Dear Shareholder

2021 Annual General Meeting

I am pleased to be writing to you with details of our 2021 Annual General Meeting ("AGM"). The notice convening the AGM is set out on pages 3 to 7 and contains the resolutions dealing with the business of the AGM. The Explanatory Notes for all business of the AGM are set out on pages 8 to 10.

COVID-19 and AGM proceedings

The Board is looking forward to being able to welcome shareholders to physically attend Assura annual general meetings when circumstances once again permit. However, the health of the Company's shareholders, as well as its employees and customers, is of paramount importance. In light of the evolving COVID-19 situation public health concerns and the accompanying public health guidance and legislation issued by the UK Government in relation to the pandemic, and following due consideration and the guidance from the Investment Association, Quoted Companies Alliance, GC100 and others relating to the holding of general meetings, we regret that we will be unable to allow shareholders to attend the AGM being held on Tuesday 6 July 2021 in person, and the Company will be unable to allow entry to anyone seeking to attend the AGM in person.

Shareholders will be able to watch a Q&A following the AGM over the online Investor Meet Company platform by registering in advance via the following link:

<https://www.investormeetcompany.com/assura-plc/register-investor>

Shareholders are invited to submit any questions in respect of the business of the AGM for the Board to consider. Questions may be submitted in advance over the Investor Meet Company platform following registration, and the Board will aim to respond to any such questions relevant to the business of the AGM.

A live broadcast of the Q&A will be opened over the platform at 1.45pm on Tuesday 6 July 2021. Shareholders joining over the platform will be able to see and hear the Q&A but will not be seen or heard by the Board. Shareholders wishing to vote at the AGM are strongly encouraged to do so by completing a Form of Proxy.

SHAREHOLDERS WILL NOT BE ABLE TO VOTE AT THE MEETING OVER THE ONLINE PLATFORM.

The principal meeting location will be at the offices of Stifel, 150 Cheapside, London, EC2V 6ET. However, if it is not possible or advisable for the Board to attend the AGM together in person, the AGM will be held at the Chairman's private residence in Kent where two members will be in attendance to form the quorum with the Board of Directors attending via Microsoft Teams and professional advisers will not be in attendance.

The AGM will only address the formal matters contained in the Notice of Annual General Meeting.

The Board encourages shareholders to watch the Company's website and regulatory news services for any updates in relation to the Meeting that may need to be provided.

Voting

Once again, voting on all resolutions to be proposed at the AGM will be by way of a poll as permitted by the Company's articles of association. All resolutions apart from resolutions 14 to 17 are proposed as ordinary resolutions. An ordinary resolution will be passed on a poll if it is passed by Shareholders representing a simple majority of the total voting rights of Shareholders who (being entitled to do so) vote at the AGM. Resolutions 14 to 17 are proposed as special resolutions. A special resolution will be passed on a poll if it is passed by a majority of Shareholders representing not less than 75% of the total voting rights of Shareholders who (being entitled to do so) vote at the AGM.

Action to be taken

Shareholders will find enclosed with this document a Form of Proxy for use in connection with the AGM. Shareholders, are requested to complete, sign and return the enclosed Form of Proxy, in accordance with the instructions printed thereon, so as to be received by the Company's registrars, Link Group PXS 1, Central Square, 29 Wellington Street, Leeds, LS1 4DL as soon as possible and, in any event, no later than 11.00 am on 2 July 2021. If you do not complete and return a valid Form of Proxy, no-one else may vote on your behalf.

Recommendation

The Directors recommend all Shareholders to vote in favour of all the resolutions – as the Directors intend to do in respect of their own shares (other than in respect of those resolutions in which they are interested) – and consider that they are in the best interests of the Company and the Shareholders as a whole.

Yours faithfully,

Ed Smith, CBE
Non-executive Chairman

Notes:

Given the current Coronavirus (COVID-19) situation, and to ensure adherence to current Government requirements, attendance in person at the meeting will not be possible this year. Shareholders wishing to vote at the Meeting are therefore strongly encouraged to do so by completing a Form of Proxy. The below notes are to be read subject to this COVID-19 related proviso.

