I, Don Harrison, P.Geo. do hereby certify that:

- a) This certificate applies to the report, "NI 43-101 Technical Report on the Tahlo Lake Property Babine Lake area, B.C., Canada" (the "**Technical Report**") with the effective date April 3, 2025.
- b) I am a consulting geoscientist in BC with a Bachelor of Science degree (Geology) from the University of British Columbia.
- c) I am a Professional Geoscientist (P.Geo.) in good standing with the Engineers and Geoscientists British Columbia (#18977) since 1992.
- d) Since graduation, I have worked in the geosciences primarily as an exploration geologist, but also in hydrogeology, mine dewatering, forestry geotechnics and mine permitting
- e) I have worked throughout Canada, western USA, Mexico and western South America. My exploration work has been primarily focused on, but not limited to, copper-gold porphyry deposits, mesothermal and epithermal deposits, and VMS deposits.
- f) I visited the Tahlo Lake property (the "**Property**") on June 22, 2024.
- g) I am responsible for the preparation of all sections of this of this Technical Report.
- h) I am a qualified person independent of the issuer, and I have not had any prior involvement with the Property.
- i) This Technical Report has been prepared based on available data relevant to the disclosure that it supports.
- j) I have read National Instrument 43-101 – *Standards of Disclosure for Mineral Projects* (the "**Instrument**") and the Technical Report, and it has been prepared in compliance with the Instrument;
- k) At the effective date of the Technical Report, to the best of my knowledge, information, and belief, the technical report contains all scientific and technical information that is required to be disclosed to make the Technical Report not misleading.
- l) I am not aware of any material fact or material change with respect to the subject matter of the Technical Report that is not reflected in the Technical Report, the omission to disclose which makes the Technical Report misleading
- m) I consent to the filing of the Technical Report with any stock exchange and other regulatory authority for regulatory purposes, including electronic publication in the public company files and on their websites accessible to the public.
- n) Dated this 3rd day of April, 2025.
