LETTER FROM THE CHAIRMAN

28 March 2018

Dear Shareholder

Annual General Meeting ("AGM")

I am pleased to enclose the Notice of Meeting for the Company's 2018 AGM. The AGM will be held at the offices of Allen & Overy LLP, One Bishops Square, London E1 6AD on Thursday, 10 May 2018 at 11.00am. The AGM provides an opportunity for you to communicate with your Directors.

The Notice sets out the resolutions to be proposed, together with explanatory notes and general notes for shareholders who wish to give proxy voting instructions electronically or by post. Proxy appointment forms are also enclosed. If you have requested a printed copy of the Company's Annual Report & Accounts for the year ended 31 December 2017 (the "Annual Report & Accounts"), it has been included in this pack.

If you asked to receive the Annual Report & Accounts electronically or did not return the election card previously sent to you with your Welcome Pack on becoming a shareholder, please accept this letter as notification that the Company's Annual Report & Accounts have now been published on the Investor section of our website: www.directlinegroup.com/investors.

Election and re-election of Directors

This has been a busy year of change for your Board and the Board and Nomination Committee have been working hard to ensure a seamless succession.

Andrew Palmer, Chair of the Audit Committee and an Independent Non-Executive Director, will be stepping down as a Director at the conclusion of the AGM following completion of over six years' service to the Company. John Reizenstein, who was the Chief Financial Officer, is retiring as a Director at the AGM. I would particularly like to thank both Andrew and John for their help with welcoming Penny James and supporting her smooth transition into the Chief Financial Officer role. I would also like to thank each of them for their service and guidance to the Company. The remaining members of your Board are standing for election or re-election at this year's AGM. Mark Gregory, Penny James and Gregor Stewart have been appointed since the last AGM and are standing for election for the first time: Penny as the Chief Financial Officer; Mark and Gregor as Independent Non-Executive Directors. Gregor will also become the Chair of the Audit Committee.

Biographical details of all of the Directors standing for election or re-election are provided in the explanatory notes to the relevant resolutions, and in the Annual Report & Accounts. The Board has assessed the performance and time commitments of all of the Directors standing for election or re-election at the AGM and recommends that shareholders vote in favour of those resolutions.

Final Dividend and Special Interim Dividend

You will see from resolution 3 in the Notice that the Board is recommending a final dividend for the year ended 31 December 2017 of 13.6 pence per share, which, subject to declaration by shareholders, will become due and payable on 17 May 2018 to shareholders named on the Register of Members as at 6 April 2018, provided that the Board may cancel the dividend and therefore payment of the dividend at any time prior to payment, if it considers it necessary to do so for regulatory capital purposes. In addition, the Board has authorised the payment of a special interim dividend of 15 pence per share, also payable on 17 May 2018 to shareholders named on the Register of Members at the close of business on 6 April 2018. As this is an interim dividend, it is not subject to shareholder approval; therefore, a shareholder resolution to this effect is not required nor included in the Notice.

The business we shall consider at the AGM

The resolutions are standard matters that are normally dealt with at a listed company's AGM, save that resolutions 22 and 23 were new in 2017 and are designed to provide additional flexibility to the Company in managing and raising capital.

Shareholders will recall that in 2017 we requested shareholder approval for the Company to issue Solvency II compliant restricted tier 1 capital instruments ("Solvency II RT1 Instruments"). In December 2017 the Group issued Solvency II RT1 Instruments with a nominal value of £350 million. The 2017 authority expires at the end of this AGM and we are seeking a revised authority to allow the Company to have continued flexibility to issue further Solvency II RT1 Instruments to manage and maintain its and the Group's capital more effectively. Capital sourced in this way contributes towards the Group's Solvency II capital requirements.

A key feature of our Solvency II RT1 Instruments is that they would automatically convert into shares (1) if at any time the amount of relevant Solvency II Own Funds were to fall below the level necessary to exceed (a) any relevant Minimum Capital Requirement or (b) 75% of any relevant Solvency Capital Requirement or (2) if we were to breach any relevant Solvency Capital Requirement and fail to remedy that breach within three months. If one of those triggers were to occur, the £350 million Solvency II RT1 Instruments we issued in December 2017 would convert into approximately 137 million shares (based on the current conversion price).

More information is available on these resolutions in the explanatory notes of this document.

Questions on the business of the meeting

If you are unable to attend the meeting but have any questions on the business to be discussed, we would like to hear from you ahead of the meeting. Please send your questions to me, care of the Company Secretary, at Direct Line Insurance Group plc, Churchill Court, Westmoreland Road, Bromley, BR1 1DP or by email to shareholderenquiries@directlinegroup.co.uk.

