To the ordinary shareholders and, for information only, to participants in the M J Gleeson Group Share Purchase Plan.

Dear shareholder

Introduction

The 71st Annual General Meeting of M J Gleeson Group plc (the “Company”) is to be held at The Royal Automobile Club, 89 Pall Mall, London SW1 5HS on Friday, 13 December 2013 at 11:30am. The formal notice of the Annual General Meeting of the Company (the “Notice”) and the resolutions to be proposed at the Annual General Meeting (the “Resolutions”) are set out on pages 5 and 6 of this document. In addition to the ordinary business of an Annual General Meeting there are a number of items of special business to be transacted at the meeting.

THE RESOLUTIONS

Ordinary Business

Resolutions 1 to 10 will be proposed as ordinary resolutions. Resolution 1 deals with the receipt of the Accounts and the Reports of the Directors and Auditor of the Company for the year ended 30 June 2013. As you have agreed to accept receipt of accounts electronically, accounts for the year ended 30 June 2013 are available for download from www.mjgleeson.com/investor-relations/annual-and-interim-reports/report-and-accounts-2013. Resolution 2 deals with the recommendation of the Directors that a final dividend of 2.0p per ordinary share be declared. Resolutions 3 and 4 deal with the re-appointment of Christopher Mills and Colin Dearlove who retire by rotation. Resolutions 5 to 8 deal with the re-election of all other Directors who, voluntarily, offer themselves for re-election in the interests of good corporate governance. Full biographical information on all the Directors is set out on pages 18 and 19 of the Annual Report and Accounts 2013. Our Auditor, KPMG Audit Plc has instigated an orderly wind down of business. The Board has decided to put KPMG LLP forward to be appointed as Auditor and Resolution 9 deals with the appointment of KPMG LLP as Auditor of the Company and the grant of authority for the Directors to determine the Auditor’s remuneration for the year ending 30 June 2014. Resolution 10 seeks shareholders’ approval of the Directors’ Remuneration Report set out on pages 22 to 25 of the Report and Accounts for the year ended 30 June 2013.

SPECIAL BUSINESS

As special business at the Annual General Meeting, the Directors will also seek shareholders’ approval of three special resolutions and two ordinary resolutions, as follows:

Share Capital

Resolution 11, which will be proposed as an ordinary resolution, seeks to confer on the Directors the authority to allot ordinary shares and other shares in the Company or grant rights to subscribe for, or convert any security into shares in the Company (“relevant securities”) up to an aggregate nominal amount of £352,510 (representing approximately one third of the Company’s issued ordinary share capital as at 27 September 2013) in substitution for all existing authorities. This authority will expire fifteen months from the date of the passing of the Resolution or at the conclusion of the next Annual General Meeting, if earlier, and will revoke the previous authorities to the extent that they have not already been used. Your Directors have no present intention of issuing any share capital of the Company, save in respect of employee share schemes, but the passing of the Resolution will enable your Directors to take advantage of any opportunities which may arise. As at 27 September 2013 the Company held none of its own shares as treasury shares.

Resolution 12 seeks to give the Directors power, pursuant to the authority to allot granted by Resolution 11, to allot equity securities, as

defined by section 560(1) of the Companies Act 2006 for cash without first offering them to existing shareholders in proportion to their existing holdings for a period of fifteen months from the date of the passing of the Resolution or until the conclusion of the next Annual General Meeting, if earlier, in respect of:

- any rights issue, open offer or other pre-emptive offer up to a maximum nominal amount of £352,510 which represents approximately one third of the Company's issued ordinary shares (excluding treasury shares) as at 27 September 2013; and
- in any other case, in respect of the allotment of shares having a maximum aggregate nominal value of £52,876, which is equivalent to approximately 5% of the Company's issued ordinary share capital (excluding treasury shares) as at 27 September 2013.

