To Shareholders of the Company**Dear Shareholder****1. Introduction**

The purpose of this letter is to provide you with an explanation of the Resolutions to be proposed at the Annual General Meeting of the Company which will be held at Dunelm's Store Support Centre, Pontylue Way, Watermead Business Park, Syston, Leicestershire, LE7 1AD at 11.30am on 19 November 2019, and to recommend that you vote in favour of them. The Notice of Annual General Meeting is set out at Part 3 of this document, and definitions which apply throughout this document are set out in Part 2.

2. Ordinary business

The ordinary business of the Annual General Meeting comprises Resolutions 1 to 20 inclusive.

Resolution 1: Report and accounts

The Directors are required to lay the Directors' Report, the audited annual accounts of the Company and the independent Auditor's Report before Shareholders at the Annual General Meeting. Accordingly, Resolution 1 presents the accounts for the year ended 29 June 2019 and, although not a statutory requirement, proposes the accounts for adoption. A copy of the Annual Report accompanies this document.

Resolution 2: Final dividend

Shareholder approval is required for the payment of a final dividend as recommended by the Board. Subject to Shareholder approval this dividend will be paid on 22 November 2019 to Shareholders on the register of members of the Company at the close of business on 1 November 2019.

Resolutions 3 to 16: Election and Re-election of Directors

In accordance with the provisions of the UK Corporate Governance Code, all Directors will be retiring and, with the exception of Liz Doherty, will offer themselves for election or re-election at the Annual General Meeting.

In accordance with Listing Rule 9.2.2E R (2), there will be an ordinary resolution and a separate resolution of the Independent Shareholders in respect of the appointment or reappointment of each of the independent Directors of the Company. The Board considers that the following Directors are independent for these purposes: Ian Bull, Andy Harrison, William Reeve, Peter Ruis and Paula Vennells. Although no longer considered by the Board to be an independent Director due to her tenure of over nine years, Marion Sears will also put herself forward for reappointment by Independent Shareholders. No Controlling Shareholder or Associate of a Controlling Shareholder will be eligible to vote in respect of these additional resolutions.

At the date of this document Will Adderley and the other members of the Concert Party are the only Controlling Shareholders, and are precluded from voting on Resolutions 7, 9, 11, 13, 15 and 17.

Biographies of each of the Directors are contained on pages 48-51 of the Annual Report, which can be found at <https://corporate.dunelm.com>, and a hard copy is available on request from Dawn Durrant at investorrelations@dunelm.com.

The Board believes, following the completion of the annual performance evaluation and appraisal exercise, that the performance of the Directors seeking election or re-election continues to be effective and that these Directors demonstrate commitment to their roles.

Further information is given below in relation to the independence of the independent Directors named above:

(a) confirmation is given that none of the independent Directors named above has or had any existing or previous relationship, transaction or arrangement with the Company, any of its Directors, any Controlling Shareholder or any other Associate of a Controlling Shareholder;

(b) the independence of Non-Executive Directors is considered on appointment and then reviewed annually by the Chairman as part of the evaluation process. There is also an annual Board review. The Board takes into account the provisions of the UK Corporate Governance Code, as well as policies and guidelines issued by investor representatives such as the Investment Association and the Pensions and Lifetime Savings Association; and

(c) the process for the selection of new Directors is described in the report of the Nominations Committee in the Annual Report. Thereafter the Nominations Committee formally puts forward the names of Directors to be proposed for reappointment at the Annual General Meeting.

Resolution 18: Directors' Annual Report on Implementation

Under Schedule 8 of the Large and Medium-sized Companies and Groups (Accounts and Reports) (Amendment) Regulations 2013 (the "Regulations"), the Directors must prepare an annual report which sets out how the directors' remuneration policy that has been in force during the financial year has been applied during the year, and how the policy will be applied in the coming year. The Directors' Annual Report on Implementation must also be put to Shareholders for approval at the Annual General Meeting, although this vote is advisory. If this vote was not passed, the Company would consult with Shareholders and would be obliged to put the directors' remuneration policy back to Shareholders for approval at the Annual General Meeting of the Company in 2020.

This is the resolution to approve the Directors' Annual Report on Implementation, which is set out on pages 80 to 92 of the Annual Report.