Your vote counts

Your vote is important to us. You can vote by: submitting your proxy instruction online; signing and returning your proxy form; or by attending and voting at the AGM. Voting instructions are set out in the notes on pages 8 and 9. All resolutions will be put to a vote on a poll, rather than being decided by a show of hands. Your Directors believe that this will result in a more accurate reflection of the views of shareholders and ensure that their votes are recognised whether or not they are able to attend the meeting. On a poll, each shareholder has one vote for every share held.

The voting results will be announced to the London Stock Exchange and published on our website at www.directlinegroup.com/investors/regulatory-news shortly after the conclusion of the meeting.

Recommendation

Your Board of Directors believes the resolutions to be proposed at the AGM will promote the success of the Company and are in the best interests of the Company and its shareholders as a whole. The Directors unanimously recommend you vote in favour of them, as they intend to do in respect of their own beneficial shareholdings.

The Directors and I look forward to meeting as many of you as possible at our AGM and we thank you for your continued support.

GENERAL NOTES

Appointment of proxy

1. Members are entitled to appoint a proxy to exercise all or any of their rights to attend and to speak and vote on their behalf at the meeting. A shareholder may appoint more than one proxy in relation to the AGM, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy need not be a shareholder of the Company. A proxy form which may be used to make such appointment and give proxy instructions accompanies this Notice. If you do not have a proxy form and believe that you should have one, or if you require additional forms, please contact Computershare Investor Services PLC (the "Registrar") on +44 (0)370 873 5880.
2. To be valid, any proxy form or other instrument appointing a proxy and any power of attorney or other authority, if any, under which it is signed or a notarially certified or office copy of such power or authority must be received at the office of the Registrar (Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY) or at the electronic address provided in Note 6, in each case no later than 11.00am on 8 May 2018.
3. The return of a completed proxy form, other such instrument or any CREST Proxy Instruction (as described in Note 8) will not prevent a shareholder attending the AGM and voting in person if he/she wishes to do so. You must inform the Company's Registrar in writing of any termination of the authority of a proxy.

Nominated persons

4. Any person to whom this Notice is sent who is a person nominated under section 146 of the Companies Act 2006 to enjoy information rights (a "Nominated Person") may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the AGM. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.
5. The statement of the rights of shareholders in relation to the appointment of proxies in Notes 1 and 2 above does not apply to Nominated Persons. The rights described in these Notes can only be exercised by shareholders of the Company. Nominated Persons are reminded that they should contact the registered holder of their shares (and not the Company) on matters relating to their investment in the Company.

Electronic submission of proxy form

6. It is possible for you to submit your proxy votes via the internet. You can do so by visiting www.investorcentre.co.uk/eproxy. You will require the control number and your unique PIN and Shareholder

Reference Number ("SRN"). This information can be found on your form of proxy, or if you receive communications from us electronically, voting information will be contained within your email broadcast.

CREST electronic proxy voting

7. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
8. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual (available via www.euroclear.com). The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the Registrar (ID number 3RA50) by no later than 11.00am on 8 May 2018. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
9. CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
10. The Company may treat a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001 as invalid.

THE BUSINESS OF THE AGM – EXPLANATORY NOTES

Resolution 1 – Receipt of the report and accounts

The Directors must lay before the shareholders the reports and accounts of the Company for the financial year ended 31 December 2017, which include the strategic report and the reports of the Directors and of the Auditor.

Resolution 2 – Approval of the Directors’ remuneration report

The Directors’ remuneration report has been prepared in accordance with the Companies Act 2006 and the Large and Medium-sized Companies and Groups (Accounts and Reports) Regulations 2008 (as amended) and meets the requirements of the Financial Conduct Authority’s Listing Rules and describes how the Board has implemented the Directors’ remuneration policy and applied the principles of good governance relating to Directors’ remuneration. The report is set out in full on pages 74 to 99 of the Annual Report & Accounts. As required by the Companies Act 2006, an ordinary resolution to approve the report is proposed at the AGM. This vote is advisory and the Directors’ entitlement to receive remuneration is not conditional upon the resolution being passed by shareholders.

