2.9.2 Shareholders holding Certificated Shares who do not wish to hold the Rights Offer Shares allocated to them in dematerialised form and prefer to hold their Rights Offer Shares in Certificated form, will be afforded the option to “re-materialise” their Rights Offer Shares and replace them with a physical Document of Title, provided that such Shareholders have elected to do so on their Form of Instruction and provided their Form of Instruction to the Transfer Secretaries on or before 12:00 on Monday, 10 June 2024; or

2.9.3 Shareholders holding Certificated Shares who wish to receive the Rights Offer Shares allocated to them in dematerialised form, but who do not have an account with a broker or CSDP, will be issued with statements of allocation and will be required to appoint a broker or CSDP so that dematerialised Rights Offer Shares can be made available to them following implementation of the Rights Offer (such Shareholders will be required to provide the statement of allocation to their broker or CSDP as proof of their holdings), provided that such Shareholders have elected to do so in their Form of Instruction.

2.10 Certificated Shareholders should indicate which of the above applies, when completing the Form of Instruction. 2.11.3 should you be a Shareholder contemplated in paragraph 2.9.3 above, the statement of allocation in respect of your Rights Offer Shares will be posted to you, at your risk, on Tuesday, 11 June 2024.

CIRCULAR TO SHAREHOLDERS

1. INTRODUCTION

- 1.1** Shareholders are referred to the financial results announcement released on SENS on 18 December 2023 in which they were advised that APF will pursue a potential rights issue(s) of up to R300 000 000 from Shareholders and/or the Underwriter by way of a fully underwritten renounceable Rights Offer.
- 1.2** In terms of the Rights Offer, a total of 500 000 000 new APF Shares will be offered at a Subscription Price of 40 cents per Rights Offer Share in the ratio of 38,58416 Rights Offer Shares for every 100 APF Shares held at the close of trade on the Record date, upon the terms and conditions set out in this Circular.
- 1.3** The Subscription Price represents a discount of approximately 31.65% to the 30-Day VWAP of APF Shares as of the Last Practicable Date.
- 1.4** The Underwriter's fee will be R10 000 000 (VAT exclusive), which equates to 5% of the Subscription

amount. In addition, the Underwriter will recover from APF all costs incurred by the Underwriter in respect of the Underwriting Agreement, which are capped at an amount of R300 000.

- 1.5 The attached Form of Instruction in respect of the Letter of Allocation contains details of the Rights Offer Rights to which Certificated Shareholders are entitled, as well as the procedures for acceptance, sale, or renunciation of those Rights Offer Rights.
- 1.6 Dematerialised Shareholders will be advised by their CSDP or broker of the Rights Offer Rights to which they are entitled to as well as the procedure for acceptance, sale, or renunciation of those Rights Offer Rights.
- 1.7 The JSE has approved the listing of the:
 - 1.7.1 Letters of Allocation from the commencement of trade on Wednesday, 22 May 2024 until the close of trade on Wednesday, 5 June 2024, both days inclusive; and
 - 1.7.2 Rights Offer Shares from the commencement of trade on Thursday, 6 June 2024.
- 1.8 Upon allotment and issue, the Rights Offer Shares will rank pari passu in all respects with the APF Shares currently in issue.
- 1.9 The purpose of this Circular is to advise Shareholders of the terms and conditions of the Rights Offer and waiver of the potential Mandatory Offer and provide Shareholders with instructions on participating in the Rights Offer and General Meeting.

2. PURPOSE AND RATIONALE OF THE RIGHTS OFFER

- 2.1 The proceeds of the Rights Offer will be utilised to settle existing APF debt (interest-bearing borrowings from financial institutions) as part of a continuing focus on right sizing the business. The Rights Offer is seen as an important step in strengthening the financial position of APF and in particular, enabling the repositioning of Fourways Mall.
- 2.2 While the Board has been provided with an authority by Shareholders at the last annual general meeting to issue Shares for cash, such issuances will have the effect of diluting Shareholders' interests in the Company.
- 2.3 The Board therefore resolved, rather than issuing APF Shares to a single person, to give the Shareholders an equal opportunity to subscribe for APF Shares at the Subscription Price, thereby providing the Shareholders with an opportunity to avoid their dilution. The cash injection into APF therefore will be facilitated by way of a Rights Offer, allowing all Shareholders an equal opportunity to follow their pro-rata portion of the issuance.