1. A member who is entitled to attend and vote at the meeting is entitled to appoint another person, or two or more persons in respect of different shares held by him, as his proxy to exercise all or any of his rights to attend and to speak and vote at the meeting. You will need to state clearly on each proxy form the number of shares in relation to which the proxy is appointed.
2. The right of a member of the Company to vote at the meeting will be determined by reference to the register of members. A member must be registered on that register as the holder of ordinary shares by close of business on 2 July 2021 or if this meeting is adjourned, at close of business on the day two days prior to the adjourned meeting in order to be entitled to attend and vote at the meeting as a member in respect of those shares. Changes to entries on the register of members after close of business on 2 July 2021, or, if the meeting is adjourned, in the register of members at close of business on the day which is two days before the day of any adjourned meeting, will be disregarded in determining the rights of any person to attend or vote at the AGM.
3. Information regarding the meeting, including the information required by section 311A of the Companies Act 2006, can be found at www.assurapl.com.
4. A member wishing to attend and vote at the meeting in person should arrive prior to the time fixed for its commencement. A member that is a corporation can only attend and vote at the meeting in person through one or more representatives appointed in accordance with section 323 of the Companies Act 2006. Any such representative should bring to the meeting written evidence of his appointment, such as a certified copy of a board resolution of, or a letter from, the corporation concerned confirming the appointment. Any member wishing to vote at the meeting without attending in person or (in the case of a corporation) through its duly appointed representative must appoint a proxy to do so. Forms for the appointment of a proxy that can be used for this purpose have been provided to members with this notice of meeting. To be valid, a proxy appointment form must be completed in accordance with the instructions that accompany it and then delivered (together with any power of attorney or other authority under which it is signed, or a certified copy of such item) to Link Group at PXS 1, Central Square, 29 Wellington Street, Leeds, LS1 4DL so as to be received by 11.00am on 2 July 2021. Alternatively, you may submit your Form of Proxy electronically using the Shareportal Service at www.signalshares.com where full details of the procedure are given. This website is operated by the Company's registrars.

To be a valid proxy appointment, the member's electronic message confirming the details of the appointment completed in accordance with those instructions must be transmitted so as to be received by the same time. Members who hold their shares in uncertificated form may also use "the CREST voting service" to appoint a proxy electronically, as explained below. Appointing a proxy will not prevent a member from attending and voting in person at the meeting should he so wish. In the case of a Shareholder which is a company, the proxy form must be executed under its common seal or signed on its behalf by an officer of the company or an attorney for the company. Any power of attorney or any other authority under which the proxy form is signed (or a duly certified copy of such power or authority) must be included with the proxy form.

In the case of joint holders, where more than one of the joint holders completes a proxy appointment, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).

5. A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution. If you either select the "Discretionary" option or if no voting indication is given, your proxy will vote or abstain from voting at his or her discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the meeting.
6. Any person to whom this notice is sent who is currently nominated by a member of the Company to enjoy information rights under section 146 of the Companies Act 2006 ("nominated person") may have a right under an agreement between him and that member to be appointed, or to have someone else appointed, as a proxy for the meeting. If a nominated person has no such right or does not wish to exercise it, he may have a right under such an agreement to give instructions to the member concerned as to the exercise of voting rights. The statement in note 1 above of the rights of a member in relation to the appointment of proxies does not apply to a nominated person. Such rights can only be exercised by the member concerned.
7. As at 6.00 pm on 3 June 2021 (the latest practicable date prior to the printing of this document) (i) the Company's issued share capital consisted of 2,675,547,484 ordinary shares, carrying one vote each, and (ii) the total voting rights in the Company were 2,675,547,484. The Company's website will include information on the number of shares and voting rights.
8. Each member attending the meeting has the right to ask questions relating to the business being dealt with at the meeting which, in accordance with section 319 A of the Companies Act 2006 and subject to some exceptions, the Company must cause to be answered. Information relating to the meeting which the Company is required by the Companies Act 2006 to publish on a website in advance of the meeting may be viewed at www.assurapl.com. A member may not use any electronic address provided by the Company in this document or with any proxy appointment form or in any website for communicating with the Company for any purpose in relation to the meeting other than as expressly stated in it.

