SUPPLEMENTAL ANNOUNCEMENT PROFIT WARNING

This announcement is made by Yanchang Petroleum International Limited (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited and the Inside Information Provisions under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

Reference is made to the Company's profit warning announcement dated 31 July 2025 (the "**Announcement**"). Unless otherwise specified, capitalised terms used herein shall have the same meanings as those defined in the Announcement.

The Board of the Company would like to further inform the shareholders of the Company and potential investors that as performance of the oil and gas production business in Canada is highly vulnerable to volatility of international crude oil prices, the loss of the oil and gas production business in Canada during the period under review was mainly due to the falling of international crude oil prices. Under the shadow of the ongoing Russo-Ukrainian war, the heightened tensions in Middle East and the uncertainty brought along by tariff war triggered from the United States, the global economic recovery momentum was insufficient, and continued weakness in industrial output and refined oil consumption, further dampened crude oil demand. In the first half of 2025, WTI crude oil prices as a whole experienced a volatile downward trend, falling from average of around US$77 per barrel of 2024 to average of around US$68 per barrel for the period of six months ended 30 June 2025.

Save for the above supplemental information, all information and contents in the Announcement shall remain unchanged. This announcement is supplemental to and should be read in conjunction with the Announcement.

As the Company is still in the process of finalising the interim results for the six months ended 30 June 2025, the information contained in this announcement is only based on the preliminary assessment of the Group's unaudited management accounts which have not been audited or reviewed by the Company's independent auditors, and may therefore be subject to necessary adjustments. Formal announcement of the Group's interim results for the six months ended 30 June 2025 shall be published on or about 28 August 2025.

Shareholders of the Company and potential investors should exercise caution when dealing in the securities of the Company.
