- 5.2 The implementation report as set out in the remuneration report on page 24.

Explanatory notes for the non-binding advisory endorsement of the remuneration policy and implementation report

In terms of Principle 14 of the King Report IV Report on Corporate Governance™ for South Africa, 2016 (King IV) and the Listings Requirements of the JSE Ltd (JSE), the Company's remuneration policy and implementation report should be tabled for separate non-binding advisory votes at the AGM. The essence of this vote is to enable the shareholders to express their non-binding views on the remuneration policies adopted and implementation thereof.

These non-binding resolutions are of an advisory nature only and although the Board will consider the outcome of the votes when implementing its remuneration practices, failure to pass these resolutions will not legally preclude the Company from implementing the remuneration policy and practices as contained in the governance report. Shareholders who wish to raise any concerns or submit any comments to the Company on the remuneration policy or implementation report are requested to submit such to investor relations and the Group Company Secretary.

In the case that the Company receives 5% (twenty-five percent) or more votes against either the remuneration policy or implementation report, engagements with shareholders will be arranged. Such engagements will be communicated in the voting results announcement.

Ordinary Resolution Number 6 – General authority for Directors to allot and issue ordinary shares and/or grant options over ordinary shares

Resolved that, subject to the provisions of the Mol, the Companies Act and the JSE Listings Requirements, the authorised but unissued ordinary shares in the share capital of the Company be and are hereby placed under the control of the Directors of the Company who are authorised to allot and issue ordinary shares, issue and/or grant options over such ordinary shares at their discretion, subject to the following:

- (1) This authority shall only be valid until the next AGM of the Company but shall not endure beyond 15 months from the date of this AGM.
- (2) Ordinary shares issued in terms of this authority shall not exceed 5% of the number of ordinary shares in issue as at the date of passing this resolution.
- (3) The number of ordinary shares to be issued in terms of this resolution shall not include any ordinary shares that may be issued by the Company to employees participating in the Telkom Employee Forfeitable Share Plan.

Explanatory notes in respect of Ordinary Resolution Number 6

In terms of clause 9.3 of the Mol, the shareholders may authorise the Directors to allot and issue unissued ordinary shares or grant options over them as the Directors may deem fit (with the effect that any pre-emptive rights that shareholders hold may be waived), subject to the provisions of the JSE Listings Requirements and the Companies Act. The directors wish to be granted authority to allot and issue up to a maximum of 5% (five percent) of the number of ordinary shares in

issue as at the date of passing this resolution at their discretion. The number of shares to be issued in terms of Ordinary Resolution Number 6 shall not include any ordinary shares that may be issued by the Company to participating employees under the Telkom Employee Forfeitable Share Plan as any such issues will take place in terms of the rules of this plan.

Special Resolutions:

Special Resolution Number 1 – General authority for Directors to issue ordinary shares for cash

Resolved that, subject to the passing of Special Resolution Number 1, the provisions of the Companies Act and the JSE Listings Requirements, the Directors be and are hereby authorised by way of a general authority to allot and issue ordinary shares in the share capital of the Company for cash, on such terms and conditions as they deem fit, subject to the following conditions:

- The equity securities, which are the subject of the issue for cash, must be of a class already in issue or, where this is not the case, must be limited to such securities or rights that are convertible into a class already in issue.
- The ordinary shares must be issued to public shareholders, as defined in the JSE Listings Requirements, and not to related parties, however, related parties may participate in a general issue for cash through a bookbuild process, provided that:
 - related parties only participate with a maximum bid price at which they are prepared to take up shares or at book close price. In the event of a maximum bid price and the book closes at a higher price, the relevant related party will be "out of the book" and not be allocated shares; and
 - equity securities must be allocated equitably "in the book" through the bookbuild process and the measures to be applied must be disclosed in the SENS announcement launching the bookbuild.

- The ordinary shares, which are the subject of general issues for cash:
 - may not exceed 5%, of the Company's number of ordinary shares in issue as at the date of the notice of AGM, excluding treasury shares (being 24 614 129 ordinary shares in issue);
 - any ordinary shares issued under this authority must be deducted from the number of ordinary shares set out above;
 - in the event of a sub-division or consolidation of issued ordinary shares during the period of this authority, the existing authority must be adjusted accordingly to represent the same allocation ratio.
- The maximum discount at which ordinary shares may be issued is 10% of the weighted average traded price of such ordinary shares measured over the 30 business days prior to the date that the price of the issue is agreed between the Company and the party subscribing for the ordinary shares. The JSE should be consulted for a ruling if the Company's ordinary shares have not traded in such 30-business day period.
- Should the Company cumulatively issue 5% or more of the number of ordinary shares in issue prior to that issue, an announcement shall be made in terms of the JSE Listings Requirements.

