Explanatory notes to the proposed resolutions

Resolutions 1 to 9 (inclusive) will be proposed as ordinary resolutions, which means that for each of those resolutions to be passed, more than half the votes cast must be cast in favour of the resolution. Resolutions 10 to 13 (inclusive) will be proposed as special resolutions, which means that for each of those resolutions to be passed, at least three-quarters of the votes cast must be cast in favour of the resolution.

Resolution 1 – Receipt of 2018 Annual Report

The Directors are required to lay the Company's audited financial statements and the Directors' and auditor's reports before shareholders each year at the Annual General Meeting ("AGM"). The audited financial statements and the Directors' and auditor's reports for the year ended 29 March 2018 are included in the 2018 Annual Report.

Resolution 2 – Approval of Directors' remuneration report

The Directors' remuneration report ("**Directors' Remuneration Report**") is subject to an annual advisory shareholder vote by way of an ordinary resolution. The vote is not binding on the Company. Resolution 2 is to approve the Directors' Remuneration Report.

The annual statement from the Chairman of the Remuneration Committee, set out on pages 82 to 84 of the 2018 Annual Report, summarises, for the year ended 29 March 2018, the major decisions taken on Directors' remuneration, any substantial changes relating to Directors' remuneration made during the year, and the context in which those changes occurred and decisions have been taken.

The annual report on remuneration, set out on pages 95 to 101 of the 2018 Annual Report, provides details of the remuneration paid to Directors in respect of the year ended 29 March 2018, including base salary, taxable benefits, short-term incentives (including percentage deferred), long-term incentives vested in the year, pension-related benefits, any other items in the nature of remuneration and any sum(s) recovered or withheld during the year in respect of amounts paid in earlier years, all in accordance with the remuneration policy that was approved by shareholders at the 2017 Annual General Meeting.

Resolution 3 – Declaration of final dividend

The Board is recommending, and the shareholders are being asked to approve, the declaration of a final dividend of 5 pence per ordinary share for the year ended 29 March 2018. The final dividend will, subject to shareholder approval, be paid on 17 July 2018 to the holders of ordinary shares whose names are recorded on the register of members of the Company at the close of business on 15 June 2018.

Resolutions 4A, 4B, 4C, 4D, 4E, 4F and 5A and 5B – Individual re-election/election of Directors

In accordance with the UK Corporate Governance Code ("**Code**") and the Articles, every Director will stand for re-election at the AGM.

Biographical details of each Director can be found on pages 60 and 61 of the 2018 Annual Report.

Over half of the Directors standing for re-election/election are Non-Executive Directors whom are considered independent under the Code.

Peter Pritchard was appointed as Group Chief Executive Officer on 27 April 2018 and is therefore standing for election at the AGM.

It is proposed that Professor Susan Dawson be elected as an Independent Non-Executive Director with effect from close of the of the AGM on 12 July 2018. Professor Dawson started her career in veterinary practice in 1983 and has held management positions at Liverpool University for the last ten years. Susan has strong Board experience relating to the veterinary sector, including as Senior Vice President of the British Small Animal Veterinary Association, a Council Member for the Royal College of Veterinary Surgeons, and a Founder Member of the Veterinary Schools Council. Professor Dawson is currently Dean of the Institute of Veterinary Science at the University of Liverpool and council member of the Royal College of Veterinary Surgeons. Professor Dawson will bring valuable veterinary medicine and services experience to the Board which is considered important in light of the growing significance and size of the Company's Veterinary Group. If elected, Professor Dawson will Chair the Corporate Social Responsibility Committee and the Pets Before Profit Committee.

Tessa Green, an Independent Non-Executive Director and Chair of the Corporate Social Responsibility Committee and the Pets Before Profits Committee has resigned as a Director with effect from the close of the AGM on 12 July 2018 and will not be standing for re-election at the AGM.

Resolution 6 – Re-appointment of auditor

The Company is required to appoint an auditor at each general meeting at which accounts are laid before shareholders, to hold office until the next such meeting.

The Audit and Risk Committee has reviewed the effectiveness, performance, independence and objectivity of the existing external auditor, KPMG LLP, on behalf of the Board, and concluded that the external auditor was in all respects effective.

Resolution 7 – Authority to agree auditor's remuneration

This resolution authorises the Directors, in accordance with standard practice, to negotiate and agree the fees to be paid to the auditor.

In practice, the Audit and Risk Committee will consider and approve the remuneration of the auditor on behalf of the Board.

Resolution 8 – Authority to allot shares

This resolution seeks shareholder approval to grant the Directors the authority to allot shares in the Company, or to grant rights to subscribe for or convert any securities into shares in the Company ("**Rights**") pursuant to section 551 of the Act ("**Section 551 authority**"). The authority contained in paragraph (i) of the resolution will be limited to an aggregate nominal amount of £1,666,666, being approximately one-third of the Company's issued ordinary share capital as at 8 June 2018.

