PROFIT ALERT – REDUCTION IN LOSS

This announcement is made by Novautek Technologies Group Limited (the "**Company**" together with its subsidiaries, the "**Group**") pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

Based on the information currently available to the board (the "**Board**") of directors (the "**Directors**") of the Company, the Board wishes to inform the shareholders of the Company (the "**Shareholders**") and potential investors that the Group may record a loss of approximately HK$30,515,000 for the six months ended 31 December 2025, representing a decrease in loss of approximately HK$43,364,000 as compared to the loss of approximately HK$73,879,000 for the six months ended 31 December 2024.

The Board considers that the decrease in loss was mainly attributable to, among others, net impact of the following factors:

(i) an increase in revenue of the Group from approximately HK$14,460,000 for the six months ended 31 December 2024 to approximately HK$20,878,000 for the six months ended 31 December 2025, especially noted the significant increase in revenue ratio generated by AI Robots.

(ii) a net fair value gain of the Group's investment properties was approximately HK$4,316,000 for the six months ended 31 December 2025, and a net fair value loss of approximately HK$43,982,000 for the six months ended 31 December 2024;

(iii) a decrease in fair value loss of financial assets at fair value through profit or loss from approximately HK$24,357,000 for six months ended 31 December 2024 to approximately HK$12,726,000 for six months ended 31 December 2025; and

(iv) a decrease in gain on disposal of financial assets at fair value through profit or loss of approximately HK$12,278,000 for six months ended 31 December 2024 to approximately HK$797,000 for the six months ended 31 December 2025.

The Board wishes to emphasize that the above-mentioned factors items (ii) and (iii) are non-cash in nature and derived from property investment and investment holding segments. The Company is comprehensively enhancing its core competitiveness in the field of AI robots, to improve overall financial performance.

The information contained in this announcement is only a preliminary assessment by the Board with reference to the unaudited management accounts of the Group for the six months ended 31 December 2025 as well as the operational data currently available to the Board and therefore may subject to amendments and valuation adjustments. The interim results of the Group for the six months ended 31 December 2025 may be different from the information disclosed in this announcement. Shareholders and potential investors are advised to refer to details in the announcement of the interim results of the Group for the six months ended 31 December 2025, which is expected to be released in late February 2026.

Shareholders and potential investors should exercise caution when dealing in the shares of the Company.