Resolution 19: Appointment of the auditors

The Company's auditors must offer themselves for reappointment at each general meeting at which accounts are presented. The Company proposes that PricewaterhouseCoopers LLP, who have been the Company's auditors since January 2014, be appointed by Shareholders as auditors of the Company.

Resolution 20: Remuneration of the auditors

This Resolution, which is conditional on the passing of Resolution 19, gives authority to the Directors to agree the auditors' remuneration. In accordance with the UK Corporate Governance Code and the Competition and Markets Authority Order on statutory audit services, the Audit and Risk Committee will agree this on behalf of the Board.

3 Special business

The special business to be considered at the Annual General Meeting comprises Resolutions 21 to 25 inclusive.

Resolution 21: Authority to allot Ordinary Shares

This Resolution gives the Directors authority to allot share capital with a nominal value of up to £673,264 which, as at the Latest Practicable Date, represented approximately one third of the Company's issued Ordinary Share capital of £2,019,792.

This authority will expire at the conclusion of the next annual general meeting of the Company after the passing of this Resolution or, if earlier, on 31 December 2020 unless it is previously renewed, varied or revoked.

The Company held 854,699 Ordinary Shares in treasury as at the Latest Practicable Date.

Resolutions 22 and 23: Authority to issue shares on a non pre-emptive basis

These Resolutions (which are Special Resolutions) give the Directors authority to allot equity securities of the Company (including any Ordinary Shares held which the Company has purchased and elected to hold as treasury shares) for cash other than on a pre-emptive basis as provided by the CA 2006. Other than in connection with a rights or other pre-emptive issue, the authority contained in these two Resolutions will be limited to issues of Ordinary Shares representing an aggregate nominal value of £201,979, which in turn represents approximately 10 per cent. of the issued Ordinary Shares of the Company as at the Latest Practicable Date.

The Directors intend to adhere to the provisions in the Pre-Emption Group's Statement of Principles, as updated in March 2015, not to allot shares for cash on a non-pre-emptive basis pursuant to the authority in Resolution 22:

(i) in excess of an amount equivalent to 5 per cent. of the total issued Ordinary Share capital of the Company excluding treasury shares; or

(ii) in excess of an amount equal to 7.5 per cent. of the total issued Ordinary Share capital of the Company excluding treasury shares in a rolling three year period without prior consultation with Shareholders; in each case other than in connection with an acquisition or specified capital investment which is announced contemporaneously with the allotment or which has taken place in the preceding six-month period and is disclosed in the announcement of the allotment.

In accordance with the Pre-Emption Group's 2016 statement, separate Resolutions are being proposed to (a) disapply pre-emption rights on up to five per cent of the issued share capital (Resolution 22); and (b) disapply pre-emption rights for an additional five per cent for transactions which the Board determines to be an acquisition or other capital investment as defined by the Statement of Principles (Resolution 23).

The Directors consider that it is in the best interests of the Company and its shareholders generally that the Company should have the flexibility conferred by the authorities set out in Resolutions 22 and 23, which comply with corporate governance guidelines. However, the Directors have no present intention of exercising either of these authorities or to issue any unissued Ordinary Shares in the Company, other than in respect of the exercise of Share Options by employees under the Employee Share Schemes. If Resolutions 22 and 23 are passed, both authorities will expire on the earlier of either the conclusion of the Annual General Meeting to be held in 2020 or on 31 December 2020.

Resolution 24: Authority to Make Market Purchases of Ordinary Shares

This Resolution (which is a Special Resolution) seeks authority for the Company to buy back its own Ordinary Shares in the market as permitted by the CA 2006. The authority, if granted, limits the number of Ordinary Shares that could be purchased to a maximum of 5,000,000 Ordinary Shares, representing approximately 2.5 per cent. of the Company's issued Ordinary Share capital as at the Latest Practicable Date. The Company may either retain any of its own Ordinary Shares which it has purchased as treasury shares with a possible re-issue at a future date, or cancel them. Since the Company started a buyback programme of its Ordinary Shares in 2007, it has not cancelled any of the Ordinary Shares that it has bought. The Company intends to hold any Ordinary Shares that it purchases pursuant to the authority conferred by this Resolution as treasury shares for re-issue to employees exercising Share Options under the Employee Share Schemes, because the Board believes that this gives the Company the ability to cost-effectively fulfill Share Option entitlements, and provides the Company with additional flexibility in the management of its capital base. The Company does not currently intend to re-issue for sale or cancel any Ordinary Shares that it purchases pursuant to the Authority to Make Market Purchases.