In line with guidance issued by the Investment Association, paragraph (ii) of this resolution would give the Directors authority to allot shares in the Company or grant Rights in connection with a rights issue up to aggregate nominal amount of £3,333,333, representing approximately two-thirds of the Company's issued ordinary share capital as at 8 June 2018, as reduced by the aggregate nominal amount of any allotments or grants under paragraph (i) of this resolution. The Company does not hold any shares in treasury.

If approved, the Section 551 authority shall, unless renewed, revoked or varied by the Company, expire at the end of the Company's next AGM after the resolution is passed or, if earlier, at the close of business on 12 October 2019. The exception to this is that the Directors may allot shares or grant Rights after the authority has expired in connection with an offer or agreement made or entered into before the authority expired. The Directors have no present intention to exercise the Section 551 authority other than in relation to employee share schemes.

Resolution 9 – Authority to make political donations and expenditure

The Company does not make, and does not intend to make, any political donations (to political parties or other political organisations) or incur political expenditure. However, the Company may from time to time make donations to animal welfare organisations, societies and charities. As the law in this area is widely drafted, it could prohibit these activities unless the Company has first obtained shareholder approval.

Resolutions 10 and 11 – Partial disapplication of pre-emption rights

These resolutions seek shareholder approval to grant the Directors the power to allot equity securities of the Company pursuant to section 570 and 573 of the Act ("**Section 570 and 573 power**") without first offering them to existing shareholders in proportion to their existing shareholdings.

The power in resolution 10 will be limited to allotments (i) for cash in connection with pre-emptive offers, subject to any arrangements that the Directors consider appropriate to deal with fractions and overseas requirements and (ii) otherwise for cash up to a maximum nominal value of £250,000, representing 5 per cent. of the Company's issued ordinary share capital as at 8 June 2018, which is in accordance with the relevant shareholder guidelines applicable to the Company.

Resolution 11 would give the Directors authority to allot a further 5 per cent. of the Company's issued ordinary share capital as at 8 June 2018 for the purposes of financing a transaction which the Directors determine to be an acquisition or other capital investment contemplated by the Pre-Emption Group's Statement of Principles (as updated in May 2016) ("**Statement of Principles**").

The disapplication authorities under resolutions 10 and 11 are in line with the authorities sought at the AGM last year and the guidance set out in the Statement of Principles.

The Statement of Principles allow a board to seek authority from its shareholders to allot shares for cash otherwise than in connection with a pre-emptive offer representing (i) up to 5 per cent of a company's issued share capital for use on an unrestricted basis and (ii) up to a further 5 per cent. of a company's issued share capital for use in connection with an acquisition or specified capital investment announced either contemporaneously with the issue, or which has taken place in the preceding six month period and is disclosed in the announcement of the issue.

When the additional 5 per cent. disapplication authority is used, the Company intends to disclose, in the announcement regarding the issue, the circumstances that have led to its use and the consultation process undertaken. In addition, where the Company undertakes a placing using the disapplication of pre-emption rights, the Company intends to publish in the next annual report:

- a. the actual level of discount achieved;
- b. the net proceeds raised;
- c. how those net proceeds were used; and
- d. the percentage increase in issued share capital due to non-pre-emptive issuance for cash over the three-year period preceding the issue.

If both resolutions 10 and 11 are passed, the Directors will have authority to allot shares for cash on a non-pre-emptive basis up to a maximum amount equal to 10 per cent. of the Company's issued share capital as at 8 June 2018, but with 5 per cent of that figure only being permitted to be used for the specific circumstances set out in resolution 11.

The Directors confirm that, in accordance with the Statement of Principles, it does not intend to issue shares for cash representing more than 7.5 per cent. of the Company's issued ordinary share capital in any rolling three-year period, save in accordance with resolution 11, without prior consultation with shareholders.

If approved, the Section 570 and 573 power shall apply until the end of the Company's next AGM after the resolution is passed or, if earlier, until the close of business on 12 October 2019. The exception to this is that the Directors may allot equity securities after the power has expired in connection with an offer or agreement made or entered into before the power expired. The Directors have no present intention to exercise the Section 570 and 573 power other than in relation to employee share schemes.

Resolution 12 – Authority to purchase own shares

This resolution seeks shareholder approval to grant the Company the authority to purchase its own shares pursuant to sections 693 and 701 of the Act.

This authority will be limited to an aggregate maximum number of 50,000,000 ordinary shares, representing 10 per cent. of the Company's issued share capital as at 8 June 2018.

The maximum price which may be paid for an ordinary share will be an amount which is not more than the higher of (i) 5 per cent. above the average of the middle market quotation for an ordinary share as derived from the London Stock Exchange Plc's Daily Official List for the five business days immediately preceding the day on which the ordinary share is contracted to be purchased; and (ii) the higher of the price of the last independent trade and the highest current independent bid on the trading venue where the purchase is carried out (in each case, exclusive of expenses).

