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
12. If you are an institutional investor you may be able to appoint a proxy electronically via the Proxymity platform. For further information regarding Proxymity, please go to www.proxymity.io. Your proxy must be lodged by 12.00 noon on Wednesday 12 October 2022 in order to be considered valid. Before you can appoint a proxy via this process you will need to have agreed to Proxymity's associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy.
13. A member must inform the Company in writing of any termination of the authority of a proxy.
14. Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.
15. On arrival at the AGM venue, all those entitled to vote will be required to register. In order to facilitate these arrangements, please arrive at the AGM venue in good time and have your admittance pass to hand. You will be given instructions on how to complete your poll card at the meeting.
16. As soon as practicable following the AGM, the results of the voting at the meeting and the number of votes cast for and against and the number of votes withheld in respect of each resolution will be announced via a Regulatory Information Service and placed on the Company's website (www.ashmoregroup.com).
17. A copy of this Notice of AGM has been sent for information only to persons who have been nominated by a member to enjoy information rights under section 146 of the Companies Act 2006 ("**nominated persons**"). The rights to appoint a proxy cannot be exercised by a nominated person, but only by the member. However, a nominated person may, under an agreement between him and the member by whom he was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the meeting. If a nominated person does not have such a right or does not wish to exercise it, he may have a right under such an agreement to give instructions to the member as to the exercise of voting rights.
18. Under section 527 of the Companies Act 2006, members meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the AGM; or (ii) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the Companies Act 2006. The Company may not require the Shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Companies Act 2006. Where the Company is required to place a statement on a website under section 527 of the Companies Act 2006, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required under section 527 of the Companies Act 2006 to publish on a website.
19. A copy of this notice, and other information required by section 311A of the Companies Act 2006, can be found at the Company's website (www.ashmoregroup.com).
20. You may not use any electronic address provided either in this Notice of AGM or any related documents (including the Chair's Letter and Proxy Form) to communicate for any purposes other than those expressly stated.
21. As at 6 September 2022, being the latest practicable time prior to the publication of this notice, there were 712,740,804 Ordinary Shares in issue (none of which were held in treasury), each carrying an equal right to attend and vote at general meetings of the Company. As at 6 September 2022, being the latest practicable time prior to the publication of this notice, the total number of voting rights in the Company was therefore 712,740,804.
