### **PROFIT WARNING**

The directors of the Company announce pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “Listing Rules”) and the Inside Information Provisions (as defined in the Listing Rules) that based on the unaudited consolidated results of the Company and its subsidiaries (the “Group”) for the year ended 31 March 2014, it is expected that the Group’s operating profit for such year will be substantially lower than that for the year ended 31 March 2013 mainly as a result of (i) a decrease in turnover and drop in gross profit margin due to the adverse effect of the slow down of Mainland China’s economy; and (ii) increase in rental of shops.

The information contained in this announcement is based only on the management’s preliminary assessment after reviewing the unaudited consolidated management accounts of the Group for the year ended 31 March 2014, which are currently under review by the Company’s auditors. The Group’s annual results are subject to further review by the management and have not been finalised. Therefore the actual results of the Group for the year ended 31 March 2014 may differ from the information contained in this announcement.

**Shareholders of the Company and potential investors should exercise caution when dealing in the shares of the Company.**
