PROFIT WARNING

This announcement is made by China Pipe Group Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong).

The board of directors (the “**Board**”) wishes to inform the shareholders (“**Shareholders**”) and potential investors of the Company that, based on the preliminary assessment of the unaudited consolidated management accounts of the Group for the year ended 31 December 2025 and currently available information, it is expected that the Group may record a significant decrease in the profit attributable to equity holders of the Company for the year ended 31 December 2025 of between HK\$50 million and HK\$57 million, as compared to an audited net profit of approximately HK\$87.2 million for the same period of last year. This expected decrease is primarily due to two factors: the previous year's unusually high profit, which serves as a challenging comparison, and current difficulties in the construction industry, particularly within the private sector.

The Company is in the process of finalizing the consolidated final results of the Group for the year ended 31 December 2025. The information contained in this announcement is only based on preliminary assessment of information currently available to the Company with reference to the unaudited consolidated management accounts of the Group and other financial information currently available, which have not been reviewed nor audited by the Company's auditors or the audit committee of the Company and is subject to possible adjustments. For details of the actual performance of the Group for the year ended 31 December 2025, Shareholders and potential investors should refer to annual results announcement of the Company for the year ended 31 December 2025, which is expected to be announced by the Company in March 2026.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.