The Company's treasury share purchases and transfers out to employees exercising Share Options in past years is set out below:

Financial year	Purchases of Ordinary Shares into treasury	Transfers of Ordinary Shares out to employees
2007-8	1,195,000	243,500
2008-9	127,000	241,365
2009-10	0	737,507
2011-12	0	99,628
2012-13	0	0
2013-14	1,706,154	769,656
2014-15	0	579,340
2015-16	841,359	352,062
2016-17	500,000	195,813
2017-18	0	236,007
2018-19	0	46,993

At the Latest Practicable Date prior to the publication of this document, the Company held 854,699 Ordinary Shares in treasury.

The Company intends on an annual basis to grant Share Options to executive Directors and senior employees pursuant to the LTIP and to employees pursuant to the Dunelm Sharesave Scheme.

The total number of options over Ordinary Shares outstanding as at the Latest Practicable Date was 2,921,389, representing approximately 1.45 per cent. of the issued Ordinary Share capital of the Company at that date (excluding treasury shares). If the authority to buy back shares was utilised in full, the total number of options to subscribe for Ordinary Shares outstanding as at the Latest Practicable Date would, assuming no further Ordinary Shares are issued and no further options granted, represent approximately 1.48 per cent. of the issued share capital of the Company.

Resolution 25: Notice period for general meetings

This Resolution relates to the Shareholders' Rights Regulations which increase the notice period for general meetings of traded companies such as Dunelm to 21 days unless certain conditions are met. One of the conditions is that a Shareholder resolution such as Resolution 25, reducing the notice period to 14 clear days, is passed on an annual basis. The shorter notice period would not be used as a matter of routine for such meetings, but only where the flexibility is merited by the business of the meeting and is thought to be in the best interests of Shareholders as a whole.

4 Action to be taken

A Form of Proxy for use at the Annual General Meeting is enclosed. Whether or not you intend to be present at the meeting, you are requested to complete, sign and return the Form of Proxy to, Equiniti Limited, Aspect House, Spencer Road, Lancing, West Sussex, BN99 6DA as soon as possible and in any event so that it is received not later than 11.30 am on 15 November 2019.

Shareholders who hold their Ordinary Shares in CREST may appoint a proxy by completing and transmitting a CREST Proxy Instruction to Equiniti so that it is received not later than 11.30 am on 15 November 2019.

Completion and return of the Form of Proxy or the transmission of a CREST Proxy Instruction will not preclude Shareholders from attending and voting in person at the Annual General Meeting, should they so wish.

5 Recommendations

In the opinion of the Board, each of the Resolutions to be proposed at the Annual General Meeting is in the best interests of the Company and Shareholders as a whole.

Accordingly the Board recommends that Shareholders vote in favour of the Resolutions at the Annual General Meeting, as the Directors intend to do in respect of their own beneficial holdings of Ordinary Shares, which amount to 45.0 per cent. of the issued Ordinary Shares.

Yours sincerely

Andy Harrison
Chairman

5. In order for a proxy appointment, or instruction, made by means of CREST to be valid, the appropriate CREST message (a "**CREST Proxy Instruction**") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's ("**EUI**") specifications and must contain the information required for such instructions, as described in the CREST Manual. The message regardless of whether it relates to the appointment of a proxy or to an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA19) by the latest time(s) for receipt of proxy appointments specified in the notice of Annual General Meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST applications host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5) of the Uncertificated Securities Regulations 2001. CREST members and where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is therefore the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his or her CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
6. The "vote withheld" option is to enable shareholders to abstain on any particular resolution. This is not a vote in law and will not be counted in the votes "for" or "against" any resolution.
7. The right to appoint a proxy does not apply to persons whose shares are held on their behalf by another person and who have been nominated to receive communication from the Company in accordance with section 146 of the Companies Act 2006 ("**nominated persons**"). Nominated persons may have a right under an agreement with the registered shareholder who holds shares on their behalf to be appointed (or to have someone else appointed) as a proxy. Alternatively, if nominated persons do not have such a right, or do not wish to exercise it, they may have a right under such an agreement to give instructions to the person holding the shares as to the exercise of voting rights.