Explanatory notes in respect of Special Resolution Number 1

The Directors wish to be granted authority to allot and issue the ordinary shares of the Company that they would be authorised by Special Resolution Number 1 to issue, as they in their discretion deem fit, for cash from time to time, subject to the provisions of the Mol, the Companies Act and the JSE Listings Requirements, in particular section 5.52 of the JSE Listings Requirements. The ordinary shares capable of being issued for cash under this authority effectively represent 5% of the number of ordinary shares in issue (net of treasury shares) as at the date of this notice of AGM, which is significantly lower than up to 30% as permitted in terms of the JSE Listings Requirements.

The Directors consider it beneficial to obtain the authority to enable the Company to take advantage of any business opportunity that may arise in future.

Special Resolution Number 2 – General authority to repurchase ordinary shares

Resolved that, pursuant to the Mol, the Company and any of its subsidiaries be and are hereby authorised by way of a general approval to repurchase or purchase, as the case may be, from time to time, ordinary shares issued by the Company from any person, upon such terms and conditions and in such number as the Directors of the Company or subsidiary may determine, but in accordance with and subject to the provisions of the Mol, the Companies Act and the JSE Listings Requirements, provided that:

- any general repurchase or purchase by the Company or any subsidiary of its ordinary shares in issue shall not in aggregate in any one financial year exceed 10% of the Company's issued ordinary share capital at the time that the general authority was granted;
- no repurchase or purchase may be made at a price more than 10% above the weighted average of the market value of the ordinary shares for the 5 business days immediately preceding the date of such repurchase or purchase;
- the repurchase of the ordinary shares is effected through the order book operated by the JSE trading system and done without any prior understanding or arrangement between the Company or any subsidiary and the counterparty (reported trades are prohibited);
- the Company may only appoint one agent at any point in time to effect any repurchase(s) on the Company's behalf;

- the repurchase or purchase of shares by the Company and/or any of its subsidiaries may not be effected during a prohibited period as defined in the JSE Listings Requirements unless:
 - the Company has in place a repurchase programme that has been submitted to the JSE in writing prior to the commencement of the prohibited period; and
 - the Company has instructed only one independent third party, which makes its investment decisions in relation to the Company's securities independently of and uninfluenced by the Company, prior to the commencement of the prohibited period to execute the repurchase programme submitted to the JSE;
- the Board resolves to authorise the repurchase, provided that the Company and its subsidiaries have passed the solvency and liquidity test and that, since the test was performed, there have been no material changes to the financial position of the Telkom group;
- this general authority shall be valid until the earlier of the Company's next AGM or the variation or revocation of such general authority by special resolution at any subsequent general meeting of the Company, provided that it shall not extend beyond 15 months from the date of passing of this Special Resolution Number 1; and
- should the Company and/or any subsidiary cumulatively repurchase and/or purchase, as the case may be, 3% of the initial number of the Company's ordinary shares in terms of this general authority and for each 3% in aggregate of the initial number of that class repurchased and/or purchased, as the case may be, thereafter in terms of this general authority, an announcement shall be made in terms of the JSE Listings Requirements.

Any decision by the Board, after considering the effect of a repurchase of up to 10% of the Company's issued ordinary shares, to use the general authority to repurchase shares of the Company will be taken with regard to the prevailing market conditions and other factors.

The Directors of Telkom, after considering the effect of the maximum potential repurchase, are of the opinion that for a period of 12 months after the date of the notice of AGM:

- the Company and the Group will, in the ordinary course of business, be able to pay its debts;
- the assets of the Company and the Group will be in excess of its liabilities. For this purpose, the assets and liabilities will be recognised and measured in accordance with the accounting policies used in the latest audited annual Group financial statements;
- the share capital and reserves of the Company and the Group will be adequate for ordinary business purposes; and
- the working capital of the Company and the Group will be adequate for ordinary business purposes.