3. UNDERWRITING AGREEMENT

- 3.1 In terms of the Underwriting Agreement, the Company has received a commitment from the Underwriter to fully underwrite the Rights Offer in respect of all Rights Offer Shares not taken up by other Shareholders in terms of the Rights Offer. This commitment amounts to R200 000 000.
- 3.2 The Underwriter's fee will be R10 000 000 (VAT exclusive) which equates to 5% of the Subscription amount. In addition, the Underwriter will recover from APF all reasonable costs capped at R300 000 properly incurred

by the Underwriter in respect of the Underwriting Agreement. These costs consist primarily of the legal fees incurred by the Underwriter in order to prepare the Underwriting Agreement, making the maximum total amount payable to the Underwriter of R 10 300 000.

- 3.3** On admission of the LA's to trading on the JSE, the Underwriter shall, on the closing date of the Rights Offer, be paid by the Company the Underwriting Fee independently from whether or not it shall be called upon to subscribe for any Rights Offer Shares under the Underwriting Agreement.
- 3.4** The fee due to the Underwriter and cost recovery by the Underwriter are not greater than the current market rate charged by independent underwriters, having regard to the size of the Rights Offer and the risks associated therewith.
- 3.5** In respect of the underwriting fee paid to the Underwriter and the terms of the Underwriting Agreement, the Company ensured that good corporate governance procedures were followed during the negotiation process, which included, inter alia, the constituting of a meeting of the independent non-executive directors of the Company to consider the Underwriting Fee and terms of the Underwriting Agreement. The independent non-executive directors of the Company have considered and confirmed that the Underwriting Fee is not greater than the current market rates payable to independent underwriters. Other than the Underwriting Fee, no other fee is payable to the Underwriter. The Board of APF, after due and careful enquiry are of the opinion that the Underwriter has sufficient resources to meet its financial commitments in terms of the Underwriting Agreement.
- 3.6** The Underwriting Agreement contains provisions which allow the Underwriter to terminate the Underwriting Agreement if certain material events occur prior to the finalisation announcement, as per clause 15.1 and 15.2 of the Underwriting Agreement, which provisions are customary for underwriting arrangements of this nature. The aforementioned circumstances include, but are not limited to, (i) a breach of a warranty provided to the Underwriter other than if the claim is immaterial in nature; (ii) statements contained in the Circular and other relevant documents which become untrue or misleading, (iii) a suspension or material limitation in trading on the APF Shares or securities generally on the JSE; (iv) a reduction of the three day VWAP of the APF Shares to below ZAR 0.50 per APF Share and (v) a material adverse change occurring, whether in relation to the Company, in the financial, political or economic conditions in, or elsewhere affecting, South Africa or in the international or domestic money, debt, capital or any other financial markets. In such circumstances, the Underwriter may terminate the Agreement, subject to applicable laws and requisite regulatory approvals, provided that the Underwriter acts reasonably in the circumstances and to the extent practicable, consults with the Company prior to so terminating the Underwriting Agreement.
- 3.7** No securities are offered as a preferential right to any person, other than as contemplated by virtue of the Rights Offer.
- 3.8** Save as set out above, there have been no commissions, discounts or brokerages paid or payable in respect of underwriting of this Rights Offer within the preceding 3 years.
- 3.9** On 15 August 2023 the Board of APF passed a resolution to authorise the Rights Offer and the conclusion of the Underwriting Agreement.
- 3.10** The passing of the resolution was required to enable the Company to affect the Rights Offer.

