TRADING STATEMENT FOR THE YEAR ENDED 31 MARCH 2026

Omnia is in the process of finalising its financial results for the year ended 31 March 2026. Paragraph 6.26 of the JSE Listings Requirements requires a company to publish a trading statement as soon as its board is satisfied that there is a reasonable degree of certainty that the financial results for a period to be reported on will differ by more than 20% from that of the previous corresponding period.

Accordingly, a review by Omnia’s board of the Group’s financial results for the year ended 31 March 2026 has indicated that:

- total earnings per share is expected to increase by between 21% and 27% from earnings per share of 692 cents for the year ended 31 March 2025, to earnings per share of between 837 cents and 879 cents for the year ended 31 March 2026; and
- total headline earnings per share is expected to increase by between 17% and 23%, from headline earnings per share of 704 cents for the year ended 31 March 2025, to headline earnings per share of between 824 cents and 866 cents for the year ended 31 March 2026.

The ongoing successful execution of the Group’s strategy, strong cash generation, and an enhanced financial performance underpins the Group’s robust financial and net cash position. The Company’s net cash position at 31 March 2026 was R 1 678 million (excluding the effects of IFRS 16 Leases) compared to R 1 770 million in the prior year.

The financial information on which this trading statement is based has not been reviewed or reported on by Omnia’s external auditors.

Omnia's results for the year ended 31 March 2026 may be impacted by adjustments resulting from the year-end closure process, which may result in a change in the estimated earnings per share and headline earnings per share noted above. A further trading statement in this regard will be provided if necessary.

Omnia expects to release its results for the year ended 31 March 2026 on or about Monday, 8 June 2026.