Resolution 3 – Dividend declaration

Shareholders may declare the final dividend payable for each ordinary share held and the proposal recommended by the Directors in this resolution is 13.6 pence for each ordinary share. If approved by shareholders, this final dividend for the financial year ended 31 December 2017 will become due and payable on 17 May 2018 to shareholders named on the Register of Members as at the close of business on 6 April 2018, provided that the Board of Directors may cancel the dividend and therefore payment of the dividend at any time prior to payment if it considers it necessary to do so for regulatory capital purposes. In compliance with the rules issued by the Prudential Regulation Authority (“PRA”) relating to the implementation of the Solvency II Directive (as it relates to regulated insurance companies) and other regulatory requirements to which the Group is subject, the dividend is required to remain cancellable at any point prior to it being paid on 17 May 2018, and to be cancelled if, prior to payment, the regulated insurance companies in the Group cease to hold capital resources equal to or in excess of their Solvency Capital Requirement, or if that would be the case if the dividend were paid. The Directors have no intention of exercising this cancellation right, other than where required to do so by the PRA or for regulatory capital purposes.

Richard is Chairman of Brit Syndicates Limited and Executive Chairman of Cunningham Lindsey Group. He is also a member of the PRA's Practitioner Panel. Richard was Chief Executive of Lloyds of London from 2006 to 2013. He was a Non-Executive Director of Partnership Assurance Group plc, now part of Just Group plc, between 2013 and 2016 and was Chairman of the Remuneration Committee from 2014 to 2016. He was previously Chief Executive, later Vice Chairman, of the International Petroleum Exchange, rebranded ICE Futures. Prior to this, he held a range of senior positions at British Petroleum and was Head of Marketing and Business Development for energy derivatives worldwide at Tradition Financial Services. Richard has also been a Non-Executive Director of London Clearing House, a member of the PwC Advisory Board and a Board member of the Geneva Association.

Richard's previous experience as a Chief Executive, a Non-Executive Director and a Chairman makes him well suited to the role of Senior Independent Director of the Company. The Board benefits from his experience in the insurance industry and his insight into prudential regulation. Having reviewed his performance, other interests, external time commitments and the contribution he has made to date, the Board recommends his re-election as a Director.

Resolution 15 – Re-appointment of the Auditor

This resolution proposes the re-appointment of the Company's existing Auditor, Deloitte LLP, until the next annual general meeting at which the Company's accounts are presented.

Resolution 16 – Authority to agree the Auditor's remuneration

This resolution is separate to resolution 15 and proposes to give authority to the Audit Committee of the Board to determine the Auditor's remuneration.

Resolution 17 – Political donations and expenditure

The Company does not intend to change its current practice of not making donations to political parties in the European Union ("EU"). However, the Companies Act 2006 contains restrictions on companies making donations or incurring expenditure in relation to EU political parties, other political organisations or independent election candidates. Part 14 of the Companies Act 2006 defines political parties, other political organisations and independent election candidates very widely and, as a result, it is possible that they may include, for example, donations to bodies concerned with policy review and law reform, with the representation of the business community or sections of it, or with the representation of other communities or special interest groups which are in the shareholders' interest for the Company to support. Amongst other things, the Companies Act 2006 prohibits the Company or its direct or indirect subsidiaries from making donations or incurring expenditure in relation to political parties, other political organisations or independent election candidates in a 12 month period in excess of an aggregate of £5,000, unless such donations have been authorised by the Company's shareholders. The Company is therefore seeking authority under this resolution to make political donations to EU political parties, other political organisations or independent election candidates of up to £100,000 in aggregate in order to prevent an inadvertent breach of the Companies Act 2006. As permitted under the Companies Act 2006, this resolution covers the Company and extends to all companies that are subsidiaries of the Company at any time the authority is in place.

Resolution 18 – Authority to allot new shares

At the AGM on 11 May 2017, shareholders approved resolutions to authorise the Directors to allot shares, to allot equity securities for cash, and to make market purchases of the Company's own shares.

This resolution renews the authority that was given at the 2017 Annual General Meeting. Paragraph i) a) of this resolution would give the Directors the authority to allot ordinary shares up to an aggregate nominal amount equal to £50,000,000. This amount represents one-third (33.33%) of the issued ordinary share capital of the Company as at 19 March 2018, the latest practicable date prior to the publication of this Notice.

In line with guidance issued by The Investment Association (the "IA"), paragraph i) b) of this resolution would give the

Directors the authority to allot ordinary shares in connection with a pre-emptive offer by way of a rights issue in favour of ordinary shareholders up to an aggregate nominal amount equal to £100,000,000 including, within such limit, the nominal amount of any shares issued under paragraph i) a) of this resolution. This amount represents two-thirds (66.67%) of the issued ordinary share capital of the Company as at 19 March 2018, the latest practicable date prior to the publication of this Notice.