The following additional information, which appears in Telkom's integrated report and annual financial statements, is provided in terms of the JSE Listings Requirements for purposes of this general authority:

- The major shareholders on page 102 of the integrated report; and
- The share capital of the Company on page 107 of the annual financial statements.

Directors' responsibility statement:

The Directors, whose names appear on page 78 and 79 of the integrated report, collectively and individually accept full responsibility for the accuracy of the information pertaining to this Special Resolution Number 2 and certify that, to the best of their knowledge and belief, there are no facts that have been omitted that would make any statement false or misleading, and that all reasonable enquiries to ascertain such facts have been made and that this special resolution contains all required information by law and the JSE Listings Requirements.

Material changes:

There have been no material changes in the affairs or financial position of the Company since the end of the financial year ended 31 March 2025 and the date of this notice of AGM.

Explanatory notes in respect of Special Resolution Number 2

This Special Resolution is proposed to allow the Company and/or its subsidiaries, by way of a general authority to repurchase and/or purchase shares issued by the Company.

The existing general authority for the Company and/or a subsidiary thereof to repurchase or purchase, as the case may be, shares in the Company, granted by shareholders at the previous AGM is due to expire at this AGM, unless renewed.

The Directors have no specific intention, at present, for the Company or its subsidiaries to repurchase any of the Company's shares but are of the opinion that it would be in the best interests of the Company to extend such general authority, and thereby allow the Company or any subsidiary of the Company to be in a position to repurchase or purchase, as the case may be, the shares issued by the Company through the order book of the JSE, should an opportunity present itself where the market conditions and price justify such action.

Special Resolution Number 3 – Remuneration of Non-executive Directors

Resolved that a 6.26% increase for the Board Chairperson, a 6.5% increase for the Risk Committee Chairperson, and a 5.5% increase for the rest of the Non-executive Directors of the Company for their services as Directors of the Company, as set out below with effect from 21 August 2025.

3. Except to the extent that the memorandum of incorporation of a company provides otherwise:
 - 3.1. a shareholder of the relevant company may appoint two or more persons concurrently as proxies, and may appoint more than one proxy to exercise voting rights attached to different securities held by such shareholder; and
 - 3.2. a copy of the instrument appointing a proxy must be delivered to the relevant company or to any other person on behalf of the relevant company, before the proxy exercises any rights of the shareholder at a shareholders meeting.
4. Irrespective of the form of instrument used to appoint a proxy:
 - 4.1. the appointment of the proxy is suspended at any time and to the extent that the shareholder who appointed that proxy chooses to act directly and in person in the exercise of any rights as a shareholder of the relevant company; and
 - 4.2. should the instrument used to appoint a proxy be revocable, a shareholder may revoke the proxy appointment by cancelling it in writing, or making a later inconsistent appointment of a proxy, and delivering a copy of the revocation instrument to the proxy and the relevant company.
5. The revocation of a proxy appointment constitutes a complete and final cancellation of the proxy's authority to act on behalf of the relevant shareholder as of the later of the date:
 - 5.1. stated in the revocation instrument, if any; or
 - 5.2. upon which the revocation instrument is delivered to the proxy and the relevant company as required in section 58(4)(c)(ii) of the Companies Act.
6. Should the instrument appointing a proxy or proxies have been delivered to the relevant company, as long as that appointment remains in effect, any notice that is required by the Companies Act or the relevant company's memorandum of incorporation to be delivered by such company to the shareholder must be delivered by such company to:
 - 6.1. the shareholder; or
 - 6.2. the proxy or proxies if the shareholder has in writing directed the relevant company to do so and has paid any reasonable fee charged by the company for doing so.
7. A proxy is entitled to exercise, or abstain from exercising, any voting right of the relevant shareholder without direction, except to the extent that the memorandum of incorporation of the relevant company or the instrument appointing the proxy provide otherwise.

8. If a company issues an invitation to shareholders to appoint one or more persons named by such company as a proxy, or supplies a form of instrument for appointing a proxy:
 - 8.1. such invitation must be sent to every shareholder who is entitled to receive notice of the meeting at which the proxy is intended to be exercised;
 - 8.2. the company must not require that the proxy appointment be made irrevocable; and
 - 8.3. the proxy appointment remains valid only until the end of the relevant meeting at which it was intended to be used, unless revoked as contemplated in section 58(5) of the Companies Act.