If approved, the authority shall, unless varied, revoked or renewed, expire at the end of the Company's next AGM after the resolution is passed or, if earlier, at the close of business on 12 October 2019. The Directors have no present intention of exercising all or any of the powers conferred by this resolution and will only exercise their authority if it is in the best interests of shareholders generally, and could be expected to result in an increase in the earnings per ordinary share of the Company.

As at 8 June 2018, the Company had granted options and awards under its colleague share plans over in aggregate 17,118,582 ordinary shares (assuming full vesting and exercise). This represents 3.42 per cent. of the Company's issued share capital as at 8 June 2018.

If the Company were to buy back the maximum number of ordinary shares allowed under the authority under this resolution, and then cancel those shares, the total number of options and awards would represent approximately 3.80 per cent. of the Company's issued share capital as at 8 June 2018.

Resolution 13 – Notice period for general meetings other than AGMs

This resolution seeks shareholder approval to allow the Company to continue to call general meetings (other than AGMs) on 14 clear days' notice. In accordance with the Companies (Shareholders' Rights) Regulations 2009, the notice period required for general meetings of the Company is 21 days unless shareholders approve a shorter notice period (subject to a minimum period of 14 clear days).

AGMs will continue to be held on at least 21 clear days' notice.

If approved, the approval will be effective until the Company's next AGM, when it is intended that a similar resolution will be proposed.

The Company intends to only use the shorter notice period where the flexibility would be helpful given the business of the meeting and where the Company considers it is to the advantage of shareholders as a whole.

In accordance with the Act, the Company must make a means of electronic voting available to all shareholders for that meeting in order to be able to call a general meeting on less than 21 clear days' notice.

Explanatory notes as to the proxy, voting and attendance procedures at the Annual General Meeting

1. The holders of ordinary shares in the Company are entitled to attend the AGM and are entitled to vote. A member entitled to attend and vote may appoint a proxy to exercise all or any of their rights to attend, speak and vote at a general meeting of the Company. Such a member may appoint more than one proxy, provided that each proxy is appointed to exercise the rights attached to different shares. A proxy need not be a member of the Company.
2. A form of proxy is enclosed with this notice. To be effective, a form of proxy must be completed and returned, together with any power of attorney or authority under which it is completed or a certified copy of such power or authority, so that it is received by the Company's registrars at the address specified on the form of proxy by 11.00 am on 10 July 2018 (or, in the event of an adjournment, not less than 48 hours before the stated time of the adjourned meeting (excluding any part of a day that is not a working day)). Returning a completed form of proxy will not preclude a member from attending the meeting and voting in person.
3. Any person to whom this notice is sent who is a person nominated under section 146 of the Companies Act 2006 ("**Act**") to enjoy information rights (a "**Nominated Person**") may, under an agreement between him and the shareholder by whom he was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the Annual General Meeting. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights. The statement of the rights of shareholders in relation to the appointment of proxies in paragraphs 1 and 2 above does not apply to Nominated Persons. The rights described in paragraphs 1 and 2 can only be exercised by ordinary shareholders of the Company.
4. To be entitled to attend and vote at the AGM (and for the purposes of the determination by the Company of the number of votes they may cast), members must be entered on the Company's register of members by 10.00pm on 10 July 2017 (or, in the event of an adjournment, by 10.00pm, on the date which is two days before the stated time of the adjourned meeting (excluding any part of a day that is not a working day)). Changes to entries on the register of members after this time shall be disregarded in determining the rights of any person to attend or vote at the meeting.
5. As at 8 June 2018, the Company's issued share capital consists of 500,000,000 ordinary shares of £0.01 each, carrying one vote each. Therefore, the total voting rights in the Company as at 8 June 2018 are 500,000,000.
6. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
7. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "**CREST Proxy Instruction**") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual (available via www.euroclear.com). The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy, must in order to be valid be transmitted so as to be received by the issuer's agent (ID 3RA50) by 11.00 am on 10 July 2018 (or, in the event of an adjournment, not less than 48 hours before the stated time of the adjourned meeting (excluding any part of a day that is not a working day)). For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

-
8. CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST Personal Member, or sponsored member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
 9. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5) (a) of the Uncertified Securities Regulations 2001.
 10. Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.
 11. Under section 527 of the Act, members meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the Annual General Meeting; or (ii) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the Act. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Act. Where the Company is required to place a statement on a website under section 527 of the Act, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the Annual General Meeting includes any statement that the Company has been required under section 527 of the Act to publish on a website.
 12. In the case of joint holders, the vote of the senior holder who tenders a vote whether in person or by proxy shall be accepted to the exclusion of the votes of the other joint holders and, for this purpose, seniority shall be determined by the order in which the names stand in the register of members of the Company in respect of the relevant joint holders.
 13. Any member holding ordinary shares attending the meeting has the right to ask questions. The Company must answer any such questions relating to the business being dealt with at the meeting but no such answer need be given if (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information; (b) the answer has already been given on a website in the form of an answer to a question; or (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.