6. NOTICE OF GENERAL MEETING

6.1 The General Meeting of Shareholders to consider, and if deemed fit, to approve with or without modification, the Resolutions set out in the Notice of General Meeting and required to implement the Rights Offer on Tuesday, 14 May 2024 at 11:00 at the Accelerate Property Fund main boardroom, Cedar Square Shopping Centre, Management Office, 2nd Floor, cnr Willow Ave and Cedar Rd, Fourways, Johannesburg. The Notice convening the General Meeting is attached hereto and forms part of this Circular.

Shareholders are referred to the Notice of General Meeting for detail on the Resolutions to be proposed at the General Meeting and to the “Action required by Shareholders” section of this Circular for information on the procedure to be followed by Shareholders in order to participate and to exercise their votes at the General Meeting.

7. MANDATORY OFFER AND WAIVER

7.1 The rationale

The proposed Rights Offer may result in the Underwriter of the proposed Rights Offer, acquiring (with any related or inter-related parties and/or any persons acting in concert with it) more than the Prescribed Percentage of the voting rights attaching to the shares in terms of section 123 of the Companies Act. In such event and in terms of section 123 of the Companies Act, such a person would be obliged to make a Mandatory Offer to the remaining Shareholders of APF. In accordance with Takeover Regulation 86(4), Shareholders may waive their right to receive a Mandatory Offer.

It would manifestly not be the intention of any such Shareholder to obtain control of APF and the risk of a Mandatory Offer being inadvertently triggered would prejudice participation in and the underwriting of the proposed Rights Offer. Accordingly, and in order to achieve the desired capitalisation of the Company by way of the proposed Rights Offer without exposing Shareholders or the Underwriter to such an unintended consequence, Independent Shareholders will be requested to waive the right to receive any Mandatory Offer by way of an ordinary resolution to be proposed at the General Meeting. This resolution must be approved at the General Meeting by Independent Shareholders holding more than 50% of the voting rights held by all Independent Shareholders present at the General Meeting.

The TRP has advised that it is willing to consider the application to grant an exemption as contemplated in section 119(6) of the Act from the obligation to make a Mandatory Offer if the majority of Independent Shareholders waive their Entitlement to receive any such Mandatory Offer by resolution in accordance with Takeover Regulation 86(4). The TRP has not considered the commercial advantages or disadvantages of any possible Mandatory Offer or the proposed Rights Offer when reviewing and/or approving this Circular.

Included in the Notice of General Meeting is a resolution for the waiver of Mandatory Offer for Independent Shareholders to consider and, if deemed fit, to approve at the General Meeting. Should the requisite majority of Independent Shareholders vote in favour of the waiver of Mandatory Offer, an application will be made to the TRP to exempt the Underwriter from any obligation to make a Mandatory Offer which it might otherwise be obliged to make in terms of section 123 of the Companies Act as a result of the implementation of the proposed Rights Offer.

Any Shareholder which wishes to make representations relating to the exemption to be sought from the TRP shall have 5 business days from the date of the posting of the Circular to make such representations to the TRP before the ruling is considered. Representations should be made in writing and delivered by hand, posted, couriered or faxed to:

If delivered by hand, posted or couriered:

Takeover Regulation Panel
First Floor, Block 2
Freestone Park
135 Patricia Road

If faxed:

Takeover Regulation Panel

and should reach the TRP by no later than the close of business on Friday, 19 April 2024 in order to be considered. If any representations are made to the TRP within the permitted timeframe, the TRP will consider the merits thereof before making a ruling.

7.2 Additional information required by the TRP on the Rights Offer

7.2.1 In terms of Takeover Regulation 86(7), as the proposed Rights Offer is to be implemented at discount to the prevailing market price at the date of announcement of the proposed Rights Offer, it is not necessary for a fair and reasonable opinion to be included in this Circular.

7.2.2 The Company has obtained irrevocable undertakings in favour of the Mandatory Offer waiver from certain Shareholders, as set out in paragraph 14 of this Circular.