9. It is possible that, pursuant to members' requests made in accordance with section 527 of the Companies Act 2006, the Company will be required to publish on a website a statement in accordance with section 528 of that Act setting out any matter that the members concerned propose to raise at the meeting relating to the audit of the Company's latest audited accounts. The Company cannot require the members concerned to pay its expenses in complying with those sections. The Company must forward any such statement to its auditors by the time it makes the statement available on the website. The business which may be dealt with at the meeting includes any such statement. Where the Company is required to publish such a statement on its website:
- it may not require the Shareholders making the request to pay any expenses incurred by the Company in complying with the request;
 - it must forward the statement to the Company's auditors no later than the time the statement is made available on the Company's website; and
 - the statement may be dealt with as part of the business of the meeting.

The request:

- must be in electronic form (see note 10 below);
 - either set out the statement in full or, if supporting a statement sent by another Shareholder, clearly identify the statement which is being supported;
 - must be authenticated by the person or persons making it (see note 10 below); and
 - be received by the Company by 29 June 2021, which is at least one week before the meeting.
10. Where a Shareholder or Shareholders wish to request the Company to publish audit concerns (see note 9), such request must be made by sending a request which states your full name and address, to investor@assura.co.uk. Please state "AGM" in the subject line of the email.
11. CREST members who wish to appoint one or more proxies through the CREST system may do so by using the procedures described in "the CREST voting service" section of the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed one or more voting service providers, should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf. In order for a proxy appointment or a proxy instruction made using the CREST voting service to be valid, the appropriate CREST message ("CREST proxy appointment instruction") must be properly authenticated in accordance with the specifications of CREST's operator, Euroclear UK & Ireland Limited (Euroclear), and must contain all the relevant information required by the CREST Manual. To be valid, the message (regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy) must be transmitted so as to be received by Link Group(ID RA10), as the Company's "issuer's agent", by 11.00am on 2 July 2021. After this time any change of instruction to a proxy appointed through the CREST system should be communicated to the appointee through other means. The time of the message's receipt will be taken to be when (as determined by the timestamp applied by the CREST Applications Host) the issuer's agent is first able to retrieve it by enquiry through the CREST system in the prescribed manner. Euroclear does not make available special procedures in the CREST system for transmitting any particular message. Normal system timings and limitations apply in relation to the input of CREST proxy appointment instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or a CREST sponsored member or has appointed any voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s) such action as is necessary to ensure that a message is transmitted by means of the CREST system by any particular time. CREST members and, where applicable, their CREST sponsors or voting service providers should take into account the provisions of the CREST Manual concerning timings as well as its section on "Practical limitations of the system". In certain circumstances the Company may, in accordance with the Uncertificated Securities Regulations 2001 or the CREST Manual, treat a CREST proxy appointment instruction as invalid.
12. Voting on all resolutions to be proposed at the AGM will be by way of a poll as permitted by the Company's articles of association. All resolutions apart from resolutions 1 to 13 are proposed as ordinary resolutions. An ordinary resolution will be passed on a poll if it is passed by Shareholders representing a simple majority of the total voting rights of Shareholders who (being entitled to do so) vote at the AGM. Resolutions 14 to 17 are proposed as special resolutions. A special resolution will be passed on a poll if it is passed by a majority of Shareholders representing not less than 75% of the total voting rights of Shareholders who (being entitled to do so) vote at the AGM. As soon as practicable following the meeting, the results of the voting will be announced via a regulatory information service and also placed on the Company's website.
13. If you are an institutional investor, you may be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the Registrar. For further information regarding Proxymity, please go to www.proxymity.io. Your proxy must be lodged no later than 48 hours before the time of the Annual General Meeting, in order to be considered valid. Before you can appoint a proxy via this process you will need to have agreed to Proxymity's associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy. Proxymity will then contract with your underlying institutional account holder directly to accept their vote instructions through the platform.
14. Copies of the service contracts of the executive directors and the non-executive directors' contracts for services are available for inspection on the Company's website.

Explanatory Notes to the Notice of Annual General Meeting

The notes on the following pages give an explanation of the proposed resolutions:

Resolution 1: Annual Report and Accounts

The Companies Act 2006 requires the directors of a public company to lay before the company in general meeting copies of the Directors' Reports, the independent auditor's report and the audited accounts of the company in respect of each financial year. In accordance with the UK Corporate Governance Code, the Company proposes, as an ordinary resolution, a resolution on its Report and Accounts for the financial year ended 31 March 2021. A copy of each of the documents can be found at www.assurapl.com.

Resolution 2: Approval of the Directors' Remuneration Report

The Company will propose at the AGM an ordinary resolution to seek shareholder approval of the Directors' Remuneration Report for the financial year ended 31 March 2021. The Directors' Remuneration Report is set out in full on pages 87 to 105 of the Company's Annual Report and Accounts.