Resolution 13, if passed, will authorise the Company to make one or more market purchases of its own shares having a maximum aggregate nominal value of £105,753, being equivalent to approximately 10% of the issued share capital at 27 September 2013. The maximum and minimum prices which may be paid for each ordinary share pursuant to this authority are as specified in Resolution 13. Your Directors have no immediate plans to use this proposed authority but consider it desirable for it to be available to provide additional flexibility in the management of the Company's capital resources. The Directors would exercise this authority only if they believed that to do so would be in the interests of the shareholders generally and would be likely to result in an increase in earnings per share ("EPS"). Any EPS targets included in employee share incentive schemes would be adjusted to take account of any buyback. If any shares are purchased pursuant to this authority they will be cancelled by the Company.

Notice of General Meetings

Before the coming into force of the Companies (Shareholder Rights) Regulations 2009 on 3 August 2009, the Company was able to call general meetings, other than an Annual General Meeting, on 14 clear days' notice without obtaining shareholder approval. Changes made to the Companies Act 2006 by these Regulations increase the notice period required for general meetings of the Company to 21 clear days unless shareholders approve a shorter notice period (which cannot however be less than 14 clear days) and provided that certain conditions are met. Annual General Meetings will continue to be held on at least 21 clear days' notice. One condition is that the Company offers a facility for shareholders to vote by electronic means. This condition is met if the Company offers a facility allowing shareholders to appoint a proxy by means of a website. The Company provides this facility (please see "Action to be taken" below and the notes to the Notice of the meeting below for the Company's arrangements for electronic proxy appointments). The other condition is that there is an annual resolution of shareholders approving the reduction of the minimum notice period from 21 clear days to 14 clear days. Therefore, in order to continue to be able to call general meetings on 14 clear days' notice, Resolution 14 seeks such approval. The approval will be effective until the Company's next Annual General Meeting, when it is intended that a similar resolution will be proposed.

Amendments to the Company's Performance Share Plan

Resolution 15, if passed, will allow the Remuneration Committee to make some changes to the Company's Performance Share Plan (the "PSP"). The PSP was introduced in 2007. Although a number of awards have been made under the PSP, the Company's performance and the challenging performance targets have meant that the first awards to vest will be those granted in 2010 and due to vest in December 2013.

In 2012, the Remuneration Committee considered a series of PSP awards for the Chief Executive Officer with a view to retaining and rewarding him for continued improvements in the Company's performance over an extended period. An initial award was made in 2012 when the share price was £1.51. Since then, the share price has more than doubled. As a result, the Committee cannot award the number of shares originally envisaged. They have therefore decided to ask shareholders to approve the following changes to the PSP.

When the PSP was introduced, the Committee was able to make an initial award of shares worth three times the participant's annual salary and subsequent awards in any financial year have had a limit of twice a participant's annual salary. It is proposed that the Committee should have the power to make awards in any financial year over shares worth three times a participant's annual salary at the date of award.

In addition, as it is intended to make awards in 2013-14 and 2014-15, it is proposed that the Committee should have the power to set alternative vesting dates for awards other than the third anniversary of the date of award. This is so that the vesting dates for the intended awards to the Chief Executive will all be within the performance period originally considered in 2012.

While the amended rules will apply to all awards, it is intended that only the Chief Executive will receive the maximum level of award.

A copy of the amended rules of the PSP will be available, during business hours, at the Company's registered office, and at BDO LLP, 55 Baker Street, London W1U 7EU and for 15 minutes prior to and during the Annual General Meeting at the place of the meeting.

Action to be taken

Accompanying this document is a hard copy Proxy Form for use in relation to the Annual General Meeting. Proxy Forms should be completed and returned in accordance with the instructions printed thereon, so that they arrive at the Company's registrars, PXS, 34 Beckenham Road, Beckenham, BR3 4TU as soon as possible and in any event not later than 11:30 a.m. on Wednesday, 11 December 2013. Electronic proxy appointment is available for this year's Annual General Meeting. Electronic proxy appointment enables shareholders to lodge their proxy appointment by electronic means via the website provided by the Company's registrars, Capita Asset Services at www.capitashareportal.com.

