PROFIT WARNING

This announcement is made by Unisplendour Technology (Holdings) Limited (the “**Company**” and, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) (the “**Inside Information Provisions**”) under Part XIVA of the Securities and Futures Ordinance (Cap. 571, Laws of Hong Kong).

Reference is made to the announcement of the Company dated 26 October 2018 (the “**Rule 3.7 Announcement**”), and the monthly progress update announcement of the Company dated 20 June 2019 (the “**Monthly Progress Update Announcement**”) issued pursuant to Rule 3.7 of The Code on Takeovers and Mergers (the “**Takeovers Code**”), Rule 13.09 of the Listing Rules and the Inside Information Provisions. Unless otherwise stated, capitalised terms used herein shall have the same meanings as those defined in the Rule 3.7 Announcement and the Monthly Progress Update Announcement.

The board (the “**Board**”) of directors of the Company (the “**Directors**”) wishes to inform the shareholders (the “**Shareholders**”) and potential investors of the Company that, based on the information currently available, the Group is expected to record a loss for the period attributable to equity holders of the Company of HKD4,118,000 for the six months ended 30 June 2019, which is substantially lesser than the loss for the period attributable to equity holders of the Company of HKD 77,437,000 recorded for the six months ended 30 June 2018. Such decrease in loss is mainly attributable to a floating profit of approximately HK\$2,448,000 (for the six months ended 30 June 2018: a floating loss of approximately HK\$75,394,000) recorded by the securities investment segment which was caused by the fluctuation of the stock market.

The Company is still in the process of finalising the unaudited interim results of the Group for the six months ended 30 June 2019 (the “**Interim Results**”). The information contained in this announcement is only a preliminary assessment by the management of the Company based on information currently available to the Group, including the unaudited consolidated management accounts of the Group for the six months ended 30 June 2019. Such information has not been audited or reviewed by the auditors of the Company or the audit committee of the Company and may be subject to adjustments or amendments. The Interim Results announcement is expected to be published by the end of August 2019 pursuant to the requirements of the Listing Rules.

With the publication of the Rule 3.7 Announcement, the offer period has commenced since 26 October 2018. Pursuant to Rule 10 of the Takeovers Code, the profit warning included in this announcement (the “**Profit Warning**”) constitutes a profit forecast and is required to be reported on by the Company’s auditor or accountant and its financial advisers (if applicable) (the “**Profit Forecast Reports**”) in accordance with Rule 10.4 of the Takeovers Code. Since this announcement is required to be made pursuant to Rule 13.09 of the Listing Rules and the Inside Information Provisions, which requires the Company to issue a profit warning announcement as soon as practicable and given the time constraints, the Company has encountered genuine practical difficulties in meeting the requirements set out in Rule 10.4 of the Takeovers Code.

Under Rule 10.4 of the Takeovers Code, the Profit Forecast Reports are required to be contained in the next document to be sent to the Shareholders. As the Interim Results of the Group is expected to be published by the end of August 2019, the requirements of “reporting on” under Rule 10 of the Takeovers Code for the Profit Warning are expected to be superseded by the publication of the Interim Results of the Group. In such case, the relevant results together with the notes to the financial statements will be included in the next document to be sent to the Shareholders in compliance with the Takeovers Code.

WARNINGS: Shareholders and potential investors should note that the Profit Warning has not been reported on in accordance with the requirements under Rule 10.4 of the Takeovers Code and does not meet the standard required by Rule 10 of the Takeovers Code. The Profit Warning is normally required to be separately reported on by the Company’s auditor or accountant and financial advisers (if applicable) and such reports shall be contained in the next document to be issued by the Company to the Shareholders. Shareholders and potential investors are advised to exercise caution in placing reliance on the Profit Warning in respect of dealing in the securities of the Company. Also, there is no assurance that the Possible Acquisition contemplated under the Term Sheet or the Transfer contemplated under the Framework Agreement will materialise or eventually be consummated, and even if materialises, may or may not lead to a general offer under Rule 26.1 of Takeovers Code. The Possible Acquisition and/or the Transfer may or may not proceed. Shareholders and potential investors should exercise caution when dealing in the securities of the Company, and if they are in any doubt about their position, they should consult their professional adviser(s).