The vote on resolution 2 is advisory in nature and the Directors' entitlement to remuneration is not conditional on it being passed. Your Directors are satisfied that the Company's practice in relation to Directors' remuneration is reasonable and that they deserve the support of the Shareholders.

Resolutions 3 and 4: Auditor re-appointment and remuneration

At each meeting at which the Annual Report and Accounts are laid, the Company is required to appoint an auditor to serve until the next such meeting. Ernst & Young LLP have indicated that they are willing to act as the Company's auditor. The Directors recommend their appointment. Resolution 3 is a resolution to appoint them. Resolution 4 is a resolution giving the Audit Committee the discretion to determine the auditor's remuneration. The Audit Committee keeps under review the independence and objectivity of the external Auditor. After considering relevant information, the Audit Committee recommended to the Board of Directors that Ernst & Young LLP be appointed. The amount of the remuneration paid to the Auditor for the next financial year will be disclosed in the next audited accounts of the Company.

Resolutions 5 to 12: Re-election and election of Directors

In accordance with the recommendations of the UK Corporate Governance Code and as permitted by the Company's Articles of Association, each of the Company's Directors will retire from office at the 2021 Annual General Meeting and will seek re-election.

The Chairman confirms that, following a performance evaluation, each Director continues to be effective, demonstrating significant commitment to their role and, accordingly, the board unanimously recommends that each Director be appointed.

Brief biographical details of each of the Directors can be found on pages 74 to 76 of the Annual Report and Accounts and on the Company's website www.assurapl.com.

Resolution 13: Authority to allot shares

The Directors are currently authorised to allot ordinary shares and to grant rights to subscribe for or convert any securities into ordinary shares in the Company, but their authorisation ends at the conclusion of the 2021 AGM.

This resolution seeks to renew the Directors' authority to allot ordinary shares and grant rights in accordance with section 551 of the Companies Act 2006. In accordance with The Investment Association's "Share Capital Management Guidelines", the authority sought will allow the Directors to allot new shares and to grant rights to subscribe for or convert any security into shares up to an aggregate nominal amount that is equal to two-thirds of the Company's total issued ordinary share capital, provided that any amount in excess of one-third of the Company's issued ordinary share capital is applied to fully pre-emptive rights issues only.

Accordingly, if this resolution is passed by Shareholders, the Directors will be authorised until the earlier of 30 September 2022 and the conclusion of the Company's next annual general meeting (unless previously renewed, varied or revoked by the Company in a general meeting) to allot shares and grant rights up to an

aggregate nominal value of £89,184,916 in any circumstances, and up to a further amount of £89,184,916 in the case of a rights issue only. In each case, £89,184,916 represented approximately one third of the Company's issued ordinary share capital as at 3 June 2021. As at the same date, the Company did not hold any shares in treasury.

The Directors have no present intention of exercising this authority. The purpose of giving the Directors this authority is to maintain the Company's flexibility to take advantage of any appropriate opportunities that may arise.

Resolutions 14 and 15: Disapplication of pre-emption rights

Resolutions 14 and 15 are special resolutions which, if passed by Shareholders, will enable the board to allot ordinary shares, or to sell any shares out of treasury, for cash, without first offering those shares to existing Shareholders in proportion to their existing holdings.

In March 2015, the Pre-Emption Group published a revision of its Statement of Principles. In addition to restating the customary 5% limit on the issuance of shares for cash on a non-pre-emptive basis, the 2015 Statement of Principles introduced greater flexibility for companies to undertake non-pre-emptive issues for cash in connection with acquisitions and specified capital investments. This relaxation allows companies the opportunity to finance expansion opportunities as and when they arise.

The 2015 Statement of Principles provides that a company may seek power to issue on a non-pre-emptive basis for cash shares representing:

- (i) no more than 5% of the company's issued ordinary share capital in any one year; and
- (ii) no more than an additional 5% of the company's issued ordinary share capital provided that such additional power is only used in connection with an acquisition or specified capital investment. The 2015 Statement of Principles defines a 'specified capital investment' as 'one or more specific capital investment related uses for the proceeds of an issuance of equity securities, in respect of which sufficient information regarding the effect of the transaction on the listed company, the assets the subject of the transaction and (where appropriate) the profits attributable to them is made available to Shareholders to enable them to reach an assessment of the potential return'. Items that are regarded as operating expenditure rather than capital expenditure will not typically be regarded as falling within the term 'specified capital investment'.