If you hold shares in CREST you may appoint a proxy by completing and transmitting a CREST Proxy Instruction to Capita Asset Services (CREST Participant ID: RA10) so that it is received no later than 11:30 a.m. on 11 December 2013. Completion and return of a Proxy Form (in either hard copy or electronic form) or CREST Proxy Instruction will not prevent shareholders from attending and voting in person at the Annual General Meeting should they so wish. Please note that all Proxy Forms (in hard copy or electronic form) and CREST Proxy Instructions, must be received by the Company's registrars, Capita Asset Services no later than 11:30 a.m. on 11 December 2013.

Recommendation

Your Directors consider that each of the proposed Resolutions in the Notice are in the best interests of the Company and its shareholders as a whole. Accordingly, your Directors unanimously recommend that shareholders vote in favour of the Resolutions as they intend to do in relation to their beneficial holdings, where appropriate, amounting in aggregate to 15,021,639 shares (representing approximately 28.4% of the issued share capital of the Company), save that Jolyon Harrison does not intend to vote on Resolution 15 (Amendments to the Company's PSP).

Yours sincerely

Proxies

2. Shareholders can appoint one or more proxies to exercise all or any of their rights to attend, speak and vote on their behalf at the Annual General Meeting. A shareholder can only appoint a proxy using the procedures set out in these notes and the notes to the Proxy Form (the "Proxy Form"). A proxy need not be a shareholder of the Company. Details of how to appoint the Chairman of the meeting or another person as your proxy using the Proxy Form are set out in these notes and in the notes to the Proxy Form.
3. A proxy may be appointed using any of the following methods:
 - completing and returning the enclosed hard copy Proxy Form (and any power of attorney or other authority under which it is executed or a notarially certified copy of it) and depositing it with the Company's registrars, Capita Asset Services, at the address below;
 - registering electronically by submitting an electronic Proxy Form by logging onto www.capitashareportal.com. Full details of the procedures are given on the website; or
 - in the case of a CREST member, by using the CREST electronic proxy appointment service in accordance with the procedures set out below.

7. A hard copy Proxy Form is enclosed and instructions for use are shown on the form. The return of a completed Proxy Form (either in hard copy form or electronic form) or any CREST Proxy Instruction (as described in notes 14 to 17 below) will not prevent a shareholder attending the Annual General Meeting and voting in person should they decide afterwards to do so.
8. In the case of joint holders, the vote of the senior who tenders a vote, whether in person or by proxy, will be accepted to the exclusion of the votes of the other joint holders and for this purpose seniority will be determined by the order in which the names stand in the register of members.
9. A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution. If no voting indication is given, your proxy will vote or abstain from voting at his or her discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the meeting.

Nominated Persons

10. Any person to whom this Notice is sent who is a person nominated under section 146 of the 2006 Act to enjoy information rights (a "Nominated Person") may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the meeting. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder about the exercise of voting rights.
11. The statement of the rights of shareholders in relation to the appointment of proxies in notes 3, 5, 6 and 7 above does not apply to Nominated Persons. The rights described in these notes can only be exercised by shareholders of the Company.

Entitlement to attend and vote

12. Only those shareholders who are registered on the register of members of the Company at 6 p.m. on 11 December 2013 (or, if the meeting is adjourned, shareholders entered on such register 48 hours (excluding non-working days) before the time fixed for the adjourned meeting) are entitled to attend the Annual General Meeting and to vote in respect of the number of shares registered in their names at the time. Changes to entries on the register of members after 6 p.m. on 11 December 2013 or, if the meeting is adjourned, not less than 48 hours (excluding non-working days) before the time fixed for the adjourned meeting, will be disregarded in determining the rights of any person to attend and/or vote at the Annual General Meeting.

Total voting rights

13. As at 8 November 2013 (being the last business day before the publication of this Notice) the Company's issued share capital consists of 52,876,487 ordinary shares carrying one vote each. Therefore, the total voting rights in the Company as at 8 November 2013 are 52,876,487.