The authorities sought under this resolution will expire on the earlier of 30 June 2019 (the latest date by which the Company must hold an AGM in 2019) and the conclusion of the AGM of the Company held in 2019.

The Directors have no present intention of exercising either of the authorities sought under this resolution; however, if they do exercise the authority, the Directors intend to follow best practice as regards its use, as recommended by the IA. As at the date of this Notice, no ordinary shares are held by the Company in treasury.

Resolution 19 – General authority to disapply pre-emption rights (special resolution)

This resolution renews, in line with the most recent institutional guidelines, the authority that was given at the AGM on 11 May 2017, and would give the Directors the authority to allot ordinary shares (or sell any ordinary shares which the Company elects to hold in treasury) for cash without first offering them to existing shareholders in proportion to their existing shareholdings.

Except as noted in the next paragraph, this authority would be limited to allotments or sales in connection with pre-emptive offers or otherwise up to an aggregate nominal amount of £7,500,000. This aggregate nominal amount represents approximately 5% of the issued ordinary share capital of the Company as at 19 March 2018, the latest practicable date prior to the publication of this Notice. The Directors intend to adhere to the provisions in the Pre-Emption Group's 2015 Statement of Principles for the disapplication of pre-emption rights (the "Statement of Principles") in their use of this general authority and not allot shares for cash on a non-pre-emptive basis in excess of an amount equal to 7.5% of the total issued ordinary share capital of the Company within a rolling three-year period (other than in connection with an acquisition or specified capital investment as described in the Statement of Principles), without prior consultation with shareholders.

Allotments made under the authorisation in paragraph i) b) of resolution 18 would be limited to allotments by way of a rights issue only (subject to the right of the Directors to impose necessary or appropriate limitations to deal with, for example, fractional entitlements and regulatory matters).

This authority will expire on the earlier of 30 June 2019 (the latest date by which the Company must hold an AGM in 2019) and the conclusion of the AGM of the Company held in 2019.

Resolution 20 - Additional authority to disapply pre-emption rights (special resolution)

Resolution 20 requests further shareholder approval, by way of a separate special resolution in line with the best practice guidance issued by the Pre-Emption Group, for the Directors to allot equity securities or sell treasury shares for cash without first offering them to existing shareholders in proportion to their existing shareholdings. The proposed resolution reflects the Statement of Principles and will expire on 30 June 2019 or at the conclusion of the AGM in 2019, whichever is the earlier.

The authority granted by this resolution, if passed:

- i) will be limited to the allotment of equity securities and sale of treasury shares for cash up to an aggregate nominal value of £7,500,000, which represents approximately 5% of the issued ordinary share capital of the Company as at 19 March 2018, the latest practicable date prior to publication of this Notice; and
- ii) will only be used in connection with an acquisition or other capital investment of a kind contemplated by the Statement of Principles, and which is announced contemporaneously with the allotment, or has taken place in the preceding six-month period and is disclosed in the announcement of the allotment.

The authority granted by this resolution would be in addition to the general authority to disapply pre-emption rights under resolution 19. The maximum nominal value of equity securities which could be allotted if both authorities were used would be £15,000,000, which represents approximately 10% of the issued ordinary share capital of the Company as at 19 March 2018, the latest practicable date prior to publication of this Notice.

Resolution 21 – Authority to purchase own shares (special resolution)

This resolution renews the authority that was given at the 2017 AGM, permitting the Company to buy its own ordinary shares in the market. The maximum number of shares that can be bought under this authority must not exceed 10% of the issued ordinary shares of the Company as at 19 March 2018, the latest practicable date prior to the publication of this Notice. The maximum price payable (exclusive of expenses) must not exceed the higher of:

- i) 105% of the average of the middle market quotations for the ordinary shares of the Company, as derived from the London Stock Exchange Daily Official List, for the five business days immediately prior to the date of purchase; and
- ii) the higher of the price of the last independent trade of an ordinary share and the highest current independent bid for an ordinary share as derived from SETS.

The Directors do not intend to exercise the Company's power to purchase its own shares other than in circumstances where

they believe this would result in an increase in earnings per share and be in the best interests of shareholders generally.

The Companies Act 2006 enables companies to hold any of their own shares which they have purchased as treasury shares with a view to possible resale at a future date, rather than cancelling them. The Company holds no ordinary shares in treasury at the date of this Notice. Treasury shares would provide the Company with additional flexibility in the management of its capital base, enabling it either to sell the treasury shares quickly and cost-effectively or to use the treasury shares to satisfy awards under the Company's employee share schemes. If the Directors exercise the authority conferred by this resolution, they may consider holding the shares in treasury, rather than cancelling them.