As in 2020, the board is seeking two separate powers to disapply pre-emption rights at the AGM.

Resolution 14 is proposed as a special resolution. As in previous years, if this resolution is passed by Shareholders, it will permit the board to allot ordinary shares on a non-pre-emptive basis and for cash (otherwise than in connection with a rights issue or similar pre-emptive issue) up to a maximum nominal value of £13,377,737. This amount represents approximately 5% of the issued share capital as at 3 June 2021, being the latest practicable date prior to publication of this document. This resolution will permit the board to allot any such shares for cash on a non-pre-emptive basis in any circumstances (whether or not in connection with an acquisition or specified capital investment). The power granted by this resolution will expire on the conclusion of next year's annual general meeting or, if earlier, on 30 September 2022.

Resolution 15 is proposed as a separate special resolution. If this resolution is passed by Shareholders, it will afford the board an additional power to allot ordinary shares on a non-pre-emptive basis and for cash up to a further maximum nominal value of £13,377,737. This amount also represents approximately 5% of the issued share capital as at 3 June 2021.

The board confirms that it intends to use any power conferred by resolution 15 only in connection with an acquisition or a specified capital investment which is announced contemporaneously with the issue, or which has taken place in the preceding six-month period and is disclosed in the announcement of the issue.

The board also confirms its intention to follow the provisions of the 2015 Statement of Principles regarding cumulative usage of authorities within a rolling three-year period. Those Principles provide that a company should not issue shares for cash (other than to satisfy share scheme requirements) representing more than 7.5% of the company's issued share capital in any rolling three-year period, other than to existing Shareholders, without prior consultation with Shareholders. This limit excludes any ordinary shares issued pursuant to a specific disapplication of pre-emption rights and any ordinary shares issued pursuant to a general disapplication of pre-emption rights in connection with an acquisition or specified capital investment.

The power granted by this resolution will expire on the conclusion of next year's annual general meeting or, if earlier, on 30 September 2022.

Resolution 16: Authority to purchase own shares on the market

This resolution seeks authority for the Company to make market purchases of its own ordinary shares and is proposed as a special resolution.

In certain circumstances, it may be advantageous for the Company to purchase its own shares. The Directors will only exercise this authority after considering relevant factors, including if whether to do so would result in an increase in earnings per share and would benefit Shareholders generally. Other investment opportunities, appropriate gearing levels and the overall position of the Company will be taken into account before deciding upon this course of action.

The Company may either cancel any shares it purchases under this authority or transfer them into treasury (and subsequently sell or transfer them out of treasury or cancel them). UK listed companies purchasing their own shares are allowed to hold them in treasury as an alternative to cancelling them. If Resolution 16 is passed at the AGM, and the Company buys back its own shares, it is the Company's current intention to cancel all of the shares it may purchase pursuant to the authority granted to it. However, in order to respond properly to the Company's capital requirements and prevailing market conditions, the Directors will reassess at the time of any and each actual purchase whether to hold the shares in treasury or cancel them, provided it is permitted to do so.

It is the Company's current intention to satisfy the requirements of its share schemes in a method best suited to the interests of the Company, either by acquiring ordinary shares in the market or, subject to institutional guidelines, issuing new ordinary shares.

This resolution specifies the maximum number of ordinary shares that may be acquired (representing approximately 10% of the Company's issued ordinary share capital as at 3 June 2021 and the maximum and minimum prices at which they may be bought. The power granted by this resolution will expire on the conclusion of next year's annual general meeting or, if earlier, on 30 September 2022.

Resolution 17: Authority for convening general meetings of the Company on at least 14 clear days' notice

The Company currently has power under its articles of association to call general meetings (other than annual general meetings) on at least 14 clear days' notice and would like to preserve this ability. Resolution 17, which will be proposed as a special resolution, seeks approval for this. This approval will be effective until the conclusion of the Company's next annual general meeting, when it is intended that a similar resolution will be proposed.

The shorter notice period would not be used as a matter of routine for general meetings, but only where the board considers that the flexibility is merited by the business of the meeting and is thought by the board to be to the advantage of Shareholders as a whole.