CREST proxy instructions

14. CREST members who wish to appoint a proxy or proxies by using the CREST electronic proxy appointment service may do so for the Annual General Meeting and any adjournments of it by using the procedures described in the CREST Manual. CREST personal members and other CREST sponsored members and those CREST members who have appointed a voting service provider(s) should refer to their CREST sponsor or voting service provider(s) who will be able to take the appropriate action on their behalf.
15. In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information

required for such instructions as described in the CREST Manual (available via www.euroclear.com/CREST). The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the issuer's agent (CREST participant ID: RA10) by the latest time(s) for receipt of proxy appointments specified in this Notice. For this purpose the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Applications Host) from which the Company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

16. CREST members and, where applicable, their CREST sponsors or voting service provider(s) should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal systems timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s) to procure that his/her CREST sponsor or voting service provider(s) take(s)) such action as necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection CREST members and where applicable their CREST sponsors or voting services provider(s) are referred in particular to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
17. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
18. To change your proxy instructions simply submit a new proxy appointment using the methods set out above. Note that the cut-off time for receipt of proxy appointments (see above) also applies in relation to amended instructions; any amended proxy appointment received after the relevant cut-off time will be disregarded.
19. In order to revoke a proxy instruction and terminate the authority of a person to act as proxy this may be done by notice in writing delivered to the registrars not later than the last time at which a Proxy Form should have been received to be valid in accordance with notes 4 and 5 above.

Publication of audit concerns

20. Shareholders should note that it is possible that, pursuant to requests made by shareholders of the Company under section 527 of the 2006 Act, the Company may be required to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the Auditor's report and the conduct of the audit) that are to be laid before the Annual General Meeting; or (ii) any circumstance connected with an Auditor of the Company ceasing to hold office since the previous meeting at which Annual Accounts and Reports were laid in accordance with section 437 of the 2006 Act. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the 2006 Act. Where the Company is required to place a statement on a website under section 527 of the 2006 Act, it must forward the statement to the Company's Auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the Annual General Meeting includes any statement that the Company has been required to publish on a website under section 527 of the 2006 Act.

Corporate representatives

21. Any corporation which is a member can appoint one or more corporate representatives who may exercise, on its behalf, all of its powers as a member provided that where more than one corporate representative is appointed, they do not do so in relation to the same shares.

Questions

22. Any member attending the Annual General Meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.

Information available on the website

23. A copy of this Notice, and other information required by section 311A of the 2006 Act, can be found at www.mjgleeson.com.

Shareholders' power: circulation of resolutions and additional matters

24. Shareholders that meet the requirements set out in sections 338 and 338A of the 2006 Act, have the right to require the Company to (i) circulate to members of the Company entitled to receive notice of the Annual General Meeting, notice of a resolution which may properly be moved and is intended to be moved at the meeting, and/or (ii) include in the business to be dealt with at the meeting any matter (other than a proposed resolution) which may be properly included in the business.
25. A resolution may properly be moved or a matter may properly be included in the business to be dealt with at the meeting, unless either (a) (in the case of a resolution only) it would, if passed, be ineffective (whether by reason of inconsistency with any enactment or the Company's constitution or otherwise), (b) is defamatory of any person, or (c) is frivolous or vexatious.
26. Such a request may be in hard copy form or in electronic form and must identify the resolution of which notice is to be given or the matter to be included in the business. It must also be authorised by the person or persons making it, must be received by the Company no later than 6 clear weeks before the meeting and (in the case of a matter to be included in the business only) must be accompanied by a statement setting out the grounds for the request.

Invalid methods of communication

27. Any website or electronic address (within the meaning of section 333(4) of the 2006 Act) provided either in this Notice of Annual General Meeting or in any related documents (including the Chairman's letter and the Proxy Form) may not be used to communicate with the Company for any purposes other than those expressly stated.