The total number of options to subscribe for ordinary shares that was outstanding at 19 March 2018, being the latest practicable date prior to the publication of this Notice, was 16,550,012. The proportion of issued share capital that they represented at that time was 1.20% and the proportion of issued share capital that they would represent if the full authority to purchase shares (existing and being sought) were used is 1.50%.

Resolution 22 - Authority to allot new ordinary shares in relation to an issue of Solvency II RT1 Instruments

Resolution 22, will, if approved, renew the authority granted to Directors at the 2017 AGM to allot ordinary shares in the Company or grant rights to subscribe for, or to convert any security into, ordinary shares in the Company, in accordance with section 551 of the Companies Act 2006 up to an aggregate nominal amount of £23,250,000 in connection with the issue of Solvency II RT1 Instruments which is, in aggregate, equivalent to approximately 15.5% of the issued ordinary share capital of the Company as at 19 March 2018, being the last practicable date prior to the publication of this Notice.

The Directors believe it is in the best interests of the Company to have the flexibility to issue Solvency II RT1 Instruments from time to time and the authority sought in resolution 22 may be used if, in the opinion of the Directors at the relevant time such an issuance of Solvency II RT1 Instruments would be desirable to improve the capital structure of the Company. However, the request for authority in resolution 22 should not be taken as an indication that the Company will or will not issue any, or any given amount of, Solvency II RT1 Instruments. This authority is in addition to the authority proposed in resolution 18, which is the usual authority sought on an annual basis in line with the guidance issued by the IA.

This authority will expire at the conclusion of the next AGM of the Company after the date on which this resolution is passed or, if earlier, on 30 June 2019. However, the Directors may seek a similar authority in the future.

Resolution 23 - Disapplication of pre-emption rights in relation to an issue of Solvency II RT1 Instruments (special resolution)

Resolution 23, which will be proposed as a special resolution, proposes that, in addition to any authority conferred by resolutions 19 (general authority to disapply pre-emption rights) and 20 (additional authority to disapply pre-emption rights), the Directors be empowered to allot equity securities (as defined in section 560 of the Companies Act 2006) for cash up to a nominal amount of £23,250,000 in relation to the issue of Solvency II RT1 Instruments, which is equivalent to 15.5% of the issued ordinary share capital of the Company as at 19 March 2018, being the last practicable date prior to publication of this Notice, as if section 561 of the Companies Act 2006, did not apply to any such allotment.

Resolution 23 would permit the Company the flexibility necessary to allot equity securities pursuant to any proposal to issue Solvency II RT1 Instruments without the need to comply with the strict pre-emption requirements of the UK statutory regime. Together with resolution 22, resolution 23 is intended to provide the Directors with the continued flexibility to issue Solvency II RT1 Instruments which may convert into ordinary shares. This will enhance the Company's ability to manage its capital.

This authority will expire at the conclusion of the next AGM of the Company after the date on which this resolution is passed or, if earlier, on 30 June 2019. However, the Directors may seek a similar authority in the future.

Conditional upon the passing of resolutions 22 and 23, the Directors would not expect to make use of the authorities to allot shares and to disapply pre-emption rights granted by resolutions 18 to 20 to issue Solvency II RT1 Instruments. Any exercise of the authorities in resolutions 18 to 20 (if passed) would be separate from and in addition to the exercise of any powers under these resolutions 22 and 23 and would also have a dilutive effect on existing shareholdings.

As noted on page 2 of this document, the Directors made use of the authorities to issue Solvency II RT1 Instruments that were granted at last year's AGM in connection with the Group's issue of such instruments in December 2017.

Resolution 24 – Notice period for general meetings other than the AGM (special resolution)

The notice period required by the Companies Act 2006 for general meetings of the Company is 21 clear days, unless shareholders approve a shorter notice period, which cannot however, be less than 14 clear days (AGMs must always be held on at least 21 clear days' notice). At the Company's 2017 AGM, shareholders authorised the calling of general meetings, other than an AGM, on not less than 14 clear days'

notice, and it is proposed that this authority be renewed. The approval granted by this resolution, if passed, will be effective until the Company's next AGM, when it is intended that a similar resolution will be proposed.

Note that, in order to be able to call a general meeting on less than 21 clear days' notice, the Company must make a means of electronic voting available to all shareholders for that meeting. The flexibility offered by this resolution will be used when, taking into account the circumstances, and noting the recommendations of the UK Corporate Governance Code, the Directors consider this appropriate in relation to the business to be considered at the meeting and in the interests of the Company and shareholders as a whole.