7.2.3 The published financial results of the Company for the interim 6-month period ended 30 September 2023, the financial years ended 31 March 2023, 31 March 2022 and 31 March 2021 are available for inspection and can be obtained on the Company's website at: <https://www.acceleratepf.co.za/investorcentre/#Financials>

8.1 The Directors, whose names are given in the Corporate Information section of this Circular, collectively and individually, accept full responsibility for the accuracy of the information given and certify that to the best of their knowledge and belief there are no facts which have been omitted which would make any statement in the Circular false or misleading and that all reasonable enquiries to ascertain such facts have been made and that the Circular contains all information required by law and the Listings Requirements.

9. LITIGATION STATEMENT

9.1 The Company is not party to any legal or arbitration proceedings, nor, as far as the Directors of the Company are aware, are there any legal or arbitration proceedings pending or threatened against APF, which may have, or have had in the 12 months preceding the date of this Circular, a material effect on the Company's financial position.

5. Excess applications

The Rights Offer does not include the right for shareholders to apply for excess shares.

6. South African Exchange Control Regulations

The following is intended only as a guide and is, therefore, not comprehensive. If Shareholders are in any doubt as to the appropriate course of action, they are advised to consult their professional advisor.

Pursuant to the Exchange Control Regulations of South Africa and upon specific approval of the South African Reserve Bank, non-residents, excluding former residents, of the Common Monetary Area will be allowed to:

- take up Rights Offer Shares allocated to them in terms of the Rights Offer;
- purchase Letters of Allocation on the JSE; and
- subscribe for the Rights Offer Shares arising in respect of the Letters of Allocation purchased on the JSE provided payment is received either through normal banking channels from abroad or from a non-resident account.

All applications by non-residents for the above purposes must be made through an authorised dealer in foreign exchange. Electronic statements issued in terms of Strate, and any share certificates issued pursuant to such applications will be endorsed “non-resident”.

Where a Right in terms of the Rights Offer becomes due to a former resident of the Common Monetary Area, which right is based on Shares blocked in terms of the Exchange Control Regulations of South Africa, then only emigrant blocked funds may be used to:

- take up the Rights Offer Shares allocated to them in terms of the Rights Offer;
- purchase Letters of Allocation on the JSE; and
- subscribe for the Rights Offer Shares arising in respect of the Letters of Allocation purchased on the JSE.

All applications by Emigrants using blocked funds for the above purposes must be made through the authorised dealer in South Africa controlling their blocked assets. Share certificates issued to such Emigrants will be endorsed “non-resident” and placed under the control of the authorised dealer in foreign exchange through whom the payment was made. The proceeds due to Emigrants from the sale of the Letters of Allocation, if applicable, will be returned to the authorised dealer in foreign exchange for credit to such Emigrants' blocked accounts. Electronic statements issued in terms of Strate, and any Rights Offer Share certificates issued pursuant to blocked Rand transactions will be endorsed “non-resident” and placed under the control of the authorised dealer through whom the payment was made. The proceeds arising from the sale of Letters of Allocation or arising from the sale of blocked Shares will be credited to the blocked accounts of the Emigrants concerned.

Any Qualifying Shareholder resident outside the Common Monetary Area who receives the Circular and Form of Instruction should obtain advice as to whether any governmental and/or other legal consent is required and/or any other formality must be observed to enable a subscription to be made in terms of such Form of Instruction.

New Ordinary Share certificates issued pursuant to the Rights Offer to an emigrant will be endorsed “non-resident” and forwarded to the address of the relevant authorised dealer controlling such emigrant's blocked assets for control in terms of the Exchange Control Regulations of South Africa. Where the Emigrant's Ordinary Shares are in Dematerialised form with a CSDP or Broker, the electronic statement issued in terms of Strate will be despatched by the CSDP or Broker to the address of the emigrant in the records of the CSDP or Broker.
